- ☐ University or College
- ☐ Other (Please describe)

11. What is the specific purpose or goal that will be achieved by the funds being requested?

The proposed project serves a low-income residential area along Davis Rd. where improved drainage and flood prevention is needed. 10th Ave. N. is a county collector road with nearly 32,000 average daily trips. It connects the surrounding residential area with businesses to both the east and west. Davis Road has insufficient drainage and repetitive pooling during storms on the low lying parcels has caused damage to multiple residences. This project will mitigate future flood damage.

12. Provide specific details on how funds will be spent. (Select all that apply)
