ORIGINAL STAMP BELOW

Representative(s): **Poppell**  
offered the following amendment:

**In Section: 05      On Page: 217      Specific Appropriation: 1711**

**Explanation:**

This reduces the Expenses category in the District Water Resource Protection and Restoration entity in the Department of Environmental Protection and adds \$50,000 to the Best Management Practices category in the Department of Agriculture and Consumer Services for Florida's Soil and Water Conservation Districts.

Following Specific Appropriation 1389, INSERT:

Of the funds in Specific Appropriation 1389, \$50,000 in nonrecurring funds is provided from the General Inspection Trust Fund for the Association of Florida Conservation Districts contract for support services to all Florida's Soil and Water Conservation Districts.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
