

1                                   A bill to be entitled  
 2       An act relating to growth management; amending s.  
 3       163.3167, F.S.; authorizing a local government to  
 4       retain certain charter provisions that were in effect  
 5       as of a specified date and that relate to an  
 6       initiative or referendum process; amending s.  
 7       163.3174, F.S.; requiring a local land planning agency  
 8       to periodically evaluate and appraise a comprehensive  
 9       plan; amending s. 163.3177, F.S.; revising the housing  
 10      and intergovernmental coordination elements of  
 11      comprehensive plans; amending s. 163.31777, F.S.;  
 12      exempting certain municipalities from public schools  
 13      interlocal-agreement requirements; providing  
 14      requirements for municipalities meeting the exemption  
 15      criteria; amending s. 163.3178, F.S.; replacing a  
 16      reference to the Department of Community Affairs with  
 17      the state land planning agency; deleting provisions  
 18      relating to the Coastal Resources Interagency  
 19      Management Committee; amending s. 163.3180, F.S.,  
 20      relating to concurrency; revising and providing  
 21      requirements relating to public facilities and  
 22      services, public education facilities, and local  
 23      school concurrency system requirements; deleting  
 24      provisions excluding a municipality that is not a  
 25      signatory to a certain interlocal agreement from  
 26      participating in a school concurrency system; amending  
 27      s. 163.3184, F.S.; revising provisions relating to the  
 28      expedited state review process for adoption of

29 comprehensive plan amendments; clarifying the time in  
 30 which a local government must transmit an amendment to  
 31 a comprehensive plan and supporting data and analyses  
 32 to the reviewing agencies; deleting the deadlines in  
 33 administrative challenges to comprehensive plans and  
 34 plan amendments for the entry of final orders and  
 35 referrals of recommended orders; specifying a deadline  
 36 for the state land planning agency to issue a notice  
 37 of intent after receiving a complete comprehensive  
 38 plan or plan amendment adopted pursuant to a  
 39 compliance agreement; amending s. 163.3191, F.S.;  
 40 conforming a cross-reference to changes made by the  
 41 act; amending s. 163.3245, F.S.; deleting an obsolete  
 42 cross-reference; deleting a reporting requirement  
 43 relating to optional sector plans; amending s.  
 44 186.002, F.S.; deleting a requirement for the Governor  
 45 to consider certain evaluation and appraisal reports  
 46 in preparing certain plans and amendments; amending s.  
 47 186.007, F.S.; deleting a requirement for the Governor  
 48 to consider certain evaluation and appraisal reports  
 49 when reviewing the state comprehensive plan; amending  
 50 s. 186.508, F.S.; requiring regional planning councils  
 51 to coordinate implementation of the strategic regional  
 52 policy plans with the evaluation and appraisal  
 53 process; amending s. 189.415, F.S.; requiring an  
 54 independent special district to update its public  
 55 facilities report every 7 years and at least 12 months  
 56 before the submission date of the evaluation and

57 appraisal notification letter; requiring the  
 58 Department of Economic Opportunity to post a schedule  
 59 of the due dates for public facilities reports and  
 60 updates that independent special districts must  
 61 provide to local governments; amending s. 288.975,  
 62 F.S.; deleting a provision exempting local government  
 63 plan amendments necessary to initially adopt the  
 64 military base reuse plan from a limitation on the  
 65 frequency of plan amendments; amending s. 380.06,  
 66 F.S.; correcting cross-references; amending s.  
 67 380.115, F.S.; adding a cross-reference for exempt  
 68 developments; amending s. 1013.33, F.S.; deleting  
 69 redundant requirements for interlocal agreements  
 70 relating to public education facilities; amending s.  
 71 1013.35, F.S.; deleting a cross-reference to conform  
 72 to changes made by the act; amending s. 1013.351,  
 73 F.S.; deleting redundant requirements for the  
 74 submission of certain interlocal agreements with the  
 75 Office of Educational Facilities and the state land  
 76 planning agency and for review of the interlocal  
 77 agreement by the office and the agency; amending s.  
 78 1013.36, F.S.; deleting an obsolete cross-reference;  
 79 providing an effective date.

80  
 81 Be It Enacted by the Legislature of the State of Florida:

82  
 83 Section 1. Subsection (8) of section 163.3167, Florida  
 84 Statutes, is amended to read:

85 | 163.3167 Scope of act.—

86 | (8) An initiative or referendum process in regard to any  
 87 | development order or in regard to any local comprehensive plan  
 88 | amendment or map amendment is prohibited. However, any local  
 89 | government charter provision that was in effect as of June 1,  
 90 | 2011, for an initiative or referendum process in regard to  
 91 | development orders or in regard to local comprehensive plan  
 92 | amendments or map amendments may be retained and implemented.

93 | Section 2. Paragraph (b) of subsection (4) of section  
 94 | 163.3174, Florida Statutes, is amended to read:

95 | 163.3174 Local planning agency.—

96 | (4) The local planning agency shall have the general  
 97 | responsibility for the conduct of the comprehensive planning  
 98 | program. Specifically, the local planning agency shall:

99 | (b) Monitor and oversee the effectiveness and status of  
 100 | the comprehensive plan and recommend to the governing body such  
 101 | changes in the comprehensive plan as may from time to time be  
 102 | required, including the periodic evaluation and appraisal of the  
 103 | comprehensive plan ~~preparation of the periodic reports~~ required  
 104 | by s. 163.3191.

105 | Section 3. Paragraphs (f) and (h) of subsection (6) of  
 106 | section 163.3177, Florida Statutes, are amended to read:

107 | 163.3177 Required and optional elements of comprehensive  
 108 | plan; studies and surveys.—

109 | (6) In addition to the requirements of subsections (1)–  
 110 | (5), the comprehensive plan shall include the following  
 111 | elements:

112 | (f)1. A housing element consisting of principles,

113 guidelines, standards, and strategies to be followed in:

114 a. The provision of housing for all current and

115 anticipated future residents of the jurisdiction.

116 b. The elimination of substandard dwelling conditions.

117 c. The structural and aesthetic improvement of existing

118 housing.

119 d. The provision of adequate sites for future housing,

120 including affordable workforce housing as defined in s.

121 380.0651(3)(h), housing for low-income, very low-income, and

122 moderate-income families, mobile homes, and group home

123 facilities and foster care facilities, with supporting

124 infrastructure and public facilities. The element may include

125 provisions that specifically address affordable housing for

126 persons 60 years of age or older. Real property that is conveyed

127 to a local government for affordable housing under this sub-

128 subparagraph shall be disposed of by the local government

129 pursuant to s. 125.379 or s. 166.0451.

130 e. Provision for relocation housing and identification of

131 historically significant and other housing for purposes of

132 conservation, rehabilitation, or replacement.

133 f. The formulation of housing implementation programs.

134 g. The creation or preservation of affordable housing to

135 minimize the need for additional local services and avoid the

136 concentration of affordable housing units only in specific areas

137 of the jurisdiction.

138 2. The principles, guidelines, standards, and strategies

139 of the housing element must be based on ~~the~~ data and analysis

140 prepared on housing needs, ~~including an inventory taken from the~~

141 ~~latest decennial United States Census or more recent estimates,~~  
 142 which shall include the number and distribution of dwelling  
 143 units by type, tenure, age, rent, value, monthly cost of owner-  
 144 occupied units, and rent or cost to income ratio, and shall show  
 145 the number of dwelling units that are substandard. The data and  
 146 analysis ~~inventory~~ shall also include the methodology used to  
 147 estimate the condition of housing, a projection of the  
 148 anticipated number of households by size, income range, and age  
 149 of residents derived from the population projections, and the  
 150 minimum housing need of the current and anticipated future  
 151 residents of the jurisdiction.

152 3. The housing element must express principles,  
 153 guidelines, standards, and strategies that reflect, as needed,  
 154 the creation and preservation of affordable housing for all  
 155 current and anticipated future residents of the jurisdiction,  
 156 elimination of substandard housing conditions, adequate sites,  
 157 and distribution of housing for a range of incomes and types,  
 158 including mobile and manufactured homes. The element must  
 159 provide for specific programs and actions to partner with  
 160 private and nonprofit sectors to address housing needs in the  
 161 jurisdiction, streamline the permitting process, and minimize  
 162 costs and delays for affordable housing, establish standards to  
 163 address the quality of housing, stabilization of neighborhoods,  
 164 and identification and improvement of historically significant  
 165 housing.

166 4. State and federal housing plans prepared on behalf of  
 167 the local government must be consistent with the goals,  
 168 objectives, and policies of the housing element. Local

169 governments are encouraged to use job training, job creation,  
 170 and economic solutions to address a portion of their affordable  
 171 housing concerns.

172 (h)1. An intergovernmental coordination element showing  
 173 relationships and stating principles and guidelines to be used  
 174 in coordinating the adopted comprehensive plan with the plans of  
 175 school boards, regional water supply authorities, and other  
 176 units of local government providing services but not having  
 177 regulatory authority over the use of land, with the  
 178 comprehensive plans of adjacent municipalities, the county,  
 179 adjacent counties, or the region, with the state comprehensive  
 180 plan and with the applicable regional water supply plan approved  
 181 pursuant to s. 373.709, as the case may require and as such  
 182 adopted plans or plans in preparation may exist. This element of  
 183 the local comprehensive plan must demonstrate consideration of  
 184 the particular effects of the local plan, when adopted, upon the  
 185 development of adjacent municipalities, the county, adjacent  
 186 counties, or the region, or upon the state comprehensive plan,  
 187 as the case may require.

188 a. The intergovernmental coordination element must provide  
 189 procedures for identifying and implementing joint planning  
 190 areas, especially for the purpose of annexation, municipal  
 191 incorporation, and joint infrastructure service areas.

192 b. The intergovernmental coordination element shall  
 193 provide for a dispute resolution process, as established  
 194 pursuant to s. 186.509, for bringing intergovernmental disputes  
 195 to closure in a timely manner.

196 c. The intergovernmental coordination element shall

197 provide for interlocal agreements as established pursuant to s.  
 198 333.03(1)(b).

199 2. The intergovernmental coordination element shall also  
 200 state principles and guidelines to be used in coordinating the  
 201 adopted comprehensive plan with the plans of school boards and  
 202 other units of local government providing facilities and  
 203 services but not having regulatory authority over the use of  
 204 land. In addition, the intergovernmental coordination element  
 205 must describe joint processes for collaborative planning and  
 206 decisionmaking on population projections and public school  
 207 siting, the location and extension of public facilities subject  
 208 to concurrency, and siting facilities with countywide  
 209 significance, including locally unwanted land uses whose nature  
 210 and identity are established in an agreement.

211 3. Within 1 year after adopting their intergovernmental  
 212 coordination elements, each county, all the municipalities  
 213 within that county, the district school board, and any unit of  
 214 local government service providers in that county shall  
 215 establish by interlocal or other formal agreement executed by  
 216 all affected entities, the joint processes described in this  
 217 subparagraph consistent with their adopted intergovernmental  
 218 coordination elements. The agreement ~~element~~ must:

219 a. Ensure that the local government addresses through  
 220 coordination mechanisms the impacts of development proposed in  
 221 the local comprehensive plan upon development in adjacent  
 222 municipalities, the county, adjacent counties, the region, and  
 223 the state. The area of concern for municipalities shall include  
 224 adjacent municipalities, the county, and counties adjacent to

225 the municipality. The area of concern for counties shall include  
 226 all municipalities within the county, adjacent counties, and  
 227 adjacent municipalities.

228 b. Ensure coordination in establishing level of service  
 229 standards for public facilities with any state, regional, or  
 230 local entity having operational and maintenance responsibility  
 231 for such facilities.

232 Section 4. Subsections (3) and (4) are added to section  
 233 163.31777, Florida Statutes, to read:

234 163.31777 Public schools interlocal agreement.-

235 (3) A municipality is exempt from the requirements of  
 236 subsections (1) and (2) if the municipality meets all of the  
 237 following criteria for having no significant impact on school  
 238 attendance:

239 (a) The municipality has issued development orders for  
 240 fewer than 50 residential dwelling units during the preceding 5  
 241 years, or the municipality has generated fewer than 25  
 242 additional public school students during the preceding 5 years.

243 (b) The municipality has not annexed new land during the  
 244 preceding 5 years in land use categories that permit residential  
 245 uses that will affect school attendance rates.

246 (c) The municipality has no public schools located within  
 247 its boundaries.

248 (d) At least 80 percent of the developable land within the  
 249 boundaries of the municipality has been built upon.

250 (4) At the time of the evaluation and appraisal of its  
 251 comprehensive plan pursuant to s. 163.3191, each exempt  
 252 municipality shall assess the extent to which it continues to

253 meet the criteria for exemption under subsection (3). If the  
 254 municipality continues to meet the criteria for exemption under  
 255 subsection (3), the municipality shall continue to be exempt  
 256 from the interlocal-agreement requirement. Each municipality  
 257 exempt under subsection (3) must comply with this section within  
 258 1 year after the district school board proposes, in its 5-year  
 259 district facilities work program, a new school within the  
 260 municipality's jurisdiction.

261 Section 5. Subsections (3) and (6) of section 163.3178,  
 262 Florida Statutes, are amended to read:

263 163.3178 Coastal management.—

264 (3) Expansions to port harbors, spoil disposal sites,  
 265 navigation channels, turning basins, harbor berths, and other  
 266 related inwater harbor facilities of ports listed in s.  
 267 403.021(9); port transportation facilities and projects listed  
 268 in s. 311.07(3)(b); intermodal transportation facilities  
 269 identified pursuant to s. 311.09(3); and facilities determined  
 270 by the state land planning agency ~~Department of Community~~  
 271 ~~Affairs~~ and applicable general-purpose local government to be  
 272 port-related industrial or commercial projects located within 3  
 273 miles of or in a port master plan area which rely upon the use  
 274 of port and intermodal transportation facilities shall not be  
 275 designated as developments of regional impact if such  
 276 expansions, projects, or facilities are consistent with  
 277 comprehensive master plans that are in compliance with this  
 278 section.

279 (6) Local governments are encouraged to adopt countywide  
 280 marina siting plans to designate sites for existing and future

281 ~~marinas. The Coastal Resources Interagency Management Committee,~~  
 282 ~~at the direction of the Legislature, shall identify incentives~~  
 283 ~~to encourage local governments to adopt such siting plans and~~  
 284 ~~uniform criteria and standards to be used by local governments~~  
 285 ~~to implement state goals, objectives, and policies relating to~~  
 286 ~~marina siting. These criteria must ensure that priority is given~~  
 287 ~~to water dependent land uses.~~ Countywide marina siting plans  
 288 must be consistent with state and regional environmental  
 289 planning policies and standards. Each local government in the  
 290 coastal area which participates in adoption of a countywide  
 291 marina siting plan shall incorporate the plan into the coastal  
 292 management element of its local comprehensive plan.

293 Section 6. Paragraph (a) of subsection (1) and paragraphs  
 294 (a), (i), (j), and (k) of subsection (6) of section 163.3180,  
 295 Florida Statutes, are amended to read:

296 163.3180 Concurrency.—

297 (1) Sanitary sewer, solid waste, drainage, and potable  
 298 water are the only public facilities and services subject to the  
 299 concurrency requirement on a statewide basis. Additional public  
 300 facilities and services may not be made subject to concurrency  
 301 on a statewide basis without approval by the Legislature;  
 302 however, any local government may extend the concurrency  
 303 requirement so that it applies to additional public facilities  
 304 within its jurisdiction.

305 (a) If concurrency is applied to other public facilities,  
 306 the local government comprehensive plan must provide the  
 307 principles, guidelines, standards, and strategies, including  
 308 adopted levels of service, to guide its application. In order

309 | for a local government to rescind any optional concurrency  
 310 | provisions, a comprehensive plan amendment is required. An  
 311 | amendment rescinding optional concurrency issues shall be  
 312 | processed under the expedited state review process in s.  
 313 | 163.3184(3), but the amendment is not subject to state review  
 314 | and is not required to be transmitted to the reviewing agencies  
 315 | for comments, except that the local government shall transmit  
 316 | the amendment to any local government or government agency that  
 317 | has filed a request with the governing body, and for municipal  
 318 | amendments, the amendment shall be transmitted to the county in  
 319 | which the municipality is located. For informational purposes  
 320 | only, a copy of the adopted amendment shall be provided to the  
 321 | state land planning agency. A copy of the adopted amendment  
 322 | shall also be provided to the Department of Transportation if  
 323 | the amendment rescinds transportation concurrency and to the  
 324 | Department of Education if the amendment rescinds school  
 325 | concurrency.

326 |       (6) (a) Local governments that apply ~~if concurrency is~~  
 327 | ~~applied to public education facilities, all local governments~~  
 328 | ~~within a county, except as provided in paragraph (i),~~ shall  
 329 | include principles, guidelines, standards, and strategies,  
 330 | including adopted levels of service, in their comprehensive  
 331 | plans and interlocal agreements. The choice of one or more  
 332 | municipalities to not adopt school concurrency and enter into  
 333 | the interlocal agreement does not preclude implementation of  
 334 | school concurrency within other jurisdictions of the school  
 335 | district if the county and one or more municipalities have  
 336 | adopted school concurrency into their comprehensive plan and

337 interlocal agreement that represents at least 80 percent of the  
 338 total countywide population, ~~the failure of one or more~~  
 339 ~~municipalities to adopt the concurrency and enter into the~~  
 340 ~~interlocal agreement does not preclude implementation of school~~  
 341 ~~concurrency within jurisdictions of the school district that~~  
 342 ~~have opted to implement concurrency.~~ All local government  
 343 provisions included in comprehensive plans regarding school  
 344 concurrency within a county must be consistent with each other  
 345 and as well as the requirements of this part.

346 ~~(i) A municipality is not required to be a signatory to~~  
 347 ~~the interlocal agreement required by paragraph (j), as a~~  
 348 ~~prerequisite for imposition of school concurrency, and as a~~  
 349 ~~nonsignatory, may not participate in the adopted local school~~  
 350 ~~concurrency system, if the municipality meets all of the~~  
 351 ~~following criteria for having no significant impact on school~~  
 352 ~~attendance:~~

353 ~~1. The municipality has issued development orders for~~  
 354 ~~fewer than 50 residential dwelling units during the preceding 5~~  
 355 ~~years, or the municipality has generated fewer than 25~~  
 356 ~~additional public school students during the preceding 5 years.~~

357 ~~2. The municipality has not annexed new land during the~~  
 358 ~~preceding 5 years in land use categories which permit~~  
 359 ~~residential uses that will affect school attendance rates.~~

360 ~~3. The municipality has no public schools located within~~  
 361 ~~its boundaries.~~

362 ~~4. At least 80 percent of the developable land within the~~  
 363 ~~boundaries of the municipality has been built upon.~~

364 (i)-(j) When establishing concurrency requirements for

365 public schools, a local government must enter into an interlocal  
 366 agreement that satisfies the requirements in ss.  
 367 163.3177(6)(h)1. and 2. and 163.31777 and the requirements of  
 368 this subsection. The interlocal agreement shall acknowledge both  
 369 the school board's constitutional and statutory obligations to  
 370 provide a uniform system of free public schools on a countywide  
 371 basis, and the land use authority of local governments,  
 372 including their authority to approve or deny comprehensive plan  
 373 amendments and development orders. The interlocal agreement  
 374 shall meet the following requirements:

375 1. Establish the mechanisms for coordinating the  
 376 development, adoption, and amendment of each local government's  
 377 school concurrency related provisions of the comprehensive plan  
 378 with each other and the plans of the school board to ensure a  
 379 uniform districtwide school concurrency system.

380 2. Specify uniform, districtwide level-of-service  
 381 standards for public schools of the same type and the process  
 382 for modifying the adopted level-of-service standards.

383 3. Define the geographic application of school  
 384 concurrency. If school concurrency is to be applied on a less  
 385 than districtwide basis in the form of concurrency service  
 386 areas, the agreement shall establish criteria and standards for  
 387 the establishment and modification of school concurrency service  
 388 areas. The agreement shall ensure maximum utilization of school  
 389 capacity, taking into account transportation costs and court-  
 390 approved desegregation plans, as well as other factors.

391 4. Establish a uniform districtwide procedure for  
 392 implementing school concurrency which provides for:

393 a. The evaluation of development applications for  
 394 compliance with school concurrency requirements, including  
 395 information provided by the school board on affected schools,  
 396 impact on levels of service, and programmed improvements for  
 397 affected schools and any options to provide sufficient capacity;

398 b. An opportunity for the school board to review and  
 399 comment on the effect of comprehensive plan amendments and  
 400 rezonings on the public school facilities plan; and

401 c. The monitoring and evaluation of the school concurrency  
 402 system.

403 5. A process and uniform methodology for determining  
 404 proportionate-share mitigation pursuant to paragraph (h).

405 (j)~~(k)~~ This subsection does not limit the authority of a  
 406 local government to grant or deny a development permit or its  
 407 functional equivalent prior to the implementation of school  
 408 concurrency.

409 Section 7. Paragraphs (b) and (c) of subsection (3),  
 410 paragraphs (b) and (e) of subsection (4), paragraphs (b), (d),  
 411 and (e) of subsection (5), paragraph (f) of subsection (6), and  
 412 subsection (12) of section 163.3184, Florida Statutes, are  
 413 amended to read:

414 163.3184 Process for adoption of comprehensive plan or  
 415 plan amendment.—

416 (3) EXPEDITED STATE REVIEW PROCESS FOR ADOPTION OF  
 417 COMPREHENSIVE PLAN AMENDMENTS.—

418 (b)1. The local government, after the initial public  
 419 hearing held pursuant to subsection (11), shall transmit within  
 420 10 calendar days the amendment or amendments and appropriate

421 supporting data and analyses to the reviewing agencies. The  
 422 local governing body shall also transmit a copy of the  
 423 amendments and supporting data and analyses to any other local  
 424 government or governmental agency that has filed a written  
 425 request with the governing body.

426 2. The reviewing agencies and any other local government  
 427 or governmental agency specified in subparagraph 1. may provide  
 428 comments regarding the amendment or amendments to the local  
 429 government. State agencies shall only comment on important state  
 430 resources and facilities that will be adversely impacted by the  
 431 amendment if adopted. Comments provided by state agencies shall  
 432 state with specificity how the plan amendment will adversely  
 433 impact an important state resource or facility and shall  
 434 identify measures the local government may take to eliminate,  
 435 reduce, or mitigate the adverse impacts. Such comments, if not  
 436 resolved, may result in a challenge by the state land planning  
 437 agency to the plan amendment. Agencies and local governments  
 438 must transmit their comments to the affected local government  
 439 such that they are received by the local government not later  
 440 than 30 days after ~~from~~ the date on which the agency or  
 441 government received the amendment or amendments. Reviewing  
 442 agencies shall also send a copy of their comments to the state  
 443 land planning agency.

444 3. Comments to the local government from a regional  
 445 planning council, county, or municipality shall be limited as  
 446 follows:

447 a. The regional planning council review and comments shall  
 448 be limited to adverse effects on regional resources or

449 facilities identified in the strategic regional policy plan and  
 450 extrajurisdictional impacts that would be inconsistent with the  
 451 comprehensive plan of any affected local government within the  
 452 region. A regional planning council may not review and comment  
 453 on a proposed comprehensive plan amendment prepared by such  
 454 council unless the plan amendment has been changed by the local  
 455 government subsequent to the preparation of the plan amendment  
 456 by the regional planning council.

457         b. County comments shall be in the context of the  
 458 relationship and effect of the proposed plan amendments on the  
 459 county plan.

460         c. Municipal comments shall be in the context of the  
 461 relationship and effect of the proposed plan amendments on the  
 462 municipal plan.

463         d. Military installation comments shall be provided in  
 464 accordance with s. 163.3175.

465         4. Comments to the local government from state agencies  
 466 shall be limited to the following subjects as they relate to  
 467 important state resources and facilities that will be adversely  
 468 impacted by the amendment if adopted:

469             a. The Department of Environmental Protection shall limit  
 470 its comments to the subjects of air and water pollution;  
 471 wetlands and other surface waters of the state; federal and  
 472 state-owned lands and interest in lands, including state parks,  
 473 greenways and trails, and conservation easements; solid waste;  
 474 water and wastewater treatment; and the Everglades ecosystem  
 475 restoration.

476             b. The Department of State shall limit its comments to the

477 subjects of historic and archaeological resources.

478 c. The Department of Transportation shall limit its  
 479 comments to issues within the agency's jurisdiction as it  
 480 relates to transportation resources and facilities of state  
 481 importance.

482 d. The Fish and Wildlife Conservation Commission shall  
 483 limit its comments to subjects relating to fish and wildlife  
 484 habitat and listed species and their habitat.

485 e. The Department of Agriculture and Consumer Services  
 486 shall limit its comments to the subjects of agriculture,  
 487 forestry, and aquaculture issues.

488 f. The Department of Education shall limit its comments to  
 489 the subject of public school facilities.

490 g. The appropriate water management district shall limit  
 491 its comments to flood protection and floodplain management,  
 492 wetlands and other surface waters, and regional water supply.

493 h. The state land planning agency shall limit its comments  
 494 to important state resources and facilities outside the  
 495 jurisdiction of other commenting state agencies and may include  
 496 comments on countervailing planning policies and objectives  
 497 served by the plan amendment that should be balanced against  
 498 potential adverse impacts to important state resources and  
 499 facilities.

500 (c)1. The local government shall hold its second public  
 501 hearing, which shall be a hearing on whether to adopt one or  
 502 more comprehensive plan amendments pursuant to subsection (11).  
 503 If the local government fails, within 180 days after receipt of  
 504 agency comments, to hold the second public hearing, the

505 amendments shall be deemed withdrawn unless extended by  
 506 agreement with notice to the state land planning agency and any  
 507 affected person that provided comments on the amendment. The  
 508 180-day limitation does not apply to amendments processed  
 509 pursuant to s. 380.06.

510 2. All comprehensive plan amendments adopted by the  
 511 governing body, along with the supporting data and analysis,  
 512 shall be transmitted within 10 calendar days after the second  
 513 public hearing to the state land planning agency and any other  
 514 agency or local government that provided timely comments under  
 515 subparagraph (b)2.

516 3. The state land planning agency shall notify the local  
 517 government of any deficiencies within 5 working days after  
 518 receipt of an amendment package. For purposes of completeness,  
 519 an amendment shall be deemed complete if it contains a full,  
 520 executed copy of the adoption ordinance or ordinances; in the  
 521 case of a text amendment, a full copy of the amended language in  
 522 legislative format with new words inserted in the text  
 523 underlined, and words deleted stricken with hyphens; in the case  
 524 of a future land use map amendment, a copy of the future land  
 525 use map clearly depicting the parcel, its existing future land  
 526 use designation, and its adopted designation; and a copy of any  
 527 data and analyses the local government deems appropriate.

528 4. An amendment adopted under this paragraph does not  
 529 become effective until 31 days after the state land planning  
 530 agency notifies the local government that the plan amendment  
 531 package is complete. If timely challenged, an amendment does not  
 532 become effective until the state land planning agency or the

533 Administration Commission enters a final order determining the  
 534 adopted amendment to be in compliance.

535 (4) STATE COORDINATED REVIEW PROCESS.—

536 (b) Local government transmittal of proposed plan or  
 537 amendment.—Each local governing body proposing a plan or plan  
 538 amendment specified in paragraph (2)(c) shall transmit the  
 539 complete proposed comprehensive plan or plan amendment to the  
 540 reviewing agencies within 10 calendar days after ~~immediately~~  
 541 ~~following~~ the first public hearing pursuant to subsection (11).  
 542 The transmitted document shall clearly indicate on the cover  
 543 sheet that this plan amendment is subject to the state  
 544 coordinated review process of this subsection. The local  
 545 governing body shall also transmit a copy of the complete  
 546 proposed comprehensive plan or plan amendment to any other unit  
 547 of local government or government agency in the state that has  
 548 filed a written request with the governing body for the plan or  
 549 plan amendment.

550 (e) Local government review of comments; adoption of plan  
 551 or amendments and transmittal.—

552 1. The local government shall review the report submitted  
 553 to it by the state land planning agency, if any, and written  
 554 comments submitted to it by any other person, agency, or  
 555 government. The local government, upon receipt of the report  
 556 from the state land planning agency, shall hold its second  
 557 public hearing, which shall be a hearing to determine whether to  
 558 adopt the comprehensive plan or one or more comprehensive plan  
 559 amendments pursuant to subsection (11). If the local government  
 560 fails to hold the second hearing within 180 days after receipt

561 of the state land planning agency's report, the amendments shall  
 562 be deemed withdrawn unless extended by agreement with notice to  
 563 the state land planning agency and any affected person that  
 564 provided comments on the amendment. The 180-day limitation does  
 565 not apply to amendments processed pursuant to s. 380.06.

566 2. All comprehensive plan amendments adopted by the  
 567 governing body, along with the supporting data and analysis,  
 568 shall be transmitted within 10 calendar days after the second  
 569 public hearing to the state land planning agency and any other  
 570 agency or local government that provided timely comments under  
 571 paragraph (c).

572 3. The state land planning agency shall notify the local  
 573 government of any deficiencies within 5 working days after  
 574 receipt of a plan or plan amendment package. For purposes of  
 575 completeness, a plan or plan amendment shall be deemed complete  
 576 if it contains a full, executed copy of the adoption ordinance  
 577 or ordinances; in the case of a text amendment, a full copy of  
 578 the amended language in legislative format with new words  
 579 inserted in the text underlined, and words deleted stricken with  
 580 hyphens; in the case of a future land use map amendment, a copy  
 581 of the future land use map clearly depicting the parcel, its  
 582 existing future land use designation, and its adopted  
 583 designation; and a copy of any data and analyses the local  
 584 government deems appropriate.

585 4. After the state land planning agency makes a  
 586 determination of completeness regarding the adopted plan or plan  
 587 amendment, the state land planning agency shall have 45 days to  
 588 determine if the plan or plan amendment is in compliance with

589 | this act. Unless the plan or plan amendment is substantially  
 590 | changed from the one commented on, the state land planning  
 591 | agency's compliance determination shall be limited to objections  
 592 | raised in the objections, recommendations, and comments report.  
 593 | During the period provided for in this subparagraph, the state  
 594 | land planning agency shall issue, through a senior administrator  
 595 | or the secretary, a notice of intent to find that the plan or  
 596 | plan amendment is in compliance or not in compliance. The state  
 597 | land planning agency shall post a copy of the notice of intent  
 598 | on the agency's Internet website. Publication by the state land  
 599 | planning agency of the notice of intent on the state land  
 600 | planning agency's Internet site shall be prima facie evidence of  
 601 | compliance with the publication requirements of this  
 602 | subparagraph.

603 |         5. A plan or plan amendment adopted under the state  
 604 | coordinated review process shall go into effect pursuant to the  
 605 | state land planning agency's notice of intent. If timely  
 606 | challenged, an amendment does not become effective until the  
 607 | state land planning agency or the Administration Commission  
 608 | enters a final order determining the adopted amendment to be in  
 609 | compliance.

610 |         (5) ADMINISTRATIVE CHALLENGES TO PLANS AND PLAN  
 611 | AMENDMENTS.—

612 |         (b) The state land planning agency may file a petition  
 613 | with the Division of Administrative Hearings pursuant to ss.  
 614 | 120.569 and 120.57, with a copy served on the affected local  
 615 | government, to request a formal hearing to challenge whether the  
 616 | plan or plan amendment is in compliance as defined in paragraph

617 (1) (b). The state land planning agency's petition must clearly  
 618 state the reasons for the challenge. Under the expedited state  
 619 review process, this petition must be filed with the division  
 620 within 30 days after the state land planning agency notifies the  
 621 local government that the plan amendment package is complete  
 622 according to subparagraph (3) (c)3. Under the state coordinated  
 623 review process, this petition must be filed with the division  
 624 within 45 days after the state land planning agency notifies the  
 625 local government that the plan amendment package is complete  
 626 according to subparagraph (4) (e)3. ~~(3) (e)3.~~

627 1. The state land planning agency's challenge to plan  
 628 amendments adopted under the expedited state review process  
 629 shall be limited to the comments provided by the reviewing  
 630 agencies pursuant to subparagraphs (3) (b)2.-4., upon a  
 631 determination by the state land planning agency that an  
 632 important state resource or facility will be adversely impacted  
 633 by the adopted plan amendment. The state land planning agency's  
 634 petition shall state with specificity how the plan amendment  
 635 will adversely impact the important state resource or facility.  
 636 The state land planning agency may challenge a plan amendment  
 637 that has substantially changed from the version on which the  
 638 agencies provided comments but only upon a determination by the  
 639 state land planning agency that an important state resource or  
 640 facility will be adversely impacted.

641 2. If the state land planning agency issues a notice of  
 642 intent to find the comprehensive plan or plan amendment not in  
 643 compliance with this act, the notice of intent shall be  
 644 forwarded to the Division of Administrative Hearings of the

645 Department of Management Services, which shall conduct a  
 646 proceeding under ss. 120.569 and 120.57 in the county of and  
 647 convenient to the affected local jurisdiction. The parties to  
 648 the proceeding shall be the state land planning agency, the  
 649 affected local government, and any affected person who  
 650 intervenes. No new issue may be alleged as a reason to find a  
 651 plan or plan amendment not in compliance in an administrative  
 652 pleading filed more than 21 days after publication of notice  
 653 unless the party seeking that issue establishes good cause for  
 654 not alleging the issue within that time period. Good cause does  
 655 not include excusable neglect.

656 (d) If the administrative law judge recommends that the  
 657 amendment be found not in compliance, the judge shall submit the  
 658 recommended order to the Administration Commission for final  
 659 agency action. The Administration Commission shall make every  
 660 effort to enter a final order expeditiously, but at a minimum  
 661 within the time period provided by s. 120.569 ~~45 days after its~~  
 662 ~~receipt of the recommended order.~~

663 (e) If the administrative law judge recommends that the  
 664 amendment be found in compliance, the judge shall submit the  
 665 recommended order to the state land planning agency.

666 1. If the state land planning agency determines that the  
 667 plan amendment should be found not in compliance, the agency  
 668 shall make every effort to refer, ~~within 30 days after receipt~~  
 669 ~~of the recommended order,~~ the recommended order and its  
 670 determination expeditiously to the Administration Commission for  
 671 final agency action, but at a minimum within the time period  
 672 provided by s. 120.569.

673 2. If the state land planning agency determines that the  
 674 plan amendment should be found in compliance, the agency shall  
 675 make every effort to enter its final order expeditiously, but at  
 676 a minimum within the time period provided by s. 120.569 ~~not~~  
 677 ~~later than 30 days after receipt of the recommended order.~~

678 (6) COMPLIANCE AGREEMENT.-

679 (f) For challenges to amendments adopted under the state  
 680 coordinated process, the state land planning agency, ~~upon~~  
 681 ~~receipt of a plan or plan amendment adopted pursuant to a~~  
 682 ~~compliance agreement,~~ shall issue a cumulative notice of intent  
 683 addressing both the remedial amendment and the plan or plan  
 684 amendment that was the subject of the agreement within 20 days  
 685 after receiving a complete plan or plan amendment adopted  
 686 pursuant to a compliance agreement.

687 1. If the local government adopts a comprehensive plan or  
 688 plan amendment pursuant to a compliance agreement and a notice  
 689 of intent to find the plan amendment in compliance is issued,  
 690 the state land planning agency shall forward the notice of  
 691 intent to the Division of Administrative Hearings and the  
 692 administrative law judge shall realign the parties in the  
 693 pending proceeding under ss. 120.569 and 120.57, which shall  
 694 thereafter be governed by the process contained in paragraph  
 695 (5) (a) and subparagraph (5) (c)1., including provisions relating  
 696 to challenges by an affected person, burden of proof, and issues  
 697 of a recommended order and a final order. Parties to the  
 698 original proceeding at the time of realignment may continue as  
 699 parties without being required to file additional pleadings to  
 700 initiate a proceeding, but may timely amend their pleadings to

701 raise any challenge to the amendment that is the subject of the  
 702 cumulative notice of intent, and must otherwise conform to the  
 703 rules of procedure of the Division of Administrative Hearings.  
 704 Any affected person not a party to the realigned proceeding may  
 705 challenge the plan amendment that is the subject of the  
 706 cumulative notice of intent by filing a petition with the agency  
 707 as provided in subsection (5). The agency shall forward the  
 708 petition filed by the affected person not a party to the  
 709 realigned proceeding to the Division of Administrative Hearings  
 710 for consolidation with the realigned proceeding. If the  
 711 cumulative notice of intent is not challenged, the state land  
 712 planning agency shall request that the Division of  
 713 Administrative Hearings relinquish jurisdiction to the state  
 714 land planning agency for issuance of a final order.

715 2. If the local government adopts a comprehensive plan  
 716 amendment pursuant to a compliance agreement and a notice of  
 717 intent is issued that finds the plan amendment not in  
 718 compliance, the state land planning agency shall forward the  
 719 notice of intent to the Division of Administrative Hearings,  
 720 which shall consolidate the proceeding with the pending  
 721 proceeding and immediately set a date for a hearing in the  
 722 pending proceeding under ss. 120.569 and 120.57. Affected  
 723 persons who are not a party to the underlying proceeding under  
 724 ss. 120.569 and 120.57 may challenge the plan amendment adopted  
 725 pursuant to the compliance agreement by filing a petition  
 726 pursuant to paragraph (5) (a).

727 (12) CONCURRENT ZONING.— At the request of an applicant, a  
 728 local government shall consider an application for zoning

729 changes that would be required to properly enact any proposed  
 730 plan amendment transmitted pursuant to this section ~~subsection~~.  
 731 Zoning changes approved by the local government are contingent  
 732 upon the comprehensive plan or plan amendment transmitted  
 733 becoming effective.

734 Section 8. Subsection (3) of section 163.3191, Florida  
 735 Statutes, is amended to read:

736 163.3191 Evaluation and appraisal of comprehensive plan.—

737 (3) Local governments are encouraged to comprehensively  
 738 evaluate and, as necessary, update comprehensive plans to  
 739 reflect changes in local conditions. Plan amendments transmitted  
 740 pursuant to this section shall be reviewed pursuant to ~~in~~  
 741 ~~accordance with~~ s. 163.3184(4).

742 Section 9. Subsections (8) through (14) of section  
 743 163.3245, Florida Statutes, are redesignated as subsections (7)  
 744 through (13), respectively, and present subsections (1) and (7)  
 745 of that section are amended to read:

746 163.3245 Sector plans.—

747 (1) In recognition of the benefits of long-range planning  
 748 for specific areas, local governments or combinations of local  
 749 governments may adopt into their comprehensive plans a sector  
 750 plan in accordance with this section. This section is intended  
 751 to promote and encourage long-term planning for conservation,  
 752 development, and agriculture on a landscape scale; to further  
 753 support ~~the intent of s. 163.3177(11), which supports~~ innovative  
 754 and flexible planning and development strategies, and the  
 755 purposes of this part and part I of chapter 380; to facilitate  
 756 protection of regionally significant resources, including, but

757 not limited to, regionally significant water courses and  
 758 wildlife corridors; and to avoid duplication of effort in terms  
 759 of the level of data and analysis required for a development of  
 760 regional impact, while ensuring the adequate mitigation of  
 761 impacts to applicable regional resources and facilities,  
 762 including those within the jurisdiction of other local  
 763 governments, as would otherwise be provided. Sector plans are  
 764 intended for substantial geographic areas that include at least  
 765 15,000 acres of one or more local governmental jurisdictions and  
 766 are to emphasize urban form and protection of regionally  
 767 significant resources and public facilities. A sector plan may  
 768 not be adopted in an area of critical state concern.

769 ~~(7) Beginning December 1, 1999, and each year thereafter,~~  
 770 ~~the department shall provide a status report to the President of~~  
 771 ~~the Senate and the Speaker of the House of Representatives~~  
 772 ~~regarding each optional sector plan authorized under this~~  
 773 ~~section.~~

774 Section 10. Paragraph (d) of subsection (2) of section  
 775 186.002, Florida Statutes, is amended to read:

776 186.002 Findings and intent.—

777 (2) It is the intent of the Legislature that:

778 (d) The state planning process shall be informed and  
 779 guided by the experience of public officials at all levels of  
 780 government. ~~In preparing any plans or proposed revisions or~~  
 781 ~~amendments required by this chapter, the Governor shall consider~~  
 782 ~~the experience of and information provided by local governments~~  
 783 ~~in their evaluation and appraisal reports pursuant to s.~~  
 784 ~~163.3191.~~

785 Section 11. Subsection (8) of section 186.007, Florida  
 786 Statutes, is amended to read:

787 186.007 State comprehensive plan; preparation; revision.-

788 (8) The revision of the state comprehensive plan is a  
 789 continuing process. Each section of the plan shall be reviewed  
 790 and analyzed biennially by the Executive Office of the Governor  
 791 in conjunction with the planning officers of other state  
 792 agencies significantly affected by the provisions of the  
 793 particular section under review. In conducting this review and  
 794 analysis, the Executive Office of the Governor shall review and  
 795 consider, with the assistance of the state land planning agency  
 796 and regional planning councils, ~~the evaluation and appraisal~~  
 797 ~~reports submitted pursuant to s. 163.3191~~ and the evaluation and  
 798 appraisal reports prepared pursuant to s. 186.511. Any necessary  
 799 revisions of the state comprehensive plan shall be proposed by  
 800 the Governor in a written report and be accompanied by an  
 801 explanation of the need for such changes. If the Governor  
 802 determines that changes are unnecessary, the written report must  
 803 explain why changes are unnecessary. The proposed revisions and  
 804 accompanying explanations may be submitted in the report  
 805 required by s. 186.031. Any proposed revisions to the plan shall  
 806 be submitted to the Legislature as provided in s. 186.008(2) at  
 807 least 30 days prior to the regular legislative session occurring  
 808 in each even-numbered year.

809 Section 12. Subsection (1) of section 186.508, Florida  
 810 Statutes, is amended to read:

811 186.508 Strategic regional policy plan adoption;  
 812 consistency with state comprehensive plan.-

813 (1) Each regional planning council shall submit to the  
 814 Executive Office of the Governor its proposed strategic regional  
 815 policy plan on a schedule established by the Executive Office of  
 816 the Governor to coordinate implementation of the strategic  
 817 regional policy plans with the evaluation and appraisal process  
 818 ~~reports~~ required by s. 163.3191. The Executive Office of the  
 819 Governor, or its designee, shall review the proposed strategic  
 820 regional policy plan to ensure consistency with the adopted  
 821 state comprehensive plan and shall, within 60 days, provide any  
 822 recommended revisions. The Governor's recommended revisions  
 823 shall be included in the plans in a comment section. However,  
 824 nothing in this section precludes ~~herein shall preclude~~ a  
 825 regional planning council from adopting or rejecting any or all  
 826 of the revisions as a part of its plan before ~~prior to~~ the  
 827 effective date of the plan. The rules adopting the strategic  
 828 regional policy plan are ~~shall~~ not be subject to rule challenge  
 829 under s. 120.56(2) or to drawout proceedings under s.  
 830 120.54(3)(c)2., but, once adopted, are ~~shall be~~ subject to an  
 831 invalidity challenge under s. 120.56(3) by substantially  
 832 affected persons, including the Executive Office of the  
 833 Governor. The rules shall be adopted by the regional planning  
 834 councils, and ~~shall~~ become effective upon filing with the  
 835 Department of State, notwithstanding the provisions of s.  
 836 120.54(3)(e)6.

837 Section 13. Subsections (2) and (3) of section 189.415,  
 838 Florida Statutes, are amended to read:

839 189.415 Special district public facilities report.—

840 (2) Each independent special district shall submit to each

841 local general-purpose government in which it is located a public  
 842 facilities report and an annual notice of any changes. The  
 843 public facilities report shall specify the following  
 844 information:

845 (a) A description of existing public facilities owned or  
 846 operated by the special district, and each public facility that  
 847 is operated by another entity, except a local general-purpose  
 848 government, through a lease or other agreement with the special  
 849 district. This description shall include the current capacity of  
 850 the facility, the current demands placed upon it, and its  
 851 location. This information shall be required in the initial  
 852 report and updated every 7 5 years at least 12 months before  
 853 ~~prior to~~ the submission date of the evaluation and appraisal  
 854 notification letter ~~report~~ of the appropriate local government  
 855 required by s. 163.3191. The department shall post a schedule on  
 856 its website, based on the evaluation and appraisal notification  
 857 schedule prepared pursuant to s. 163.3191(5), for use by a  
 858 special district to determine when its public facilities report  
 859 and updates to that report are due to the local general-purpose  
 860 governments in which the special district is located. At least  
 861 ~~12 months prior to the date on which each special district's~~  
 862 ~~first updated report is due, the department shall notify each~~  
 863 ~~independent district on the official list of special districts~~  
 864 ~~compiled pursuant to s. 189.4035 of the schedule for submission~~  
 865 ~~of the evaluation and appraisal report by each local government~~  
 866 ~~within the special district's jurisdiction.~~

867 (b) A description of each public facility the district is  
 868 building, improving, or expanding, or is currently proposing to

869 build, improve, or expand within at least the next 7 ~~5~~ years,  
 870 including any facilities that the district is assisting another  
 871 entity, except a local general-purpose government, to build,  
 872 improve, or expand through a lease or other agreement with the  
 873 district. For each public facility identified, the report shall  
 874 describe how the district currently proposes to finance the  
 875 facility.

876 (c) If the special district currently proposes to replace  
 877 any facilities identified in paragraph (a) or paragraph (b)  
 878 within the next 10 years, the date when such facility will be  
 879 replaced.

880 (d) The anticipated time the construction, improvement, or  
 881 expansion of each facility will be completed.

882 (e) The anticipated capacity of and demands on each public  
 883 facility when completed. In the case of an improvement or  
 884 expansion of a public facility, both the existing and  
 885 anticipated capacity must be listed.

886 (3) A special district proposing to build, improve, or  
 887 expand a public facility which requires a certificate of need  
 888 pursuant to chapter 408 shall elect to notify the appropriate  
 889 local general-purpose government of its plans either in its 7-  
 890 year ~~5-year~~ plan or at the time the letter of intent is filed  
 891 with the Agency for Health Care Administration pursuant to s.  
 892 408.039.

893 Section 14. Subsection (5) of section 288.975, Florida  
 894 Statutes, is amended to read:

895 288.975 Military base reuse plans.—

896 (5) At the discretion of the host local government, the

897 provisions of this act may be complied with through the adoption  
 898 of the military base reuse plan as a separate component of the  
 899 local government comprehensive plan or through simultaneous  
 900 amendments to all pertinent portions of the local government  
 901 comprehensive plan. Once adopted and approved in accordance with  
 902 this section, the military base reuse plan shall be considered  
 903 to be part of the host local government's comprehensive plan and  
 904 shall be thereafter implemented, amended, and reviewed pursuant  
 905 to ~~in accordance with the provisions of~~ part II of chapter 163.  
 906 ~~Local government comprehensive plan amendments necessary to~~  
 907 ~~initially adopt the military base reuse plan shall be exempt~~  
 908 ~~from the limitation on the frequency of plan amendments~~  
 909 ~~contained in s. 163.3187(1).~~

910 Section 15. Paragraph (b) of subsection (6), paragraph (e)  
 911 of subsection (19), paragraphs (l) and (q) of subsection (24),  
 912 and paragraph (b) of subsection (29) of section 380.06, Florida  
 913 Statutes, are amended to read:

914 380.06 Developments of regional impact.—

915 (6) APPLICATION FOR APPROVAL OF DEVELOPMENT; CONCURRENT  
 916 PLAN AMENDMENTS.—

917 (b) Any local government comprehensive plan amendments  
 918 related to a proposed development of regional impact, including  
 919 any changes proposed under subsection (19), may be initiated by  
 920 a local planning agency or the developer and must be considered  
 921 by the local governing body at the same time as the application  
 922 for development approval using the procedures provided for local  
 923 plan amendment in s. 163.3184 ~~163.3187~~ and applicable local  
 924 ordinances, without regard to local limits on the frequency of

925 consideration of amendments to the local comprehensive plan.  
 926 This paragraph does not require favorable consideration of a  
 927 plan amendment solely because it is related to a development of  
 928 regional impact. The procedure for processing such comprehensive  
 929 plan amendments is as follows:

930 1. If a developer seeks a comprehensive plan amendment  
 931 related to a development of regional impact, the developer must  
 932 so notify in writing the regional planning agency, the  
 933 applicable local government, and the state land planning agency  
 934 no later than the date of preapplication conference or the  
 935 submission of the proposed change under subsection (19).

936 2. When filing the application for development approval or  
 937 the proposed change, the developer must include a written  
 938 request for comprehensive plan amendments that would be  
 939 necessitated by the development-of-regional-impact approvals  
 940 sought. That request must include data and analysis upon which  
 941 the applicable local government can determine whether to  
 942 transmit the comprehensive plan amendment pursuant to s.  
 943 163.3184.

944 3. The local government must advertise a public hearing on  
 945 the transmittal within 30 days after filing the application for  
 946 development approval or the proposed change and must make a  
 947 determination on the transmittal within 60 days after the  
 948 initial filing unless that time is extended by the developer.

949 4. If the local government approves the transmittal,  
 950 procedures set forth in s. 163.3184 ~~163.3184(4)(b)-(d)~~ must be  
 951 followed.

952 5. Notwithstanding subsection (11) or subsection (19), the

953 | local government may not hold a public hearing on the  
 954 | application for development approval or the proposed change or  
 955 | on the comprehensive plan amendments sooner than 30 days after  
 956 | reviewing agency comments are due to the local government ~~from~~  
 957 | ~~receipt of the response from the state land planning agency~~  
 958 | pursuant to s. 163.3184 ~~163.3184(4)(d)~~.

959 |         6. The local government must hear both the application for  
 960 | development approval or the proposed change and the  
 961 | comprehensive plan amendments at the same hearing. However, the  
 962 | local government must take action separately on the application  
 963 | for development approval or the proposed change and on the  
 964 | comprehensive plan amendments.

965 |         7. Thereafter, the appeal process for the local government  
 966 | development order must follow the provisions of s. 380.07, and  
 967 | the compliance process for the comprehensive plan amendments  
 968 | must follow the provisions of s. 163.3184.

969 |         (19) SUBSTANTIAL DEVIATIONS.—

970 |         (e)1. Except for a development order rendered pursuant to  
 971 | subsection (22) or subsection (25), a proposed change to a  
 972 | development order that individually or cumulatively with any  
 973 | previous change is less than any numerical criterion contained  
 974 | in subparagraphs (b)1.-10. and does not exceed any other  
 975 | criterion, or that involves an extension of the buildout date of  
 976 | a development, or any phase thereof, of less than 5 years is not  
 977 | subject to the public hearing requirements of subparagraph  
 978 | (f)3., and is not subject to a determination pursuant to  
 979 | subparagraph (f)5. Notice of the proposed change shall be made  
 980 | to the regional planning council and the state land planning

981 agency. Such notice shall include a description of previous  
 982 individual changes made to the development, including changes  
 983 previously approved by the local government, and shall include  
 984 appropriate amendments to the development order.

985 2. The following changes, individually or cumulatively  
 986 with any previous changes, are not substantial deviations:

987 a. Changes in the name of the project, developer, owner,  
 988 or monitoring official.

989 b. Changes to a setback that do not affect noise buffers,  
 990 environmental protection or mitigation areas, or archaeological  
 991 or historical resources.

992 c. Changes to minimum lot sizes.

993 d. Changes in the configuration of internal roads that do  
 994 not affect external access points.

995 e. Changes to the building design or orientation that stay  
 996 approximately within the approved area designated for such  
 997 building and parking lot, and which do not affect historical  
 998 buildings designated as significant by the Division of  
 999 Historical Resources of the Department of State.

1000 f. Changes to increase the acreage in the development,  
 1001 provided that no development is proposed on the acreage to be  
 1002 added.

1003 g. Changes to eliminate an approved land use, provided  
 1004 that there are no additional regional impacts.

1005 h. Changes required to conform to permits approved by any  
 1006 federal, state, or regional permitting agency, provided that  
 1007 these changes do not create additional regional impacts.

1008 i. Any renovation or redevelopment of development within a

PCB CMAS 12-02

2012

1009 | previously approved development of regional impact which does  
 1010 | not change land use or increase density or intensity of use.

1011 |       j. Changes that modify boundaries and configuration of  
 1012 | areas described in subparagraph (b)11. due to science-based  
 1013 | refinement of such areas by survey, by habitat evaluation, by  
 1014 | other recognized assessment methodology, or by an environmental  
 1015 | assessment. In order for changes to qualify under this sub-  
 1016 | subparagraph, the survey, habitat evaluation, or assessment must  
 1017 | occur prior to the time a conservation easement protecting such  
 1018 | lands is recorded and must not result in any net decrease in the  
 1019 | total acreage of the lands specifically set aside for permanent  
 1020 | preservation in the final development order.

1021 |       k. Any other change which the state land planning agency,  
 1022 | in consultation with the regional planning council, agrees in  
 1023 | writing is similar in nature, impact, or character to the  
 1024 | changes enumerated in sub-subparagraphs a.-j. and which does not  
 1025 | create the likelihood of any additional regional impact.

1026 |  
 1027 | This subsection does not require the filing of a notice of  
 1028 | proposed change but shall require an application to the local  
 1029 | government to amend the development order in accordance with the  
 1030 | local government's procedures for amendment of a development  
 1031 | order. In accordance with the local government's procedures,  
 1032 | including requirements for notice to the applicant and the  
 1033 | public, the local government shall either deny the application  
 1034 | for amendment or adopt an amendment to the development order  
 1035 | which approves the application with or without conditions.  
 1036 | Following adoption, the local government shall render to the

1037 state land planning agency the amendment to the development  
 1038 order. The state land planning agency may appeal, pursuant to s.  
 1039 380.07(3), the amendment to the development order if the  
 1040 amendment involves sub-subparagraph g., sub-subparagraph h.,  
 1041 sub-subparagraph j., or sub-subparagraph k., and it believes the  
 1042 change creates a reasonable likelihood of new or additional  
 1043 regional impacts.

1044 3. Except for the change authorized by sub-subparagraph  
 1045 2.f., any addition of land not previously reviewed or any change  
 1046 not specified in paragraph (b) or paragraph (c) shall be  
 1047 presumed to create a substantial deviation. This presumption may  
 1048 be rebutted by clear and convincing evidence.

1049 4. Any submittal of a proposed change to a previously  
 1050 approved development shall include a description of individual  
 1051 changes previously made to the development, including changes  
 1052 previously approved by the local government. The local  
 1053 government shall consider the previous and current proposed  
 1054 changes in deciding whether such changes cumulatively constitute  
 1055 a substantial deviation requiring further development-of-  
 1056 regional-impact review.

1057 5. The following changes to an approved development of  
 1058 regional impact shall be presumed to create a substantial  
 1059 deviation. Such presumption may be rebutted by clear and  
 1060 convincing evidence.

1061 a. A change proposed for 15 percent or more of the acreage  
 1062 to a land use not previously approved in the development order.  
 1063 Changes of less than 15 percent shall be presumed not to create  
 1064 a substantial deviation.

1065           b. Notwithstanding any provision of paragraph (b) to the  
 1066 contrary, a proposed change consisting of simultaneous increases  
 1067 and decreases of at least two of the uses within an authorized  
 1068 multiuse development of regional impact which was originally  
 1069 approved with three or more uses specified in s. 380.0651(3)(c)  
 1070 and (d) ~~380.0651(3)(e), (d), and (e)~~ and residential use.

1071           6. If a local government agrees to a proposed change, a  
 1072 change in the transportation proportionate share calculation and  
 1073 mitigation plan in an adopted development order as a result of  
 1074 recalculation of the proportionate share contribution meeting  
 1075 the requirements of s. 163.3180(5)(h) in effect as of the date  
 1076 of such change shall be presumed not to create a substantial  
 1077 deviation. For purposes of this subsection, the proposed change  
 1078 in the proportionate share calculation or mitigation plan shall  
 1079 not be considered an additional regional transportation impact.

1080           (24) STATUTORY EXEMPTIONS.—

1081           (1) Any proposed development within an urban service  
 1082 boundary established under s. 163.3177(14), Florida Statutes  
 1083 2010, which is not otherwise exempt pursuant to subsection (29),  
 1084 is exempt from this section if the local government having  
 1085 jurisdiction over the area where the development is proposed has  
 1086 adopted the urban service boundary and has entered into a  
 1087 binding agreement with jurisdictions that would be impacted and  
 1088 with the Department of Transportation regarding the mitigation  
 1089 of impacts on state and regional transportation facilities.

1090           (q) Any development identified in an airport master plan  
 1091 and adopted into the comprehensive plan pursuant to s.  
 1092 163.3177(6)(b)4. ~~163.3177(6)(k)~~ is exempt from this section.

1093  
 1094 If a use is exempt from review as a development of regional  
 1095 impact under paragraphs (a)-(u), but will be part of a larger  
 1096 project that is subject to review as a development of regional  
 1097 impact, the impact of the exempt use must be included in the  
 1098 review of the larger project, unless such exempt use involves a  
 1099 development of regional impact that includes a landowner,  
 1100 tenant, or user that has entered into a funding agreement with  
 1101 the Department of Economic Opportunity under the Innovation  
 1102 Incentive Program and the agreement contemplates a state award  
 1103 of at least \$50 million.

1104 (29) EXEMPTIONS FOR DENSE URBAN LAND AREAS.—

1105 (b) If a municipality that does not qualify as a dense  
 1106 urban land area pursuant to paragraph (a) ~~s. 163.3164~~ designates  
 1107 any of the following areas in its comprehensive plan, any  
 1108 proposed development within the designated area is exempt from  
 1109 the development-of-regional-impact process:

- 1110 1. Urban infill as defined in s. 163.3164;
- 1111 2. Community redevelopment areas as defined in s. 163.340;
- 1112 3. Downtown revitalization areas as defined in s.  
 1113 163.3164;
- 1114 4. Urban infill and redevelopment under s. 163.2517; or
- 1115 5. Urban service areas as defined in s. 163.3164 or areas  
 1116 within a designated urban service boundary under s.  
 1117 163.3177(14).

1118 Section 16. Subsection (1) of section 380.115, Florida  
 1119 Statutes, is amended to read:

1120 380.115 Vested rights and duties; effect of size

1121 reduction, changes in guidelines and standards.-

1122 (1) A change in a development-of-regional-impact guideline  
 1123 and standard does not abridge or modify any vested or other  
 1124 right or any duty or obligation pursuant to any development  
 1125 order or agreement that is applicable to a development of  
 1126 regional impact. A development that has received a development-  
 1127 of-regional-impact development order pursuant to s. 380.06, but  
 1128 is no longer required to undergo development-of-regional-impact  
 1129 review by operation of a change in the guidelines and standards  
 1130 or has reduced its size below the thresholds in s. 380.0651, or  
 1131 a development that is exempt pursuant to s. 380.06(24) or (29)  
 1132 shall be governed by the following procedures:

1133 (a) The development shall continue to be governed by the  
 1134 development-of-regional-impact development order and may be  
 1135 completed in reliance upon and pursuant to the development order  
 1136 unless the developer or landowner has followed the procedures  
 1137 for rescission in paragraph (b). Any proposed changes to those  
 1138 developments which continue to be governed by a development  
 1139 order shall be approved pursuant to s. 380.06(19) as it existed  
 1140 prior to a change in the development-of-regional-impact  
 1141 guidelines and standards, except that all percentage criteria  
 1142 shall be doubled and all other criteria shall be increased by 10  
 1143 percent. The development-of-regional-impact development order  
 1144 may be enforced by the local government as provided by ss.  
 1145 380.06(17) and 380.11.

1146 (b) If requested by the developer or landowner, the  
 1147 development-of-regional-impact development order shall be  
 1148 rescinded by the local government having jurisdiction upon a

1149 | showing that all required mitigation related to the amount of  
 1150 | development that existed on the date of rescission has been  
 1151 | completed.

1152 |         Section 17. Section 1013.33, Florida Statutes, is amended  
 1153 | to read:

1154 |             1013.33 Coordination of planning with local governing  
 1155 | bodies.—

1156 |             (1) It is the policy of this state to require the  
 1157 | coordination of planning between boards and local governing  
 1158 | bodies to ensure that plans for the construction and opening of  
 1159 | public educational facilities are facilitated and coordinated in  
 1160 | time and place with plans for residential development,  
 1161 | concurrently with other necessary services. Such planning shall  
 1162 | include the integration of the educational facilities plan and  
 1163 | applicable policies and procedures of a board with the local  
 1164 | comprehensive plan and land development regulations of local  
 1165 | governments. The planning must include the consideration of  
 1166 | allowing students to attend the school located nearest their  
 1167 | homes when a new housing development is constructed near a  
 1168 | county boundary and it is more feasible to transport the  
 1169 | students a short distance to an existing facility in an adjacent  
 1170 | county than to construct a new facility or transport students  
 1171 | longer distances in their county of residence. The planning must  
 1172 | also consider the effects of the location of public education  
 1173 | facilities, including the feasibility of keeping central city  
 1174 | facilities viable, in order to encourage central city  
 1175 | redevelopment and the efficient use of infrastructure and to  
 1176 | discourage uncontrolled urban sprawl. In addition, all parties

PCB CMAS 12-02

2012

1177 to the planning process must consult with state and local road  
 1178 departments to assist in implementing the Safe Paths to Schools  
 1179 program administered by the Department of Transportation.

1180 (2)(a) The school board, county, and nonexempt  
 1181 municipalities located within the geographic area of a school  
 1182 district shall enter into an interlocal agreement according to  
 1183 s. 163.31777 that jointly establishes the specific ways in which  
 1184 the plans and processes of the district school board and the  
 1185 local governments are to be coordinated. ~~The interlocal~~  
 1186 ~~agreements shall be submitted to the state land planning agency~~  
 1187 ~~and the Office of Educational Facilities in accordance with a~~  
 1188 ~~schedule published by the state land planning agency.~~

1189 ~~(b) The schedule must establish staggered due dates for~~  
 1190 ~~submission of interlocal agreements that are executed by both~~  
 1191 ~~the local government and district school board, commencing on~~  
 1192 ~~March 1, 2003, and concluding by December 1, 2004, and must set~~  
 1193 ~~the same date for all governmental entities within a school~~  
 1194 ~~district. However, if the county where the school district is~~  
 1195 ~~located contains more than 20 municipalities, the state land~~  
 1196 ~~planning agency may establish staggered due dates for the~~  
 1197 ~~submission of interlocal agreements by these municipalities. The~~  
 1198 ~~schedule must begin with those areas where both the number of~~  
 1199 ~~districtwide capital outlay full-time equivalent students equals~~  
 1200 ~~80 percent or more of the current year's school capacity and the~~  
 1201 ~~projected 5-year student growth rate is 1,000 or greater, or~~  
 1202 ~~where the projected 5-year student growth rate is 10 percent or~~  
 1203 ~~greater.~~

1204 ~~(c) If the student population has declined over the 5-year~~

1205 ~~period preceding the due date for submittal of an interlocal~~  
 1206 ~~agreement by the local government and the district school board,~~  
 1207 ~~the local government and district school board may petition the~~  
 1208 ~~state land planning agency for a waiver of one or more of the~~  
 1209 ~~requirements of subsection (3). The waiver must be granted if~~  
 1210 ~~the procedures called for in subsection (3) are unnecessary~~  
 1211 ~~because of the school district's declining school age~~  
 1212 ~~population, considering the district's 5-year work program~~  
 1213 ~~prepared pursuant to s. 1013.35. The state land planning agency~~  
 1214 ~~may modify or revoke the waiver upon a finding that the~~  
 1215 ~~conditions upon which the waiver was granted no longer exist.~~  
 1216 ~~The district school board and local governments must submit an~~  
 1217 ~~interlocal agreement within 1 year after notification by the~~  
 1218 ~~state land planning agency that the conditions for a waiver no~~  
 1219 ~~longer exist.~~

1220 ~~(d) Interlocal agreements between local governments and~~  
 1221 ~~district school boards adopted pursuant to s. 163.3177 before~~  
 1222 ~~the effective date of subsections (2)-(7) must be updated and~~  
 1223 ~~executed pursuant to the requirements of subsections (2)-(7), if~~  
 1224 ~~necessary. Amendments to interlocal agreements adopted pursuant~~  
 1225 ~~to subsections (2)-(7) must be submitted to the state land~~  
 1226 ~~planning agency within 30 days after execution by the parties~~  
 1227 ~~for review consistent with subsections (3) and (4). Local~~  
 1228 ~~governments and the district school board in each school~~  
 1229 ~~district are encouraged to adopt a single interlocal agreement~~  
 1230 ~~in which all join as parties. The state land planning agency~~  
 1231 ~~shall assemble and make available model interlocal agreements~~  
 1232 ~~meeting the requirements of subsections (2)-(7) and shall notify~~

1233 ~~local governments and, jointly with the Department of Education,~~  
 1234 ~~the district school boards of the requirements of subsections~~  
 1235 ~~(2)-(7), the dates for compliance, and the sanctions for~~  
 1236 ~~noncompliance. The state land planning agency shall be available~~  
 1237 ~~to informally review proposed interlocal agreements. If the~~  
 1238 ~~state land planning agency has not received a proposed~~  
 1239 ~~interlocal agreement for informal review, the state land~~  
 1240 ~~planning agency shall, at least 60 days before the deadline for~~  
 1241 ~~submission of the executed agreement, renotify the local~~  
 1242 ~~government and the district school board of the upcoming~~  
 1243 ~~deadline and the potential for sanctions.~~

1244 ~~(3) At a minimum, the interlocal agreement must address~~  
 1245 ~~interlocal agreement requirements in s. 163.31777 and, if~~  
 1246 ~~applicable, s. 163.3180(6), and must address the following~~  
 1247 ~~issues:~~

1248 ~~(a) A process by which each local government and the~~  
 1249 ~~district school board agree and base their plans on consistent~~  
 1250 ~~projections of the amount, type, and distribution of population~~  
 1251 ~~growth and student enrollment. The geographic distribution of~~  
 1252 ~~jurisdiction-wide growth forecasts is a major objective of the~~  
 1253 ~~process.~~

1254 ~~(b) A process to coordinate and share information relating~~  
 1255 ~~to existing and planned public school facilities, including~~  
 1256 ~~school renovations and closures, and local government plans for~~  
 1257 ~~development and redevelopment.~~

1258 ~~(c) Participation by affected local governments with the~~  
 1259 ~~district school board in the process of evaluating potential~~  
 1260 ~~school closures, significant renovations to existing schools,~~

1261 ~~and new school site selection before land acquisition. Local~~  
 1262 ~~governments shall advise the district school board as to the~~  
 1263 ~~consistency of the proposed closure, renovation, or new site~~  
 1264 ~~with the local comprehensive plan, including appropriate~~  
 1265 ~~circumstances and criteria under which a district school board~~  
 1266 ~~may request an amendment to the comprehensive plan for school~~  
 1267 ~~siting.~~

1268 ~~(d) A process for determining the need for and timing of~~  
 1269 ~~onsite and offsite improvements to support new construction,~~  
 1270 ~~proposed expansion, or redevelopment of existing schools. The~~  
 1271 ~~process shall address identification of the party or parties~~  
 1272 ~~responsible for the improvements.~~

1273 ~~(e) A process for the school board to inform the local~~  
 1274 ~~government regarding the effect of comprehensive plan amendments~~  
 1275 ~~on school capacity. The capacity reporting must be consistent~~  
 1276 ~~with laws and rules regarding measurement of school facility~~  
 1277 ~~capacity and must also identify how the district school board~~  
 1278 ~~will meet the public school demand based on the facilities work~~  
 1279 ~~program adopted pursuant to s. 1013.35.~~

1280 ~~(f) Participation of the local governments in the~~  
 1281 ~~preparation of the annual update to the school board's 5-year~~  
 1282 ~~district facilities work program and educational plant survey~~  
 1283 ~~prepared pursuant to s. 1013.35.~~

1284 ~~(g) A process for determining where and how joint use of~~  
 1285 ~~either school board or local government facilities can be shared~~  
 1286 ~~for mutual benefit and efficiency.~~

1287 ~~(h) A procedure for the resolution of disputes between the~~  
 1288 ~~district school board and local governments, which may include~~

1289 ~~the dispute resolution processes contained in chapters 164 and~~  
 1290 ~~186.~~

1291 ~~(i) An oversight process, including an opportunity for~~  
 1292 ~~public participation, for the implementation of the interlocal~~  
 1293 ~~agreement.~~

1294 ~~(4) (a) The Office of Educational Facilities shall submit~~  
 1295 ~~any comments or concerns regarding the executed interlocal~~  
 1296 ~~agreement to the state land planning agency within 30 days after~~  
 1297 ~~receipt of the executed interlocal agreement. The state land~~  
 1298 ~~planning agency shall review the executed interlocal agreement~~  
 1299 ~~to determine whether it is consistent with the requirements of~~  
 1300 ~~subsection (3), the adopted local government comprehensive plan,~~  
 1301 ~~and other requirements of law. Within 60 days after receipt of~~  
 1302 ~~an executed interlocal agreement, the state land planning agency~~  
 1303 ~~shall publish a notice of intent in the Florida Administrative~~  
 1304 ~~Weekly and shall post a copy of the notice on the agency's~~  
 1305 ~~Internet site. The notice of intent must state that the~~  
 1306 ~~interlocal agreement is consistent or inconsistent with the~~  
 1307 ~~requirements of subsection (3) and this subsection as~~  
 1308 ~~appropriate.~~

1309 ~~(b) The state land planning agency's notice is subject to~~  
 1310 ~~challenge under chapter 120; however, an affected person, as~~  
 1311 ~~defined in s. 163.3184(1) (a), has standing to initiate the~~  
 1312 ~~administrative proceeding, and this proceeding is the sole means~~  
 1313 ~~available to challenge the consistency of an interlocal~~  
 1314 ~~agreement required by this section with the criteria contained~~  
 1315 ~~in subsection (3) and this subsection. In order to have~~  
 1316 ~~standing, each person must have submitted oral or written~~

1317 ~~comments, recommendations, or objections to the local government~~  
 1318 ~~or the school board before the adoption of the interlocal~~  
 1319 ~~agreement by the district school board and local government. The~~  
 1320 ~~district school board and local governments are parties to any~~  
 1321 ~~such proceeding. In this proceeding, when the state land~~  
 1322 ~~planning agency finds the interlocal agreement to be consistent~~  
 1323 ~~with the criteria in subsection (3) and this subsection, the~~  
 1324 ~~interlocal agreement must be determined to be consistent with~~  
 1325 ~~subsection (3) and this subsection if the local government's and~~  
 1326 ~~school board's determination of consistency is fairly debatable.~~  
 1327 ~~When the state land planning agency finds the interlocal~~  
 1328 ~~agreement to be inconsistent with the requirements of subsection~~  
 1329 ~~(3) and this subsection, the local government's and school~~  
 1330 ~~board's determination of consistency shall be sustained unless~~  
 1331 ~~it is shown by a preponderance of the evidence that the~~  
 1332 ~~interlocal agreement is inconsistent.~~

1333 ~~(c) If the state land planning agency enters a final order~~  
 1334 ~~that finds that the interlocal agreement is inconsistent with~~  
 1335 ~~the requirements of subsection (3) or this subsection, the state~~  
 1336 ~~land planning agency shall forward it to the Administration~~  
 1337 ~~Commission, which may impose sanctions against the local~~  
 1338 ~~government pursuant to s. 163.3184(11) and may impose sanctions~~  
 1339 ~~against the district school board by directing the Department of~~  
 1340 ~~Education to withhold an equivalent amount of funds for school~~  
 1341 ~~construction available pursuant to ss. 1013.65, 1013.68,~~  
 1342 ~~1013.70, and 1013.72.~~

1343 ~~(5) If an executed interlocal agreement is not timely~~  
 1344 ~~submitted to the state land planning agency for review, the~~

1345 ~~state land planning agency shall, within 15 working days after~~  
 1346 ~~the deadline for submittal, issue to the local government and~~  
 1347 ~~the district school board a notice to show cause why sanctions~~  
 1348 ~~should not be imposed for failure to submit an executed~~  
 1349 ~~interlocal agreement by the deadline established by the agency.~~  
 1350 ~~The agency shall forward the notice and the responses to the~~  
 1351 ~~Administration Commission, which may enter a final order citing~~  
 1352 ~~the failure to comply and imposing sanctions against the local~~  
 1353 ~~government and district school board by directing the~~  
 1354 ~~appropriate agencies to withhold at least 5 percent of state~~  
 1355 ~~funds pursuant to s. 163.3184(11) and by directing the~~  
 1356 ~~Department of Education to withhold from the district school~~  
 1357 ~~board at least 5 percent of funds for school construction~~  
 1358 ~~available pursuant to ss. 1013.65, 1013.68, 1013.70, and~~  
 1359 ~~1013.72.~~

1360 ~~(6) Any local government transmitting a public school~~  
 1361 ~~element to implement school concurrency pursuant to the~~  
 1362 ~~requirements of s. 163.3180 before the effective date of this~~  
 1363 ~~section is not required to amend the element or any interlocal~~  
 1364 ~~agreement to conform with the provisions of subsections (2)-(6)~~  
 1365 ~~if the element is adopted prior to or within 1 year after the~~  
 1366 ~~effective date of subsections (2)-(6) and remains in effect.~~

1367 (3)-(7) A board and the local governing body must share and  
 1368 coordinate information related to existing and planned school  
 1369 facilities; proposals for development, redevelopment, or  
 1370 additional development; and infrastructure required to support  
 1371 the school facilities, concurrent with proposed development. A  
 1372 school board shall use information produced by the demographic,

PCB CMAS 12-02

2012

1373 revenue, and education estimating conferences pursuant to s.  
 1374 216.136 when preparing the district educational facilities plan  
 1375 pursuant to s. 1013.35, as modified and agreed to by the local  
 1376 governments, when provided by interlocal agreement, and the  
 1377 Office of Educational Facilities, in consideration of local  
 1378 governments' population projections, to ensure that the district  
 1379 educational facilities plan not only reflects enrollment  
 1380 projections but also considers applicable municipal and county  
 1381 growth and development projections. The projections must be  
 1382 apportioned geographically with assistance from the local  
 1383 governments using local government trend data and the school  
 1384 district student enrollment data. A school board is precluded  
 1385 from siting a new school in a jurisdiction where the school  
 1386 board has failed to provide the annual educational facilities  
 1387 plan for the prior year required pursuant to s. 1013.35 unless  
 1388 the failure is corrected.

1389 (4)~~(8)~~ The location of educational facilities shall be  
 1390 consistent with the comprehensive plan of the appropriate local  
 1391 governing body developed under part II of chapter 163 and  
 1392 consistent with the plan's implementing land development  
 1393 regulations.

1394 (5)~~(9)~~ To improve coordination relative to potential  
 1395 educational facility sites, a board shall provide written notice  
 1396 to the local government that has regulatory authority over the  
 1397 use of the land consistent with an interlocal agreement entered  
 1398 pursuant to s. 163.31777~~subsections (2) - (6)~~ at least 60 days  
 1399 prior to acquiring or leasing property that may be used for a  
 1400 new public educational facility. The local government, upon

1401 receipt of this notice, shall notify the board within 45 days if  
 1402 the site proposed for acquisition or lease is consistent with  
 1403 the land use categories and policies of the local government's  
 1404 comprehensive plan. This preliminary notice does not constitute  
 1405 the local government's determination of consistency pursuant to  
 1406 subsection (6)~~(10)~~.

1407 (6)~~(10)~~ As early in the design phase as feasible and  
 1408 consistent with an interlocal agreement entered pursuant to s.  
 1409 163.31777~~subsections (2) - (6)~~, but no later than 90 days before  
 1410 commencing construction, the district school board shall in  
 1411 writing request a determination of consistency with the local  
 1412 government's comprehensive plan. The local governing body that  
 1413 regulates the use of land shall determine, in writing within 45  
 1414 days after receiving the necessary information and a school  
 1415 board's request for a determination, whether a proposed  
 1416 educational facility is consistent with the local comprehensive  
 1417 plan and consistent with local land development regulations. If  
 1418 the determination is affirmative, school construction may  
 1419 commence and further local government approvals are not  
 1420 required, except as provided in this section. Failure of the  
 1421 local governing body to make a determination in writing within  
 1422 90 days after a district school board's request for a  
 1423 determination of consistency shall be considered an approval of  
 1424 the district school board's application. Campus master plans and  
 1425 development agreements must comply with the provisions of s.  
 1426 1013.30.

1427 (7)~~(11)~~ A local governing body may not deny the site  
 1428 applicant based on adequacy of the site plan as it relates

1429 solely to the needs of the school. If the site is consistent  
 1430 with the comprehensive plan's land use policies and categories  
 1431 in which public schools are identified as allowable uses, the  
 1432 local government may not deny the application but it may impose  
 1433 reasonable development standards and conditions in accordance  
 1434 with s. 1013.51(1) and consider the site plan and its adequacy  
 1435 as it relates to environmental concerns, health, safety and  
 1436 welfare, and effects on adjacent property. Standards and  
 1437 conditions may not be imposed which conflict with those  
 1438 established in this chapter or the Florida Building Code, unless  
 1439 mutually agreed and consistent with the interlocal agreement  
 1440 required by s. 163.31777~~subsections (2)-(6)~~.

1441 (8)~~(12)~~ This section does not prohibit a local governing  
 1442 body and district school board from agreeing and establishing an  
 1443 alternative process for reviewing a proposed educational  
 1444 facility and site plan, and offsite impacts, pursuant to an  
 1445 interlocal agreement adopted in accordance with s.  
 1446 163.31777~~subsections (2)-(6)~~.

1447 (9)~~(13)~~ Existing schools shall be considered consistent  
 1448 with the applicable local government comprehensive plan adopted  
 1449 under part II of chapter 163. If a board submits an application  
 1450 to expand an existing school site, the local governing body may  
 1451 impose reasonable development standards and conditions on the  
 1452 expansion only, and in a manner consistent with s. 1013.51(1).  
 1453 Standards and conditions may not be imposed which conflict with  
 1454 those established in this chapter or the Florida Building Code,  
 1455 unless mutually agreed. Local government review or approval is  
 1456 not required for:

1457 (a) The placement of temporary or portable classroom  
 1458 facilities; or

1459 (b) Proposed renovation or construction on existing school  
 1460 sites, with the exception of construction that changes the  
 1461 primary use of a facility, includes stadiums, or results in a  
 1462 greater than 5 percent increase in student capacity, or as  
 1463 mutually agreed upon, pursuant to an interlocal agreement  
 1464 adopted in accordance with s. 163.31777~~subsections (2)-(6)~~.

1465 Section 18. Paragraph (b) of subsection (2) of section  
 1466 1013.35, Florida Statutes, is amended to read:

1467 1013.35 School district educational facilities plan;  
 1468 definitions; preparation, adoption, and amendment; long-term  
 1469 work programs.—

1470 (2) PREPARATION OF TENTATIVE DISTRICT EDUCATIONAL  
 1471 FACILITIES PLAN.—

1472 (b) The plan must also include a financially feasible  
 1473 district facilities work program for a 5-year period. The work  
 1474 program must include:

1475 1. A schedule of major repair and renovation projects  
 1476 necessary to maintain the educational facilities and ancillary  
 1477 facilities of the district.

1478 2. A schedule of capital outlay projects necessary to  
 1479 ensure the availability of satisfactory student stations for the  
 1480 projected student enrollment in K-12 programs. This schedule  
 1481 shall consider:

1482 a. The locations, capacities, and planned utilization  
 1483 rates of current educational facilities of the district. The  
 1484 capacity of existing satisfactory facilities, as reported in the

1485 Florida Inventory of School Houses must be compared to the  
 1486 capital outlay full-time-equivalent student enrollment as  
 1487 determined by the department, including all enrollment used in  
 1488 the calculation of the distribution formula in s. 1013.64.

1489 b. The proposed locations of planned facilities, whether  
 1490 those locations are consistent with the comprehensive plans of  
 1491 all affected local governments, and recommendations for  
 1492 infrastructure and other improvements to land adjacent to  
 1493 existing facilities. The provisions of ss. 1013.33 (6) ~~(10)~~,  
 1494 (7) ~~(11)~~, and (8) ~~(12)~~ and 1013.36 must be addressed for new  
 1495 facilities planned within the first 3 years of the work plan, as  
 1496 appropriate.

1497 c. Plans for the use and location of relocatable  
 1498 facilities, leased facilities, and charter school facilities.

1499 d. Plans for multitrack scheduling, grade level  
 1500 organization, block scheduling, or other alternatives that  
 1501 reduce the need for additional permanent student stations.

1502 e. Information concerning average class size and  
 1503 utilization rate by grade level within the district which will  
 1504 result if the tentative district facilities work program is  
 1505 fully implemented.

1506 f. The number and percentage of district students planned  
 1507 to be educated in relocatable facilities during each year of the  
 1508 tentative district facilities work program. For determining  
 1509 future needs, student capacity may not be assigned to any  
 1510 relocatable classroom that is scheduled for elimination or  
 1511 replacement with a permanent educational facility in the current  
 1512 year of the adopted district educational facilities plan and in

1513 the district facilities work program adopted under this section.  
 1514 Those relocatable classrooms clearly identified and scheduled  
 1515 for replacement in a school-board-adopted, financially feasible,  
 1516 5-year district facilities work program shall be counted at zero  
 1517 capacity at the time the work program is adopted and approved by  
 1518 the school board. However, if the district facilities work  
 1519 program is changed and the relocatable classrooms are not  
 1520 replaced as scheduled in the work program, the classrooms must  
 1521 be reentered into the system and be counted at actual capacity.  
 1522 Relocatable classrooms may not be perpetually added to the work  
 1523 program or continually extended for purposes of circumventing  
 1524 this section. All relocatable classrooms not identified and  
 1525 scheduled for replacement, including those owned, lease-  
 1526 purchased, or leased by the school district, must be counted at  
 1527 actual student capacity. The district educational facilities  
 1528 plan must identify the number of relocatable student stations  
 1529 scheduled for replacement during the 5-year survey period and  
 1530 the total dollar amount needed for that replacement.

1531 g. Plans for the closure of any school, including plans  
 1532 for disposition of the facility or usage of facility space, and  
 1533 anticipated revenues.

1534 h. Projects for which capital outlay and debt service  
 1535 funds accruing under s. 9(d), Art. XII of the State Constitution  
 1536 are to be used shall be identified separately in priority order  
 1537 on a project priority list within the district facilities work  
 1538 program.

1539 3. The projected cost for each project identified in the  
 1540 district facilities work program. For proposed projects for new

1541 student stations, a schedule shall be prepared comparing the  
 1542 planned cost and square footage for each new student station, by  
 1543 elementary, middle, and high school levels, to the low, average,  
 1544 and high cost of facilities constructed throughout the state  
 1545 during the most recent fiscal year for which data is available  
 1546 from the Department of Education.

1547 4. A schedule of estimated capital outlay revenues from  
 1548 each currently approved source which is estimated to be  
 1549 available for expenditure on the projects included in the  
 1550 district facilities work program.

1551 5. A schedule indicating which projects included in the  
 1552 district facilities work program will be funded from current  
 1553 revenues projected in subparagraph 4.

1554 6. A schedule of options for the generation of additional  
 1555 revenues by the district for expenditure on projects identified  
 1556 in the district facilities work program which are not funded  
 1557 under subparagraph 5. Additional anticipated revenues may  
 1558 include effort index grants, SIT Program awards, and Classrooms  
 1559 First funds.

1560 Section 19. Subsections (3), (5), (6), (7), (8), (9),  
 1561 (10), and (11) of section 1013.351, Florida Statutes, are  
 1562 amended to read:

1563 1013.351 Coordination of planning between the Florida  
 1564 School for the Deaf and the Blind and local governing bodies.—

1565 (3) The board of trustees and the municipality in which  
 1566 the school is located may enter into an interlocal agreement to  
 1567 establish the specific ways in which the plans and processes of  
 1568 the board of trustees and the local government are to be

1569 | ~~coordinated. If the school and local government enter into an~~  
 1570 | ~~interlocal agreement, the agreement must be submitted to the~~  
 1571 | ~~state land planning agency and the Office of Educational~~  
 1572 | ~~Facilities.~~

1573 | ~~(5)(a) The Office of Educational Facilities shall submit~~  
 1574 | ~~any comments or concerns regarding the executed interlocal~~  
 1575 | ~~agreements to the state land planning agency no later than 30~~  
 1576 | ~~days after receipt of the executed interlocal agreements. The~~  
 1577 | ~~state land planning agency shall review the executed interlocal~~  
 1578 | ~~agreements to determine whether they are consistent with the~~  
 1579 | ~~requirements of subsection (4), the adopted local government~~  
 1580 | ~~comprehensive plans, and other requirements of law. Not later~~  
 1581 | ~~than 60 days after receipt of an executed interlocal agreement,~~  
 1582 | ~~the state land planning agency shall publish a notice of intent~~  
 1583 | ~~in the Florida Administrative Weekly. The notice of intent must~~  
 1584 | ~~state that the interlocal agreement is consistent or~~  
 1585 | ~~inconsistent with the requirements of subsection (4) and this~~  
 1586 | ~~subsection as appropriate.~~

1587 | ~~(b)1. The state land planning agency's notice is subject~~  
 1588 | ~~to challenge under chapter 120. However, an affected person, as~~  
 1589 | ~~defined in s. 163.3184, has standing to initiate the~~  
 1590 | ~~administrative proceeding, and this proceeding is the sole means~~  
 1591 | ~~available to challenge the consistency of an interlocal~~  
 1592 | ~~agreement with the criteria contained in subsection (4) and this~~  
 1593 | ~~subsection. In order to have standing, a person must have~~  
 1594 | ~~submitted oral or written comments, recommendations, or~~  
 1595 | ~~objections to the appropriate local government or the board of~~  
 1596 | ~~trustees before the adoption of the interlocal agreement by the~~

1597 ~~board of trustees and local government. The board of trustees~~  
 1598 ~~and the appropriate local government are parties to any such~~  
 1599 ~~proceeding.~~

1600 ~~2. In the administrative proceeding, if the state land~~  
 1601 ~~planning agency finds the interlocal agreement to be consistent~~  
 1602 ~~with the criteria in subsection (4) and this subsection, the~~  
 1603 ~~interlocal agreement must be determined to be consistent with~~  
 1604 ~~subsection (4) and this subsection if the local government and~~  
 1605 ~~board of trustees is fairly debatable.~~

1606 ~~3. If the state land planning agency finds the interlocal~~  
 1607 ~~agreement to be inconsistent with the requirements of subsection~~  
 1608 ~~(4) and this subsection, the determination of consistency by the~~  
 1609 ~~local government and board of trustees shall be sustained unless~~  
 1610 ~~it is shown by a preponderance of the evidence that the~~  
 1611 ~~interlocal agreement is inconsistent.~~

1612 ~~(c) If the state land planning agency enters a final order~~  
 1613 ~~that finds that the interlocal agreement is inconsistent with~~  
 1614 ~~the requirements of subsection (4) or this subsection, the state~~  
 1615 ~~land planning agency shall identify the issues in dispute and~~  
 1616 ~~submit the matter to the Administration Commission for final~~  
 1617 ~~action. The report to the Administration Commission must list~~  
 1618 ~~each issue in dispute, describe the nature and basis for each~~  
 1619 ~~dispute, identify alternative resolutions of each dispute, and~~  
 1620 ~~make recommendations. After receiving the report from the state~~  
 1621 ~~land planning agency, the Administration Commission shall take~~  
 1622 ~~action to resolve the issues. In deciding upon a proper~~  
 1623 ~~resolution, the Administration Commission shall consider the~~  
 1624 ~~nature of the issues in dispute, the compliance of the parties~~

1625 ~~with this section, the extent of the conflict between the~~  
 1626 ~~parties, the comparative hardships, and the public interest~~  
 1627 ~~involved. In resolving the matter, the Administration Commission~~  
 1628 ~~may prescribe, by order, the contents of the interlocal~~  
 1629 ~~agreement which shall be executed by the board of trustees and~~  
 1630 ~~the local government.~~

1631 (5)~~(6)~~ An interlocal agreement may be amended under  
 1632 subsections (2)-(4) ~~(2)-(5)~~:

1633 (a) In conjunction with updates to the school's  
 1634 educational plant survey prepared under s. 1013.31; or

1635 (b) If either party delays by more than 12 months the  
 1636 construction of a capital improvement identified in the  
 1637 agreement.

1638 (6)~~(7)~~ This section does not prohibit a local governing  
 1639 body and the board of trustees from agreeing and establishing an  
 1640 alternative process for reviewing proposed expansions to the  
 1641 school's campus and offsite impacts, under the interlocal  
 1642 agreement adopted in accordance with subsections (2)-(5) ~~(2)-~~  
 1643 ~~(6)~~.

1644 (7)~~(8)~~ School facilities within the geographic area or the  
 1645 campus of the school as it existed on or before January 1, 1998,  
 1646 are consistent with the local government's comprehensive plan  
 1647 developed under part II of chapter 163 and consistent with the  
 1648 plan's implementing land development regulations.

1649 (8)~~(9)~~ To improve coordination relative to potential  
 1650 educational facility sites, the board of trustees shall provide  
 1651 written notice to the local governments consistent with the  
 1652 interlocal agreements entered under subsections (2)-(5) ~~(2)-(6)~~

PCB CMAS 12-02

2012

1653 at least 60 days before the board of trustees acquires any  
 1654 additional property. The local government shall notify the board  
 1655 of trustees no later than 45 days after receipt of this notice  
 1656 if the site proposed for acquisition is consistent with the land  
 1657 use categories and policies of the local government's  
 1658 comprehensive plan. This preliminary notice does not constitute  
 1659 the local government's determination of consistency under  
 1660 subsection (9) ~~(10)~~.

1661 (9) ~~(10)~~ As early in the design phase as feasible, but no  
 1662 later than 90 days before commencing construction, the board of  
 1663 trustees shall request in writing a determination of consistency  
 1664 with the local government's comprehensive plan and local  
 1665 development regulations for the proposed use of any property  
 1666 acquired by the board of trustees on or after January 1, 1998.  
 1667 The local governing body that regulates the use of land shall  
 1668 determine, in writing, no later than 45 days after receiving the  
 1669 necessary information and a school board's request for a  
 1670 determination, whether a proposed use of the property is  
 1671 consistent with the local comprehensive plan and consistent with  
 1672 local land development regulations. If the local governing body  
 1673 determines the proposed use is consistent, construction may  
 1674 commence and additional local government approvals are not  
 1675 required, except as provided in this section. Failure of the  
 1676 local governing body to make a determination in writing within  
 1677 90 days after receiving the board of trustees' request for a  
 1678 determination of consistency shall be considered an approval of  
 1679 the board of trustees' application. This subsection does not  
 1680 apply to facilities to be located on the property if a contract

PCB CMAS 12-02

2012

1681 for construction of the facilities was entered on or before the  
 1682 effective date of this act.

1683 (10)~~(11)~~ Disputes that arise in the implementation of an  
 1684 executed interlocal agreement or in the determinations required  
 1685 pursuant to subsection (8) ~~(9)~~ or subsection (9) ~~(10)~~ must be  
 1686 resolved in accordance with chapter 164.

1687 Section 20. Subsection (6) of section 1013.36, Florida  
 1688 Statutes, is amended to read:

1689 1013.36 Site planning and selection.—

1690 (6) If the school board and local government have entered  
 1691 into an interlocal agreement pursuant to s. 1013.33(2) and  
 1692 ~~either s. 163.3177(6)(h)4. or s. 163.31777~~ or have developed a  
 1693 process to ensure consistency between the local government  
 1694 comprehensive plan and the school district educational  
 1695 facilities plan, site planning and selection must be consistent  
 1696 with the interlocal agreements and the plans.

1697 Section 21. This act shall take effect upon becoming a  
 1698 law.
