SUMMARY ANALYSIS

HJR 55 proposes an amendment to the state constitution that would allow the Legislature by general law to permit counties and municipalities to limit ad valorem tax assessments applicable to their respective levies to the previous year's assessed value for homestead property that is subject to the current local option low-income senior exemption. The limitation could apply if the market value of a homestead property is less than the market value of the property on the preceding January 1 or no more than 150 percent of the average homestead market value in the county.

The general law implementing the constitutional provision must designate a state agency that will calculate the average just value of homestead property within each county and municipality. The designated agency will provide this information to property appraisers. The implementing law must also require that counties and municipalities choosing to provide the assessment limitation do so by ordinance.

To the extent that county and city governments choose the option offered by this constitutional amendment, their property tax bases will be lower than would otherwise be the case. See Section II.B. of this analysis for additional information regarding the potential revenue impact on local governments.

The joint resolution would have a nonrecurring fiscal impact on the state for the cost of advertising the proposed amendment.

To be placed on the ballot, the joint resolution must be approved by three-fifths of the membership of each house.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Property Taxation in Florida

Local governments, including counties, school districts and municipalities have the constitutional ability to levy ad valorem taxes. Special districts may also be given this ability by law.¹ Ad valorem taxes are collected on the fair market value of the property, adjusting for any exclusions, differentials or exemptions.

Ad valorem taxes are capped by the state constitution as follows:²

- Ten mills for county purposes.
- Ten mills for municipal purposes.
- Ten mills for school purposes.
- A millage fixed by law for a county furnishing municipal services.
- A millage authorized by law and approved by voters for special districts.

Taxes levied for the payment of bonds and taxes levied for periods not longer than two years, when authorized by a vote of the electors, are not subject to millage limitations. Millage rates vary among local governments and are fixed by ordinance or resolution of the taxing authority's governing body.³

Regardless of the body imposing the taxes, two county constitutional officers have primary responsibility for the administration and collection of ad valorem taxes. The county property appraiser calculates the fair market value, assessed value and the value of applicable exemptions of the property. The tax collector collects all ad valorem taxes levied by the county, school district, municipalities, and any special taxing districts within the county and distributes the taxes to each taxing authority.⁴

The Department of Revenue (DOR) supervises the assessment and valuation of property so that all property is placed on the tax rolls and valued according to its just valuation.⁵ Additionally, the DOR prescribes and furnishes all forms as well as prescribes rules and regulations to be used by property appraisers, tax collectors, clerks of circuit court, and value adjustment boards in administering and collecting ad valorem taxes.⁶

All ad valorem taxation must be at a uniform rate within each taxing unit, subject to certain exceptions with respect to intangible personal property.⁷ However, the Florida constitutional provision requiring that taxes be imposed at a uniform rate refers to the application of a common rate to all taxpayers within each taxing unit – not variations in rates between taxing units.⁸

The Florida Constitution grants property tax relief in the form of certain valuation differentials,⁹ assessment limitations,¹⁰ and exemptions,¹¹ including the homestead exemptions.

Section 4(e) authorizes counties to provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed

Homestead Exemption

The Homestead Exemption provides an exemption from all ad valorem taxes on the first \$25,000 of assessed value for owners of homestead property, provided that the tax roll in their county has been approved.¹² An additional \$25,000 exemption is provided for assessed values between \$50,000 and \$75,000; however, this exemption does not apply to school taxes.¹³

Save Our Homes

The "Save Our Homes" provision in s. 4, Art. VII of the State Constitution limits the amount a homestead's assessed value can increase annually to the lesser of three percent or the inflation rate as measured by the Consumer Price Index (CPI).¹⁴ Homestead property owners who establish a new homestead may transfer up to \$500,000 of their accrued "Save Our Homes" benefit to that homestead.¹⁵

Section 193.155, Florida Statutes

In 1994, the Legislature implemented the "Save Our Homes" amendment in s. 193.155, F.S.¹⁶ The legislation required all homestead property to be assessed at just value by January 1, 1994.¹⁷ Starting on January 1, 1995, or the year after the property receives a homestead exemption (whichever is later), property receiving a homestead exemption must be reassessed annually on January 1 of each year. As provided in the constitution, s. 193.155, F.S., requires that any change resulting from the reassessment may not exceed the lesser of three percent or the growth in the CPI. Pursuant to s. 193.155(2), F.S., if the assessed value of the property exceeds its just value, the assessed value must be lowered to the just value of the property.

Rule 12D-8.0062, Florida Administrative Code: "The Recapture Rule"

In October 1995, the Governor and the Cabinet, acting as the head of the Department of Revenue, adopted Rule 12D-8.0062, F.A.C., entitled "Assessments; Homestead; and Limitations."¹⁸ The rule "govern[s] the determination of the assessed value of property subject to the homestead assessment limitation under Article VII, Section 4(c), Florida Constitution and Section 193.155, F.S."¹⁹

Subsection (5) of the rule is popularly known as the "recapture rule." This subsection requires property appraisers to increase the assessed value of a homestead property by the lower of three percent or the

value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. This provision is known as the "Granny Flats" assessment limitation.

¹¹ Article VII, s. 3, Fla. Const., provides authority for the various property tax exemptions. The statutes also clarify or provide property tax exemptions for certain licensed child care facilities operating in an enterprise zone, properties used to provide affordable housing, educational facilities, charter schools, property owned and used by any labor organizations, community centers, space laboratories, and not-for-profit sewer and water companies.

¹⁶ Chapter 94-353, L.O.F.

¹⁷ See, *Fuchs v. Wilkinson*, 630 So. 2d 1044 (Fla. 1994), "the clear language of the amendment establishes January 1, 1994, as the first 'just value' assessment date, and as a result, requires the operative date of the amendment's limitations, which establish the 'tax value' of homestead property, to be January 1, 1995."

¹⁸ While s. 193.155, F.S., did not provide specific rulemaking authority, the Department of Revenue adopted Rule 12D-8.0062, F.A.C., pursuant to its general rulemaking authority under s. 195.027, F.S. Section 195.027, F.S., provides that the Department of Revenue shall prescribe reasonable rules and regulations for the assessing and collecting of taxes, and that the Legislature intends that the department shall formulate such rules and regulations that property will be assessed, taxes will be collected, and that the administration will be uniform, just and otherwise in compliance with the requirements of general law and the constitution.

¹⁹ Rule 12D-8.0062(1), F.A.C.

CPI on all property where the prior year's assessed value is lower than the just value. The specific language in Rule 12D-8.0062(5), F.A.C., provides:

Where the current year just value of an individual property exceeds the prior year assessed value, the property appraiser is *required* to increase the prior year's assessed value²⁰

Currently, this requirement applies even if the just value of the homestead property has decreased from the prior year. Therefore, homestead owners entitled to the "Save Our Homes" cap whose property is assessed at less than just value may see an increase in the assessed value of their home in years where the just/market value of their property has decreased.

Subsection (6) of the rule provides that if the change in the CPI is negative, then the assessed value must be equal to the prior year's assessed value decreased by that percentage.

*Markham v. Department of Revenue*²¹

On March 17, 1995, William Markham, the Broward County Property Appraiser, filed a petition challenging the validity of the Department of Revenue's proposed "recapture rule" within Rule 12D-8.0062, F.A.C. Markham alleged that the proposed rule was "an invalid exercise of delegated legislative authority and is arbitrary and capricious."²² Markham also claimed that subsection (5) of the rule was at variance with the constitution—specifically that it conflicted with the "intent" of the ballot initiative and that a third limitation relating to market value or movement²³ should be incorporated into the language of the rule to make it compatible with the language in s. 4(c), Art. VII of the State Constitution.

A final order was issued by the Division of Administrative Hearings on June 21, 1995, which upheld the validity of Rule 12D-8.0062, F.A.C., and the Department of Revenue's exercise of delegated legislative authority. The hearing officer determined that subsections (5) and (6) of the administrative rule were consistent with s. 4(c), Art. VII of the State Constitution. The hearing officer also held that the challenged portions of the rule were consistent with the agency's mandate to adopt rules under s. 195.027(1), F.S., since the rule had a factual and logical underpinning, was plain and unambiguous, and did not conflict with the implemented law.²⁴

Low-Income Seniors

Counties and cities may allow an additional homestead exemption of up to \$50,000 for anyone 65 years or older whose household income does not exceed \$20,000, adjusted annually by the percentage change in the average cost-of-living index.²⁵ The exemption only applies to taxes levied by the county or city enacting the exemption.²⁶

Under the Homestead Property Tax Deferral Act, any homesteader 65 years or older who would qualify for the exemption would also qualify to defer all ad valorem taxes.²⁷ All senior homesteaders may defer the portion of their tax levy exceeding 3-percent of household income, so long as tax deferrals and other liens do not exceed 85-percent of assessed value and the primary mortgage does not exceed 70 percent. Deferred tax and interest up to 7 percent are due when the property is sold, property insurance is not maintained, or the property ceases to qualify for homestead exemption.

Proposed Changes

The joint resolution proposes an amendment to the state constitution that would allow the Legislature by general law to permit counties and municipalities to limit, for homestead property qualifying for the low-income senior exemption, ad valorem tax assessments for their respective levies to the previous year's assessed value.

To be eligible for the limitation on assessment, the following conditions must be met:

- The property qualifies for the low-income senior exemption, which requires that:
 - The county or municipality has granted the exemption by ordinance;
 - The person has title to the property and maintains his or her permanent residence thereon;
 - The owner is 65 or older; and
 - The owner's annual household income is less than \$26,203.²⁸
- The just value of the property is less than the just value of the property on the preceding January 1 or is no more than 150% of the average just value of homestead property within the county.

The general law implementing of the constitutional provision must designate a state agency that will calculate the average just value of homestead property within each county and municipality based upon the prior year final tax roll of each county. The designated agency will provide this information to property appraisers. The implementing law must also require that counties and municipalities choosing to provide the assessment limitation must do so by ordinance.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

The Division of Elections is required to publish the proposed constitutional amendment twice in a newspaper of general circulation in each county.²⁹ The Division estimates the cost of advertising the proposed constitutional amendment would be \$211,855.44.³⁰

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

The Revenue Estimating Conference (REC) adopted an indeterminate negative revenue impact of this resolution on local governments. However, the amendment, if passed, would only affect a county or municipality that chose to impose the cap on assessed value for its assessment.

²⁸ Pursuant to s. 196.075(3), F.S., the household income limitation is set at \$20,000 as of January 1, 2001, and adjusted annually by the percentage change in the average cost-of-living index issued by the United States Department of Labor. For 2011, that indexed household income amount is \$26,203. See: <http://dor.myflorida.com/dor/property/resources/limitations.html> (last visited December 1, 2011)

²⁹ Article XI, s. 5(d), Fla. Const.

³⁰ Department of State, *House Joint Resolution 55 (2012) Fiscal Analysis* (September 12, 2011).

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The resolution could reduce property taxes on certain qualifying seniors. Such a reduction in the property tax base could result in a corresponding shift in property tax burden to other property tax owners.

D. FISCAL COMMENTS:

If the amendment is approved by the voters and the legislature passes implementing/authorizing legislation, and those counties and municipalities that currently grant the additional homestead exemption for low-income seniors pass the necessary ordinances to adopt the assessment limitation cap provided by this joint resolution, the REC estimates a negative revenue impact on local governments of at least \$2.3 million in FY 2014-15 and \$4.2 million in FY 2015-16.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 4 of Article VII of the State Constitution is agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE VII

FINANCE AND TAXATION

SECTION 4. Taxation; assessments.—By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property

29 held for sale as stock in trade and livestock may be valued for
 30 taxation at a specified percentage of its value, may be
 31 classified for tax purposes, or may be exempted from taxation.

32 (d) All persons entitled to a homestead exemption under
 33 Section 6 of this Article shall have their homestead assessed at
 34 just value as of January 1 of the year following the effective
 35 date of this amendment. This assessment shall change only as
 36 provided in this subsection.

37 (1) Except as provided in paragraph (2), assessments
 38 subject to this subsection shall be changed annually on January
 39 1~~st~~ of each year; but those changes in assessments shall not
 40 exceed the lower of the following:

41 a. Three percent ~~(3%)~~ of the assessment for the prior
 42 year.

43 b. The percent change in the Consumer Price Index for all
 44 urban consumers, U.S. City Average, all items 1967=100, or
 45 successor reports for the preceding calendar year as initially
 46 reported by the United States Department of Labor, Bureau of
 47 Labor Statistics.

48 (2) The legislature may, by general law, allow counties or
 49 municipalities, for the purpose of their respective tax levies
 50 and subject to the provisions of general law, to limit
 51 assessments on homestead property subject to the additional
 52 homestead tax exemption under Section 6(d) to the assessed value
 53 of the property in the prior year if the just value of the
 54 property is less than the just value of the property on the
 55 preceding January 1 or is equal to or less than one hundred
 56 fifty percent of the average just value of homestead property

57 within the respective county or municipality. The general law
 58 must allow counties and municipalities to provide this
 59 limitation by ordinance adopted in the manner prescribed by
 60 general law, specify the state agency designated to calculate
 61 the average just value of homestead property within each county
 62 and municipality, and provide that such agency annually supply
 63 that information to each property appraiser. The calculation
 64 shall be based on the prior year's tax roll of each county.

65 (3)~~(2)~~ No assessment shall exceed just value.

66 (4)~~(3)~~ After any change of ownership, as provided by
 67 general law, homestead property shall be assessed at just value
 68 as of January 1 of the following year, unless the provisions of
 69 paragraph (9)~~(8)~~ apply. Thereafter, the homestead shall be
 70 assessed as provided in this subsection.

71 (5)~~(4)~~ New homestead property shall be assessed at just
 72 value as of January 1~~1st~~ of the year following the

76 (6)~~(5)~~ Changes, additions, reductions, or improvements to
 77 homestead property shall be assessed as provided for by general
 78 law; provided, however, after the adjustment for any change,
 79 addition, reduction, or improvement, the property shall be
 80 assessed as provided in this subsection.

81 (7)~~(6)~~ In the event of a termination of homestead status,
 82 the property shall be assessed as provided by general law.

83 (8)~~(7)~~ The provisions of this amendment are severable. If
 84 any of the provisions of this amendment shall be held

85 | unconstitutional by any court of competent jurisdiction, the
 86 | decision of such court shall not affect or impair any remaining
 87 | provisions of this amendment.

88 | (9)~~(8)~~a. A person who establishes a new homestead as of
 89 | January 1, 2009, or January 1 of any subsequent year and who has
 90 | received a homestead exemption pursuant to Section 6 of this
 91 | Article as of January 1 of either of the two years immediately
 92 | preceding the establishment of the new homestead is entitled to
 93 | have the new homestead assessed at less than just value. If this
 94 | revision is approved in January of 2008, a person who
 95 | establishes a new homestead as of January 1, 2008, is entitled
 96 | to have the new homestead assessed at less than just value only
 97 | if that person received a homestead exemption on January 1,
 98 | 2007. The assessed value of the newly established homestead
 99 | shall be determined as follows:

100 | 1. If the just value of the new homestead is greater than
 101 | or equal to the just value of the prior homestead as of January
 102 | 1 of the year in which the prior homestead was abandoned, the
 103 | assessed value of the new homestead shall be the just value of
 104 | the new homestead minus an amount equal to the lesser of
 105 | \$500,000 or the difference between the just value and the
 106 | assessed value of the prior homestead as of January 1 of the
 107 | year in which the prior homestead was abandoned. Thereafter, the
 108 | homestead shall be assessed as provided in this subsection.

109 | 2. If the just value of the new homestead is less than the
 110 | just value of the prior homestead as of January 1 of the year in
 111 | which the prior homestead was abandoned, the assessed value of
 112 | the new homestead shall be equal to the just value of the new

113 homestead divided by the just value of the prior homestead and
 114 multiplied by the assessed value of the prior homestead.
 115 However, if the difference between the just value of the new
 116 homestead and the assessed value of the new homestead calculated
 117 pursuant to this sub-subparagraph is greater than \$500,000, the
 118 assessed value of the new homestead shall be increased so that
 119 the difference between the just value and the assessed value
 120 equals \$500,000. Thereafter, the homestead shall be assessed as
 121 provided in this subsection.

122 b. By general law and subject to conditions specified
 123 therein, the Legislature shall provide for application of this
 124 paragraph to property owned by more than one person.

125 (e) The legislature may, by general law, for assessment
 126 purposes and subject to the provisions of this subsection, allow
 127 counties and municipalities to authorize by ordinance that
 128 historic property may be assessed solely on the basis of
 129 character or use. Such character or use assessment shall apply
 130 only to the jurisdiction adopting the ordinance. The
 131 requirements for eligible properties must be specified by
 132 general law.

133 (f) A county may, in the manner prescribed by general law,
 134 provide for a reduction in the assessed value of homestead
 135 property to the extent of any increase in the assessed value of
 136 that property which results from the construction or
 137 reconstruction of the property for the purpose of providing
 138 living quarters for one or more natural or adoptive grandparents
 139 or parents of the owner of the property or of the owner's spouse
 140 if at least one of the grandparents or parents for whom the

141 living quarters are provided is 62 years of age or older. Such a
 142 reduction may not exceed the lesser of the following:

143 (1) The increase in assessed value resulting from
 144 construction or reconstruction of the property.

145 (2) Twenty percent of the total assessed value of the
 146 property as improved.

147 (g) For all levies other than school district levies,
 148 assessments of residential real property, as defined by general
 149 law, which contains nine units or fewer and which is not subject
 150 to the assessment limitations set forth in subsections (a)
 151 through (d) shall change only as provided in this subsection.

152 (1) Assessments subject to this subsection shall be
 153 changed annually on the date of assessment provided by law; but
 154 those changes in assessments shall not exceed ten percent ~~(10%)~~
 155 of the assessment for the prior year.

156 (2) No assessment shall exceed just value.

157 (3) After a change of ownership or control, as defined by
 158 general law, including any change of ownership of a legal entity
 159 that owns the property, such property shall be assessed at just
 160 value as of the next assessment date. Thereafter, such property
 161 shall be assessed as provided in this subsection.

162 (4) Changes, additions, reductions, or improvements to
 163 such property shall be assessed as provided for by general law;
 164 however, after the adjustment for any change, addition,
 165 reduction, or improvement, the property shall be assessed as
 166 provided in this subsection.

167 (h) For all levies other than school district levies,
 168 assessments of real property that is not subject to the

169 assessment limitations set forth in subsections (a) through (d)
 170 and (g) shall change only as provided in this subsection.

171 (1) Assessments subject to this subsection shall be
 172 changed annually on the date of assessment provided by law; but
 173 those changes in assessments shall not exceed ten percent ~~(10%)~~
 174 of the assessment for the prior year.

175 (2) No assessment shall exceed just value.

176 (3) The legislature must provide that such property shall
 177 be assessed at just value as of the next assessment date after a
 178 qualifying improvement, as defined by general law, is made to
 179 such property. Thereafter, such property shall be assessed as
 180 provided in this subsection.

181 (4) The legislature may provide that such property shall
 182 be assessed at just value as of the next assessment date after a
 183 change of ownership or control, as defined by general law,
 184 including any change of ownership of the legal entity that owns
 185 the property. Thereafter, such property shall be assessed as
 186 provided in this subsection.

187 (5) Changes, additions, reductions, or improvements to
 188 such property shall be assessed as provided for by general law;
 189 however, after the adjustment for any change, addition,
 190 reduction, or improvement, the property shall be assessed as
 191 provided in this subsection.

192 (i) The legislature, by general law and subject to
 193 conditions specified therein, may prohibit the consideration of
 194 the following in the determination of the assessed value of real
 195 property used for residential purposes:

196 (1) Any change or improvement made for the purpose of

197 | improving the property's resistance to wind damage.

198 | (2) The installation of a renewable energy source device.

199 | (j) (1) The assessment of the following working waterfront
200 | properties shall be based upon the current use of the property:

201 | a. Land used predominantly for commercial fishing
202 | purposes.

203 | b. Land that is accessible to the public and used for
204 | vessel launches into waters that are navigable.

205 | c. Marinas and drystacks that are open to the public.

206 | d. Water-dependent marine manufacturing facilities,
207 | commercial fishing facilities, and marine vessel construction
208 | and repair facilities and their support activities.

209 | (2) The assessment benefit provided by this subsection is
210 | subject to conditions and limitations and reasonable definitions
211 | as specified by the legislature by general law.

BILL #: HJR 93 Homestead Property Tax Exemption for Surviving Spouse of Military Veteran or First Responder

SUMMARY ANALYSIS

The joint resolution proposes an amendment to the Florida Constitution that would allow the legislature to provide ad valorem tax relief to the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and to the surviving spouse of a first responder who died in the line of duty. The amount of tax relief, to be defined by general law, can equal the total amount or a portion of the ad valorem tax otherwise owed on homestead property.

The proposed amendment defines "first responder" to mean a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic. "In the line of duty" is defined to mean arising out of and in the actual performance of duty required by employment as a first responder. The legislature is authorized to further define these terms by general law.

The Revenue Estimating Conference has estimated that, if the voters approve this constitutional amendment, and if it is implemented by the legislature effective beginning with the January 2013 tax rolls and **assuming current millage rates**, the estimated statewide impact would be annual reductions in school tax revenues of \$0.3 million, beginning in fiscal year 2013-14. Annual reductions in local government non-school tax revenues under those circumstances are estimated to be \$0.3 million beginning in fiscal year 2013-14.

The Department of State estimates that the cost of publishing the proposed constitutional amendment, as required by law, is \$100,302.

For the proposed amendment to be placed on the ballot at the general election in November 2012, the legislature must approve the joint resolution by a three-fifths vote of the membership of each house of the legislature.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Just Value

Article VII, section 4 of the Florida Constitution, requires that all property be assessed at just value for ad valorem tax purposes. "Just value" is synonymous with "fair market value" and is defined as what a willing buyer would pay a willing seller for the property in an arm's length transaction.¹

Assessed Value

The Florida Constitution authorizes certain alternatives to the just valuation standard for specific types of property.² Agricultural land, land producing high water recharge to Florida's aquifers, and land used exclusively for noncommercial recreational purposes may be assessed solely on the basis of their character or use.³ Land used for conservation purposes must be assessed solely on the basis of character or use.⁴ Livestock and tangible personal property that is held for sale as stock in trade may be assessed at a specified percentage of its value or be totally exempted from taxation.⁵ Counties and municipalities may authorize historic properties to be assessed solely on the basis of character or use.⁶ Counties may also provide a reduction in the assessed value of property improvements on existing homesteads made to accommodate parents or grandparents that are 62 years of age or older.⁷ The Legislature is authorized to prohibit the consideration of improvements to residential real property for purposes of improving the property's wind resistance or the installation of renewable energy source devices in the assessment of the property.⁸ Certain working waterfront property is assessed based upon the property's current use.⁹

Assessment Limitations

Save Our Homes

The "Save Our Homes" provision in Article VII, section 4 of the Florida Constitution, limits the amount a homestead's assessed value can increase annually to the lesser of 3 percent or the inflation rate as measured by the consumer price index (CPI).¹⁰ Homestead property owners that establish a new homestead may transfer up to \$500,000 of their accrued "Save Our Homes" benefit to a new homestead.¹¹

Additional Assessment Limitations

Article VII, sections 4(g) and (h), of the Florida Constitution, provide an assessment limitation for non-homestead residential real property containing nine or fewer units, and for all real property not subject to other specified assessment limitations. For all levies, with the exception of school levies, the assessed value of property in each of these two categories may not be increased annually by more

than 10 percent of the assessment in the prior year. However, residential real property containing nine or fewer units must be assessed at just value whenever there is a change in ownership or control. For the other real property subject to the limitation, the Legislature may provide that such property shall be assessed at just value after a change of ownership or control and must provide for reassessment following a qualifying improvement, as defined by general law.

Exemptions

The Legislature may only grant property tax exemptions that are authorized in the constitution, and any modifications to existing property tax exemptions must be consistent with the constitutional provision authorizing the exemption.¹²

Homestead Exemption

Article VII, section 6 of the Florida Constitution, provides that every person who owns real estate with legal and equitable title and maintains their permanent residence, or the permanent residence of their dependent upon such real estate, is eligible for a \$25,000 homestead tax exemption applicable to all ad valorem tax levies including school district levies. An additional \$25,000 homestead exemption applies to homesteads that have an assessed value greater than \$50,000 and up to \$75,000, excluding school district levies.

Other Exemptions

Article VII, section 3 of the Florida Constitution, provides for other specific exemptions from property taxes. Property owned by a municipality and used exclusively for municipal or public purposes is exempt, and portions of property used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law.¹³ Additional exemptions are provided for household goods and personal effects, widows and widowers, blind persons and persons who are totally and permanently disabled.¹⁴ A county or municipality is authorized to provide a property tax exemption for new and expanded businesses, but only against its own millage and upon voter approval.¹⁵ A county or municipality may also grant an historic preservation property tax exemption against its own millage to owners of historic property.¹⁶ Tangible personal property is exempt up to \$25,000 of its assessed value.¹⁷ There is an exemption for real property dedicated in perpetuity for conservation purposes.¹⁸ There is an exemption for military personnel deployed on active duty outside of the United States in support of military operations designated by the Legislature.¹⁹

Taxable Value

The taxable value of real and tangible personal property is the assessed value minus any exemptions provided by the Florida Constitution or by Florida Statutes.

ARTICLE VII

FINANCE AND TAXATION

SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon

29 establishment of right thereto in the manner prescribed by law.
 30 The real estate may be held by legal or equitable title, by the
 31 entireties, jointly, in common, as a condominium, or indirectly
 32 by stock ownership or membership representing the owner's or
 33 member's proprietary interest in a corporation owning a fee or a
 34 leasehold initially in excess of ninety-eight years. The
 35 exemption shall not apply with respect to any assessment roll
 36 until such roll is first determined to be in compliance with the
 37 provisions of section 4 by a state agency designated by general
 38 law. This exemption is repealed on the effective date of any
 39 amendment to this Article which provides for the assessment of
 40 homestead property at less than just value.

41 (b) Not more than one exemption shall be allowed any
 42 individual or family unit or with respect to any residential
 43 unit. No exemption shall exceed the value of the real estate
 44 assessable to the owner or, in case of ownership through stock

 46 which the interest in the corporation bears to the assessed
 47 value of the property.

48 (c) By general law and subject to conditions specified
 49 therein, the Legislature may provide to renters, who are
 50 permanent residents, ad valorem tax relief on all ad valorem tax
 51 levies. Such ad valorem tax relief shall be in the form and
 52 amount established by general law.

53 (d) The legislature may, by general law, allow counties or
 54 municipalities, for the purpose of their respective tax levies
 55 and subject to the provisions of general law, to grant an
 56 additional homestead tax exemption not exceeding fifty thousand

57 | dollars to any person who has the legal or equitable title to
 58 | real estate and maintains thereon the permanent residence of the
 59 | owner and who has attained age sixty-five and whose household
 60 | income, as defined by general law, does not exceed twenty
 61 | thousand dollars. The general law must allow counties and
 62 | municipalities to grant this additional exemption, within the
 63 | limits prescribed in this subsection, by ordinance adopted in
 64 | the manner prescribed by general law, and must provide for the
 65 | periodic adjustment of the income limitation prescribed in this
 66 | subsection for changes in the cost of living.

67 | (e) Each veteran who is age 65 or older who is partially
 68 | or totally permanently disabled shall receive a discount from
 69 | the amount of the ad valorem tax otherwise owed on homestead
 70 | property the veteran owns and resides in if the disability was
 71 | combat related, the veteran was a resident of this state at the
 72 | time of entering the military service of the United States, and
 73 | the veteran was honorably discharged upon separation from
 74 | military service. The discount shall be in a percentage equal to
 75 | the percentage of the veteran's permanent, service-connected
 76 | disability as determined by the United States Department of
 77 | Veterans Affairs. To qualify for the discount granted by this
 78 | subsection, an applicant must submit to the county property
 79 | appraiser, by March 1, proof of residency at the time of
 80 | entering military service, an official letter from the United
 81 | States Department of Veterans Affairs stating the percentage of
 82 | the veteran's service-connected disability and such evidence
 83 | that reasonably identifies the disability as combat related, and
 84 | a copy of the veteran's honorable discharge. If the property

85 appraiser denies the request for a discount, the appraiser must
 86 notify the applicant in writing of the reasons for the denial,
 87 and the veteran may reapply. The Legislature may, by general
 88 law, waive the annual application requirement in subsequent
 89 years. This subsection shall take effect December 7, 2006, is
 90 self-executing, and does not require implementing legislation.

91 (f) By general law and subject to conditions and
 92 limitations specified therein, the Legislature may provide ad
 93 valorem tax relief equal to the total amount or a portion of the
 94 ad valorem tax otherwise owed on homestead property to the:

95 (1) Surviving spouse of a veteran who died from service-
 96 connected causes while on active duty as a member of the United
 97 States Armed Forces.

98 (2) Surviving spouse of a first responder who died in the
 99 line of duty.

100 (3) As used in this subsection and as further defined by
 101 general law, the term:

SUMMARY ANALYSIS

The bill implements the proposed constitutional amendment contained in HJR 93.

Section 196.081(4), F.S., currently provides, under specified conditions, a full exemption from ad valorem taxes on property that is owned and used as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and who was a permanent resident of this state on January 1 of the year in which he or she died. The current exemption does not require the surviving spouse to have been a Florida resident on January 1 of the year in which the veteran died.

The bill requires the surviving spouse to have been a Florida resident on January 1 of the year in which the veteran died to qualify for this exemption.

The bill creates a new statutory provision that creates and sets forth the requirements for a complete exemption from ad valorem taxes authorized by the proposed constitutional amendment in HJR 93. The exemption is available under specified conditions to the surviving spouse of a "first responder" who died in the line of duty when the real estate is owned and used by the surviving spouse as a homestead. The bill defines the terms "first responder" and "in the line of duty."

The Revenue Estimating Conference has estimated that, if the amendment proposed by HJR 93 is approved by the voters, **assuming current millage rates**, the estimated statewide impact of the bill would be annual reductions in school tax revenues of \$0.3 million beginning in fiscal year 2013-14. Annual reductions in local government non-school tax revenues under those circumstances are estimated to be \$0.3 million beginning in fiscal year 2013-14.

The bill takes effect upon the approval of the amendment proposed by HJR 93 by the voters. The bill will operate prospectively to tax rolls submitted to the Department of Revenue by each county tax collector beginning January 2013 and each January thereafter and do not provide a basis for relief from or assessment of taxes not paid or for determining any denial of or a right to a refund of taxes paid before the effective date of this bill. The revisions in the bill to the exemption for surviving spouses of veterans only apply to when the veteran's death occurs after the effective date of the bill and do not affect the homestead exemptions of surviving spouses of veterans whose deaths occurred before the effective date of the bill. The provisions of the bill that relate to the surviving spouses of first responders apply for surviving spouses of first responders whose deaths occur before, on, or after the effective date of the bill.

Article VII, section 4 of the Florida Constitution, requires that all property be assessed at just value for ad valorem tax purposes. For all levies, with the exception of school levies, the assessed value of property in each of these two categories may not be increased annually by more

The Legislature may only grant property tax exemptions that are authorized in the constitution, and any modifications to existing property tax exemptions must be consistent with the constitutional provision authorizing the exemption.¹²

Homestead Exemption

Article VII, section 6 of the Florida Constitution, provides that every person who owns real estate with legal and equitable title and maintains their permanent residence, or the permanent residence of their dependent upon such real estate, is eligible for a \$25,000 homestead tax exemption applicable to all ad valorem tax levies including school district levies. Other Exemptions

Article VII, section 3 of the Florida Constitution, provides for other specific exemptions from property taxes. Property owned by a municipality and used exclusively for municipal or public purposes is exempt, and portions of property used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law.¹³ Additional exemptions are provided for household goods and personal effects, widows and widowers, blind persons and persons who are totally and permanently disabled.¹⁴ A county or municipality is authorized to provide a property tax exemption for new and expanded businesses, but only against its own millage and upon voter approval.¹⁵ A county or municipality may also grant an historic preservation property tax exemption against its own millage to owners of historic property.¹⁶ Tangible personal property is exempt up to \$25,000 of its assessed value.¹⁷ There is an exemption for real property dedicated in perpetuity for conservation purposes.¹⁸ There is an exemption for military personnel deployed on active duty outside of the United States in support of military operations designated by the Legislature.¹⁹

Exemption for Surviving Spouses of Certain Veterans

Section 196.081(4), F.S., currently provides, under specified conditions, a full exemption from ad valorem taxes on property that is owned and used as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and for whom a letter from the United States Government or United States Department of Veterans Affairs or its predecessor has been issued certifying that the veteran died from service-connected causes while on active duty. Additionally, the veteran must have been a permanent resident of this state on January 1 of the year in which he or she died. The current exemption does not require the surviving spouse to have been a Florida resident on January 1 of the year in which the veteran died.

Taxable Value

The taxable value of real and tangible personal property is the assessed value minus any exemptions provided by the Florida Constitution or by Florida Statutes.

Proposed Changes

The bill implements the proposed constitutional amendment contained in HJR 93.

Exemptions

Exemption for Surviving Spouses of Certain Veterans

The bill changes the current exemption under s. 196.081(4), F.S., described above, to require the surviving spouse to have been a Florida resident on January 1 of the year in which the veteran died to qualify for this exemption.

Exemption for Surviving Spouses of First Responders

The bill creates a new statutory provision that creates and sets forth the requirements for a complete exemption from ad valorem taxes authorized by the proposed constitutional amendment in HJR 93. The exemption is available under specified conditions to the surviving spouse of a "first responder" who died in the line of duty when the real estate is owned and used by the surviving spouse as a homestead.

The bill defines the terms "first responder" to mean a law enforcement officer or correctional officer as defined in s. 943.10, F.S., a firefighter as defined in s. 633.30, F.S., or an emergency medical technician or paramedic as defined in s. 401.23, F.S., who is a full-time paid employee, part-time paid employee, or unpaid volunteer.

The bill defines "in the line of duty" to mean:

- While engaging in law enforcement;
- While performing an activity relating to fire suppression and prevention;
- While responding to a hazardous material emergency;
- While performing rescue activity;
- While providing emergency medical services;
- While performing disaster relief activity;
- While otherwise engaging in emergency response activity; or
- While engaging in a training exercise related to any of the events or activities enumerated in this subparagraph if the training has been authorized by the employing entity.

The bill provides that a heart attack or stroke that causes death or causes an injury resulting in death must occur within 24 hours after an event or activity enumerated above and must be directly and proximately caused by the event or activity in order to be considered as having occurred in the line of duty.

The bill specifies the documentation required to qualify for the exemption to be a letter from the state or appropriate political subdivision of the state or other authority or special district that has been issued legally recognizing and certifying that the individual died in the line of duty while employed as a first responder. The bill provides that presentation by the surviving spouse of this letter that attests the

individual's death was in the line of duty is prima facie evidence that the surviving spouse is entitled to this exemption.

The bill provides that the exemption may apply as long as the spouse holds the legal or beneficial title to the homestead, permanently resides thereon, and does not remarry. If the surviving spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to his or her new residence as long as it is used as his or her primary residence and he or she does not remarry.

Applicability of Changes

The bill takes effect upon the approval of the amendment proposed by HJR 93 by the voters. The bill will operate prospectively to tax rolls submitted to the Department of Revenue by each county tax collector beginning January 2013 and each January thereafter and do not provide a basis for relief from or assessment of taxes not paid or for determining any denial of or a right to a refund of taxes paid before the effective date of this bill. The revisions in the bill to the exemption for surviving spouses of veterans only apply to when the veteran's death occurs after the effective date of the bill and do not affect the homestead exemptions of surviving spouses of veterans whose deaths occurred before the effective date of the bill. The provisions of the bill that relate to the surviving spouses of first responders apply for surviving spouses of first responders whose deaths occur before, on, or after the effective date of the bill.

SUMMARY ANALYSIS

The Uniform Special District Accountability Act of 1989 (Act) sets forth the general provisions for the definition, creation, and operation of all special districts. Special districts are local units of special purpose government within a limited boundary, created by general law, special act, local ordinance, or by rule of the Governor and Cabinet.

The Act also establishes the method for the merger and dissolution of dependent and independent special districts. Any dependent or independent district created and operating by special act may only be merged or dissolved by the Legislature unless otherwise provided by general law. An inactive independent special district created by a county or municipality through a referendum or any other procedure, may be merged or dissolved pursuant to the same procedure by which the district was created.

CS/HB 107 allows two or more contiguous independent special districts with similar functions and governing bodies that were created by the Legislature to voluntarily merge under specified circumstances. The bill allows merger proceedings to be initiated either by joint resolution of the governing bodies of each district or by 40 percent or more of the qualified electors in each district. The bill also requires independent special districts to adopt a merger plan that outlines the specific components for the proposed merger, which shall be subject to a public hearing and voter referendum. The effective date of the proposed voluntary merger is not contingent upon the future act of the Legislature; however, the merged district's powers are limited until the Legislature approves the unified charter by special act.

The voluntary merger provisions of this bill do not apply to independent special districts whose governing bodies are elected by district landowners voting the acreage owned within the district and shall preempt any special act to the contrary.

The bill repeals current statutory provisions addressing the merger of independent special fire control districts. The merger of independent special fire control districts will be governed pursuant to the provisions established under this act.

The bill requires an involuntary dissolution or merger of an independent special district to be subject to a special act of the Legislature and approved by voter referendum. The bill also provides for the payment of associated referendum expenses and the distribution of assets and indebtedness.

The bill allows a special district that meets the criteria for being declared inactive or that has already been declared inactive to be dissolved or merged without a referendum. The bill further allows the governing body of a special district to unanimously adopt a resolution to declare a special district inactive.

The bill provides an effective date of July 1, 2012.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Overview

The Uniform Special District Accountability Act of 1989¹ (Act) sets forth the general provisions for the definition, creation, and operation of all special districts.² Special districts are local units of special purpose government within a limited boundary, created by general law, special act, local ordinance, or by rule of the Governor and Cabinet.³ The term does not include:⁴

- A school district;
- A community college district;
- A Seminole and Miccosukee Tribe special improvement district;⁵
- A municipal service taxing or benefit unit; or
- A board which provides electrical service and which is a political subdivision of a municipality or is part of a municipality.

As of October 20, 2011, there were approximately 1,618 active special districts.⁶

The Act establishes criteria for determining whether a special district is a “dependent special district” or an “independent special district.” A “dependent special district” is a special district that meets at least one of the following criteria:⁷

- The membership of its governing body is identical to that of the governing body of a single county or single municipality.
- All members of its governing body are appointed by the governing body of a single county or single municipality.
- During their unexpired terms, members of the special district’s governing body are subject to removal at will by the governing body of a single county or single municipality.
- The district has a budget that requires approval through an affirmative vote or can be vetoed by the governing body of a single county or single municipality.

As of October 20, 2011, there were 625 active dependent special districts.⁸

An “independent special district” is a special district that is not a dependent special district as defined in state law. A district that includes more than one county is an independent special district unless the district lies wholly within the boundaries of a single municipality.⁹ As of October 20, 2011, there were 993 active independent special districts.¹⁰

Merger and Dissolution Procedures for Special Districts

Article VIII, section 4 of the Florida Constitution governs the transfer of powers between governing bodies and states:

“by law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferee, or as otherwise provided by law.”

The Act also establishes the method for the merger and dissolution of dependent and independent special districts.¹¹

- Any dependent or independent district created and operating by special act may only be **merged or dissolved** by the Legislature unless otherwise provided by general law.
- If an inactive **independent** district was created by a county or municipality by referendum, the county or municipality that created the district may **dissolve** the district after public notice as required by law.
- If an independent district was created by a county or municipality by referendum or any other procedure, then the county or municipality that created the district has the authority to **merge or dissolve** the district using the same procedure used to create the independent district. However, “for any independent district that has ad valorem taxation powers, the same procedure required to grant such independent district ad valorem taxation powers shall also be required to **dissolve or merge** the district.”

Under certain circumstances, the Department of Economic Opportunity (DEO) may declare a special district inactive by documenting that:¹²

- The special district meets one of the following criteria:¹³
 - The registered agent or chair of the governing body of the district; or the governing body of the appropriate local government notifies DEO in writing that the district has taken no action for two or more years.
 - Following an inquiry from DEO, the registered agent or chair of the governing body of the district; or the governing body of the appropriate local government notifies DEO in writing that the district has not had a governing board or a sufficient number of governing board members to constitute a quorum for two or more years; or the registered agent or chair of the governing body of the district; or the governing body of the local government fails to respond to DEO’s inquiry within 21 days.
 - DEO determines that the district has failed to file the appropriate reports, such as:
 - Retirement related reports with the Department of Management Services.
 - Annual Financial Report with the Department of Financial Services.
 - Annual Financial Audit Report with the Auditor General.
 - Bond related reports with the State Board of Administration, Division of Bond Finance.
 - The district has not had a registered office and agent on file with DEO for 1 year or more.
- DEO, special district, or local government published a notice of proposed declaration of inactive status in a newspaper of general circulation in the county or municipality in which the special district

is located and a copy of the notice is sent to the registered agent or chair of the special district's governing board, if any.¹⁴

- Twenty-one days have elapsed from the date the notice was published and no administrative appeals are filed.¹⁵

A special district declared inactive must be **dissolved** by the entity that created the special district by repealing its enabling laws or other appropriate means.¹⁶

Oversight Review Process

Although current law does not provide statutory guidelines to facilitate the merger of independent special districts prior to a legislative act, the Uniform Special District Accountability Act does offer an oversight review process¹⁷ that allows counties and municipalities to evaluate the degree of special district services and determine the need for adjustments, transitions or dissolution.¹⁸ The oversight review process is performed in conjunction with the special district's public facilities report¹⁹ and the local governmental evaluation and appraisal report.²⁰ Depending upon whether the independent special district is a single- or multi-county district, the oversight review may be conducted by the county or municipality where the special district is located, or by the government that created the special district.²¹

During the oversight review process, the reviewing authority must consider certain criteria, including, but not limited to:²²

- The degree to which current services are essential or contribute to the well-being of the community;
- The extent of continuing need for current services;
- Current or possible municipal annexation or incorporation and its impact on the delivery of district services;
- Whether there is a less costly alternative method of delivering the services that would adequately provide district services to district residents; and
- Whether the transfer of services would jeopardize the districts' existing contracts.

The reviewing authority's final oversight report must be filed with the government that created the district, and shall serve as a basis for any modification, **dissolution or merger** of the district.²³ If a legislative **dissolution or merger** is proposed in the final report, the law requires the reviewing government to also propose a plan for the merger or dissolution. The plan must address the following factors in evaluating the proposed merger or dissolution:²⁴

- Whether, in light of independent fiscal analysis, level-of-service implications, and other public policy considerations, the proposed merger or dissolution is the best alternative for delivering services and facilities to the affected area.
- Whether the services and facilities to be provided pursuant to the merger or dissolution will be compatible with the capacity and uses of existing local services and facilities.

- Whether the merger or dissolution is consistent with applicable provisions of the state comprehensive plan, the strategic regional policy plan, and the local government comprehensive plans of the affected area.
- Whether the proposed merger adequately provides for the assumption of all indebtedness.

The final report must also be considered at a public hearing in the affected jurisdiction and adopted by the governing board. Thereafter, the adopted plan for merger or dissolution can be filed as an attachment to the economic impact statement regarding the proposed special act or general act of local application dissolving a district.²⁵ These oversight review provisions do not apply to deepwater ports, airport authorities, or healthcare districts operating in compliance with other master plan requirements.²⁶

Financial Allocations of Merged or Dissolved Special Districts

The Act requires the government formed by the **merger** of existing special districts to assume all indebtedness of, and receive title to all property owned by, the preexisting special districts. The proposed charter must provide for the determination of the proper allocation of the indebtedness assumed and the manner in which the debt must be retired.²⁷

Unless otherwise provided by law or ordinance, a **dissolved** special district must transfer the title to all property owned by the preexisting special district to the local general-purpose government, which must also assume all indebtedness of the preexisting special district.²⁸ These provisions do not apply to community development districts or water management districts.²⁹

Senate Committee on Community Affairs Interim Project, Interim Report 2010-2011

In 2010, the Senate Committee on Community Affairs conducted an interim report on the merger of independent special districts.³⁰ The purpose of this interim report was to explore potential statutory guidelines for voluntary independent special district mergers and consolidations. The report reviewed current merger and consolidation laws in Florida and three other states. The report further discussed previous merger attempts that have failed in Florida.

Staff determined that mergers and consolidations provide a mechanism for independent special districts to increase government efficiency while saving taxpayers money. The report further states that independent special district mergers and consolidations can generate cost-savings through volume purchasing, standardized operating procedures, pooled investments, joint training, efficient personnel allocation, and cost avoidance.

Based on this information, staff provided criteria for the Legislature to consider, should it choose to adopt statutory guidelines that would allow independent special districts formed under special law to voluntarily merge prior to a legislative act. The recommended statutory criteria, included:³¹

- The fiscal, legal, and administrative components that should be evaluated in pre-merger or consolidation feasibility studies.
- How mergers and consolidation proceedings can be initiated, i.e. by resolution, voters, etc.
- The necessary statutory thresholds to approve or petition an independent special district merger or consolidation.

- Only applying to voluntary special district mergers.

Effect of Proposed Changes

The bill makes the following changes to The Uniform Special District Accountability Act of 1989 (Act):

- Provides definitions for the following terms:
 - “Component independent special district” means an independent special district that proposes to be merged into a merged independent district, or an independent special district as it existed before its merger into the merged independent district of which it is now a part.
 - “Elector-initiated merger plan” means the merger plan of two or more independent special districts, a majority of whose qualified electors have elected to merge, which outlines the terms and agreements for the official merger of the districts, and is finalized and approved by the governing bodies of the districts.
 - “Joint merger plan” means the merger plan that is adopted by resolution of the governing bodies of two or more independent special districts, that outlines the terms and agreements for the official merger of the districts, and that is finalized and approved by the governing bodies.
 - “Merged independent district” means a single independent special district that results from a successful merger of two or more independent special districts.
 - “Merger” means the combination of two or more contiguous independent special districts that combine to become a newly created merged independent district that assumes jurisdiction over all of the component independent special districts.
 - “Merger plan” means a written document that contains the terms, agreements, and information regarding the merger of two or more independent special districts.
 - “Proposed elector-initiated merger plan” means a written document that contains the terms and information regarding the merger of two or more independent special districts and that accompanies the petition initiated by the qualified electors of the districts, but that is not yet finalized and approved by the governing bodies of each component independent special district.
 - “Proposed joint merger plan” means a written document that contains the terms and information regarding the merger of two or more independent special districts and that has been prepared pursuant to a resolution of the governing bodies of the districts, but that is not yet finalized and approved by the governing bodies of each component independent special district.
 - “Qualified elector” means an individual at least 18 years of age who is a citizen of the United States, a permanent resident of this state, and a resident of the district who registers with the supervisor of elections of a county within which the district lands are located when the registration books are open.
- Clarifies the provisions for the merger or dissolution of dependent special districts.
- Establishes provisions for the voluntary dissolution of an independent special district.
- Provides procedures for the involuntary dissolution or merger of an independent special district.
- Establishes a process to allow two or more contiguous independent special districts with similar functions and governing bodies that were created by the Legislature to voluntarily merge prior to special act.

Merger or Dissolution of Dependent Special Districts

The bill clarifies that the merger or dissolution of a dependent special district created and operating pursuant to a special act may be effectuated only by further act of the Legislature unless otherwise provided by general law.

The bill provides that any dependent special districts that meet the criteria for being declared inactive or that have already been declared inactive pursuant to the Act³² may be dissolved by a special act without a referendum.

Dissolution of Independent Special Districts

Voluntary Dissolution

The voluntary dissolution of an independent special district created and operating pursuant to a special act may only occur by an act of the Legislature, unless otherwise provided by general law.

Involuntary Dissolution

If the Legislature or a local general-purpose government seeks to dissolve an active independent special district created and operating pursuant to a special act, whose board objects to the dissolution by resolution or the dissolution is supported by less than a supermajority vote of the board, then the dissolution is not effective until a special act of the Legislature is approved by a majority of the resident electors of the district or landowners voting in the same manner the governing board is elected.

This provision also applies if an independent special district's governing body elects to dissolve the district by less than a supermajority vote of the governing body. The political subdivisions proposing the involuntary dissolution are responsible for the payment of any expenses associated with the referendum.

If an independent special district was created by a county or municipality by referendum or any other procedure, the county or municipality that created the independent special district may dissolve the district pursuant to a referendum or any other procedure by which the independent special district was created. If the independent special district has ad valorem taxation powers, then the same procedure required to grant such powers is required to dissolve the district.

Inactive Independent Special Districts

The bill provides that any independent special districts that meet the criteria for being declared inactive or that have already been declared inactive pursuant to the Act³³ may be dissolved by a special act without a referendum.

Merger of Independent Special Districts

Voluntary Merger

The bill authorizes two or more contiguous independent special districts with similar functions and governing bodies that were created by the Legislature to voluntarily merge prior to a special act.

The merger may be initiated by either a joint resolution of the governing bodies of each district, which endorses a proposed joint merger plan; or by qualified elector initiative. A qualified elector-initiated merger plan requires each independent special district to file a petition with the governing bodies of each district proposing to be merged. The petition must contain the signatures of at least 40 percent of the qualified electors of each component independent special district.

The bill lists the components of the proposed joint merger plan and the proposed qualified elector-initiated merger plan, which must include, but are not limited to:

- The territorial boundaries of the proposed merged independent district.

³² Section 189.4044, F.S.

³³ *Id.*

- The governmental organization of the proposed merged independent district as it relates to elected and appointed officials and public employees as well as a transitional plan and schedule for elections and appointments of officials.
- A fiscal estimate of the potential cost or savings as a result of the merger.
- Each component independent special district's assets, liabilities and indebtedness.
- The effective date of the proposed merger.

The voluntary merger provisions also:

- Require the proposed merger plan to be subject to a public hearing and voter referendum, consistent with certain notice requirements under Florida Statutes.
- Provide election procedures and require a proposed merger to be approved by the majority of votes cast in each independent special district in order for merger to take effect. If the referendum fails, then the merger process may not be initiated for the same purpose within two years after the date of the referendum.
- Treat each component independent special district of the merger as a subunit of the merged independent special district until such time as the Legislature formally approves the unified charter of the new merged district pursuant to special act. The unified charter must make the powers of the district consistent within the merged independent district and repeal the special acts of the districts which existed before the merger.
- Provide that during the transition period, the individual subunits are limited to the powers and financing capabilities of each subunit as previously existed prior to merger.
- Provide for the transfer of assets, debts and liabilities of each component independent special district to the merged independent special district.
- Provide that in any action or proceeding pending on the effective date of merger to which a component independent special district is a party, the merged independent special district shall be substituted in its place.
- Provide that the Municipal Annexation or Contraction Act continues to apply to all annexations by a city within the component independent special districts' boundaries after merger occurs.
- Outline the effect of merger on current employees and governing bodies of each component independent special district participating in the merger proposal.

Effective Date of a Voluntary Merger. The effective date of the proposed voluntary merger is not contingent upon the future act of the Legislature; however, the merged district's powers are limited until the Legislature approves the unified charter by special act. The merged independent district must at its own expense, submit a unified charter for the merged district to the Legislature for approval.

During the transition period, and until the Legislature formally approves the unified charter by special act:

- The individual subunits are limited to the powers and financing capabilities of each subunit as previously existed prior to merger.
- The merged independent district must exercise only the legislative authority to levy and collect revenues within the boundaries of each subunit which was previously granted to the component independent special district by its existing charter before the merger, including the authority to levy ad valorem taxes, non-ad valorem taxes, impact fees, and charges.
- The merged independent district may not, solely by reason of the merger or the legislatively approved unified charter, increase ad valorem taxes on property within the original limits of a subunit beyond the maximum millage rate previously approved by the electors of the component independent special district, unless an increase in the millage rate is approved at a subsequent referendum of the subunit's electors. Each subunit may be considered a separate taxing unit.

- Each component independent special district must continue to file all information and reports required under chapter 189, F.S., as subunits until the Legislature formally approves the unified charter pursuant to a special act.

The bill includes an exemption clause stating that the voluntary merger provisions do not apply to independent special districts whose governing bodies are elected by district landowners voting based upon acreage owned within the district, such as water control or drainage districts governed by chapter 298, F.S.

The provisions addressing voluntary independent special district mergers will preempt any special act to the contrary.

Involuntary Merger

If the Legislature or a local general-purpose government seeks to merge an active independent special district or districts created and operating pursuant to a special act, whose governing board or boards objects to the merger by resolution, then the merger is not effective until a special act of the Legislature is approved by a majority of the resident electors of the district or landowners voting in the same manner the governing board is elected at a separate referenda.

The bill requires the special act to include a merger plan that addresses transition issues such as the effective date of the merger, governance, administration, powers, pensions, and assumption of all assets and liabilities.

If an independent special district was created by a county or municipality by referendum or any other procedure, the county or municipality that created the independent special district may merge the district pursuant to a referendum or any other procedure by which the independent special district was created. If the independent special district has ad valorem taxation powers, then the same procedure required to grant such powers is required to dissolve the special district.

The political subdivisions proposing the involuntary merger are responsible for the payment of any expenses associated with the referendum.

Inactive Independent Special Districts

The bill provides that any independent special districts that meet the criteria for being declared inactive or that have already been declared inactive pursuant to the Act³⁴ may be merged by a special act without a referendum.

Other Provisions Related to the Dissolution or Merger of Special Districts

The bill states that the financial allocations³⁵ of the assets and indebtedness of a dissolved independent special district is pursuant to the Act.

The specific merger procedures for independent special fire control districts³⁶ set forth in the Independent Special Fire Control District Act are deleted. The merger of independent special fire control districts will be governed pursuant to the provisions established under this act.

The bill amends the provisions relating to the special procedures for inactive special districts³⁷ to allow DEO to declare a special district inactive if the governing body of a special district provides documentation that it has unanimously adopted a resolution declaring the district (itself) to be inactive. The bill provides that any special district so declared to be inactive under this provision, may be dissolved without a referendum. This section also provides that the special district shall be responsible for payment of any expenses associated with its dissolution.

The bill takes effect on July 1, 2012.

The merger and consolidation provisions within this bill may result in increased government efficiency through volume purchasing, standardized operating procedures, pooled investments, joint training, efficient personnel allocation, and cost avoidance. Improved efficiencies may result in lower taxes levied by merged districts.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable. This bill does not appear to: require counties or municipalities to spend funds or take an action requiring the expenditure of funds; reduce the authority that counties or municipalities have to raise revenues in the aggregate; or reduce the percentage of a state tax shared with counties or municipalities.

Comments by the Department of Revenue:

The bill provides for the creation of a new independent special district when separate independent districts merge together. It further states that the districts when merged may be considered separate taxing units that can levy a different millage in a subunit. For the purposes of s. 200.065, F.S., independent special districts levy a single millage rate. It is unclear how to administer the TRIM process with regards to the following items:

- Notice of Proposed Property Taxes, budgeting process, TRIM hearings and the maximum millage limitation.
- A taxing district advertises either a Notice of Proposed Tax Increase or a Notice of Budget Hearing depending on the millage rate to be levied. Allowing the newly created district to levy more than one millage at different rates may cause confusion to the taxpayer.
- Pursuant to [s.] 200.065(5)(b), [F.S.], an independent special district that has levied ad valorem taxes for less than 5 years is not subject to the maximum millage limitation. When the districts merge into a newly created independent special district, it is unclear whether the new taxing district is subject to the maximum millage limitations.

The provisions of chapter 200, F.S., do not currently accommodate an independent district, which levies different millage rates in separate units.

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On November 16, 2011, the House Community & Military Affairs Subcommittee adopted three amendments. Amendment #1 was adopted to clarify the provisions relating to the involuntary dissolution of independent special districts and the dissolution of inactive independent special districts.

Amendment #2 was adopted to clarify that the merged independent district may not increase the ad valorem taxes on the property within the original limits of a subunit beyond the maximum millage rate approved by the electors, unless the electors approve an increase at a subsequent referendum.

Amendment #3 was adopted to clarify the provisions relating to the involuntary merger of independent special districts and the merger of inactive independent special districts

The analysis has been updated to reflect these amendments.

29 involuntary merger of independent special districts;
 30 providing exemptions from merger and dissolution
 31 procedures; amending s. 191.014, F.S.; deleting a
 32 provision relating to the conditions under which the
 33 merger of independent special districts or dependent
 34 fire control districts with other special districts is
 35 effective and the conditions under which a merged

 37 amending s. 189.4044, F.S.; revising criteria by which
 38 special districts are declared inactive by a governing

132 1. If the Legislature or a local general-purpose
 133 government seeks to dissolve an active independent special
 134 district created and operating pursuant to a special act whose
 135 governing body objects by resolution to the dissolution, the
 136 dissolution of the active independent special district is not
 137 effective until a special act of the Legislature is approved by
 138 a majority of the resident electors of the district or
 139 landowners voting in the same manner by which the independent
 140 special district's governing body is elected. This subparagraph

141 also applies if an independent special district's governing body
 142 elects to dissolve the district by less than a supermajority
 143 vote of the governing body. The political subdivisions proposing

 163 the district after publishing notice as described in s.
 164 189.4044. If an independent district was created by a county or
 165 municipality by referendum or any other procedure, the county or
 166 municipality that created the district may merge or dissolve the
 167 district pursuant to the same procedure by which the independent

 183 districts.

184 (a) Initiation.—Merger proceedings may commence by:
 185 1. A joint resolution of the governing bodies of each
 186 independent special district which endorses a proposed joint
 187 merger plan; or

188 2. A qualified elector initiative.

189 (b) Joint merger plan by resolution.—The governing bodies
 190 of two or more contiguous independent special districts may, by
 191 joint resolution, endorse a proposed joint merger plan to
 192 commence proceedings to merge the districts pursuant to this
 193 subsection.

194 1. The proposed joint merger plan must specify:
 195 a. The name of each component independent special district
 196 to be merged;

- 197 b. The name of the proposed merged independent district;
- 198 c. The rights, duties, and obligations of the proposed
- 199 merged independent district;
- 200 d. The territorial boundaries of the proposed merged
- 201 independent district;
- 202 e. The governmental organization of the proposed merged
- 203 independent district insofar as it concerns elected and
- 204 appointed officials and public employees, along with a

- 206 officials;
- 207 f. A fiscal estimate of the potential cost or savings as a
- 208 result of the merger;

- 217 independent special district jointly, separately, or in defined
- 218 proportions;

- 220 enforcement of existing laws within the proposed merged
- 221 independent district;

234 3. Within 5 business days after the governing bodies
 235 approve the resolution endorsing the proposed joint merger plan,
 236 the governing bodies must:

237 a. Cause a copy of the proposed joint merger plan, along
 238 with a descriptive summary of the plan, to be displayed and be
 239 readily accessible to the public for inspection in at least
 240 three public places within the territorial limits of each

 243 in which case the plan must be accessible for inspection in all
 244 public places within the component independent special district;

245 b. If applicable, cause the proposed joint merger plan,

 287 the resolution by each governing body. The supervisors of
 288 elections shall schedule a separate referendum for each
 289 component independent special district. The referenda may be
 290 held in each district on the same day, or on different days, but
 291 no more than 20 days apart.

292 a. Notice of a referendum on the merger of independent
 293 special districts must be provided pursuant to the notice
 294 requirements in s. 100.342. At a minimum, the notice must
 295 include:

296 (I) A brief summary of the resolution and joint merger
 297 plan;

298 (II) A statement as to where a copy of the resolution and
 299 joint merger plan may be examined;

300 (III) The names of the component independent special
 301 districts to be merged and a description of their territory;

302 (IV) The times and places at which the referendum will be
 303 held; and

304 (V) Such other matters as may be necessary to call,
 305 provide for, and give notice of the referendum and to provide
 306 for the conduct thereof and the canvass of the returns.

307 b. The referenda must be held in accordance with the
 308 Florida Election Code and may be held pursuant to ss. 101.6101-

320 YES

321 NO"

322
 323 d. If the component independent special districts
 324 proposing to merge have disparate millage rates, the ballot
 325 question in the referendum placed before the qualified electors
 326 of each component independent special district must be in
 327 substantially the following form:

328
 329 "Shall (...name of component independent special
 330 district...) and (...name of component independent special

e. In any referendum held pursuant to this subsection, the ballots shall be counted, returns made and canvassed, and results certified in the same manner as other elections or referenda for the component independent special districts.

f. The merger may not take effect unless a majority of the votes cast in each component independent special district are in favor of the merger. If one of the component districts does not obtain a majority vote, the referendum fails, and merger does not take effect.

g. If the merger is approved by a majority of the votes cast in each component independent special district, the merged independent district is created. Upon approval, the merged independent district shall notify the Special District Information Program pursuant to s. 189.418(2) and the local general-purpose governments in which any part of the component independent special districts is situated pursuant to s. 189.418(7).

h. If the referendum fails, the merger process under this paragraph may not be initiated for the same purpose within 2 years after the date of the referendum.

6. Component independent special districts merged pursuant to a joint merger plan by resolution shall continue to be governed as before the merger until the effective date specified in the adopted joint merger plan.

(c) Qualified elector-initiated merger plan.--The qualified electors of two or more contiguous independent special districts may commence a merger proceeding by each filing a petition with

365 the governing body of their respective independent special
366 district proposing to be merged. The petition must contain the
367 signatures of at least 40 percent of the qualified electors of
368 each component independent special district and must be
369 submitted to the appropriate component independent special
370 district governing body no later than 1 year after the start of
371 the qualified elector-initiated merger process.

372 1. The petition must comply with, and be circulated in,
373 the following form:

382 merged...), for their approval or rejection at a referendum held
383 for that purpose, a proposal to merge (...name of component
384 independent special district...) and (...name of component
385 independent special district or districts...).

a. A statement that is signed by a witness who is a duly qualified elector of the respective district shall be accepted for all purposes as the equivalent of an affidavit. Such statement must be in substantially the following form:

"I, (...name of witness...), state that I am a duly qualified voter of (...name of independent special district...). Each of the (...insert number...) persons who have signed this petition sheet has signed his or her name in my presence on the dates indicated above and identified himself or herself to be the same person who signed the sheet.  424 same person who signed the petition, and I declare that the
 425 foregoing information they provided was true."

429 c. An alteration or correction of information appearing on
 430 a petition's signature line, other than an uninitialed signature
 431 and date, does not invalidate such signature. In matters of
 432 form, this paragraph shall be liberally construed, not
 433 inconsistent with substantial compliance thereto and the
 434 prevention of fraud.

435 d. The appropriately signed petition must be filed with
 436 the governing body of each component independent special
 437 district. The petition must be submitted to the supervisors of
 438 elections of the counties in which the district lands are
 439 located. The supervisors shall, within 30 business days after
 440 receipt of the petitions, certify to the governing bodies the
 441 number of signatures of qualified electors contained on the
 442 petitions.

443 3. Upon verification by the supervisors of elections of
 444 the counties within which component independent special district
 445 lands are located that 40 percent of the qualified electors have
 446 petitioned for merger and that all such petitions have been
 447 executed within 1 year after the date of the initiation of the
 448 qualified-electors merger process, the governing bodies of each

449 component independent special district shall meet within 30
 450 business days to prepare and approve by resolution a proposed
 451 elector-initiated merger plan. The proposed plan must include:
 452 a. The name of each component independent special district
 453 to be merged;
 454 b. The name of the proposed merged independent district;
 455 c. The rights, duties, and obligations of the merged
 456 independent district;
 457 d. The territorial boundaries of the proposed merged
 458 independent district;
 459 e. The governmental organization of the proposed merged
 460 independent district insofar as it concerns elected and
 461 appointed officials and public employees, along with a
 462 transitional plan and schedule for elections and appointments of
 463 officials;
 464 f. A fiscal estimate of the potential cost or savings as a
 465 result of the merger;
 466 g. Each component independent special district's assets,
 467 including, but not limited to, real and personal property, and
 468 the current value thereof;
 469 h. Each component independent special district's
 470 liabilities and indebtedness, bonded and otherwise, and the
 471 current value thereof;
 472 i. Terms for the assumption and disposition of existing
 473 assets, liabilities, and indebtedness of each component
 474 independent special district, jointly, separately, or in defined
 475 proportions;
 476 j. Terms for the common administration and uniform

477 enforcement of existing laws within the proposed merged
 478 independent district;
 479 k. The times and places for public hearings on the
 480 proposed joint merger plan; and
 481 1. The effective date of the proposed merger.
 482 4. The resolution endorsing the proposed elector-initiated
 483 merger plan must be approved by a majority vote of the governing
 484 bodies of each component independent special district and must
 485 be adopted at least 60 business days before any general or
 486 special election on the proposed elector-initiated plan.
 487 5. Within 5 business days after the governing bodies of
 488 each component independent special district approve the proposed
 489 elector-initiated merger plan, the governing bodies shall:
 490 a. Cause a copy of the proposed elector-initiated merger
 491 plan, along with a descriptive summary of the plan, to be
 492 displayed and be readily accessible to the public for inspection
 493 in at least three public places within the territorial limits of
 494 each component independent special district, unless a component
 495 independent special district has fewer than three public places,
 496 in which case the plan must be accessible for inspection in all
 497 public places within the component independent special district;
 498 b. If applicable, cause the proposed elector-initiated
 499 merger plan, along with a descriptive summary of the plan and a
 500 reference to the public places within each component independent
 501 special district where a copy of the merger plan may be
 502 examined, to be displayed on a website maintained by each
 503 district or otherwise on a website maintained by the county or
 504 municipality in which the districts are located; and

505 c. Arrange for a descriptive summary of the proposed
 506 elector-initiated merger plan, and a reference to the public
 507 places within the district where a copy may be examined, to be
 508 published in a newspaper of general circulation within the
 509 component independent special districts at least once each week
 510 for 4 successive weeks.

511 6. The governing body of each component independent
 512 special district shall set a time and place for one or more
 513 public hearings on the proposed elector-initiated merger plan.
 514 Each public hearing shall be held on a weekday at least 7
 515 business days after the day the first advertisement is published
 516 on the proposed elector-initiated merger plan. The hearing or
 517 hearings may be held jointly or separately by the governing
 518 bodies of the component independent special districts. Any
 519 interested person residing in the respective district shall be
 520 given a reasonable opportunity to be heard on any aspect of the
 521 proposed merger at the public hearing.

522 a. Notice of the public hearing on the proposed elector-
 523 initiated merger plan must be published pursuant to the notice
 524 requirements in s. 189.417 and must provide a descriptive
 525 summary of the elector-initiated merger plan and a reference to
 526 the public places within the component independent special
 527 districts where a copy of the plan may be examined.

528 b. After the final public hearing, the governing bodies of
 529 each component independent special district may amend the
 530 proposed elector-initiated merger plan if the amended version
 531 complies with the notice and public hearing requirements
 532 provided in this subsection. The governing bodies must approve a

533 final version of the merger plan within 60 business days after
 534 the final hearing.

535 7. After the final public hearing, the governing bodies
 536 shall notify the supervisors of elections of the applicable
 537 counties in which district lands are located of the adoption of
 538 the resolution by each governing body. The supervisors of
 539 elections shall schedule a date for the separate referenda for
 540 each district. The referenda may be held in each district on the
 541 same day, or on different days, but no more than 20 days apart.

542 a. Notice of a referendum on the merger of the component
 543 independent special districts must be provided pursuant to the
 544 notice requirements in s. 100.342. At a minimum, the notice must
 545 include:

546 (I) A brief summary of the resolution and elector-
 547 initiated merger plan;

548 (II) A statement as to where a copy of the resolution and
 549 petition for merger may be examined;

550 (III) The names of the component independent special
 551 districts to be merged and a description of their territory;

552 (IV) The times and places at which the referendum will be
 553 held; and

554 (V) Such other matters as may be necessary to call,
 555 provide for, and give notice of the referendum and to provide
 556 for the conduct thereof and the canvass of the returns.

557 b. The referenda must be held in accordance with the
 558 Florida Election Code and may be held pursuant to ss. 101.6101-
 559 101.6107. All costs associated with the referenda shall be borne
 560 by the respective component independent special district.

561 c. The ballot question in such referendum placed before
 562 the qualified electors of each component independent special
 563 district to be merged must be in substantially the following
 564 form:

565
 566 "Shall (...name of component independent special
 567 district...) and (...name of component independent special
 568 district or districts...) be merged into (...name of newly
 569 merged independent district...)?

570 YES
 571 NO"

572
 573 d. If the component independent special districts
 574 proposing to merge have disparate millage rates, the ballot
 575 question in the referendum placed before the qualified electors
 576 of each component independent special district must be in
 577 substantially the following form:

578
 579 "Shall (...name of component independent special
 580 district...) and (...name of component independent special
 581 district or districts...) be merged into (...name of newly
 582 merged independent district...) if the voter-approved maximum
 583 millage rate within each independent special district will not
 584 increase absent a subsequent referendum?

585 YES
 586 NO"

587
 588 e. In any referendum held pursuant to this subsection, the

589 ballots shall be counted, returns made and canvassed, and
 590 results certified in the same manner as other elections or
 591 referenda for the component independent special districts.

592 f. The merger may not take effect unless a majority of the
 593 votes cast in each component independent special district are in
 594 favor of the merger. If one of the component independent special
 595 districts does not obtain a majority vote, the referendum fails,
 596 and merger does not take effect.

597 g. If the merger is approved by a majority of the votes
 598 cast in each component independent special district, the merged
 599 district shall notify the Special District Information Program
 600 pursuant to s. 189.418(2) and the local general-purpose
 601 governments in which any part of the component independent
 602 special districts is situated pursuant to s. 189.418(7).

603 h. If the referendum fails, the merger process under this
 604 paragraph may not be initiated for the same purpose within 2
 605 years after the date of the referendum.

606 8. Component independent special districts merged pursuant
 607 to an elector-initiated merger plan shall continue to be
 608 governed as before the merger until the effective date specified
 609 in the adopted elector-initiated merger plan.

610 (d) Effective date.—The effective date of the merger shall
 611 be as provided in the joint merger plan or elector-initiated
 612 merger plan, as appropriate, and is not contingent upon the
 613 future act of the Legislature.

614 1. However, as soon as practicable, the merged independent
 615 district shall, at its own expense, submit a unified charter for
 616 the merged district to the Legislature for approval. The unified

617 charter must make the powers of the district consistent within
 618 the merged independent district and repeal the special acts of
 619 the districts which existed before the merger.

620 2. Within 30 business days after the effective date of the
 621 merger, the merged independent district's governing body, as
 622 indicated in this subsection, shall hold an organizational
 623 meeting to implement the provisions of the joint merger plan or
 624 elector-initiated merger plan, as appropriate.

625 (e) Restrictions during transition period.—Until the
 626 Legislature formally approves the unified charter pursuant to a
 627 special act, each component independent special district is
 628 considered a subunit of the merged independent district subject
 629 to the following restrictions:

630 1. During the transition period, the merged independent
 631 district is limited in its powers and financing capabilities
 632 within each subunit to those powers that existed within the
 633 boundaries of each subunit which were previously granted to the
 634 component independent special district in its existing charter
 635 before the merger. The merged independent district may not,
 636 solely by reason of the merger, increase its powers or financing
 637 capability.

638 2. During the transition period, the merged independent
 639 district shall exercise only the legislative authority to levy
 640 and collect revenues within the boundaries of each subunit which
 641 was previously granted to the component independent special
 642 district by its existing charter before the merger, including
 643 the authority to levy ad valorem taxes, non-ad valorem
 644 assessments, impact fees, and charges.

645 a. The merged independent district may not, solely by
 646 reason of the merger or the legislatively approved unified
 647 charter, increase ad valorem taxes on property within the
 648 original limits of a subunit beyond the maximum millage rate
 649 approved by the electors of the component independent special
 650 district unless the electors of such subunit approve an increase
 651 at a subsequent referendum of the subunit's electors. Each
 652 subunit may be considered a separate taxing unit.

653 b. The merged independent district may not, solely by
 654 reason of the merger, charge non-ad valorem assessments, impact
 655 fees, or other new fees within a subunit which were not
 656 otherwise previously authorized to be charged.

657 3. During the transition period, each component
 658 independent special district of the merged independent district
 659 must continue to file all information and reports required under
 660 this chapter as subunits until the Legislature formally approves
 661 the unified charter pursuant to a special act.

662 4. The intent of this section is to preserve and transfer
 663 to the merged independent district all authority that exists
 664 within each subunit and was previously granted by the
 665 Legislature and, if applicable, by referendum.

666 (f) Effect of merger, generally.—On and after the
 667 effective date of the merger, the merged independent district
 668 shall be treated and considered for all purposes as one entity
 669 under the name and on the terms and conditions set forth in the
 670 joint merger plan or elector-initiated merger plan, as
 671 appropriate.

672 1. All rights, privileges, and franchises of each

673 component independent special district and all assets, real and
 674 personal property, books, records, papers, seals, and equipment,
 675 as well as other things in action, belonging to each component
 676 independent special district before the merger shall be deemed
 677 as transferred to and vested in the merged independent district
 678 without further act or deed.

679 2. All property, rights-of-way, and other interests are as
 680 effectually the property of the merged independent district as
 681 they were of the component independent special district before
 682 the merger. The title to real estate, by deed or otherwise,
 683 under the laws of this state vested in any component independent
 684 special district before the merger may not be deemed to revert
 685 or be in any way impaired by reason of the merger.

686 3. The merged independent district is in all respects
 687 subject to all obligations and liabilities imposed and possesses
 688 all the rights, powers, and privileges vested by law in other
 689 similar entities.

690 4. Upon the effective date of the merger, the joint merger
 691 plan or elector-initiated merger plan, as appropriate, is
 692 subordinate in all respects to the contract rights of all
 693 holders of any securities or obligations of the component
 694 independent special districts outstanding at the effective date
 695 of the merger.

696 5. The new registration of electors is not necessary as a
 697 result of the merger, but all elector registrations of the
 698 component independent special districts shall be transferred to
 699 the proper registration books of the merged independent
 700 district, and new registrations shall be made as provided by law

701 as if no merger had taken place.

702 (g) Governing body of merged independent district.-

703 1. From the effective date of the merger until the next
 704 general election, the governing body of the merged independent
 705 district shall be comprised of the governing body members of
 706 each component independent special district, with such members
 707 serving until the governing body members elected at the next
 708 general election take office.

709 2. Beginning with the next general election following the
 710 effective date of merger, the governing body of the merged
 711 independent district shall be comprised of five members. The
 712 office of each governing body member shall be designated by
 713 seat, which shall be distinguished from other body member seats
 714 by an assigned numeral: 1, 2, 3, 4, or 5. The governing body
 715 members that are elected in this initial election following the
 716 merger shall serve unequal terms of 2 and 4 years in order to
 717 create staggered membership of the governing body, with:

718 a. Member seats 1, 3, and 5 being designated for 4-year
 719 terms; and

720 b. Member seats 2 and 4 being designated for 2-year terms.

721 3. In general elections thereafter, all governing body
 722 members shall serve 4-year terms.

723 (h) Effect on employees.-Except as otherwise provided by
 724 law and except for those officials and employees protected by
 725 tenure of office, civil service provisions, or a collective
 726 bargaining agreement, upon the effective date of merger, all
 727 appointive offices and positions existing in all component
 728 independent special districts involved in the merger are subject

729 to the terms of the joint merger plan or elector-initiated
 730 merger plan, as appropriate. Such plan may provide for instances
 731 in which there are duplications of positions and for other
 732 matters such as varying lengths of employee contracts, varying
 733 pay levels or benefits, different civil service regulations in
 734 the constituent entities, and differing ranks and position
 735 classifications for similar positions. For those employees who
 736 are members of a bargaining unit certified by the Public
 737 Employees Relations Commission, the requirements of chapter 447
 738 apply.

739 (i) Effect on debts, liabilities, and obligations.-
 740 1. All valid and lawful debts and liabilities existing
 741 against a merged independent district, or which may arise or
 742 accrue against the merged independent district, which but for
 743 merger would be valid and lawful debts or liabilities against
 744 one or more of the component independent special districts, are
 745 debts against or liabilities of the merged independent district
 746 and accordingly shall be defrayed and answered to by the merged
 747 independent district to the same extent, and no further than,
 748 the component independent special districts would have been
 749 bound if a merger had not taken place.

750 2. The rights of creditors and all liens upon the property
 751 of any of the component independent special districts shall be
 752 preserved unimpaired. The respective component districts shall
 753 be deemed to continue in existence to preserve such rights and
 754 liens, and all debts, liabilities, and duties of any of the
 755 component districts attach to the merged independent district.

756 3. All bonds, contracts, and obligations of the component

757 independent special districts which exist as legal obligations
 758 are obligations of the merged independent district, and all such
 759 obligations shall be issued or entered into by and in the name
 760 of the merged independent district.

761 (j) Effect on actions and proceedings.—In any action or
 762 proceeding pending on the effective date of merger to which a
 763 component independent special district is a party, the merged
 764 independent district may be substituted in its place, and the
 765 action or proceeding may be prosecuted to judgment as if merger
 766 had not taken place. Suits may be brought and maintained against
 767 a merged independent district in any state court in the same
 768 manner as against any other independent special district.

769 (k) Effect on annexation.—Chapter 171 continues to apply
 770 to all annexations by a city within the component independent
 771 special districts' boundaries after merger occurs. Any moneys
 772 owed to a component independent special district pursuant to s.
 773 171.093, or any interlocal service boundary agreement as a
 774 result of annexation predating the merger, shall be paid to the
 775 merged independent district after merger.

776 (l) Determination of rights.—If any right, title,
 777 interest, or claim arises out of a merger or by reason thereof
 778 which is not determinable by reference to this subsection, the
 779 joint merger plan or elector-initiated merger plan, as
 780 appropriate, or otherwise under the laws of this state, the
 781 governing body of the merged independent district may provide
 782 therefor in a manner conforming to law.

 784 independent special districts whose governing bodies are elected

785 by district landowners voting the acreage owned within the
 786 district.

 788 to the contrary.

 793 created and operating pursuant to a special act whose governing
 794 body or governing bodies object by resolution to the merger, the
 795 merger of the active independent special district or districts
 796 is not effective until the special act of the Legislature is
 797 approved at separate referenda of the impacted local governments
 798 by a majority of the resident electors or landowners voting in
 799 the same manner by which each independent special district's
 800 governing body is elected. The special act shall include a plan
 801 of merger that addresses transition issues such as the effective
 802 date of the merger, governance, administration, powers,
 803 pensions, and assumption of all assets and liabilities.

804 (b) Independent special districts created by a county or
 805 municipality.—A county or municipality may merge an independent
 806 special district created by the county or municipality pursuant
 807 to a referendum or any other procedure by which the independent
 808 special district was created. However, if the independent
 809 special district has ad valorem taxation powers, the same
 810 procedure required to grant the independent special district ad
 811 valorem taxation powers is required to merge the district.

812 (c) Referendum expenses.—The political subdivisions
