From Water Management Lands Trust
Fund

1,000,000

Following Specific Appropriation 1692A, INSERT:

Funds in Specific Appropriation 1692A are provided to the Southwest Florida Water Management District to implement environmental restoration and water resource sustainability projects and programs as described in the West Central Florida Water Restoration Action Plan. Funds are contingent upon matching dollars as follows: a) one-third of the project cost from the Southwest Florida Water Management District; and b) one-third of the project cost from project partners.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
