“A Career in a Year”

**Florida’s Public Technical Center System
Provides the Technical Skills that Work for Florida**

Who We Are:

Florida’s Technical Centers:

- 48 public institutions; 47 with Council on Occupational Education (COE) accreditation and approved by the USDOE.
- A powerful network of training resources that are a “solution provider” in improving and growing Florida’s Workforce.
- Provide a return on investment that minimizes student cost and time and maximizes the use of public education dollars.
- Focus on students and employers leading to **JOBS** and economic growth in Florida.

Our Goal:

- To ensure that Florida has the skilled workforce to grow and expand its economy and be competitive at a global level.

Our Mission:

- The mission of the **Technical Centers** in Florida is to provide quality training in specific occupational program areas to meet the employment needs of business and industry throughout the State.

We will do this by:

- Serving our communities as **Technical Centers/Colleges**.
- Preparing students for industry certifications and licensures to ensure success in high wage/high skill careers.
- Awarding Career Certificates, College Credit Certificates and selected Associate in Applied Science degrees.
- Remaining market driven.
- Responding quickly to business and industry needs.
- Focusing on results - Job Placement and Industry Credentials.
- Providing solutions for improving and growing a skilled Florida Workforce.

Our Impact in 2012-2013

Students Served	243,000
Instructional hours	56,846,640
Occupational and AGE programs offered	149
Industry Credentials Awarded	7,755
