Section 12. Paragraph (k) of subsection (3) of section 121.0515, Florida Statutes, is amended to read:

121.0515 Special Risk Class.—

(3) CRITERIA.—A member, to be designated as a special risk member, must meet the following criteria:

(k) The member must have already qualified for and be actively participating in special risk membership under paragraph (a), paragraph (b), or paragraph (c), must have suffered a qualifying injury as defined in this paragraph, must not be receiving disability retirement benefits as provided in s. 121.091(4), and must satisfy the requirements of this paragraph.

1. The ability to qualify for the class of membership defined in paragraph (2)(i) ~~(2)(f)~~ occurs when two licensed medical physicians, one of whom is a primary treating physician of the member, certify the existence of the physical injury and medical condition that constitute a qualifying injury as defined in this paragraph and that the member has reached maximum medical improvement after August 1, 2008. The certifications from the licensed medical physicians must include, at a minimum, that the injury to the special risk member has resulted in a physical loss, or loss of use, of at least two of the following:

left arm, right arm, left leg, or right leg; and:

a. That this physical loss or loss of use is total and permanent, except in the event that the loss of use is due to a physical injury to the member's brain, in which event the loss of use is permanent with at least 75 percent loss of motor function with respect to each arm or leg affected.

b. That this physical loss or loss of use renders the member physically unable to perform the essential job functions of his or her special risk position.

c. That, notwithstanding this physical loss or loss of use, the individual is able to perform the essential job functions required by the member's new position, as provided in subparagraph 3.

d. That use of artificial limbs is either not possible or does not alter the member's ability to perform the essential job functions of the member's position.

e. That the physical loss or loss of use is a direct result of a physical injury and not a result of any mental, psychological, or emotional injury.

2. For the purposes of this paragraph, "qualifying injury" means an injury sustained in the line of duty, as certified by the member's employing agency, by a special risk member that does not result in total and permanent disability as defined in s. 121.091(4)(b). An injury is a qualifying injury if the injury is a physical injury to the member's physical body resulting in a physical loss, or loss of use, of at least two of the following: left arm, right arm, left leg, or right leg. Notwithstanding any other provision of this section, an injury

that would otherwise qualify as a qualifying injury is not considered a qualifying injury if and when the member ceases employment with the employer for whom he or she was providing special risk services on the date the injury occurred.

3. The new position, as described in sub-subparagraph 1.c., that is required for qualification as a special risk member under this paragraph is not required to be a position with essential job functions that entitle an individual to special risk membership. Whether a new position as described in sub-subparagraph 1.c. exists and is available to the special risk member is a decision to be made solely by the employer in accordance with its hiring practices and applicable law.

4. This paragraph does not grant or create additional rights for any individual to continued employment or to be hired or rehired by his or her employer that are not already provided within the Florida Statutes, the State Constitution, the Americans with Disabilities Act, if applicable, or any other applicable state or federal law.

Reviser's note.—Amended to conform to ss. 6 and 8, ch. 2011-68, Laws of Florida, which moved the referenced text from s. 121.021(15)(f) to s. 121.0515(2)(i), not s. 121.0515(2)(f).

The purpose of this paragraph is to assist employers and the state board in maintaining compliance with s. 404(c), while avoiding unnecessary costs and eroding member benefits under the investment plan. Pursuant to 29 C.F.R. s. 2550.404c-1(b)(2)(i)(B)(1)(viii), the state board or its designated agents shall deliver to members of the investment plan a copy of the prospectus most recently provided to the plan, and, pursuant to 29 C.F.R. s. 2550.404c-1(b)(2)(i)(B)(2)(ii), shall provide such members an opportunity to obtain this information, except that:

1. The requirement to deliver a prospectus shall be satisfied by delivery of a fund profile or summary profile that contains the information that would be included in a summary prospectus as described by Rule 498 under the Securities Act of 1933, 17 C.F.R. s. 230.498. If the transaction fees, expense information or other information provided by a mutual fund in the prospectus does not reflect terms negotiated by the state board or its designated agents, the requirement is satisfied by delivery of a separate document described by Rule 498 substituting accurate information; and

2. Delivery shall be effected if delivery is through electronic means and the following standards are satisfied:

a. Electronically-delivered documents are prepared and provided consistent with style, format, and content requirements applicable to printed documents;

b. Each member is provided timely and adequate notice of

the documents that are to be delivered, and their significance ~~thereof~~, and of the member's right to obtain a paper copy of such documents free of charge;

c. Members have adequate access to the electronic documents, at locations such as their worksites or public facilities, and have the ability to convert the documents to paper free of charge by the state board, and the board or its designated agents take appropriate and reasonable measures to ensure that the system for furnishing electronic documents results in actual receipt. Members have provided consent to receive information in electronic format, which consent may be revoked; and

d. The state board, or its designated agent, actually provides paper copies of the documents free of charge, upon request.

2. If the local government is one which is required to include a coastal management element in its comprehensive plan pursuant to s. 163.3177(6)(g), the commission order may also

specify that the local government is not eligible for funding pursuant to s. 161.091. The commission order may also specify that the fact that the coastal management element has been determined to be not in compliance shall be a consideration when the department considers permits under s. 161.053 and when the Board of Trustees of the Internal Improvement Trust Fund considers whether to sell, convey any interest in, or lease any sovereignty lands or submerged lands until the element is brought into compliance.

3. The sanctions provided by subparagraphs 1. and 2. do not apply to a local government regarding any plan amendment, except for plan amendments that amend plans that have not been finally determined to be in compliance with this part, and except as provided in this paragraph.

If listed species occur on the receiving area development site, the applicant must coordinate with each appropriate local, state, or federal agency to determine if adequate provisions have been made to protect those species in accordance with applicable regulations. After July 1, 1993, the insured must also provide the required excess insurance coverage or self-insurance for restoration to achieve the financial responsibility requirements of 40 C.F.R. s. 280.97, subpart H, not covered by paragraph (d).

insurance program solely due to that discharge shall be eligible for participation in the restoration program for any incident occurring on or after January 1, 1989, in accordance with subsection (3). Restoration funding for an eligible contaminated site will be provided without participation in the third-party liability insurance program until the site is restored as required by the department or until the department determines that the site does not require restoration.

3. Notwithstanding paragraph (b), a site where an application is filed with the department prior to January 1, 1995, where the owner is a small business under s. 288.703(6) ~~288.703(1)~~, a state community college with less than 2,500 FTE, a religious institution as defined by s. 212.08(7)(m), a charitable institution as defined by s. 212.08(7)(p), or a county or municipality with a population of less than 50,000, shall be eligible for up to $400,000 of eligible restoration costs, less a deductible of $10,000 for small businesses, eligible community colleges, and religious or charitable institutions, and $30,000 for eligible counties and municipalities, provided that:

d. The owner or operator proceeds to complete initial remedial action as defined by department rules.

e. The owner or operator, if required and if it has not already done so, applies for third-party liability coverage for the facility within 30 days of receipt of an eligibility order issued by the department pursuant to this provision.

However, the department may consider in-kind services from eligible counties and municipalities in lieu of the $30,000 deductible. The cost of conducting initial remedial action as defined by department rules shall be an eligible restoration cost pursuant to this provision.

4.a. d. Owners of facilities with existing contamination that install internal release detection systems in accordance with sub-subparagraph a. shall permanently close their external groundwater and vapor monitoring wells in accordance with department rules by December 31, 1998. Upon installation of the internal release detection system, these wells shall be secured and taken out of service until permanent closure.

e. Facilities with vapor levels of contamination meeting the requirements of or below the concentrations specified in the performance standards for release detection methods specified in department rules may continue to use vapor monitoring wells for release detection.

f. The department may approve other methods of release detection for storage tanks and integral piping which have at least the same capability to detect a new release as the methods specified in this subparagraph.

Reviser's note.—Amended to conform to the renumbering of subunits within s. 288.703 by s. 172, ch. 2011-142, Laws of Florida.

Section 47. Section 379.2255, Florida Statutes, is amended to read:

379.2255 Wildlife Violator Compact Act.—The Wildlife Violator Compact is created and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I

Findings and Purpose

(1) The participating states find that:

(a) Wildlife resources are managed in trust by the respective states for the benefit of all residents and visitors.

(b) The protection of the wildlife resources of a state is materially affected by the degree of compliance with state statutes, laws, regulations, ordinances, and administrative rules relating to the management of such resources.

(c) The preservation, protection, management, and restoration of wildlife contributes immeasurably to the aesthetic, recreational, and economic aspects of such natural resources.

(d) Wildlife resources are valuable without regard to political boundaries; therefore, every person should be required to comply with wildlife preservation, protection, management, and restoration laws, ordinances, and administrative rules and regulations of the participating states as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or possess wildlife.

(e) Violation of wildlife laws interferes with the management of wildlife resources and may endanger the safety of persons and property.

(f) The mobility of many wildlife law violators necessitates the maintenance of channels of communication among the various states.

(g) In most instances, a person who is cited for a

wildlife violation in a state other than his or her home state is:

1. Required to post collateral or a bond to secure appearance for a trial at a later date;

2. Taken into custody until the collateral or bond is posted; or

3. Taken directly to court for an immediate appearance.

(h) The purpose of the enforcement practices set forth in paragraph (g) is to ensure compliance with the terms of a wildlife citation by the cited person who, if permitted to continue on his or her way after receiving the citation, could return to his or her home state and disregard his or her duty under the terms of the citation.

(i) In most instances, a person receiving a wildlife citation in his or her home state is permitted to accept the citation from the officer at the scene of the violation and immediately continue on his or her way after agreeing or being instructed to comply with the terms of the citation.

(j) The practices described in paragraph (g) cause unnecessary inconvenience and, at times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand trial, or pay a fine, and thus is compelled to remain in custody until some alternative arrangement is made.

(k) The enforcement practices described in paragraph (g) consume an undue amount of time of law enforcement agencies.

(2) It is the policy of the participating states to:

(a) Promote compliance with the statutes, laws, ordinances, regulations, and administrative rules relating to

the management of wildlife resources in their respective states.

(b) Recognize a suspension of the wildlife license privileges of any person whose license privileges have been suspended by a participating state and treat such suspension as if it had occurred in each respective state.

(c) Allow a violator, except as provided in subsection (2) of Article III, to accept a wildlife citation and, without delay, proceed on his or her way, whether or not the violator is a resident of the state in which the citation was issued, if the violator's home state is party to this compact.

(d) Report to the appropriate participating state, as provided in the compact manual, any conviction recorded against any person whose home state was not the issuing state.

(e) Allow the home state to recognize and treat convictions recorded against its residents, which convictions occurred in a participating state, as though they had occurred in the home state.

(f) Extend cooperation to its fullest extent among the participating states for enforcing compliance with the terms of a wildlife citation issued in one participating state to a resident of another participating state.

(g) Maximize the effective use of law enforcement personnel and information.

(h) Assist court systems in the efficient disposition of wildlife violations.

(3) The purpose of this compact is to:

(a) Provide a means through which participating states may join in a reciprocal program to effectuate the policies

enumerated in subsection (2) in a uniform and orderly manner.

(b) Provide for the fair and impartial treatment of wildlife violators operating within participating states in recognition of the violator's right to due process and the sovereign status of a participating state.

ARTICLE II

Species included in the definition of "wildlife" vary from state to state and the determination of whether a species is "wildlife" for the purposes of this compact shall be based on local law.

(16) "Wildlife law" means any statute, law, regulation, ordinance, or administrative rule developed and enacted for the management of wildlife resources and the uses thereof.

(17) "Wildlife officer" means any individual authorized by a participating state to issue a citation for a wildlife violation.

(18) "Wildlife violation" means any cited violation of a statute, law, regulation, ordinance, or administrative rule developed and enacted for the management of wildlife resources and the uses thereof.

ARTICLE III

Procedures for Issuing State

(1) When issuing a citation for a wildlife violation, a wildlife officer shall issue a citation to any person whose primary residence is in a participating state in the same manner as though the person were a resident of the issuing state and shall not require such person to post collateral to secure appearance, subject to the exceptions noted in subsection (2), if the officer receives the recognizance of such person that he will comply with the terms of the citation.

(2) Personal recognizance is acceptable if not prohibited by local law; by policy, procedure, or regulation of the issuing agency; or by the compact manual and if the violator provides adequate proof of identification to the wildlife officer.

(3) Upon conviction or failure of a person to comply with the terms of a wildlife citation, the appropriate official shall report the conviction or failure to comply to the licensing authority of the participating state in which the wildlife citation was issued. The report shall be made in accordance with procedures specified by the issuing state and must contain information as specified in the compact manual as minimum requirements for effective processing by the home state.

(4) Upon receipt of the report of conviction or noncompliance pursuant to subsection (3), the licensing authority of the issuing state shall transmit to the licensing authority of the home state of the violator the information in the form and content prescribed in the compact manual.

ARTICLE IV

Procedure for Home State

(1) Upon receipt of a report from the licensing authority of the issuing state reporting the failure of a violator to comply with the terms of a citation, the licensing authority of the home state shall notify the violator and shall initiate a suspension action in accordance with the home state's suspension procedures and shall suspend the violator's license privileges until satisfactory evidence of compliance with the terms of the wildlife citation has been furnished by the issuing state to the home state licensing authority. Due-process safeguards shall be accorded.

(2) Upon receipt of a report of conviction from the licensing authority of the issuing state, the licensing authority of the home state shall enter such conviction in its records and shall treat such conviction as though it occurred in the home state for purposes of the suspension of license privileges.

(3) The licensing authority of the home state shall maintain a record of actions taken and shall make reports to issuing states as provided in the compact manual.

ARTICLE V

Reciprocal Recognition of Suspension

(1) Each participating state may recognize the suspension of license privileges of any person by any other participating state as though the violation resulting in the suspension had occurred in that state and would have been the basis for suspension of license privileges in that state.

(2) Each participating state shall communicate suspension information to other participating states in the form and content contained in the compact manual.

ARTICLE VI

Applicability of Other Laws

Except as expressly required by provisions of this compact, this compact does not affect the right of any participating state to apply any of its laws relating to license privileges to any person or circumstance or to invalidate or prevent any agreement or other cooperative arrangement between a participating state and a nonparticipating state concerning the enforcement of wildlife laws.

ARTICLE VII

Compact Administrator Procedures

(1) For the purpose of administering the provisions of

this compact and to serve as a governing body for the resolution of all matters relating to the operation of this compact, a board of compact administrators is established. The board shall be composed of one representative from each of the participating states to be known as the compact administrator. The compact administrator shall be appointed by the head of the licensing authority of each participating state and shall serve and be subject to removal in accordance with the laws of the state he or she represents. A compact administrator may provide for the discharge of his or her duties and the performance of his or her functions as a board member by an alternate. An alternate is not entitled to serve unless written notification of his or her identity has been given to the board.

(2) Each member of the board of compact administrators shall be entitled to one vote. No action of the board shall be binding unless taken at a meeting at which a majority of the total number of the board's votes are cast in favor thereof. Action by the board shall be only at a meeting at which a majority of the participating states are represented.

(3) The board shall elect annually from its membership a chairperson ~~chairman~~ and vice chairperson ~~chairman~~.

(4) The board shall adopt bylaws not inconsistent with the provisions of this compact or the laws of a participating state for the conduct of its business and shall have the power to amend and rescind its bylaws.

(5) The board may accept for any of its purposes and functions under this compact any and all donations and grants of moneys, equipment, supplies, materials, and services,

conditional or otherwise, from any state, the United States, or any governmental agency, and may receive, use, and dispose of the same.

(6) The board may contract with, or accept services or personnel from, any governmental or intergovernmental agency, individual, firm, corporation, or private nonprofit organization or institution.

(7) The board shall formulate all necessary procedures and develop uniform forms and documents for administering the provisions of this compact. All procedures and forms adopted pursuant to board action shall be contained in a compact manual.

ARTICLE VIII

Entry into Compact and Withdrawal

(1) This compact shall become effective at such time as it is adopted in substantially similar form by two or more states.

(2)

(a) Entry into the compact shall be made by resolution of ratification executed by the authorized officials of the applying state and submitted to the chairperson ~~chairman~~ of the board.

(b) The resolution shall substantially be in the form and content as provided in the compact manual and must include the following:

(3) A participating state may withdraw from participation in this compact by official written notice to each participating state, but withdrawal shall not become effective until 90 days after the notice of withdrawal is given. The notice must be directed to the compact administrator of each member state. The withdrawal of any state does not affect the validity of this compact as to the remaining participating states.

ARTICLE IX

Amendments to the Compact

(1) This compact may be amended from time to time. Amendments shall be presented in resolution form to the chairperson ~~chairman~~ of the board of compact administrators and shall be initiated by one or more participating states.

Reviser's note.—Amended pursuant to the directive of the Legislature in s. 1, ch. 93-199, Laws of Florida, to remove gender-specific references applicable to human beings from the Florida Statutes without substantive change in legal effect.

Section 48. Paragraphs (b) and (c) of subsection (4) of

section 381.026, Florida Statutes, are amended to read:

381.026 Florida Patient's Bill of Rights and Responsibilities.—

(4) RIGHTS OF PATIENTS.—Each health care facility or provider shall observe the following standards:

(b) Information.—

1. A patient has the right to know the name, function, and qualifications of each health care provider who is providing medical services to the patient. A patient may request such information from his or her responsible provider or the health care facility in which he or she is receiving medical services.

2. A patient in a health care facility has the right to know what patient support services are available in the facility.

3. A patient has the right to be given by his or her health care provider information concerning diagnosis, planned course of treatment, alternatives, risks, and prognosis, unless it is medically inadvisable or impossible to give this information to the patient, in which case the information must be given to the patient's guardian or a person designated as the patient's representative. A patient has the right to refuse this information.

4. A patient has the right to refuse any treatment based on information required by this paragraph, except as otherwise provided by law. The responsible provider shall document any such refusal.

5. A patient in a health care facility has the right to know what facility rules and regulations apply to patient

conduct.

6. A patient has the right to express grievances to a health care provider, a health care facility, or the appropriate state licensing agency regarding alleged violations of patients' rights. A patient has the right to know the health care provider's or health care facility's procedures for expressing a grievance.

7. A patient in a health care facility who does not speak English has the right to be provided an interpreter when receiving medical services if the facility has a person readily available who can interpret on behalf of the patient.

8. A health care provider or health care facility shall respect a patient's right to privacy and should refrain from making a written inquiry or asking questions concerning the ownership of a firearm or ammunition by the patient or by a family member of the patient, or the presence of a firearm in a private home or other domicile of the patient or a family member of the patient. Notwithstanding this provision, a health care provider or health care facility that in good faith believes that this information is relevant to the patient's medical care or safety, or safety of ~~or~~ others, may make such a verbal or written inquiry.

9. A patient may decline to answer or provide any information regarding ownership of a firearm by the patient or a family member of the patient, or the presence of a firearm in the domicile of the patient or a family member of the patient. A patient's decision not to answer a question relating to the presence or ownership of a firearm does not alter existing law

regarding a physician's authorization to choose his or her patients.

10. A health care provider or health care facility may not discriminate against a patient based solely upon the patient's exercise of the constitutional right to own and possess firearms or ammunition.

11. A health care provider or health care facility shall respect a patient's legal right to own or possess a firearm and should refrain from unnecessarily harassing a patient about firearm ownership during an examination.

(c) Financial information and disclosure.—

1. A patient has the right to be given, upon request, by the responsible provider, his or her designee, or a representative of the health care facility full information and necessary counseling on the availability of known financial resources for the patient's health care.

2. A health care provider or a health care facility shall, upon request, disclose to each patient who is eligible for Medicare, before treatment, whether the health care provider or the health care facility in which the patient is receiving medical services accepts assignment under Medicare reimbursement as payment in full for medical services and treatment rendered in the health care provider's office or health care facility.

3. A primary care provider may publish a schedule of charges for the medical services that the provider offers to patients. The schedule must include the prices charged to an uninsured person paying for such services by cash, check, credit card, or debit card. The schedule must be posted in a

conspicuous place in the reception area of the provider's office and must include, but is not limited to, the 50 services most frequently provided by the primary care provider. The schedule may group services by three price levels, listing services in each price level. The posting must be at least 15 square feet in size. A primary care provider who publishes and maintains a schedule of charges for medical services is exempt from the license fee requirements for a single period of renewal of a professional license under chapter 456 for that licensure term and is exempt from the continuing education requirements of chapter 456 and the rules implementing those requirements for a single 2-year period.

4. If a primary care provider publishes a schedule of charges pursuant to subparagraph 3., he or she must continually post it at all times for the duration of active licensure in this state when primary care services are provided to patients. If a primary care provider fails to post the schedule of charges in accordance with this subparagraph, the provider shall be required to pay any license fee and comply with any continuing education requirements for which an exemption was received.

5. A health care provider or a health care facility shall, upon request, furnish a person, before the provision of medical services, a reasonable estimate of charges for such services. The health care provider or the health care facility shall provide an uninsured person, before the provision of a planned nonemergency medical service, a reasonable estimate of charges for such service and information regarding the provider's or facility's discount or charity policies for which the uninsured

person may be eligible. Such estimates by a primary care provider must be consistent with the schedule posted under subparagraph 3. Estimates shall, to the extent possible, be written in ~~a~~ language comprehensible to an ordinary layperson. Such reasonable estimate does not preclude the health care provider or health care facility from exceeding the estimate or making additional charges based on changes in the patient's condition or treatment needs.

6. Each licensed facility not operated by the state shall make available to the public on its Internet website or by other electronic means a description of and a link to the performance outcome and financial data that is published by the agency pursuant to s. 408.05(3)(k). The facility shall place a notice in the reception area that such information is available electronically and the website address. The licensed facility may indicate that the pricing information is based on a compilation of charges for the average patient and that each patient's bill may vary from the average depending upon the severity of illness and individual resources consumed. The licensed facility may also indicate that the price of service is negotiable for eligible patients based upon the patient's ability to pay.

7. A patient has the right to receive a copy of an itemized bill upon request. A patient has a right to be given an explanation of charges upon request.

Reviser's note.—Paragraph (4)(b) is amended to confirm editorial substitution of the word "of" for the word "or." Paragraph (4)(c) is amended to delete the word

409.966 Eligible plans; selection.—

(3) QUALITY SELECTION CRITERIA.—

(c) After negotiations are conducted, the agency shall select the eligible plans that are determined to be responsive and provide the best value to the state. Preference shall be given to plans that:

1. Have signed contracts with primary and specialty physicians in sufficient numbers to meet the specific standards established pursuant to s. 409.967(2)(c) ~~409.967(2)(b)~~.

2. Have well-defined programs for recognizing patient-centered medical homes and providing for increased compensation for recognized medical homes, as defined by the plan.

409.974 Eligible plans.—

(2) QUALITY SELECTION CRITERIA.—In addition to the criteria established in s. 409.966, the agency shall consider

evidence that an eligible plan has written agreements or signed contracts or has made substantial progress in establishing relationships with providers before the plan submitting a response. The agency shall evaluate and give special weight to evidence of signed contracts with essential providers as defined by the agency pursuant to s. 409.975(1) ~~409.975(2)~~. The agency shall exercise a preference for plans with a provider network in which over 10 percent of the providers use electronic health records, as defined in s. 408.051. When all other factors are equal, the agency shall consider whether the organization has a contract to provide managed long-term care services in the same region and shall exercise a preference for such plans.

Reviser's note.—Amended to substitute a reference to s. 409.975(1) for a reference to s. 409.975(2). Material concerning essential providers is in s. 409.975(1). Section 409.975(2) relates to the Florida Medical Schools Quality Network.

Section 54. Subsection (1) of section 409.975, Florida Statutes, is amended to read:

409.975 Managed care plan accountability.—In addition to the requirements of s. 409.967, plans and providers participating in the managed medical assistance program shall comply with the requirements of this section.

(1) PROVIDER NETWORKS.—Managed care plans must develop and maintain provider networks that meet the medical needs of their enrollees in accordance with standards established pursuant to s. 409.967(2)(c) ~~409.967(2)(b)~~. Except as provided in this section, managed care plans may limit the providers in their

networks based on credentials, quality indicators, and price.

(a) Plans must include all providers in the region that are classified by the agency as essential Medicaid providers, unless the agency approves, in writing, an alternative arrangement for securing the types of services offered by the essential providers. Providers are essential for serving Medicaid enrollees if they offer services that are not available from any other provider within a reasonable access standard, or if they provided a substantial share of the total units of a particular service used by Medicaid patients within the region during the last 3 years and the combined capacity of other service providers in the region is insufficient to meet the total needs of the Medicaid patients. The agency may not classify physicians and other practitioners as essential providers. The agency, at a minimum, shall determine which providers in the following categories are essential Medicaid providers:

1. Federally qualified health centers.

2. Statutory teaching hospitals as defined in s. 408.07(45).

3. Hospitals that are trauma centers as defined in s. 395.4001(14).

4. Hospitals located at least 25 miles from any other hospital with similar services.

Managed care plans that have not contracted with all essential providers in the region as of the first date of recipient enrollment, or with whom an essential provider has terminated

its contract, must negotiate in good faith with such essential providers for 1 year or until an agreement is reached, whichever is first. Payments for services rendered by a nonparticipating essential provider shall be made at the applicable Medicaid rate as of the first day of the contract between the agency and the plan. A rate schedule for all essential providers shall be attached to the contract between the agency and the plan. After 1 year, managed care plans that are unable to contract with essential providers shall notify the agency and propose an alternative arrangement for securing the essential services for Medicaid enrollees. The arrangement must rely on contracts with other participating providers, regardless of whether those providers are located within the same region as the nonparticipating essential service provider. If the alternative arrangement is approved by the agency, payments to nonparticipating essential providers after the date of the agency's approval shall equal 90 percent of the applicable Medicaid rate. If the alternative arrangement is not approved by the agency, payment to nonparticipating essential providers shall equal 110 percent of the applicable Medicaid rate.

(b) Certain providers are statewide resources and essential providers for all managed care plans in all regions. All managed care plans must include these essential providers in their networks. Statewide essential providers include:

1. Faculty plans of Florida medical schools.

2. Regional perinatal intensive care centers as defined in s. 383.16(2).

3. Hospitals licensed as specialty children's hospitals as

defined in s. 395.002(28).

4. Accredited and integrated systems serving medically complex children that are comprised of separately licensed, but commonly owned, health care providers delivering at least the following services: medical group home, in-home and outpatient nursing care and therapies, pharmacy services, durable medical equipment, and Prescribed Pediatric Extended Care.

Managed care plans that have not contracted with all statewide essential providers in all regions as of the first date of recipient enrollment must continue to negotiate in good faith. Payments to physicians on the faculty of nonparticipating Florida medical schools shall be made at the applicable Medicaid rate. Payments for services rendered by regional perinatal intensive care centers shall be made at the applicable Medicaid rate as of the first day of the contract between the agency and the plan. Payments to nonparticipating specialty children's hospitals shall equal the highest rate established by contract between that provider and any other Medicaid managed care plan.

(c) After 12 months of active participation in a plan's network, the plan may exclude any essential provider from the network for failure to meet quality or performance criteria. If the plan excludes an essential provider from the plan, the plan must provide written notice to all recipients who have chosen that provider for care. The notice shall be provided at least 30 days before the effective date of the exclusion.

(d) Each managed care plan must offer a network contract to each home medical equipment and supplies provider in the

region which meets quality and fraud prevention and detection standards established by the plan and which agrees to accept the lowest price previously negotiated between the plan and another such provider.

Reviser's note.—Amended to substitute a reference to s. 409.967(2)(c) for a reference to s. 409.967(2)(b). Section 409.967(2)(c) establishes standards for access to care. Section 409.067(2)(b) references emergency services.

(b) Level of care 2 consists of recipients at imminent risk of nursing home placement, as evidenced by the need for the constant availability of routine medical and nursing treatment and care, and who require extensive health-related care and services because of mental or physical incapacitation.

The agency shall periodically adjust payment rates to account for changes in the level of care profile for each managed care plan based on encounter data.

Reviser's note.—Amended to substitute a reference to s. 409.969(2) for a reference to s. 409.969(3)(c). Section 409.969(2) references a 90-day period during which a Medicaid recipient may disenroll and select another plan. Section 409.969(3)(c) does not exist.

When determining the need for nursing facility care, consideration shall be given to the nature of the services prescribed and which level of nursing or other health care personnel meets the qualifications necessary to provide such services and the availability to and access by the individual of community or alternative resources. For the purposes of the

long-term care managed care program, the term "nursing facility care" means the individual:

(b) Requires or is at imminent risk of nursing home placement as evidenced by the need for observation throughout a 24-hour period and care and the constant availability of medical and nursing treatment and requires services on a daily or intermittent basis that are to be performed under the supervision of licensed nursing or other health professionals because the individual ~~who~~ is incapacitated mentally or physically; or

Section 73. Paragraph (a) of subsection (5) and subsection (11) of section 553.79, Florida Statutes, are amended to read:

553.79 Permits; applications; issuance; inspections.—

(5)(a) The enforcing agency shall require a special inspector to perform structural inspections on a threshold building pursuant to a structural inspection plan prepared by the engineer or architect of record. The structural inspection plan must be submitted to and approved by the enforcing agency prior to the issuance of a building permit for the construction of a threshold building. The purpose of the structural inspection plan is to provide specific inspection procedures and schedules so that the building can be adequately inspected for compliance with the permitted documents. The special inspector may not serve as a surrogate in carrying out the responsibilities of the building official, the architect, or the engineer of record. The contractor's contractual or statutory obligations are not relieved by any action of the special inspector. The special inspector shall determine that a professional engineer who specializes in shoring design has inspected the shoring and reshoring for conformance with the shoring and reshoring plans submitted to the enforcing agency. A fee simple title owner of a building, which does not meet the

minimum size, height, occupancy, occupancy classification, or number-of-stories criteria which would result in classification as a threshold building under s. 553.71(11) ~~553.71(7)~~, may designate such building as a threshold building, subject to more than the minimum number of inspections required by the Florida Building Code.

(11) Nothing in this section shall be construed to alter or supplement the provisions of part I ~~IV~~ of this chapter relating to manufactured buildings.

Reviser's note.—Paragraph (5)(a) is amended to conform to the redesignation of s. 553.71(7) as s. 553.71(11) by s. 413, ch. 2011-142, Laws of Florida. Subsection (11) is amended to conform to context; part I of chapter 553 relates to manufactured buildings; part IV relates to the Florida Building Code.

Section 74. Section 590.33, Florida Statutes, is amended to read:

590.33 State compact administrator; compact advisory committee.—In pursuance of art. III of the compact, the director of the division shall act as compact administrator for Florida of the Southeastern Interstate Forest Fire Protection Compact during his or her term of office as director, and his or her successor as compact administrator shall be his or her successor as director of the division. As compact administrator, he or she shall be an ex officio member of the advisory committee of the Southeastern Interstate Forest Fire Protection Compact, and chair ex officio of the Florida members of the advisory committee. There shall be four members of the Southeastern

Interstate Forest Fire Protection Compact Advisory Committee from Florida. Two of the members from Florida shall be members of the Legislature of Florida, one from the Senate designated by the President of the Senate and one from the House of Representatives designated by the Speaker of the House of Representatives, and the terms of any such members shall terminate at the time they cease to hold legislative office, and their successors as members shall be named in like manner. The Governor shall appoint the other two members from Florida, one of whom shall be associated with forestry or forest products industries. The terms of such members shall be 3 years and such members shall hold office until their respective successors shall be appointed and qualified. Vacancies occurring in the office of such members from any reason or cause shall be filled by appointment by the Governor for the unexpired term. The director of the division as compact administrator for Florida may delegate, from time to time, to any deputy or other subordinate in his or her department or office, the power to be present and participate, including voting as his or her representative or substitute at any meeting of or hearing by or other proceeding of the compact administrators or of the advisory committee. The terms of each of the initial four memberships, whether appointed at said time or not, shall begin upon the date upon which the compact shall become effective in accordance with art. II of said compact. Any member of the advisory committee may be removed from office by the Governor upon charges and after a hearing.

Reviser's note.—Amended to confirm editorial insertion

of the words "of Representatives."

Section 75. Paragraph (a) of subsection (2) of section 604.50, Florida Statutes, is amended to read:

604.50 Nonresidential farm buildings and farm fences.—

(2) As used in this section, the term:

(a) "Nonresidential farm building" means any temporary or permanent building or support structure that is classified as a nonresidential farm building on a farm under s. 553.73(10)(c) ~~553.73(9)(c)~~ or that is used primarily for agricultural purposes, is located on land that is an integral part of a farm operation or is classified as agricultural land under s. 193.461, and is not intended to be used as a residential dwelling. The term may include, but is not limited to, a barn, greenhouse, shade house, farm office, storage building, or poultry house.

Reviser's note.—Amended to conform to the redesignation of s. 553.73(9)(c) as s. 553.73(10)(c) by s. 32, ch. 2010-176, Laws of Florida.

Section 76. Subsection (4) of section 627.0628, Florida Statutes, is amended to read:

627.0628 Florida Commission on Hurricane Loss Projection Methodology; public records exemption; public meetings exemption.—

~~(4) REVIEW OF DISCOUNTS, CREDITS, OTHER RATE DIFFERENTIALS, AND REDUCTIONS IN DEDUCTIBLES RELATING TO WINDSTORM MITIGATION.—The commission shall hold public meetings for the purpose of receiving testimony and data regarding the implementation of windstorm mitigation discounts, credits, other~~

~~rate differentials, and appropriate reductions in deductibles pursuant to s. 627.0629. After reviewing the testimony and data as well as any other information the commission deems appropriate, the commission shall present a report by February 1, 2010, to the Governor, the Cabinet, the President of the Senate, and the Speaker of the House of Representatives, including recommendations on improving the process of assessing, determining, and applying windstorm mitigation discounts, credits, other rate differentials, and appropriate reductions in deductibles pursuant to s. 627.0629.~~

Reviser's note.—Amended to delete a provision that has served its purpose.

Section 77. Paragraph (b) of subsection (2) and paragraphs (b), (c), (q), and (v) of subsection (6) of section 627.351, Florida Statutes, are amended to read:

627.351 Insurance risk apportionment plans.—

(2) WINDSTORM INSURANCE RISK APPORTIONMENT.—

(b) The department shall require all insurers holding a certificate of authority to transact property insurance on a direct basis in this state, other than joint underwriting associations and other entities formed pursuant to this section, to provide windstorm coverage to applicants from areas determined to be eligible pursuant to paragraph (c) who in good faith are entitled to, but are unable to procure, such coverage through ordinary means; or it shall adopt a reasonable plan or plans for the equitable apportionment or sharing among such insurers of windstorm coverage, which may include formation of an association for this purpose. As used in this subsection, the

term "property insurance" means insurance on real or personal property, as defined in s. 624.604, including insurance for fire, industrial fire, allied lines, farmowners multiperil, homeowners' multiperil, commercial multiperil, and mobile homes, and including liability coverages on all such insurance, but excluding inland marine as defined in s. 624.607(3) and excluding vehicle insurance as defined in s. 624.605(1)(a) other than insurance on mobile homes used as permanent dwellings. The department shall adopt rules that provide a formula for the recovery and repayment of any deferred assessments.

1. For the purpose of this section, properties eligible for such windstorm coverage are defined as dwellings, buildings, and other structures, including mobile homes which are used as dwellings and which are tied down in compliance with mobile home tie-down requirements prescribed by the Department of Highway Safety and Motor Vehicles pursuant to s. 320.8325, and the contents of all such properties. An applicant or policyholder is eligible for coverage only if an offer of coverage cannot be obtained by or for the applicant or policyholder from an admitted insurer at approved rates.

2.a.(I) All insurers required to be members of such association shall participate in its writings, expenses, and losses. Surplus of the association shall be retained for the payment of claims and shall not be distributed to the member insurers. Such participation by member insurers shall be in the proportion that the net direct premiums of each member insurer written for property insurance in this state during the preceding calendar year bear to the aggregate net direct

premiums for property insurance of all member insurers, as reduced by any credits for voluntary writings, in this state during the preceding calendar year. For the purposes of this subsection, the term "net direct premiums" means direct written premiums for property insurance, reduced by premium for liability coverage and for the following if included in allied lines: rain and hail on growing crops; livestock; association direct premiums booked; National Flood Insurance Program direct premiums; and similar deductions specifically authorized by the plan of operation and approved by the department. A member's participation shall begin on the first day of the calendar year following the year in which it is issued a certificate of authority to transact property insurance in the state and shall terminate 1 year after the end of the calendar year during which it no longer holds a certificate of authority to transact property insurance in the state. The commissioner, after review of annual statements, other reports, and any other statistics that the commissioner deems necessary, shall certify to the association the aggregate direct premiums written for property insurance in this state by all member insurers.

(II) Effective July 1, 2002, the association shall operate subject to the supervision and approval of a board of governors who are the same individuals that have been appointed by the Treasurer to serve on the board of governors of the Citizens Property Insurance Corporation.

(III) The plan of operation shall provide a formula whereby a company voluntarily providing windstorm coverage in affected areas will be relieved wholly or partially from

apportionment of a regular assessment pursuant to sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II).

(IV) A company which is a member of a group of companies under common management may elect to have its credits applied on a group basis, and any company or group may elect to have its credits applied to any other company or group.

(V) There shall be no credits or relief from apportionment to a company for emergency assessments collected from its policyholders under sub-sub-subparagraph d.(III).

(VI) The plan of operation may also provide for the award of credits, for a period not to exceed 3 years, from a regular assessment pursuant to sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II) as an incentive for taking policies out of the Residential Property and Casualty Joint Underwriting Association. In order to qualify for the exemption under this sub-sub-subparagraph, the take-out plan must provide that at least 40 percent of the policies removed from the Residential Property and Casualty Joint Underwriting Association cover risks located in Miami-Dade, Broward, and Palm Beach Counties or at least 30 percent of the policies so removed cover risks located in Miami-Dade, Broward, and Palm Beach Counties and an additional 50 percent of the policies so removed cover risks located in other coastal counties, and must also provide that no more than 15 percent of the policies so removed may exclude windstorm coverage. With the approval of the department, the association may waive these geographic criteria for a take-out plan that removes at least the lesser of 100,000 Residential Property and Casualty Joint Underwriting Association policies or

15 percent of the total number of Residential Property and Casualty Joint Underwriting Association policies, provided the governing board of the Residential Property and Casualty Joint Underwriting Association certifies that the take-out plan will materially reduce the Residential Property and Casualty Joint Underwriting Association's 100-year probable maximum loss from hurricanes. With the approval of the department, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the Residential Property and Casualty Joint Underwriting Association, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies removed from the Residential Property and Casualty Joint Underwriting Association.

b. Assessments to pay deficits in the association under this subparagraph shall be included as an appropriate factor in the making of rates as provided in s. 627.3512.

c. The Legislature finds that the potential for unlimited deficit assessments under this subparagraph may induce insurers to attempt to reduce their writings in the voluntary market, and that such actions would worsen the availability problems that the association was created to remedy. It is the intent of the Legislature that insurers remain fully responsible for paying regular assessments and collecting emergency assessments for any deficits of the association; however, it is also the intent of the Legislature to provide a means by which assessment liabilities may be amortized over a period of years.

d.(I) When the deficit incurred in a particular calendar

year is 10 percent or less of the aggregate statewide direct written premium for property insurance for the prior calendar year for all member insurers, the association shall levy an assessment on member insurers in an amount equal to the deficit.

(II) When the deficit incurred in a particular calendar year exceeds 10 percent of the aggregate statewide direct written premium for property insurance for the prior calendar year for all member insurers, the association shall levy an assessment on member insurers in an amount equal to the greater of 10 percent of the deficit or 10 percent of the aggregate statewide direct written premium for property insurance for the prior calendar year for member insurers. Any remaining deficit shall be recovered through emergency assessments under sub-sub-subparagraph (III).

(III) Upon a determination by the board of directors that a deficit exceeds the amount that will be recovered through regular assessments on member insurers, pursuant to sub-sub-subparagraph (I) or sub-sub-subparagraph (II), the board shall levy, after verification by the department, emergency assessments to be collected by member insurers and by underwriting associations created pursuant to this section which write property insurance, upon issuance or renewal of property insurance policies other than National Flood Insurance policies in the year or years following levy of the regular assessments. The amount of the emergency assessment collected in a particular year shall be a uniform percentage of that year's direct written premium for property insurance for all member insurers and underwriting associations, excluding National Flood Insurance

policy premiums, as annually determined by the board and verified by the department. The department shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. Notwithstanding any other provision of law, each member insurer and each underwriting association created pursuant to this section shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. The emergency assessments so collected shall be transferred directly to the association on a periodic basis as determined by the association. The aggregate amount of emergency assessments levied under this sub-sub-subparagraph in any calendar year may not exceed the greater of 10 percent of the amount needed to cover the original deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing of the original deficit, or 10 percent of the aggregate statewide direct written premium for property insurance written by member insurers and underwriting associations for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit. The board may pledge the proceeds of the emergency assessments under this sub-sub-subparagraph as the source of revenue for bonds, to retire any other debt incurred as a result of the deficit or events giving rise to the deficit, or in any other way that the board determines will efficiently recover the deficit. The emergency assessments under this sub-sub-subparagraph shall continue as long as any bonds issued or other indebtedness incurred with

respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the document governing such bonds or other indebtedness. Emergency assessments collected under this sub-sub-subparagraph are not part of an insurer's rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium.

(IV) Each member insurer's share of the total regular assessments under sub-sub-subparagraph (I) or sub-sub-subparagraph (II) shall be in the proportion that the insurer's net direct premium for property insurance in this state, for the year preceding the assessment bears to the aggregate statewide net direct premium for property insurance of all member insurers, as reduced by any credits for voluntary writings for that year.

(V) If regular deficit assessments are made under sub-sub-subparagraph (I) or sub-sub-subparagraph (II), or by the Residential Property and Casualty Joint Underwriting Association under sub-subparagraph (6)(b)3.a. ~~or sub-subparagraph (6)(b)3.b.~~, the association shall levy upon the association's policyholders, as part of its next rate filing, or by a separate rate filing solely for this purpose, a market equalization surcharge in a percentage equal to the total amount of such regular assessments divided by the aggregate statewide direct written premium for property insurance for member insurers for the prior calendar year. Market equalization surcharges under

this sub-sub-subparagraph are not considered premium and are not subject to commissions, fees, or premium taxes; however, failure to pay a market equalization surcharge shall be treated as failure to pay premium.

e. The governing body of any unit of local government, any residents of which are insured under the plan, may issue bonds as defined in s. 125.013 or s. 166.101 to fund an assistance program, in conjunction with the association, for the purpose of defraying deficits of the association. In order to avoid needless and indiscriminate proliferation, duplication, and fragmentation of such assistance programs, any unit of local government, any residents of which are insured by the association, may provide for the payment of losses, regardless of whether or not the losses occurred within or outside of the territorial jurisdiction of the local government. Revenue bonds may not be issued until validated pursuant to chapter 75, unless a state of emergency is declared by executive order or proclamation of the Governor pursuant to s. 252.36 making such findings as are necessary to determine that it is in the best interests of, and necessary for, the protection of the public health, safety, and general welfare of residents of this state and the protection and preservation of the economic stability of insurers operating in this state, and declaring it an essential public purpose to permit certain municipalities or counties to issue bonds as will provide relief to claimants and policyholders of the association and insurers responsible for apportionment of plan losses. Any such unit of local government may enter into such contracts with the association and with any

other entity created pursuant to this subsection as are necessary to carry out this paragraph. Any bonds issued under this sub-subparagraph shall be payable from and secured by moneys received by the association from assessments under this subparagraph, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government shall not be pledged for the payment of such bonds. If any of the bonds remain unsold 60 days after issuance, the department shall require all insurers subject to assessment to purchase the bonds, which shall be treated as admitted assets; each insurer shall be required to purchase that percentage of the unsold portion of the bond issue that equals the insurer's relative share of assessment liability under this subsection. An insurer shall not be required to purchase the bonds to the extent that the department determines that the purchase would endanger or impair the solvency of the insurer. The authority granted by this sub-subparagraph is additional to any bonding authority granted by subparagraph 6.

3. The plan shall also provide that any member with a surplus as to policyholders of $20 million or less writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the department, within the first 90 days of each calendar year, to qualify as a limited apportionment company. The apportionment of such a member company in any calendar year for which it is qualified shall not exceed its gross participation, which shall not be affected by

the formula for voluntary writings. In no event shall a limited apportionment company be required to participate in any apportionment of losses pursuant to sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II) in the aggregate which exceeds $50 million after payment of available plan funds in any calendar year. However, a limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-sub-subparagraph 2.d.(III). The plan shall provide that, if the department determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the department may direct that all or part of such assessment be deferred. However, there shall be no limitation or deferment of an emergency assessment to be collected from policyholders under sub-sub-subparagraph 2.d.(III).

4. The plan shall provide for the deferment, in whole or in part, of a regular assessment of a member insurer under sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II), but not for an emergency assessment collected from policyholders under sub-sub-subparagraph 2.d.(III), if, in the opinion of the commissioner, payment of such regular assessment would endanger or impair the solvency of the member insurer. In the event a regular assessment against a member insurer is deferred in whole or in part, the amount by which such assessment is deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II).

5.a. The plan of operation may include deductibles and

rules for classification of risks and rate modifications consistent with the objective of providing and maintaining funds sufficient to pay catastrophe losses.

b. It is the intent of the Legislature that the rates for coverage provided by the association be actuarially sound and not competitive with approved rates charged in the admitted voluntary market such that the association functions as a residual market mechanism to provide insurance only when the insurance cannot be procured in the voluntary market. The plan of operation shall provide a mechanism to assure that, beginning no later than January 1, 1999, the rates charged by the association for each line of business are reflective of approved rates in the voluntary market for hurricane coverage for each line of business in the various areas eligible for association coverage.

c. The association shall provide for windstorm coverage on residential properties in limits up to $10 million for commercial lines residential risks and up to $1 million for personal lines residential risks. If coverage with the association is sought for a residential risk valued in excess of these limits, coverage shall be available to the risk up to the replacement cost or actual cash value of the property, at the option of the insured, if coverage for the risk cannot be located in the authorized market. The association must accept a commercial lines residential risk with limits above $10 million or a personal lines residential risk with limits above $1 million if coverage is not available in the authorized market. The association may write coverage above the limits specified in

this subparagraph with or without facultative or other reinsurance coverage, as the association determines appropriate.

d. The plan of operation must provide objective criteria and procedures, approved by the department, to be uniformly applied for all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following shall be considered:

(I) Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

(II) Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the association pursuant to such criteria and procedures must be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

e. If the risk accepts an offer of coverage through the market assistance program or through a mechanism established by the association, either before the policy is issued by the association or during the first 30 days of coverage by the association, and the producing agent who submitted the application to the association is not currently appointed by the insurer, the insurer shall:

(I) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the

insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the association; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the association's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I). Subject to the provisions of s. 627.3517, the policies issued by the association must provide that if the association obtains an offer from an authorized insurer to cover the risk at its approved rates under either a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the department, a basic policy including wind coverage, the risk is no longer eligible for coverage through the association. Upon termination of eligibility, the association shall provide written notice to the policyholder and agent of record stating that the association policy must be canceled as of 60 days after the date of the notice because of the offer of coverage from an authorized insurer. Other provisions of the insurance code relating to cancellation and notice of cancellation do not apply to actions under this sub-subparagraph.

f. When the association enters into a contractual agreement for a take-out plan, the producing agent of record of

the association policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(I) Pay to the producing agent of record of the association policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the association; or

(II) Offer to allow the producing agent of record of the association policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the association's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I).

6.a. The plan of operation may authorize the formation of a private nonprofit corporation, a private nonprofit unincorporated association, a partnership, a trust, a limited liability company, or a nonprofit mutual company which may be empowered, among other things, to borrow money by issuing bonds or by incurring other indebtedness and to accumulate reserves or funds to be used for the payment of insured catastrophe losses. The plan may authorize all actions necessary to facilitate the issuance of bonds, including the pledging of assessments or other revenues.

b. Any entity created under this subsection, or any entity formed for the purposes of this subsection, may sue and be sued,

may borrow money; issue bonds, notes, or debt instruments; pledge or sell assessments, market equalization surcharges and other surcharges, rights, premiums, contractual rights, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, and other assets as security for such bonds, notes, or debt instruments; enter into any contracts or agreements necessary or proper to accomplish such borrowings; and take other actions necessary to carry out the purposes of this subsection. The association may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (6)(q)2., in the absence of a hurricane or other weather-related event, upon a determination by the association subject to approval by the department that such action would enable it to efficiently meet the financial obligations of the association and that such financings are reasonably necessary to effectuate the requirements of this subsection. Any such entity may accumulate reserves and retain surpluses as of the end of any association year to provide for the payment of losses incurred by the association during that year or any future year. The association shall incorporate and continue the plan of operation and articles of agreement in effect on the effective date of chapter 76-96, Laws of Florida, to the extent that it is not inconsistent with chapter 76-96, and as subsequently modified consistent with chapter 76-96. The board of directors and officers currently serving shall continue to serve until their successors are duly qualified as provided under the plan. The assets and obligations of the plan in effect immediately prior

to the effective date of chapter 76-96 shall be construed to be the assets and obligations of the successor plan created herein.

c. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness issued or incurred by the association or any other entity created under this subsection.

7. On such coverage, an agent's remuneration shall be that amount of money payable to the agent by the terms of his or her contract with the company with which the business is placed. However, no commission will be paid on that portion of the premium which is in excess of the standard premium of that company.

8. Subject to approval by the department, the association may establish different eligibility requirements and operational procedures for any line or type of coverage for any specified eligible area or portion of an eligible area if the board determines that such changes to the eligibility requirements and operational procedures are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods would continue to have access to coverage from the association. When coverage is sought in connection with a real property transfer, such requirements and procedures shall not provide for an effective date of coverage

later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

9. Notwithstanding any other provision of law:

a. The pledge or sale of, the lien upon, and the security interest in any rights, revenues, or other assets of the association created or purported to be created pursuant to any financing documents to secure any bonds or other indebtedness of the association shall be and remain valid and enforceable, notwithstanding the commencement of and during the continuation of, and after, any rehabilitation, insolvency, liquidation, bankruptcy, receivership, conservatorship, reorganization, or similar proceeding against the association under the laws of this state or any other applicable laws.

b. No such proceeding shall relieve the association of its obligation, or otherwise affect its ability to perform its obligation, to continue to collect, or levy and collect, assessments, market equalization or other surcharges, projected recoveries from the Florida Hurricane Catastrophe Fund, reinsurance recoverables, or any other rights, revenues, or other assets of the association pledged.

c. Each such pledge or sale of, lien upon, and security interest in, including the priority of such pledge, lien, or security interest, any such assessments, emergency assessments, market equalization or renewal surcharges, projected recoveries from the Florida Hurricane Catastrophe Fund, reinsurance recoverables, or other rights, revenues, or other assets which are collected, or levied and collected, after the commencement

of and during the pendency of or after any such proceeding shall continue unaffected by such proceeding.

d. As used in this subsection, the term "financing documents" means any agreement, instrument, or other document now existing or hereafter created evidencing any bonds or other indebtedness of the association or pursuant to which any such bonds or other indebtedness has been or may be issued and pursuant to which any rights, revenues, or other assets of the association are pledged or sold to secure the repayment of such bonds or indebtedness, together with the payment of interest on such bonds or such indebtedness, or the payment of any other obligation of the association related to such bonds or indebtedness.

e. Any such pledge or sale of assessments, revenues, contract rights or other rights or assets of the association shall constitute a lien and security interest, or sale, as the case may be, that is immediately effective and attaches to such assessments, revenues, contract, or other rights or assets, whether or not imposed or collected at the time the pledge or sale is made. Any such pledge or sale is effective, valid, binding, and enforceable against the association or other entity making such pledge or sale, and valid and binding against and superior to any competing claims or obligations owed to any other person or entity, including policyholders in this state, asserting rights in any such assessments, revenues, contract, or other rights or assets to the extent set forth in and in accordance with the terms of the pledge or sale contained in the applicable financing documents, whether or not any such person

or entity has notice of such pledge or sale and without the need for any physical delivery, recordation, filing, or other action.

f. There shall be no liability on the part of, and no cause of action of any nature shall arise against, any member insurer or its agents or employees, agents or employees of the association, members of the board of directors of the association, or the department or its representatives, for any action taken by them in the performance of their duties or responsibilities under this subsection. Such immunity does not apply to actions for breach of any contract or agreement pertaining to insurance, or any willful tort.

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(b)1. All insurers authorized to write one or more subject lines of business in this state are subject to assessment by the corporation and, for the purposes of this subsection, are referred to collectively as "assessable insurers." Insurers writing one or more subject lines of business in this state pursuant to part VIII of chapter 626 are not assessable insurers, but insureds who procure one or more subject lines of business in this state pursuant to part VIII of chapter 626 are subject to assessment by the corporation and are referred to collectively as "assessable insureds." An insurer's assessment liability begins on the first day of the calendar year following the year in which the insurer was issued a certificate of authority to transact insurance for subject lines of business in this state and terminates 1 year after the end of the first calendar year during which the insurer no longer holds a certificate of authority to transact insurance for subject lines

of business in this state.

2.a. All revenues, assets, liabilities, losses, and expenses of the corporation shall be divided into three separate accounts as follows:

(I) A personal lines account for personal residential policies issued by the corporation, or issued by the Residential Property and Casualty Joint Underwriting Association and renewed by the corporation, which provides comprehensive, multiperil coverage on risks that are not located in areas eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas;

(II) A commercial lines account for commercial residential and commercial nonresidential policies issued by the corporation, or issued by the Residential Property and Casualty Joint Underwriting Association and renewed by the corporation, which provides coverage for basic property perils on risks that are not located in areas eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas; and

(III) A coastal account for personal residential policies and commercial residential and commercial nonresidential property policies issued by the corporation, or transferred to the corporation, which provides coverage for the peril of wind on risks that are located in areas eligible for coverage by the

Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002. The corporation may offer policies that provide multiperil coverage and the corporation shall continue to offer policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage in the coastal account. In issuing multiperil coverage, the corporation may use its approved policy forms and rates for the personal lines account. An applicant or insured who is eligible to purchase a multiperil policy from the corporation may purchase a multiperil policy from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides coverage only for the peril of wind from the corporation. An applicant or insured who is eligible for a corporation policy that provides coverage only for the peril of wind may elect to purchase or retain such policy and also purchase or retain coverage excluding wind from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides multiperil coverage from the corporation. It is the goal of the Legislature that there be an overall average savings of 10 percent or more for a policyholder who currently has a wind-only policy with the corporation, and an ex-wind policy with a voluntary insurer or the corporation, and who obtains a multiperil policy from the corporation. It is the intent of the Legislature that the offer of multiperil coverage in the coastal account be made and implemented in a manner that does not adversely affect the tax-exempt status of the corporation or creditworthiness of or security for currently outstanding

financing obligations or credit facilities of the coastal account, the personal lines account, or the commercial lines account. The coastal account must also include quota share primary insurance under subparagraph (c)2. The area eligible for coverage under the coastal account also includes the area within Port Canaveral, which is bordered on the south by the City of Cape Canaveral, bordered on the west by the Banana River, and bordered on the north by Federal Government property.

b. The three separate accounts must be maintained as long as financing obligations entered into by the Florida Windstorm Underwriting Association or Residential Property and Casualty Joint Underwriting Association are outstanding, in accordance with the terms of the corresponding financing documents. If the financing obligations are no longer outstanding, the corporation may use a single account for all revenues, assets, liabilities, losses, and expenses of the corporation. Consistent with this subparagraph and prudent investment policies that minimize the cost of carrying debt, the board shall exercise its best efforts to retire existing debt or obtain the approval of necessary parties to amend the terms of existing debt, so as to structure the most efficient plan to consolidate the three separate accounts into a single account.

c. Creditors of the Residential Property and Casualty Joint Underwriting Association and the accounts specified in sub-sub-subparagraphs a.(I) and (II) may have a claim against, and recourse to, those accounts and no claim against, or recourse to, the account referred to in sub-sub-subparagraph a.(III). Creditors of the Florida Windstorm Underwriting

Association have a claim against, and recourse to, the account referred to in sub-sub-subparagraph a.(III) and no claim against, or recourse to, the accounts referred to in sub-sub-subparagraphs a.(I) and (II).

d. Revenues, assets, liabilities, losses, and expenses not attributable to particular accounts shall be prorated among the accounts.

e. The Legislature finds that the revenues of the corporation are revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds under this subsection.

f. No part of the income of the corporation may inure to the benefit of any private person.

3. With respect to a deficit in an account:

a. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph h., if the remaining projected deficit incurred in a particular calendar year:

(I) Is not greater than 6 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the entire deficit shall be recovered through regular assessments of assessable insurers under paragraph (q) and assessable insureds.

(II) Exceeds 6 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the corporation shall levy regular assessments on assessable insurers under paragraph (q) and on assessable insureds in an amount equal to the greater of 6 percent of the deficit or 6 percent of the aggregate statewide direct written

premium for the subject lines of business for the prior calendar year. Any remaining deficit shall be recovered through emergency assessments under sub-subparagraph c.

b. Each assessable insurer's share of the amount being assessed under sub-subparagraph a. must be in the proportion that the assessable insurer's direct written premium for the subject lines of business for the year preceding the assessment bears to the aggregate statewide direct written premium for the subject lines of business for that year. The assessment percentage applicable to each assessable insured is the ratio of the amount being assessed under sub-subparagraph a. to the aggregate statewide direct written premium for the subject lines of business for the prior year. Assessments levied by the corporation on assessable insurers under sub-subparagraph a. must be paid as required by the corporation's plan of operation and paragraph (q). Assessments levied by the corporation on assessable insureds under sub-subparagraph a. shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932, and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. Upon receipt of regular assessments from surplus lines agents, the Florida Surplus Lines Service Office shall transfer the assessments directly to the corporation as determined by the corporation.

c. Upon a determination by the board of governors that a deficit in an account exceeds the amount that will be recovered through regular assessments under sub-subparagraph a., plus the

amount that is expected to be recovered through surcharges under sub-subparagraph h., the board, after verification by the office, shall levy emergency assessments for as many years as necessary to cover the deficits, to be collected by assessable insurers and the corporation and collected from assessable insureds upon issuance or renewal of policies for subject lines of business, excluding National Flood Insurance policies. The amount collected in a particular year must be a uniform percentage of that year's direct written premium for subject lines of business and all accounts of the corporation, excluding National Flood Insurance Program policy premiums, as annually determined by the board and verified by the office. The office shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. Notwithstanding any other provision of law, the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. The emergency assessments collected shall be transferred directly to the corporation on a periodic basis as determined by the corporation and held by the corporation solely in the applicable account. The aggregate

amount of emergency assessments levied for an account under this sub-subparagraph in any calendar year may be less than but not exceed the greater of 10 percent of the amount needed to cover the deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit, or 10 percent of the aggregate statewide direct written premium for subject lines of business and all accounts of the corporation for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the deficit.

d. The corporation may pledge the proceeds of assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other insurance and reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as the source of revenue for and to secure bonds issued under paragraph (q), bonds or other indebtedness issued under subparagraph (c)3., or lines of credit or other financing mechanisms issued or created under this subsection, or to retire any other debt incurred as a result of deficits or events giving rise to deficits, or in any other way that the board determines will efficiently recover such deficits. The purpose of the lines of credit or other financing mechanisms is to provide additional resources to assist the corporation in covering claims and expenses attributable to a catastrophe. As used in this subsection, the term "assessments" includes regular assessments under sub-subparagraph a. or subparagraph (q)1. and emergency assessments under sub-subparagraph c. ~~d.~~ Emergency assessments collected under sub-subparagraph c. ~~d.~~ are not part of an

insurer's rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium. The emergency assessments under sub-subparagraph c. shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or indebtedness.

e. As used in this subsection for purposes of any deficit incurred on or after January 25, 2007, the term "subject lines of business" means insurance written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers' compensation or medical malpractice. As used in this sub-subparagraph, the term "property and casualty lines of business" includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. For purposes of this sub-subparagraph, the term "workers' compensation" includes both workers' compensation insurance and excess workers' compensation insurance.

f. The Florida Surplus Lines Service Office shall determine annually the aggregate statewide written premium in subject lines of business procured by assessable insureds and

report that information to the corporation in a form and at a time the corporation specifies to ensure that the corporation can meet the requirements of this subsection and the corporation's financing obligations.

g. The Florida Surplus Lines Service Office shall verify the proper application by surplus lines agents of assessment percentages for regular assessments and emergency assessments levied under this subparagraph on assessable insureds and assist the corporation in ensuring the accurate, timely collection and payment of assessments by surplus lines agents as required by the corporation.

h. If a deficit is incurred in any account in 2008 or thereafter, the board of governors shall levy a Citizens policyholder surcharge against all policyholders of the corporation.

(I) The surcharge shall be levied as a uniform percentage of the premium for the policy of up to 15 percent of such premium, which funds shall be used to offset the deficit.

(II) The surcharge is payable upon cancellation or termination of the policy, upon renewal of the policy, or upon issuance of a new policy by the corporation within the first 12 months after the date of the levy or the period of time necessary to fully collect the surcharge amount.

(III) The corporation may not levy any regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. with respect to a particular year's deficit until the corporation has first levied the full amount of the surcharge authorized by this sub-subparagraph.

(IV) The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.

i. If the amount of any assessments or surcharges collected from corporation policyholders, assessable insurers or their policyholders, or assessable insureds exceeds the amount of the deficits, such excess amounts shall be remitted to and retained by the corporation in a reserve to be used by the corporation, as determined by the board of governors and approved by the office, to pay claims or reduce any past, present, or future plan-year deficits or to reduce outstanding debt.

(c) The corporation's plan of operation:

1. Must provide for adoption of residential property and casualty insurance policy forms and commercial residential and nonresidential property insurance forms, which must be approved by the office before use. The corporation shall adopt the following policy forms:

a. Standard personal lines policy forms that are comprehensive multiperil policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.

b. Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the requirements of the secondary mortgage market, but which is more limited than the coverage under a standard policy.

c. Commercial lines residential and nonresidential policy

forms that are generally similar to the basic perils of full coverage obtainable for commercial residential structures and commercial nonresidential structures in the admitted voluntary market.

d. Personal lines and commercial lines residential property insurance forms that cover the peril of wind only. The forms are applicable only to residential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

e. Commercial lines nonresidential property insurance forms that cover the peril of wind only. The forms are applicable only to nonresidential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

f. The corporation may adopt variations of the policy forms listed in sub-subparagraphs a.-e. which contain more restrictive coverage.

2. Must provide that the corporation adopt a program in which the corporation and authorized insurers enter into quota share primary insurance agreements for hurricane coverage, as defined in s. 627.4025(2)(a), for eligible risks, and adopt property insurance forms for eligible risks which cover the peril of wind only.

a. As used in this subsection, the term:

(I) "Quota share primary insurance" means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are

each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the agreement, may not be altered by the inability of the other party to pay its specified percentage of losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that the authorized insurer and the corporation may not be held responsible beyond their specified percentage of coverage of hurricane losses.

(II) "Eligible risks" means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the

corporation may establish additional coverage levels. However, the corporation's quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under such agreements, the corporation and the authorized insurer must maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that

there is no discriminatory application among insurers as to the terms of the agreements, pricing of the agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is voluntary and at the discretion of the authorized insurer.

3.a. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may borrow funds by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other

indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2. in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may take all actions needed to facilitate tax-free status for such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may pledge assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, market equalization and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

b. To ensure that the corporation is operating in an efficient and economic manner while providing quality service to policyholders, applicants, and agents, the board shall commission an independent third-party consultant having expertise in insurance company management or insurance company management consulting to prepare a report and make recommendations on the relative costs and benefits of outsourcing various policy issuance and service functions to

private servicing carriers or entities performing similar functions in the private market for a fee, rather than performing such functions in-house. In making such recommendations, the consultant shall consider how other residual markets, both in this state and around the country, outsource appropriate functions or use servicing carriers to better match expenses with revenues that fluctuate based on a widely varying policy count. The report must be completed by July 1, 2012. Upon receiving the report, the board shall develop a plan to implement the report and submit the plan for review, modification, and approval to the Financial Services Commission. Upon the commission's approval of the plan, the board shall begin implementing the plan by January 1, 2013.

4. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of eight individuals who are residents of this state, from different geographical areas of this state.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance and is deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair. All board members serve at the pleasure of the appointing officer. All members of the board are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to

serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. A board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest

voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to s. 627.3517, with respect to personal lines residential risks, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain such offer, the risk is eligible for a standard policy including wind coverage or a basic policy

including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. However, a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the end of the assumption period remains eligible for coverage from the corporation regardless of any offer of coverage from an authorized insurer or surplus lines insurer. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the

corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a policy issued by the corporation unless the

premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. However, a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the end of the assumption period remains eligible for coverage from the corporation regardless of an offer of coverage from an authorized insurer or surplus lines insurer.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record ~~policy~~, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

c. For purposes of determining comparable coverage under sub-subparagraphs a. and b., the comparison must be based on those forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. A comparison may be made solely of the premium with respect to the main building or structure only on

the following basis: the same coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage in the coastal account, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates.

7. Must provide that if premium and investment income for an account attributable to a particular calendar year are in excess of projected losses and expenses for the account attributable to that year, such excess shall be held in surplus in the account. Such surplus must be available to defray deficits in that account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year.

8. Must provide objective criteria and procedures to be uniformly applied to all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

9. Must provide that the corporation make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors.

10. The policies issued by the corporation must provide that if the corporation or the market assistance plan obtains an

offer from an authorized insurer to cover the risk at its approved rates, the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.

11. Corporation policies and applications must include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which does not provide coverage identical to the coverage provided by the corporation. The notice must also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. May establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods continue to have access to coverage from the corporation. If coverage is sought in connection with a real property transfer, the requirements and procedures may not provide an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. Must provide that, with respect to the coastal account, any assessable insurer with a surplus as to policyholders of $25 million or less writing 25 percent or more

of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal account may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds pursuant to s. 627.3512, but the regular assessment must be paid in full within 12 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.c. ~~(b)3.d.~~ The plan must provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, an emergency assessment to be collected from policyholders under sub-subparagraph (b)3.c. ~~(b)3.d.~~ may not be limited or deferred.

14. Must provide that the corporation appoint as its licensed agents only those agents who also hold an appointment as defined in s. 626.015(3) with an insurer who at the time of the agent's initial appointment by the corporation is authorized to write and is actually writing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.

15. Must provide a premium payment plan option to its policyholders which, at a minimum, allows for quarterly and

semiannual payment of premiums. A monthly payment plan may, but is not required to, be offered.

16. Must limit coverage on mobile homes or manufactured homes built before 1994 to actual cash value of the dwelling rather than replacement costs of the dwelling.

17. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

18. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

19. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

20. As of January 1, 2012, must require that the agent obtain from an applicant for coverage from the corporation an acknowledgement signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGEMENT OF POTENTIAL SURCHARGE
AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE

CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I ALSO UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

3. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

a. The corporation shall maintain, in electronic format or otherwise, a copy of the applicant's signed acknowledgement and provide a copy of the statement to the policyholder as part of the first renewal after the effective date of this subparagraph.

b. The signed acknowledgement form creates a conclusive presumption that the policyholder understood and accepted his or her potential surcharge and assessment liability as a policyholder of the corporation.

(q)1. The corporation shall certify to the office its needs for annual assessments as to a particular calendar year, and for any interim assessments that it deems to be necessary to sustain operations as to a particular year pending the receipt of annual assessments. Upon verification, the office shall

approve such certification, and the corporation shall levy such annual or interim assessments. Such assessments shall be prorated as provided in paragraph (b). The corporation shall take all reasonable and prudent steps necessary to collect the amount of assessment due from each assessable insurer, including, if prudent, filing suit to collect such assessment. If the corporation is unable to collect an assessment from any assessable insurer, the uncollected assessments shall be levied as an additional assessment against the assessable insurers and any assessable insurer required to pay an additional assessment as a result of such failure to pay shall have a cause of action against such nonpaying assessable insurer. Assessments shall be included as an appropriate factor in the making of rates. The failure of a surplus lines agent to collect and remit any regular or emergency assessment levied by the corporation is considered to be a violation of s. 626.936 and subjects the surplus lines agent to the penalties provided in that section.

2. The governing body of any unit of local government, any residents of which are insured by the corporation, may issue bonds as defined in s. 125.013 or s. 166.101 from time to time to fund an assistance program, in conjunction with the corporation, for the purpose of defraying deficits of the corporation. In order to avoid needless and indiscriminate proliferation, duplication, and fragmentation of such assistance programs, any unit of local government, any residents of which are insured by the corporation, may provide for the payment of losses, regardless of whether or not the losses occurred within or outside of the territorial jurisdiction of the local

government. Revenue bonds under this subparagraph may not be issued until validated pursuant to chapter 75, unless a state of emergency is declared by executive order or proclamation of the Governor pursuant to s. 252.36 making such findings as are necessary to determine that it is in the best interests of, and necessary for, the protection of the public health, safety, and general welfare of residents of this state and declaring it an essential public purpose to permit certain municipalities or counties to issue such bonds as will permit relief to claimants and policyholders of the corporation. Any such unit of local government may enter into such contracts with the corporation and with any other entity created pursuant to this subsection as are necessary to carry out this paragraph. Any bonds issued under this subparagraph shall be payable from and secured by moneys received by the corporation from emergency assessments under sub-subparagraph (b)3.c. ~~(b)3.d.~~, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government shall not be pledged for the payment of such bonds.

3.a. The corporation shall adopt one or more programs subject to approval by the office for the reduction of both new and renewal writings in the corporation. Beginning January 1, 2008, any program the corporation adopts for the payment of bonuses to an insurer for each risk the insurer removes from the corporation shall comply with s. 627.3511(2) and may not exceed the amount referenced in s. 627.3511(2) for each risk removed. The corporation may consider any prudent and not unfairly

discriminatory approach to reducing corporation writings, and may adopt a credit against assessment liability or other liability that provides an incentive for insurers to take risks out of the corporation and to keep risks out of the corporation by maintaining or increasing voluntary writings in counties or areas in which corporation risks are highly concentrated and a program to provide a formula under which an insurer voluntarily taking risks out of the corporation by maintaining or increasing voluntary writings will be relieved wholly or partially from assessments under sub-subparagraph (b)3.a. ~~sub-subparagraphs (b)3.a. and b.~~ However, any "take-out bonus" or payment to an insurer must be conditioned on the property being insured for at least 5 years by the insurer, unless canceled or nonrenewed by the policyholder. If the policy is canceled or nonrenewed by the policyholder before the end of the 5-year period, the amount of the take-out bonus must be prorated for the time period the policy was insured. When the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on such policy, and the insurer shall either:

(I) Pay to the producing agent of record of the policy, for the first year, an amount which is the greater of the insurer's usual and customary commission for the type of policy written or a policy fee equal to the usual and customary commission of the corporation; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less

than 1 year and offer to pay the agent the insurer's usual and customary commission for the type of policy written. If the producing agent is unwilling or unable to accept appointment by the new insurer, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I).

b. Any credit or exemption from regular assessments adopted under this subparagraph shall last no longer than the 3 years following the cancellation or expiration of the policy by the corporation. With the approval of the office, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the corporation, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies so removed.

c. There shall be no credit, limitation, exemption, or deferment from emergency assessments to be collected from policyholders pursuant to sub-subparagraph (b)3.c. ~~(b)3.d.~~

4. The plan shall provide for the deferment, in whole or in part, of the assessment of an assessable insurer, other than an emergency assessment collected from policyholders pursuant to sub-subparagraph (b)3.c. ~~(b)3.d.~~, if the office finds that payment of the assessment would endanger or impair the solvency of the insurer. In the event an assessment against an assessable insurer is deferred in whole or in part, the amount by which such assessment is deferred may be assessed against the other assessable insurers in a manner consistent with the basis for assessments set forth in paragraph (b).

5. Effective July 1, 2007, in order to evaluate the costs

and benefits of approved take-out plans, if the corporation pays a bonus or other payment to an insurer for an approved take-out plan, it shall maintain a record of the address or such other identifying information on the property or risk removed in order to track if and when the property or risk is later insured by the corporation.

6. Any policy taken out, assumed, or removed from the corporation is, as of the effective date of the take-out, assumption, or removal, direct insurance issued by the insurer and not by the corporation, even if the corporation continues to service the policies. This subparagraph applies to policies of the corporation and not policies taken out, assumed, or removed from any other entity.

(v)1. Effective July 1, 2002, policies of the Residential Property and Casualty Joint Underwriting Association become policies of the corporation. All obligations, rights, assets and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them become those of the corporation as of July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

2. Effective July 1, 2002, policies of the Florida Windstorm Underwriting Association are transferred to the corporation and become policies of the corporation. All obligations, rights, assets, and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them are transferred to and assumed by

the corporation on July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

3. The Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association shall take all actions necessary to further evidence the transfers and provide the documents and instruments of further assurance as may reasonably be requested by the corporation for that purpose. The corporation shall execute assumptions and instruments as the trustees or other parties to the financing documents of the Florida Windstorm Underwriting Association or the Residential Property and Casualty Joint Underwriting Association may reasonably request to further evidence the transfers and assumptions, which transfers and assumptions, however, are effective on the date provided under this paragraph whether or not, and regardless of the date on which, the assumptions or instruments are executed by the corporation. Subject to the relevant financing documents pertaining to their outstanding bonds, notes, indebtedness, or other financing obligations, the moneys, investments, receivables, choses in action, and other intangibles of the Florida Windstorm Underwriting Association shall be credited to the coastal account of the corporation, and those of the personal lines residential coverage account and the commercial lines residential coverage account of the Residential Property and Casualty Joint Underwriting Association shall be credited to the personal lines account and the commercial lines account, respectively, of the corporation.

4. Effective July 1, 2002, a new applicant for property insurance coverage who would otherwise have been eligible for coverage in the Florida Windstorm Underwriting Association is eligible for coverage from the corporation as provided in this subsection.

5. The transfer of all policies, obligations, rights, assets, and liabilities from the Florida Windstorm Underwriting Association to the corporation and the renaming of the Residential Property and Casualty Joint Underwriting Association as the corporation does not affect the coverage with respect to covered policies as defined in s. 215.555(2)(c) provided to these entities by the Florida Hurricane Catastrophe Fund. The coverage provided by the fund to the Florida Windstorm Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter shall be redesignated as coverage for the coastal account of the corporation. Notwithstanding any other provision of law, the coverage provided by the fund to the Residential Property and Casualty Joint Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter shall be transferred to the personal lines account and the commercial lines account of the corporation. Notwithstanding any other provision of law, the coastal account shall be treated, for all Florida Hurricane Catastrophe Fund purposes, as if it were a separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. Likewise, the personal lines and commercial lines accounts shall be viewed together, for all fund purposes, as if the two accounts were one and represent a

single, separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. The coverage provided by the fund to the corporation shall constitute and operate as a full transfer of coverage from the Florida Windstorm Underwriting Association and Residential Property and Casualty Joint Underwriting Association to the corporation.

Reviser's note.—Paragraphs (2)(b) and (6)(q) are amended to conform to the redesignation of s. 627.351(6)(b)3.b. as a portion of sub-subparagraph (6)(b)3.a. by s. 15, ch. 2011-39, Laws of Florida. Paragraphs (6)(b), (c), and (q) are amended to conform to the redesignation of s. 627.351(6)(b)3.d. as sub-subparagraph (6)(b)3.c. by s. 15, ch. 2011-39. Section 78. Paragraphs (a), (b), and (c) of subsection (3) and paragraphs (d), (e), and (f) of subsection (6) of section 627.3511, Florida Statutes, are amended to read:

627.3511 Depopulation of Citizens Property Insurance Corporation.—

(3) EXEMPTION FROM DEFICIT ASSESSMENTS.—

(a) The calculation of an insurer's assessment liability under s. 627.351(6)(b)3.a. ~~or b.~~ shall, for an insurer that in any calendar year removes 50,000 or more risks from the Citizens Property Insurance Corporation, either by issuance of a policy

upon expiration or cancellation of the corporation policy or by assumption of the corporation's obligations with respect to in-force policies, exclude such removed policies for the succeeding 3 years, as follows:

1. In the first year following removal of the risks, the risks are excluded from the calculation to the extent of 100 percent.

2. In the second year following removal of the risks, the risks are excluded from the calculation to the extent of 75 percent.

3. In the third year following removal of the risks, the risks are excluded from the calculation to the extent of 50 percent.

If the removal of risks is accomplished through assumption of obligations with respect to in-force policies, the corporation shall pay to the assuming insurer all unearned premium with respect to such policies less any policy acquisition costs agreed to by the corporation and assuming insurer. The term "policy acquisition costs" is defined as costs of issuance of the policy by the corporation which includes agent commissions, servicing company fees, and premium tax. This paragraph does not apply to an insurer that, at any time within 5 years before removing the risks, had a market share in excess of 0.1 percent of the statewide aggregate gross direct written premium for any line of property insurance, or to an affiliate of such an insurer. This paragraph does not apply unless either at least 40 percent of the risks removed from the corporation are located in

Miami-Dade, Broward, and Palm Beach Counties, or at least 30 percent of the risks removed from the corporation are located in such counties and an additional 50 percent of the risks removed from the corporation are located in other coastal counties.

1. The end of the calendar year in which it first wrote 0.5 percent or more of the statewide aggregate direct written premium for any line of residential property coverage; or

2. December 31, 1997, or December 31 of the third year in which it wrote such coverage in this state, whichever is later.

(c) Other than an insurer that is exempt under paragraph (b), an insurer that in any calendar year increases its total structure exposure subject to wind coverage by 25 percent or more over its exposure for the preceding calendar year is, with respect to that year, exempt from deficit assessments imposed pursuant to s. 627.351(6)(b)3.a. ~~and b.~~, but not emergency assessments collected from policyholders pursuant to s. 627.351(6)(b)3.c. ~~627.351(6)(b)3.d.~~, of the Citizens Property Insurance Corporation attributable to such increase in exposure.

(6) COMMERCIAL RESIDENTIAL TAKE-OUT PLANS.—

(d) The calculation of an insurer's regular assessment liability under s. 627.351(6)(b)3.a. ~~and b.~~, but not emergency

assessments collected from policyholders pursuant to s. 627.351(6)(b)3.c. ~~627.351(6)(b)3.d.~~, shall, with respect to commercial residential policies removed from the corporation under an approved take-out plan, exclude such removed policies for the succeeding 3 years, as follows:

1. In the first year following removal of the policies, the policies are excluded from the calculation to the extent of 100 percent.

2. In the second year following removal of the policies, the policies are excluded from the calculation to the extent of 75 percent.

3. In the third year following removal of the policies, the policies are excluded from the calculation to the extent of 50 percent.

(e) An insurer that first wrote commercial residential property coverage in this state on or after June 1, 1996, is exempt from regular assessments under s. 627.351(6)(b)3.a. ~~and b.~~, but not emergency assessments collected from policyholders pursuant to s. 627.351(6)(b)3.c. ~~627.351(6)(b)3.d.~~, with respect to commercial residential policies until the earlier of:

1. The end of the calendar year in which such insurer first wrote 0.5 percent or more of the statewide aggregate direct written premium for commercial residential property coverage; or

2. December 31 of the third year in which such insurer wrote commercial residential property coverage in this state.

(f) An insurer that is not otherwise exempt from regular assessments under s. 627.351(6)(b)3.a. ~~and b.~~ with respect to

commercial residential policies is, for any calendar year in which such insurer increased its total commercial residential hurricane exposure by 25 percent or more over its exposure for the preceding calendar year, exempt from regular assessments under s. 627.351(6)(b)3.a. ~~and b.~~, but not emergency assessments collected from policyholders pursuant to s. 627.351(6)(b)3.c. ~~627.351(6)(b)3.d.~~, attributable to such increased exposure.

667.003 Applicability of chapter 658.—Any state savings

bank is subject to all the provisions, and entitled to all the privileges, of the financial institutions codes except where it appears, from the context or otherwise, that such provisions clearly apply only to banks or trust companies organized under the laws of this state or the United States. Without limiting the foregoing general provisions, it is the intent of the Legislature that the following provisions apply to a savings bank to the same extent as if the savings bank were a "bank" operating under such provisions:

~~(12) Section 658.295, relating to interstate banking.~~

Reviser's note.—Amended to conform to the repeal of s. 658.295 by s. 23, ch. 2011-194, Laws of Florida.

The decisionmakers for a certified procedure shall, in rendering decisions, take into account all legal and equitable factors germane to a fair and just decision, including, but not limited to, the warranty; the rights and remedies conferred under 16 C.F.R. part 703, in effect October 1, 1983; the provisions of

For the purposes of s. 985.461, the court may retain jurisdiction for an additional 365 days following the child's 19th birthday if the child is participating in transition-to-adulthood services. The additional services do not extend involuntary court-sanctioned residential commitment and therefore require voluntary participation by the affected youth.

(b) Notwithstanding ss. 743.07 and 985.455(3), ~~and except as provided in s. 985.47,~~ the term of any order placing a child in a probation program must be until the child's 19th birthday unless he or she is released by the court on the motion of an
