administered under s. 1008.22 and any related materials for administering the assessments. Students at a private school may be assessed using the statewide assessments if the addition of those students and the school does not cause the state to exceed its contractual caps for the number of students tested and the number of testing sites. The state shall provide the same materials and support to a private school that it provides to a public school. A private school that chooses to administer statewide assessments under s. 1008.22 shall follow the requirements set forth in ss. 1008.22 and 1008.24, rules adopted by the State Board of Education to implement those sections, and district-level testing policies established by the district school board. The department shall publish an accountability

23 (10) SCHOOL DISTRICT OBLIGATIONS; PARENTAL OPTIONS.-

24 (a) Upon the request of any eligible nonprofit scholarship-
25 funding organization, a school district shall inform all
26 households within the district receiving free or reduced-priced
27 meals under the National School Lunch Act of their eligibility
28 to apply for a tax credit scholarship. The form of such notice
29 shall be provided by the eligible nonprofit scholarship-funding
30 organization, and the district shall include the provided form,
31 if requested by the organization, in any normal correspondence
32 with eligible households. If an eligible nonprofit scholarship-
33 funding organization requests a special communication to be
34 issued to households within the district receiving free or
35 reduced-price meals under the National School Lunch Act, the
36 organization shall reimburse the district for the cost of
37 postage. Such notice is limited to once a year.

38 (b) Upon the request of the Department of Education, a
39 school district shall coordinate with the department to provide
40 to a participating private school the statewide assessments
41 administered under s. 1008.22 and any related materials for
42 administering the assessments. A school district is responsible
43 for implementing test administrations at a participating private
44 school, including the:

45 1. Provision of training for private school staff on test
46 security and assessment administration procedures;

47 2. Distribution of testing materials to a private school;

(19) CAPITAL OUTLAY FUNDING; FACILITY STIPEND.—

(a) Charter schools are eligible for capital outlay funds pursuant to s. 1013.62. Capital outlay funds authorized in ss. 1011.71(2) and 1013.62 which have been shared with a charter school-in-the-workplace prior to July 1, 2010, are deemed to have met the authorized expenditure requirements for such funds.

(b)1. The Department of Education shall annually calculate a charter school facility stipend which shall be remitted to a non-conversion charter school by the school district no later than January 15 annually. The charter school facility stipend shall be used for the purposes provided in s. 1013.62(2)(c)-(h).

2. The annual calculation of the charter school facility stipend shall be equal to 80 percent of the amount of revenue

8 (a) Charter schools are eligible for capital outlay funds
9 pursuant to s. 1013.62. Capital outlay funds authorized in ss.
10 1011.71(2) and 1013.62 which have been shared with a charter
11 school-in-the-workplace prior to July 1, 2010, are deemed to
12 have met the authorized expenditure requirements for such funds.

13 (b)1. The Department of Education shall annually calculate
14 a charter school facility stipend which shall be remitted to a
15 non-conversion charter school by the school district no later
16 than January 15 annually. The charter school facility stipend
17 shall be used for the purposes provided in s. 1013.62(2)(d)-(h),
18 or for the lease of permanent or relocatable school facilities.

Amendment No. 2a

19 2. The annual calculation of the charter school facility
20 stipend shall be equal to 80 percent of the amount of revenue
21 generated by the district levy of the capital improvement
22 millage per student for the school district in which the charter
23 school is operated, less any funding per student received by the
24 charter school from the allocation of maintenance, repair,
25 renovation, and remodeling funding from the Public Education
26 Capital Outlay and Debt Service Trust Fund in the General
27 Appropriations Act, less any funds provided to the charter
28 school pursuant to s. 1011.71 (2), and less any expenditures
29 associated with the provision of facilities to charter schools
30 by the school district. The charter school facility stipend
31 shall be based on the number of FTE students reported by the
32 charter school in the October student membership count.
