4 **Amendment (with title amendment)**

5 Remove everything after the enacting clause and insert:

6 Section 1. Subsection (9) is added to section 212.055,
 7 Florida Statutes, to read:

8 212.055 Discretionary sales surtaxes; legislative intent;
 9 authorization and use of proceeds.—It is the legislative intent
 10 that any authorization for imposition of a discretionary sales
 11 surtax shall be published in the Florida Statutes as a
 12 subsection of this section, irrespective of the duration of the
 13 levy. Each enactment shall specify the types of counties
 14 authorized to levy; the rate or rates which may be imposed; the
 15 maximum length of time the surtax may be imposed, if any; the
 16 procedure which must be followed to secure voter approval, if
 17 required; the purpose for which the proceeds may be expended;
 18 and such other requirements as the Legislature may provide.
 19 Taxable transactions and administrative procedures shall be as
 20 provided in s. 212.054.

Amendment No.2

21 (9) HIGHER EDUCATION SURTAX.- A county as defined in s.
22 125.011(1) may levy a surtax of up to 0.5 percent for the
23 benefit of a Florida College System institution and a state
24 university as defined in s. 1000.21, located in the county,
25 pursuant to an ordinance that is conditioned to take effect only
26 upon approval by a majority vote of the electors of the county
27 voting in a referendum.

28 (a) The ordinance must set forth a plan for using the
29 surtax proceeds for the benefit of the Florida College System
30 institution and the state university, by each of the
31 institutions' boards of trustees. Such plans must provide for
32 the permissible uses of the surtax proceeds, including, but not
33 limited to, the maintenance, improvement, and expansion of
34 academic and workforce training programs; teaching enhancements;
35 capital expenditures and infrastructure projects; fixed capital
36 costs associated with the construction, reconstruction,
37 renovation, maintenance, or improvement of facilities and
38 campuses that have a useful life expectancy of at least 5 years;
39 deferred maintenance; land improvement, design, and engineering
40 costs related thereto; and the expansion and enhancement of
41 facilities at all institution sites within the county. The
42 proceeds from the surtax may be used by a state university for
43 land acquisition for parcels that are contiguous with its
44 existing main campus. The proceeds of the surtax must be set
45 aside and invested as permitted by law, with the principal and
46 income to be used for the purposes listed in this subsection as
47 administered by the board of trustees.

48 (b) The expense of holding the referendum may not be paid

Amendment No.2

49 with student fees or moneys that the institution receives from
50 the state, but shall be paid only with funds received from
51 private sources or with college auxiliary funds. The county must
52 provide at least 30 days' notice of the election as provided
53 under s. 100.342.

54 (c) The referendum providing for the imposition of the
55 surtax shall include a statement that provides a brief and
56 general description of the purposes for which the proceeds of
57 the surtax may be used, conform to the requirements of s.
58 101.161, and be placed on the ballot by the governing body of
59 the county. The following questions shall be placed on the
60 ballot:

61
62 FOR THE. . . .CENTS TAX
63 AGAINST THE. . . .CENTS TAX
64

65 (d) Upon approval of the referendum, 90 percent of the
66 proceeds from the surtax must be transferred by the Department
67 of Revenue into a Florida Prime account managed by the Florida
68 State Board of Administration and used only for the operation,
69 maintenance, and administration of the Florida College System
70 institution within that county and 10 percent of the proceeds
71 from the surtax must be transferred by the Department of Revenue
72 into a Florida Prime account managed by the Florida State Board
73 of Administration and used only for the operation, maintenance,
74 land acquisition, and administration of the state university.

75 (e) Upon approval of the referendum, an oversight board
76 shall be established to review and accept or amend expenditures

Amendment No.2

77 of the proceeds of the surtax and to review the plan prepared by
78 the boards of trustees pursuant to paragraph (f). Annually, or
79 as needed, the oversight board shall meet to approve each
80 proposed spending plan.

81 1. The board shall be composed of seven members who are
82 residents of the county and appointed as follows:

83 a. One member appointed by the board of directors of the
84 Chamber of Commerce of the county in which the institutions are
85 located.

86 b. One member of the board of directors of the chapter of
87 the United Way in the county in which the institutions are
88 located appointed by the board of directors of that chapter of
89 the United Way.

90 c. One member appointed by the board of trustees of the
91 state university who may not be a member of the board of
92 trustees of the state university.

93 d. Two members appointed by the board of trustees of the
94 Florida College System institution who may not be members of the
95 board of trustees of the Florida College System institution.

96 e. Two members appointed by the chair of the county
97 legislative delegation.

98 2. Initial appointments to the oversight board shall be
99 made by the respective entities within 60 days after the passage
100 of the referendum. Each member shall be appointed for a 5-year
101 term. A vacancy on the board shall be filled for the unexpired
102 portion of the term in the same manner as the original
103 appointment. No member may serve for more than the remaining
104 portion of a previous member's unexpired term.

Amendment No.2

105 (f) Consistent with the purposes set forth in the plan
106 included in the ordinance under paragraph (a), the board of
107 trustees of the Florida College System institution and the board
108 of trustees of the state university shall annually prepare plans
109 that specify how each board of trustees intends to allocate and
110 expend the funds for the institutions' upcoming fiscal year and
111 submit such plans to the oversight board for approval.

112 (g) The annual apportionment of state funds for the
113 support of a state university and a Florida College System
114 institution allocated under general law may not be reduced
115 because the institutions have received funds pursuant to a sales
116 surtax levied under this subsection.

117 (h) A surtax imposed under this subsection expires 5 years
118 after the effective date of the surtax.

119 Section 2. This act shall take effect upon becoming a law.

133 the surtax be deposited and managed in a specified manner;
134 establishing an oversight board with specified duties,
135 responsibilities, and requirements relating to the expenditure
136 of surtax proceeds; providing for the appointment of members of
137 the oversight board; requiring that the board of trustees of
138 each institution receiving surtax proceeds prepare an annual
139 plan for submission to the oversight board for approval;
140 providing that state funding may not be reduced because an
141 institution receives surtax funds; providing for the scheduled
142 expiration of the surtax; providing an effective date.

1 Committee/Subcommittee hearing bill: Education Committee
 2 Representative Passidomo offered the following:

Amendment (with title amendment)

5 Remove lines 225-226 and insert:

6 Section 6. Section 1008.333, Florida Statutes, is created
7 to read:

1008.333-Resources for Title I Schools

8 (1) School districts shall allocate an amount equivalent
 9 to fifteen percent of the Title I, Part A funds from the
 10 Elementary and Secondary Education Act, for school and district
 11 level interventions, strategies and support designed to improve
 12 the performance of Title I schools and to close student
 13 achievement gaps, including those as described in the school
 14 improvement plan required by s. 1001.42(18). Each school
 15 district shall annually submit, as part of its Title I
 16 Application, a district-level improvement plan that:

17 (a) Identifies the research based interventions,
 18 strategies and support that will be used to improve student
 19 achievement and close student achievement gaps;
 20

Amendment No. 1

21 (b) Identifies the schools and students targeted for
22 assistance;

23 (c) Describes the methods by which the impact of these
24 interventions, strategies and support on improving school
25 performance and closing student achievement gaps will be
26 measured; and

27 (d) Describes the process the district will use to
28 prioritize district level support services to provide effective
29 and efficient delivery to such schools.

30 (2) A district-level plan may also include tutoring by
31 private providers. The plan shall:

32 (a) Describe the competitive selection process that will be
33 used to approve providers, which must include, at a minimum, the
34 following criteria:

35 1. Alignment of the provider's curricula to the Next
36 Generation Sunshine State Standards;

37 2. Use of research based instructional methods that are
38 consistent with the instruction provided by the district; and

39 3. Demonstrated financial stability;

40 (b) Describe the schools and students for which such
41 tutoring will be available and the notification process that
42 will be used to notify such parents;

43 (c) Describe the process for discontinuing the use of
44 providers that fail to meet financial and academic standards
45 established by the district; and

46 (d) Describe the method for informing parents of their
47 student's progress;

48 (e) Include a parent complaint resolution process; and

Amendment No. 1

49 (f) Require that the Board of Directors, the managing
50 members and, if a sole proprietor, the owner, meet the
51 background screening requirements of s. 435.04.

52 (3) The department shall review submitted plans for
53 approval, conditional approval or denial based upon the
54 requirements of subsections (1) and (2) and to limit the types
55 and uses of interventions, strategies, and services based, in
56 part, upon the best practices identified in subsection (4).

57 (4) The department shall analyze the results of each
58 district-level improvement plan to:

59 (a) Identify the interventions, support and strategies that
60 reduced student achievement gaps and increased school level
61 performance; and

62 (b) Disseminate the results of its review to all school
63 districts.

64 (5) The State Board of Education shall adopt rules pursuant
65 to ss. 120.536(1) and 120.54 to implement the provisions of this
66 section.

67 Section 7. Section 1008.331, Florida Statutes, is
