Conference Report on House Bill 5001

Fiscal Year 2024-2025 General Appropriations Act

> Florida House of Representatives Appropriations Committee March 21, 2024

This report reflects only items contained in the Conference Report on House Bill 5001, the Fiscal Year 2024-2025 General Appropriations Act (GAA), which are identifiable to specific counties. State agencies will further allocate other funds contained in the General Appropriations Act based on authorized distribution methodologies. <u>This report was produced prior to the veto process.</u>

This report includes all transportation project phases \$1 million or greater that are included in the Department of Transportation's Tentative Work Program for Fiscal Year 2024-2025. The report also contains projects included on certain approved lists associated with specific appropriations where the list may be referenced in proviso but the project is not specifically listed. Examples of the lists include, but are not limited to, the library, cultural, and historic preservation program grants included in the Department of State, as well as the Beach Management Funding Assistance Program and the Florida Recreation Development Assistance Program included in the Department of Environmental Protection. The Florida Education Finance Program (FEFP) and funds distributed to counties by state agencies at a later date are not identified in this report.

Items in this report considered Appropriations Projects under Joint Rule Two are identified with either a House Form (HF) number or a Senate Form (SF) number in the Project Title or the term "RBAP" is included under the program description to indicate the item includes recurring base appropriations project (RBAP) funding. If the RBAP received additional nonrecurring funding in the GAA, the total provided includes the recurring base plus the additional nonrecurring funding.

Pages 1 through 84 reflect items that are identifiable to one specific county. Beginning on page 85, multiple county programs are shown. Footnotes are included at the bottom of Page 87 for items designated with one or more asterisks.

Other information pertaining to the budget is on the House website: www.Myfloridahouse.gov, under Publications → Appropriations.
