11. What is the specific purpose or goal that will be achieved by the funds being requested?

The funds requested will be used to lease and develop property for dewatering of dredged spoils material as part of the Anclote River Federal Channel Maintenance Dredge Project. Currently, the channel is too shallow to allow necessary cargo and ships to enter. Our Federal partners have requested the funds for the actual dredging on the Federal level, however, state funds are needed for the lease and development of the site for the dredged material. That is what this request is for.

12. Provide specific details on how funds will be spent. (Select all that apply)
