COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. CS/HB 117 (2012)

Amendment No. 1

19 WHEREAS, Florida has the third largest population of
20 veterans in the nation with more than 1.6 million, and

21 WHEREAS, Florida has historically honored the noble
22 sacrifices that veterans and members of the military have made
23 to protect our freedoms by providing them certain benefits and
24 rehabilitative services, and

25 WHEREAS, studies have shown that military service may exact
26 a tremendous psychological toll on veterans and members of the
27 military who are faced with the constant threat of death or
28 injury over an extended period of time, and

29 WHEREAS, research has shown that a significant number of
30 veterans and members of the military will suffer, as a result of
31 their military service, mental health problems, such as post-
32 traumatic stress disorder, traumatic brain injury, depression,
33 anxiety, and acute stress, and

34 WHEREAS, such military service-related mental health
35 problems, including the use of drugs and alcohol to cope with
36 such problems, can lead to encounters with the criminal justice
37 system that would not have occurred without the military
38 service-related mental health problem, and

39 WHEREAS, as a grateful state, we must continue to honor the
40 military service of our men and women by attempting to provide
41 them with an alternative to incarceration when feasible,
42 permitting them instead to access proper treatment for mental
43 health and substance abuse problems resulting from military
44 service, and

45 WHEREAS, therefore, the legislature finds that it is in the
46 best interests of Florida citizens to assist veterans and
