SUMMARY OF CONFERENCE COMMITTEE ACTION

May 05, 2017

The Conference Committee Amendment for HB 5203, relating to the prescription drug monitoring program, provides the following substantive modifications for the 2017-2018 fiscal year:

Section 1 permits the use of state funds appropriated in the General Appropriations Act to administer the prescription drug monitoring program (PDMP). Removes requirement relating to implementation of the PDMP being contingent on receipt of nonstate funding.

Section 2 provides an effective date of July 1, 2017.
