11. What is the specific purpose or goal that will be achieved by the funds being requested?

The City's agreement to discharge wastewater treatment plant (WWTP) effluent with Mosaic expires in April 2019 and will not be renewed by Mosaic. The planned new method of effluent disposal, currently under design, is to construct a new 2.6 mile pipeline to interconnect to the City of Wauchula's effluent disposal system. The project must be constructed prior to April 2019 to allow the City's WWTP to continue to provide its residents with reliable sewer service in permit compliance.

12. Provide specific details on how funds will be spent. (Select all that apply)

14. Is the project request an information technology project?

N/A

15. Is there any documented show of support for the requested project in the community including public hearings, letters of support, major organizational backing, or other expressions of support?

Yes

15a. Please Describe:

A current FY 2016 Legislative Appropriation is funding the planning/design of the proposed project. Numerous City Commission meeting presentations have been made regarding the project including presentation of studies performed during the planning and also the final selected effluent disposal alternative, which is the proposed project to connect to the City of Wauchula's effluent disposal pipeline. City Commission dates when the project was discussed include 4/26/16, 8/3/16, 9/13/16, 11/7/16.

16. Has the need for the funds been documented by a study, completed by an independent 3rd party, for the area to be served?

Yes

16a. Please Describe:

Planning and design of the project is currently ongoing as performed by the City's engineering consultant, Envisors. The results of the planning work conducted include studies of multiple effluent disposal alternatives. The selected project (effluent disposal pipeline to interconnect to City of Wauchula effluent disposal system) has been determined to be the most viable and cost effective alternative for reliable wastewater effluent disposal to replace the current expiring method.

17. Will the requested funds be used directly for services to citizens?

N/A
