13	From the funds in Specific Appropriation 2023, \$4,000,000 shall be used by the Commission for the Transportation Disadvantaged to continue the innovative grant program. Funds shall be used to provide competitive grants to community transportation coordinators for innovative service delivery that is more cost efficient for the program and time efficient for the users. Grants may be for projects in which a community transportation coordinator works with a non-traditional service provider, such as a transportation network company or other entity that provides door-to-door, on-demand, or scheduled transportation services. A county may submit one project that encompasses multiple goals or a single goal, such as providing cross-county mobility or reducing service gaps between existing routes and the user's final destination. A county may not receive more than one award and may receive a maximum award of \$750,000. Multiple counties may partner for a grant of up to \$1,500,000 provided that the project includes a goal of providing regional mobility in addition to any other goals. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients. 727	From the funds in Specific Appropriation 3239, \$3,000,000 in nonrecurring funds from the General Revenue Fund is provided to the Department of State for the project administration and independent verification and validation services needed to support the procurement of a proven, commercial off-the-shelf corporate registry system to replace the current Sunbiz system that includes identity verification and paperless transactions. The procurement must be awarded by competitive solicitation pursuant to section 287.057, Florida Statutes and include the cybersecurity provisions of section 282.318(4)(h), Florida Statutes. Of these funds, \$2,000,000 shall be held in reserve. Before issuing the solicitation, the department shall first contract with an independent verification and validation (IV&V) provider to provide IV&V services for all agency staff and vendor work needed to implement this project. The IV&V contract shall require that all deliverables be simultaneously provided to the department, the Executive Office of the Governor's Office of Policy & Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee. The department is authorized to submit quarterly budget amendments requesting release of these funds pursuant to the provisions of chapter 216, Florida Statutes, and based on the department's planned quarterly expenditures. Release is contingent upon the procurement of IV&V services and the approval of a detailed operational work plan and monthly spend plan that identifies all project activities and costs budgeted for Fiscal Year 2024-2025. IV&V reports shall include technical reviews of project deliverables submitted or accepted within the reporting period and assessments of the department's project management and governance. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual completion dates, planned and actual costs incurred, and project issues and risks. The department shall provide monthly status and IV&V reports to the department, the Executive Office of the Governor's Office of Policy & Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee.	From the funds provided in Specific Appropriation 3239, \$3,327,500 in nonrecurring funds and \$487,000 in recurring funds from the General Revenue Fund are provided for Sunbiz System Modernization. These funds shall be placed in reserve. The department is authorized to submit budget amendments requesting release of the remaining funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon a submission of a detailed operational work plan and a monthly spend plan that identifies all project work and costs budgeted for Fiscal Year 2024-2025.	727
