SUMMARY ANALYSIS

According to the 2015 Annual Homeless Assessment Report, Florida has the third highest number of persons who are homeless in the United States and a high percentage of unsheltered homelessness, meaning individuals who are homeless who stay in places not meant for human habitation.

There are a number of government programs and public-private partnerships that seek to provide affordable housing and reduce homelessness. The State Office on Homelessness (SOH) within the Department of Children and Families (DCF) serves as the central point of contact within state government for homelessness. SOH coordinates resources and programs across all levels of government and with private providers that serve individuals who are homeless. DCF is required to establish local coalitions to plan, network, coordinate, and monitor the delivery of services to the homeless.

The Florida Housing Finance Corporation (FHFC) is a public corporation that provides affordable housing through a number of programs, including the State Apartment Incentive Loan (SAIL) and State Housing Initiatives Partnership (SHIP) programs. The SAIL program provides low-interest loans on a competitive basis to affordable housing developers each year. The SHIP program provides funds to local governments to create partnerships that produce and preserve affordable homeownership and multifamily housing for very low, low and moderate-income families.

HB 1235 provides greater flexibility and increases accountability for programs receiving public funds to address homelessness by:

- Authorizing rapid re-housing as a strategy to address homelessness. Rapid re-housing is a model for providing housing for individuals and families who are homeless that places a priority on moving a family or individual experiencing homelessness into permanent housing as quickly as possible, ideally within 30 days.
- Creating a task force within SOH to make recommendations regarding the implementation of a Statewide Homeless Management Information System (HMIS).
- Changing the performance measures used by SOH to specific outcomes rather than outputs.
- Requiring SOH to establish performance measures and specific objectives by which to evaluate the performance and outcomes of lead agencies that receive grant funds.
- Requiring SOH to distribute grant funds based on lead agencies' performance and achievement of specified objectives.
- Modifying how SAIL program funds are distributed to certain tenant groups.
- Broadens the definition of "rent subsidy" under the SHIP program to include initial assistance to tenants, such as grants or loans for security and utility deposits, which had been previously disallowed.
- Clarifying the instances in which local governments participating in the SHIP program may provide ongoing rental assistance.
- Requiring the SOH and SHIP programs to engage the managing entities when addressing homelessness.
- Prohibiting a housing authority from applying to the federal government to seize a project, unit, or voucher of another established housing authority, regardless of each housing authority's areas of operation.
- Addressing the receipt of future funding from the federal National Housing Trust Fund. The federal National Housing Trust Fund was established in 2008. The goal of the trust fund is to provide ongoing, permanent, dedicated, and sufficient sources of revenue to build, rehabilitate, and preserve 1.5 million units of housing for the lowest-income families, including the homeless.

The bill does not appear to have a fiscal impact on state or local government.

The bill provides an effective date of July 1, 2016.

This document does not reflect the intent or official position of the bill sponsor or House of Representatives.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Present Situation

There are three main categories of persons who are homeless:

- *Sheltered homeless persons*: individuals who are staying in emergency shelters, transitional housing programs, or safe havens;
- *Unsheltered homeless persons*: individuals who stay in places not meant for human habitation, such as the streets, abandoned buildings, vehicles, or parks; and
- *Chronically homeless persons*: homeless individuals with disabilities who have been either continuously homeless for a year or more or have experienced at least four episodes of homelessness in the last three years.¹

According to the 2015 Annual Homeless Assessment Report, Florida has the third highest number of persons who are homeless in the United States² and a high percentage of unsheltered homelessness, including a high number of unsheltered chronically homeless people.³ However, while the number of homeless individuals is high, Florida had the largest decrease in homelessness from 2014 to 2015, reducing its homeless population by 5,642 individuals, or 13.6 percent.⁴

Housing First

In recent years, there has been a shift in the response to homelessness toward the Housing First philosophy.⁵ Housing First provides a critical link between the emergency and transitional housing system and community-based social service, educational, and health care organizations.⁶ This approach to homelessness differs from traditional approaches by providing housing assistance, case management, and support services responsive to individual or family needs after housing is obtained and emphasizes that social services provided to enhance individual and family well-being can be more effective when people are in their own home.⁷ The Housing First approach addresses the societal causes of homelessness and advocates for the immediate return of individuals and families into housing and communities.⁸

Rapid Re-Housing

Rapid re-housing is a model for providing housing for individuals and families who are homeless that places a priority on moving a family or individual experiencing homelessness into permanent housing as quickly as possible, ideally within 30 days.⁹ The rapid re-housing model developed from the

Housing First philosophy.¹⁰ The model initially focused primarily on people experiencing homelessness due to short-term financial crises; however, programs across the country have begun to assist individuals and families who are traditionally perceived as more difficult to serve.¹¹

There are three core components of rapid re-housing programs:

- *Housing identification services:* Households are matched to appropriate and affordable housing in the community.
- *Financial assistance for housing related expenses:* Time-limited financial assistance is provided to get individuals and families back on their feet.
- *Case management services:* Case management services are provided to help households address barriers that prevent access to or stability in stable housing.¹²

In 2008, the U.S. Department of Housing and Urban Development (HUD) expanded rapid re-housing through the Rapid Re-Housing for Homeless Families Demonstration program, which provided funds for pilot programs across the country.¹³ In 2009, Congress established rapid re-housing as an eligible activity for federal Emergency Shelter Grants program funds.¹⁴ Since federal funding for rapid re-housing first became available, a number of communities, including Palm Beach County, that prioritized rapid re-housing as a response to homelessness have seen decreases in the amount of time that households spend homeless, reduced recidivism to homelessness, and improved permanent housing outcomes relative to other available interventions.¹⁵

Affordable Housing for Low Income Individuals

In 1986, the Legislature created the “Florida Affordable Care Act of 1986”¹⁶ to help alleviate crucial problems related to housing shortages for individuals with very low,¹⁷ low,¹⁸ and moderate incomes,¹⁹ based on its findings that:

- Decent, safe, and sanitary housing for individuals of very low income, low income, and moderate income is a critical need in the state;
- New and rehabilitated housing must be provided at a cost affordable to such persons in order to alleviate this critical need;
- Special programs are needed to stimulate private enterprise to build and rehabilitate housing in order to help eradicate slum conditions and provide housing for very-low-income persons, low-income persons, and moderate-income persons as a matter of public purpose; and

S. 420.0004(11), F.S.

¹⁹ “Moderate-income persons” means one or more persons or a family, the total annual adjusted gross household income of which is less than 120 percent of the median annual adjusted gross income for households within the state, or 120 percent of the median annual adjusted gross income for households within the MSA or within the county in which the household is located, whichever is greater. S. 420.0004(12), F.S.

- Public-private partnerships are an essential means of bringing together resources to provide affordable housing.²⁰

State Office on Homelessness

In 2001, the Florida Legislature created the State Office on Homelessness (SOH) within the Department of Children and Families (DCF) to serve as the central point of contact within state government for homelessness. SOH is responsible for coordinating resources and programs across all levels of government and with private providers that serve the homeless. It also manages targeted state grants to support the implementation of local homeless service continuum of care plans.²¹

Council on Homelessness

Also in 2001, the Legislature created the inter-agency Council on Homelessness. The 17-member council develops recommendations on how to reduce homelessness statewide and advises the SOH.²²

Local Coalitions for the Homeless

DCF is required to establish local coalitions to plan, network, coordinate, and monitor the delivery of services to the homeless.²³ Groups and organizations provided the opportunity to participate in such coalitions include:

- Organizations and agencies providing mental health and substance abuse services;
- County health departments and community health centers;
- Organizations and agencies providing food, shelter, or other services targeted to the homeless;
- Local law enforcement agencies;
- Regional workforce boards;
- County and municipal governments;
- Local public housing authorities;
- Local school districts and local organizations and agencies serving specific subgroups of the homeless population such as veterans, victims of domestic violence, persons with HIV/AIDS, runaway youth; and
- Local community-based care alliances.²⁴

Continuum of Care

The local coalition serves as the lead agency for the local homeless assistance continuum of care.²⁵ Section 420.621(1), F.S., defines “continuum of care” as the community components needed to organize and deliver housing and services to meet the specific needs of people who are homeless as they move to stable housing and maximum self-sufficiency; it includes action steps to end homelessness and prevent a return to homelessness.

A local homeless assistance continuum of care is a framework for a comprehensive and seamless array of emergency, transitional, and permanent housing, and services to address the various needs of the homeless and those at risk of homelessness.²⁶ The purpose of this framework is to help communities and regions envision, plan, and implement comprehensive and long-term solutions.²⁷

The local homeless assistance continuum of care planning effort is an ongoing process that addresses all subpopulations of the homeless. The development of a local continuum of care plan is a prerequisite to applying for federal housing grants through HUD and makes the community eligible to compete for the state's Challenge Grant and Homeless Housing Assistance Grant.²⁸

Challenge Grants

In 2001, the Florida established the Challenge Grant and authorized SOH to accept and administer moneys appropriated to it to provide Challenge Grants annually to designated lead agencies of homeless assistance continuums of care. SOH may award grants in an amount of up to \$500,000 per lead agency.²⁹ In order to qualify for a grant, the lead agency must develop and implement a local homeless assistance continuum of care plan for its designated area.³⁰

DCF must establish award levels for Challenge Grants specifying criteria to determine award levels and, after consultation with the Council on Homelessness, to specify the grant award levels in the notice of solicitation of grant applications.³¹ Any lead agency that receives a Challenge Grant must submit reports to DCF detailing its use of the grant funds.³²

The Challenge Grant was funded out of an appropriation to DCF through Fiscal Year 2012-13.³³ In 2014, the Challenge Grant was funded through the Florida Housing Finance Trust Fund,³⁴ and DCF awarded 15 of the 28 lead agencies Challenge Grant funding in 2014.³⁵

Homeless Housing Assistance Grants

SOH is authorized to accept and administer moneys appropriated to it to provide Homeless Housing Assistance Grants annually to lead agencies of local homeless assistance continuum of care.³⁶ The grants may not exceed \$750,000 per project and an applicant may spend a maximum of five percent of its funding on administrative costs; funds must be used to acquire, construct, or rehabilitate transitional or permanent housing units for homeless persons.³⁷

Florida Housing Finance Corporation

The Legislature created the Florida Housing Finance Agency in 1980.³⁸ The Legislature reconstituted it as a public corporation, the Florida Housing Finance Corporation (FHFC), in 1997.³⁹ The duties of the FHFC are to

- Encourage the investment of private capital in residential housing through the use of public financing to deal with the problem of disintermediation;⁴⁰
- Stimulate the construction and rehabilitation of residential housing

⁴⁰ Disintermediation is the elimination of intermediaries in a supply chain, or "cutting out the middlemen," in connection with a transaction or a series of transactions

- Facilitate the purchase and sale of existing residential housing;
- Provide construction and mortgage loans for projects; and
- Make loans to and purchase mortgage loans from private lending institutions.⁴¹

FHFC provides affordable housing opportunities through a number of programs, including the State Apartment Incentive Loan (SAIL) and State Housing Initiatives Partnership (SHIP) programs.

State Apartment Incentive Loan (SAIL) Program

The Legislature created the SAIL program in 1988⁴² for the purpose of providing mortgage loans or loan guarantees to sponsors, including for-profit, nonprofit, and public entities, to provide housing affordable to very-low-income persons.⁴³

The SAIL program provides low-interest loans on a competitive basis to affordable housing developers each year.⁴⁴ This funding often serves to bridge the gap between the development's primary financing and the total cost of the development and is available to individuals, public entities, not-for-profit or for-profit organizations that propose the construction or substantial rehabilitation of multifamily units affordable to very low-income individuals and families.⁴⁵

SAIL program funds must be distributed in a manner that meets the need and demand for very low-income housing throughout the state. The need and demand must be determined by using the most recent statewide low-income rental housing market studies available. SAIL program funding is reserved for use within statutorily defined counties (large, medium, and small)⁴⁶ and for properties providing units for specified tenant groups.

During the first 6 months of loan or loan guarantee availability, program funds must be reserved for use by sponsors who provide the required housing set-aside for specified tenant groups. Currently, the reservation of funds within each notice of fund availability to the tenant groups is as follows:

- For commercial fishing workers, farmworkers, families and elderly persons the reservation of funds may not be less than 10 percent of the funds available at that time;
- For persons who are homeless the reservation of funds may not be less than 5 percent of the funds available at that time; and
- For persons with special needs the reservation of funds may not be more than 10 percent of the funds available at that time.⁴⁷

The University of Florida's Shimberg Center for Housing Studies⁴⁸ prepares the rental housing market study for the Florida Finance Housing Corporation (FHFC).⁴⁹ Below is a comparison of the actual need based on the most recent Rental Market Study compared to the current statutory reservation requirements for the specified tenant groups:

⁴⁶ Section 420.5087(1), F.S., provides that funds must be allocated to the following categories of counties: counties that have a population of 845,000 or more ("large"); counties that have a population of more than 100,000 but less than 825,000 ("medium"); and counties that have a population of 100,000 or less ("small").

⁴⁸ Shimberg Center for Housing Studies is statutorily required to develop and maintain statewide data on housing needs and production, provide technical assistance relating to real estate development and finance, operate an information clearinghouse on housing programs, and coordinate state housing initiatives with local government and federal programs. Specified Tenant Group	Actual Percentage of Total Households in Need in 2013	Current Statutory Reservation Requirements
Commercial fishing workers and farmworker households	4 percent	Not less than 10 percent
Persons who are homeless	10 percent	Not less than 5 percent
Persons with special needs	13 percent	Not more than 10 percent
Elder persons	20 percent	Not less than 10 percent
Families	53 percent	Not less than 10 percent

Under current law, the statutory requirement to reserve funds for the commercial fishing worker and farmworker household tenant group significantly exceeds the actual housing need for this group. The current statutory “cap” on the reservation for the persons with special needs (no more than 10 percent) did not allow the program to address the actual housing need for this group (13 percent) during the first 6 months of loan or loan guarantee availability.

State Housing Initiatives Partnership (SHIP) Program

The Legislature created the SHIP program in 1992⁵⁰ to provide funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program was designed to serve very low, low, and moderate-income families and is administered by the Florida Housing Finance Corporation (FHFC). Funds for the SHIP program are derived from the collection of documentary stamp tax revenues, which are deposited into the Local Government Housing Trust Fund and then allocated to local governments each month on a population-based formula.⁵¹

As a component of the program, under section 420.606(3), F.S., the Department of Economic Opportunity (DEO) provides training and technical assistance to staff of state and local government entities, community-based organizations, and persons forming such organizations for the purpose of developing new housing and rehabilitating existing housing that is affordable for persons of very low income, low income, and moderate income. Funding is dependent upon a specific appropriation of the Legislature.⁵² For Fiscal Year 2015-2016, the Legislature provided a specific appropriation of \$105 million to the SHIP program, and required that \$4 million of which be used to provide services to homeless persons.⁵³

Public Housing Authorities

The state role in housing and urban development is outlined in part I of ch. 421, F.S., (Housing Authorities Law), ch. 422, F.S., (Housing Cooperation Law), and ch. 423, F.S., (Tax Exemption of Housing Authorities). Section 421.02, F.S., finds that there is a shortage of safe or sanitary dwelling accommodations available at rents that persons of low income can afford. To provide such accommodations, housing authorities may acquire property to be used for, or in connection with, housing projects. Public money may only be spent to acquire private property for exclusively public uses and purposes, and the purposes must be determined to be governmental functions of public concern.

City, County, and Regional Housing Authorities

Florida Statutes provide for the creation of special district, city, county and regional housing authorities. Of the 110 public housing authorities in Florida,⁵⁴ 90 are special districts.⁵⁵

The determination of the need for a city housing authority may be made by the governing body of a city or upon the filing of a petition signed by 25 city residents. The mayor, with the approval of the governing body, appoints no fewer than five and no more than seven persons as commissioners of the authority.⁵⁶ The powers of each authority are vested in the commissioners and action may be taken upon a majority vote of the commissioners.⁵⁷ Housing authorities have the power to:

- Acquire, lease, and operate housing projects;
- Provide for the construction, reconstruction, improvement, alteration, or repair of any housing project;
- Lease or rent dwellings, houses, accommodations, lands, buildings, structures, or facilities embraced in any housing project; and
- Invest funds held in reserves or sinking funds.⁵⁸

Section 421.27, F.S., governs the creation and powers of county housing authorities, which is similar to the creation of city housing authorities. A regional housing authority may be created by two or more contiguous counties if a regional entity would be a more economically or administratively efficient unit.⁵⁹

Housing Authorities' Use of Federal Aid

Section 421.21, F.S., empowers a housing authority to borrow money or accept grants or other financial assistance from the federal government for housing projects. This section also allows a housing authority to take over or lease or manage any housing project or undertaking constructed or owned by the federal government. In addition, an authority is authorized to do any and all things necessary or desirable to secure the aid or cooperation of the federal government for any housing project by the housing authority.

Federal National Housing Trust Fund

In July 2008, the Housing and Economic Recovery Act was signed into law,⁶⁰ establishing a federal National Housing Trust Fund (NHTF), among other housing-related provisions. Although the NHTF has been established, a permanent funding stream has not been secured.⁶¹ The goal of the NHTF is to provide ongoing, permanent, dedicated, and sufficient sources of revenue to build, rehabilitate, and preserve 1.5 million units of housing for the lowest-income families, including people experiencing homelessness, over the next 10 years. The NHTF particularly aims to increase and preserve the supply of rental housing that is affordable for extremely⁶² and very low-income households, and increase homeownership opportunities for those households. competing with existing U.S. Department of Housing and Urban Development programs, this revenue is expected to be separate from the current appropriations process.⁶³

Managing Entities

In 2001, the Legislature authorized DCF to implement behavioral health managing entities as the management structure for the delivery of local mental health and substance abuse services.⁶⁴ The Legislature determined that a management structure, which places the responsibility for publicly financed behavioral health treatment and prevention services within a single private, nonprofit entity at the local level would promote improved access to care, promote service continuity, and provide efficient and effective delivery of substance abuse and mental health services.⁶⁵

DCF currently contracts with 7 managing entities that in turn contract with local service providers for the delivery of mental health and substance abuse services.⁶⁶ Managing entities create and manage provider networks by contracting with service providers for the delivery of substance abuse and mental health services.

Effect of the Bill:

Rapid Re-Housing

HB 1235 creates s. 420.6265, F.S., which authorizes the use of rapid re-housing as a strategy to address homelessness. The bill provides a statement of legislative intent, finding that:

- While emergency shelter and transitional housing programs may provide critical access to services for individuals and families in crisis, such programs often fail to address the long-term needs of individuals and families in crisis.
- Most individuals and families become homeless as a result of a financial crisis that prevents individuals and families from paying rent or a domestic conflict that results in one family member being ejected or leaving without resources or a plan for housing.
- Rapid re-housing is an alternative approach to the current system of emergency shelter or transitional housing that tends to reduce the length of time of homelessness and has proven to be cost effective.
- Rapid re-housing is a strategy of using temporary financial assistance and case management to quickly move an individual or family out of homelessness and into permanent housing.
- The Legislature encourages homeless continuums of care to adopt the rapid re-housing approach to preventing homelessness for individuals and families who do not require the intense level of supports provided in the permanent supportive housing model.

The bill provides that by using the rapid re-housing approach, communities can significantly reduce the amount of time that individuals and families are homeless and prevent further episodes of homelessness. The objective of rapid re-housing is to provide assistance for as short a time as possible so that the individual or family receiving assistance does not develop a dependency on the assistance. The bill also adds rapid re-housing as a component for local homeless assistance continuum of care plans.

State Office on Homelessness

Statewide Homeless Management Information System (HMIS) Task Force

The bill creates a task force within SOH to make recommendations regarding the implementation of a Statewide Homeless Management Information System (HMIS). The task force must:

- Define the conceptual framework of such a system;
- Study existing statewide HMIS models;
- Establish an inventory of local HMIS systems, including providers and license capacity;
- Examine the aggregated reporting being provided by local continuums of care;
- Complete an analysis of current continuum of care resources;
- Provide recommendations on the costs and benefits of implementing a statewide HMIS; and
- Make recommendations regarding the development of a statewide, centralized coordinated assessment system in conjunction with the implementation of a statewide HMIS.

The task force must report its findings regarding the implementation of a statewide HMIS to the Council on Homelessness no later than December 31, 2016.

The bill also requires SOH to engage the managing entities when addressing homelessness. SOH must provide support to the managing entities' efforts to address the needs of the homeless populations within their geographic service areas, subject to available funding. Additionally, SOH must give the managing entities the opportunity to participate in local homeless coalitions.

Performance Measures

The bill changes the performance measures set by SOH from outputs to outcomes. The bill requires SOH, in conjunction with the Council on Homelessness, to establish performance measures and specific objectives by which it may evaluate the performance and outcomes of lead agencies that receive grant funds. Additionally, the bill requires SOH must distribute funding to lead agencies based on their overall performance and their achievement of specified objectives.

The bill changes the performance measures used to evaluate lead agencies from the number of homeless individuals provided shelter, food, counseling, and job training, to the:

- Number of persons or households that are no longer homeless;
- Rate of recidivism to homelessness; and
- Number of persons who obtain gainful employment.

These performance measures will better inform SOH about the progress lead agencies are making in reducing homelessness.

Additionally, for communities or regions that implement local homeless assistance continuum of care plans, the bill requires SOH, in conjunction with the Council on Homelessness, to include in the plan a methodology for assessing performance and outcomes. SOH is required to provide a standardized format for the reporting of performance and outcome data.

Grant Awards

The bill requires SOH to administer Challenge Grants. It removes the requirements that award levels be based upon the total population within the continuum of care catchment area and reflect the differing degrees of homelessness in the catchment planning areas. This will give SOH greater discretion in how it awards Challenge Grants.

The bill limits how the lead agencies may spend leveraged funds and resources that comprise the matching funds for grants received. Expenditures of these leveraged funds or resources must be certified through a written commitment. Additionally, the bill limits the use of funds to eligible activities on projects that have not been used as leverage or match for any other project or program.

State Apartment Incentive Loan (SAIL) Program

The bill amends s. 420.5087, F.S., to modify the reservation requirements under the SAIL program for three of the five specified tenant groups. The bill lowers the SAIL funding floor for commercial fishing workers and farmworkers from not less than 10 percent to not less than five percent. The bill increases the SAIL funding floor for persons who are homeless from five percent to 10 percent. The bill removes the cap on spending on persons with special needs, and replaces it with a SAIL funding floor of not less than 10 percent.

Specified Tenant Group	Current Statutory Reservation Requirements	Statutory Reservation Requirements in HB 1235
Commercial fishing workers and farmworkers	Not less than 10 percent	Not less than 5 percent
Persons who are homeless	Not less than 5 percent	Not less than 10 percent
Persons with special needs	Not more than 10 percent	Not less than 10 percent
Elder persons	Not less than 10 percent	Not less than 10 percent
Families	Not less than 10 percent	Not less than 10 percent

State Housing Initiatives Partnership (SHIP) Program

Rent Subsidies

The bill broadens the definition of "rent subsidy" under the SHIP program to include initial assistance to tenants, such as grants or loans for security and utility deposits, which had been previously disallowed. Additionally, the bill clarifies the instances in which local governments participating in the SHIP program may provide ongoing rental assistance; they may only expend local housing distribution to provide ongoing rent subsidies for:

- Security and utility deposit assistance;
- Eviction prevention not to exceed 6 months' rent; or
- A rent subsidy program for very-low-income families with at least one person with special needs or one individual experiencing homelessness, for a period not exceed 12 months.

Solely for Fiscal Year 2015-2016, pursuant to the legislation implementing the 2015-2016 General Appropriations Act, local governments participating in the SHIP program could use up to 25 percent of their funds to provide rent subsidies.⁶⁷ HB 1235 broadens the authority for local governments participating in the SHIP program to provide eviction prevention (which was previously limited to a one-time payment) and creates a new category of individuals to whom assistance may be provided for up to 12 months.

Reporting

The bill specifies that the annual reports submitted by local governments participating in the SHIP program must also include a description of the local governments' efforts to reduce homelessness.

⁶⁷ S. 420.9072(10) expires on July 1, 2016. S. 67, ch. 2015-222, added subsection (10) "[i]n order to implement Specific Appropriation 2241 of the 2015-2016 General Appropriations Act."

Local Housing Assistance Plan

The bill adds lead agencies of local homeless assistance continuums of care and managing entities to the list of entities with which local governments are encouraged to partner when developing local housing assistance plans under the SHIP program. The bill encourages local governments to develop a strategy within their local housing assistance plans that provides program funds for reducing homelessness.

The bill permits up to 25 percent of SHIP funds from the local housing distribution to be reserved for rental housing for eligible persons or for the purposes of:

- Security and utility deposit assistance;
- Eviction prevention not to exceed 6 months' rent; or
- A rent subsidy program for very-low-income families with at least one person with special needs or one individual experiencing homelessness, for a period not exceed 12 months.

Public Housing Authorities

The bill prohibits a housing authority from applying to the federal government to seize a project, unit, or voucher of another established housing authority, regardless of each housing authority's areas of operation.

The bill provides that housing authorities are exempt from the provisions of s. 215.425, F.S., which addresses extra compensation, bonuses, and severance pay. It also exempts housing authorities from reporting requirements of s. 218.32, F.S.; however, it requires them to submit a full financial accounting and audit in accordance with federal audit standards to the federal government biennially. This removes duplicative reporting requirements currently placed on public housing authorities.

National Housing Trust Fund

The bill creates s. 420.9089, F.S., relating to the NHTF. It provides a Legislative finding that more funding for housing to assist individuals and families who are experiencing homelessness is needed and encourages the state entity designated to administer funds made available to the state from the NHTF to propose an allocation plan that includes strategies to reduce homelessness in this state.

The FHFC is the state entity designated by the Legislature to administer funds made available to the state from the NHTF.⁶⁸ HUD will officially release the grant amount from the NHTF for each state in April 2016.⁶⁹ Each state must adopt an Allocation Plan that has been developed through a public process involving citizen participation, and may include strategies to address homelessness.⁷⁰ The funding must be used primarily to assist households with specified incomes and 90 percent of the funds must be used to produce rental housing.⁷¹

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

While the bill does not provide an appropriation it does modify the SAIL program to decrease the unit reservation requirements for commercial fishing workers and farmworkers from a minimum of ten percent to a minimum of five percent, and increase the unit reservation requirement for persons who are homeless from five percent to ten percent. To the extent the legislature appropriates future funds for the SAIL program, these modifications will not impact the development of affordable housing, only the number of required affordable housing units that must be set aside for a specific population to utilize.

In addition, the bill removes the SAIL program cap on spending for persons with special needs and the elderly, and replaces it with a SAIL funding floor of not less than ten percent for each. To the extent the legislature appropriates future funds for the SAIL program, any increase in affordable housing funding provided for these two populations above ten percent would see a corresponding decrease in funding provided for the other populations.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

See Fiscal Comments.

2. Expenditures:

While the bill does not contain an appropriation, it alters the criteria by which programs addressing affordable housing and homelessness are funded and how those programs may spend grants and other state funds. For example, the bill adds rapid re-housing as a component for local homeless assistance continuum of care plans to provide assistance for as short a time as possible so that an individual or family receiving assistance does not develop a dependency on the assistance. To the extent a local government provides funding for rapid re-housing programs other program areas may see a corresponding decrease in funding.

The bill broadens the definition of "rent subsidy" under the SHIP program to include initial assistance to tenants, such as grants or loans for security and utility deposits, which had been previously disallowed. Additionally, the bill clarifies the instances in which local governments participating in the SHIP program may provide ongoing rental assistance; they may only expend

local housing distribution to provide ongoing rent subsidies for security and utility deposit assistance; eviction prevention not to exceed 6 months of rent; or a rent subsidy program for very-low-income families with at least one person with special needs or one individual experiencing homelessness, for a period not exceed 12 months. To the extent a local government increases their funding for rent subsidy programs other program areas may see a corresponding decrease in funding.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

See Fiscal Comments.

D. FISCAL COMMENTS:

While the bill does not contain an appropriation, it alters the criteria by which programs addressing homelessness are funded and how those programs may spend grants and other state funds. For example, the change in the performance measures set by SOH for lead agencies that receive grant funds could affect the funding that lead agencies receive depending on the lead agency's performance and whether or not it achieve specified objectives.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable. This bill does not appear to affect county or municipal governments.

2. Other:

None.

B. RULE-MAKING AUTHORITY:

None.

C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On January 26, 2016, the Children, Families and Seniors Subcommittee adopted three amendments to involve the managing entities in plans and programs to address homelessness. The amendments:

- Direct SOH, subject to available funding, to provide support to the managing entities' efforts to address the needs of the homeless populations within their geographic service areas.
- Add managing entities as one of the organizations that should be given the opportunity to participate in local homeless coalitions that are established by SOH.
- Encourage local SHIP programs to involve the managing entities in their partnership process for local housing assistance plans.

The bill was reported favorably as a committee substitute. The analysis is drafted to the committee substitute.

98 Be It Enacted by the Legislature of the State of Florida:

99

100 Section 1. Subsection (3) of section 420.5087, Florida
 101 Statutes, is amended to read:

102 420.5087 State Apartment Incentive Loan Program.—There is
 103 hereby created the State Apartment Incentive Loan Program for
 104 the purpose of providing first, second, or other subordinated

105 mortgage loans or loan guarantees to sponsors, including for-
 106 profit, nonprofit, and public entities, to provide housing
 107 affordable to very-low-income persons.

108 (3) During the first 6 months of loan or loan guarantee
 109 availability, program funds shall be reserved for use by
 110 sponsors who provide the housing set-aside required in
 111 subsection (2) for the tenant groups designated in this
 112 subsection. The reservation of funds to each of these groups
 113 shall be determined using the most recent statewide very-low-
 114 income rental housing market study available at the time of
 115 publication of each notice of fund availability required by
 116 paragraph (6)(b). The reservation of funds within each notice of
 117 fund availability to the tenant groups in paragraphs (b)-(e)
 118 ~~(a), (b), and (e)~~ may not be less than 10 percent of the funds
 119 available at that time. Any increase in funding required to
 120 reach the 10-percent minimum must be taken from the tenant group
 121 that has the largest reservation. The reservation of funds
 122 within each notice of fund availability to the tenant group in
 123 paragraph (a) ~~(e)~~ may not be less than 5 percent of the funds
 124 available at that time. ~~The reservation of funds within each~~
 125 ~~notice of fund availability to the tenant group in paragraph (d)~~
 126 ~~may not be more than 10 percent of the funds available at that~~
 127 ~~time.~~ The tenant groups are:

- 128 (a) Commercial fishing workers and farmworkers;
- 129 (b) Families;
- 130 (c) Persons who are homeless;

131 (d) Persons with special needs; and
 132 (e) Elderly persons. Ten percent of the amount reserved
 133 for the elderly shall be reserved to provide loans to sponsors
 134 of housing for the elderly for the purpose of making building
 135 preservation, health, or sanitation repairs or improvements
 136 which are required by federal, state, or local regulation or
 137 code, or lifesafety or security-related repairs or improvements
 138 to such housing. Such a loan may not exceed \$750,000 per housing
 139 community for the elderly. In order to receive the loan, the
 140 sponsor of the housing community must make a commitment to match
 141 at least 5 percent of the loan amount to pay the cost of such
 142 repair or improvement. The corporation shall establish the rate
 143 of interest on the loan, which may not exceed 3 percent, and the
 144 term of the loan, which may not exceed 15 years; however, if the
 145 lien of the corporation's encumbrance is subordinate to the lien
 146 of another mortgagee, then the term may be made coterminous with
 147 the longest term of the superior lien. The term of the loan
 148 shall be based on a credit analysis of the applicant. The
 149 corporation may forgive indebtedness for a share of the loan
 150 attributable to the units in a project reserved for extremely-
 151 low-income elderly by nonprofit organizations, as defined in s.
 152 420.0004(5), where the project has provided affordable housing
 153 to the elderly for 15 years or more. The corporation shall
 154 establish, by rule, the procedure and criteria for receiving,
 155 evaluating, and competitively ranking all applications for loans
 156 under this paragraph. A loan application must include evidence

157 of the first mortgagee's having reviewed and approved the
 158 sponsor's intent to apply for a loan. A nonprofit organization
 159 or sponsor may not use the proceeds of the loan to pay for
 160 administrative costs, routine maintenance, or new construction.

161 Section 2. Paragraphs (a) and (b) of subsection (3) and
 162 subsections (4), (5), and (6) of section 420.622, Florida
 163 Statutes, are amended, and paragraph (p) is added to subsection
 164 (3) of that section, to read:

165 420.622 State Office on Homelessness; Council on
 166 Homelessness.—

167 (3) The State Office on Homelessness, pursuant to the
 168 policies set by the council and subject to the availability of
 169 funding, shall:

170 (a) Coordinate among state, local, and private agencies
 171 and providers to produce a statewide consolidated inventory
 172 ~~program and financial plan~~ for the state's entire system of
 173 homeless programs which incorporates regionally developed plans.
 174 Such programs include, but are not limited to:

175 1. Programs authorized under the Stewart B. McKinney
 176 Homeless Assistance Act of 1987, 42 U.S.C. ss. 11371 et seq.,
 177 and carried out under funds awarded to this state; and

178 2. Programs, components thereof, or activities that assist
 179 persons who are homeless or at risk for homelessness.

180 (b) Collect, maintain, and make available information
 181 concerning persons who are homeless or at risk for homelessness,
 182 including demographics information, current services and

183 resources available, the cost and availability of services and
 184 programs, and the met and unmet needs of this population. All
 185 entities that receive state funding must provide access to all
 186 data they maintain in summary form, with no individual
 187 identifying information, to assist the council in providing this
 188 information. The State Office on Homelessness shall establish a
 189 task force to make recommendations regarding the implementation
 190 of a statewide Homeless Management Information System (HMIS).
 191 The task force shall define the conceptual framework of such a
 192 system; study existing statewide HMIS models; establish an
 193 inventory of local HMIS systems, including providers and license
 194 capacity; examine the aggregated reporting being provided by
 195 local continuums of care; complete an analysis of current
 196 continuum of care resources; and provide recommendations on the
 197 costs and benefits of implementing a statewide HMIS. The task
 198 force shall also make recommendations regarding the development
 199 of a statewide, centralized coordinated assessment system in
 200 conjunction with the implementation of a statewide HMIS. The
 201 task force findings must be reported to the Council on
 202 Homelessness no later than December 31, 2016. The council shall
 203 ~~explore the potential of creating a statewide Management~~
 204 ~~Information System (MIS), encouraging the future participation~~
 205 ~~of any bodies that are receiving awards or grants from the~~
 206 ~~state, if such a system were adopted, enacted, and accepted by~~
 207 ~~the state.~~

208 (p) Provide support to managing entities, as defined in s.

209 394.9082(2), to address the needs of individuals experiencing
 210 homelessness within the managing entities' geographic service
 211 area.

212 (4) The State Office on Homelessness, with the concurrence
 213 of the Council on Homelessness, shall ~~may~~ accept and administer
 214 moneys appropriated to it to provide annual "challenge grants"
 215 to lead agencies of homeless assistance continuums of care
 216 designated by the State Office on Homelessness pursuant to s.
 217 420.624. The department shall establish varying levels of grant
 218 awards up to \$500,000 per lead agency. ~~Award levels shall be~~
 219 ~~based upon the total population within the continuum of care~~
 220 ~~catchment area and reflect the differing degrees of homelessness~~
 221 ~~in the catchment planning areas.~~ The department, in consultation
 222 with the Council on Homelessness, shall specify a grant award
 223 level in the notice of the solicitation of grant applications.

224 (a) To qualify for the grant, a lead agency must develop
 225 and implement a local homeless assistance continuum of care plan
 226 for its designated catchment area. The continuum of care plan
 227 must implement a coordinated assessment or central intake system
 228 to screen, assess, and refer persons seeking assistance to the
 229 appropriate service provider. The lead agency shall also
 230 document the commitment of local government and private
 231 organizations to provide matching funds or in-kind support in an
 232 amount equal to the grant requested. Expenditures of leveraged
 233 funds or resources, including third-party cash or in-kind
 234 contributions, are permitted only for eligible activities

235 committed on one project which have not been used as leverage or
 236 match for any other project or program and must be certified
 237 through a written commitment.

238 (b) Preference must be given to those lead agencies that
 239 have demonstrated the ability of their continuum of care to
 240 provide quality services to persons who are homeless ~~persons~~ and
 241 the ability to leverage federal homeless-assistance funding
 242 under the Stewart B. McKinney Act with local government funding
 243 and private funding for the provision of services to persons who
 244 are homeless ~~persons~~.

245 (c) Preference must be given to lead agencies in catchment
 246 areas with the greatest need for the provision of housing and
 247 services to persons who are ~~the~~ homeless, relative to the
 248 population of the catchment area.

249 (d) The grant may be used to fund any of the housing,
 250 program, or service needs included in the local homeless
 251 assistance continuum of care plan. The lead agency may allocate
 252 the grant to programs, services, or housing providers that
 253 implement the local homeless assistance continuum care plan. The
 254 lead agency may provide subgrants to a local agency to implement
 255 programs or services or provide housing identified for funding
 256 in the lead agency's application to the department. A lead
 257 agency may spend a maximum of 8 percent of its funding on
 258 administrative costs.

259 (e) The lead agency shall submit a final report to the
 260 department documenting the outcomes achieved by the grant in

261 enabling persons who are homeless to return to permanent housing
 262 thereby ending such person's episode of homelessness.

263 (5) The State Office on Homelessness, with the concurrence
 264 of the Council on Homelessness, may administer moneys
 265 appropriated to it to provide homeless housing assistance grants
 266 annually to lead agencies for local homeless assistance
 267 continuum of care, as recognized by the State Office on
 268 Homelessness, to acquire, construct, or rehabilitate
 269 transitional or permanent housing units for persons who are
 270 homeless ~~persons~~. These moneys shall consist of any sums that
 271 the state may appropriate, as well as money received from
 272 donations, gifts, bequests, or otherwise from any public or
 273 private source, which are intended to acquire, construct, or
 274 rehabilitate transitional or permanent housing units for persons
 275 who are homeless ~~persons~~.

276 (a) Grant applicants shall be ranked competitively.
 277 Preference must be given to applicants who leverage additional
 278 private funds and public funds, particularly federal funds
 279 designated for the acquisition, construction, or rehabilitation
 280 of transitional or permanent housing for persons who are
 281 homeless ~~persons~~; who acquire, build, or rehabilitate the
 282 greatest number of units; or ~~and~~ who acquire, build, or
 283 rehabilitate in catchment areas having the greatest need for
 284 housing for persons who are ~~the~~ homeless relative to the
 285 population of the catchment area.

286 (b) Funding for any particular project may not exceed

287 | \$750,000.

288 | (c) Projects must reserve, for a minimum of 10 years, the
 289 | number of units acquired, constructed, or rehabilitated through
 290 | homeless housing assistance grant funding to serve persons who
 291 | are homeless at the time they assume tenancy.

292 | (d) No more than two grants may be awarded annually in any
 293 | given local homeless assistance continuum of care catchment
 294 | area.

295 | (e) A project may not be funded which is not included in
 296 | the local homeless assistance continuum of care plan, as
 297 | recognized by the State Office on Homelessness, for the
 298 | catchment area in which the project is located.

299 | (f) The maximum percentage of funds that the State Office
 300 | on Homelessness and each applicant may spend on administrative
 301 | costs is 5 percent.

302 | (6) The State Office on Homelessness, in conjunction with
 303 | the Council on Homelessness, shall establish performance
 304 | measures and specific objectives by which it may ~~to~~ evaluate the
 305 | ~~effective~~ performance and outcomes of lead agencies that receive
 306 | grant funds. Any funding through the State Office on
 307 | Homelessness shall be distributed to lead agencies based on
 308 | their overall performance and their achievement of specified
 309 | objectives. Each lead agency for which grants are made under
 310 | this section shall provide the State Office on Homelessness a
 311 | thorough evaluation of the effectiveness of the program in
 312 | achieving its stated purpose. In evaluating the performance of

313 the lead agencies, the State Office on Homelessness shall base
 314 its criteria upon the program objectives, goals, and priorities
 315 that were set forth by the lead agencies in their proposals for
 316 funding. Such criteria may include, but not be limited to, the
 317 number of persons or households that are no longer homeless, the
 318 rate of recidivism to homelessness, and the number of persons
 319 who obtain gainful employment ~~homeless individuals provided~~
 320 ~~shelter, food, counseling, and job training.~~

321 Section 3. Paragraph (k) is added to subsection (1) of
 322 section 420.623, Florida Statutes, to read:

323 420.623 Local coalitions for the homeless.—

324 (1) ESTABLISHMENT.—The department shall establish local
 325 coalitions to plan, network, coordinate, and monitor the
 326 delivery of services to the homeless. Appropriate local groups
 327 and organizations involved in providing services for the
 328 homeless and interested business groups and associations shall
 329 be given an opportunity to participate in such coalitions,
 330 including, but not limited to:

331 (k) Managing entities, as defined in s. 394.9082(2).

332 Section 4. Subsections (3), (7), and (8) of section
 333 420.624, Florida Statutes, are amended to read:

334 420.624 Local homeless assistance continuum of care.—

335 (3) Communities or regions seeking to implement a local
 336 homeless assistance continuum of care are encouraged to develop
 337 and annually update a written plan that includes a vision for
 338 the continuum of care, an assessment of the supply of and demand

339 for housing and services for the homeless population, and
 340 specific strategies and processes for providing the components
 341 of the continuum of care. The State Office on Homelessness, in
 342 conjunction with the Council on Homelessness, shall include in
 343 the plan a methodology for assessing performance and outcomes.

344 The State Office on Homelessness shall supply a standardized
 345 format for written plans, including the reporting of data.

346 (7) The components of a continuum of care plan should
 347 include:

348 (a) Outreach, intake, and assessment procedures in order
 349 to identify the service and housing needs of an individual or
 350 family and to link them with appropriate housing, services,
 351 resources, and opportunities;

352 (b) Emergency shelter, in order to provide a safe, decent
 353 alternative to living in the streets;

354 (c) Transitional housing;

355 (d) Supportive services, designed to assist with the
 356 development of the skills necessary to secure and retain
 357 permanent housing;

358 (e) Permanent supportive housing;

359 (f) Rapid ReHousing, as specified in s. 420.6265;

360 (g)~~(f)~~ Permanent housing;

361 (h)~~(g)~~ Linkages and referral mechanisms among all
 362 components to facilitate the movement of individuals and
 363 families toward permanent housing and self-sufficiency;

364 (i)~~(h)~~ Services and resources to prevent housed persons

365 from becoming or returning to homelessness; and
 366 (j)~~(i)~~ An ongoing planning mechanism to address the needs
 367 of all subgroups of the homeless population, including, but not
 368 limited to:

- 369 1. Single adult males;
- 370 2. Single adult females;
- 371 3. Families with children;
- 372 4. Families with no children;
- 373 5. Unaccompanied children and youth;
- 374 6. Elderly persons;
- 375 7. Persons with drug or alcohol addictions;
- 376 8. Persons with mental illness;
- 377 9. Persons with dual or multiple physical or mental
 378 disorders;
- 379 10. Victims of domestic violence; and
- 380 11. Persons living with HIV/AIDS.

381 (8) Continuum of care plans must promote participation by
 382 all interested individuals and organizations and may not exclude
 383 individuals and organizations on the basis of race, color,
 384 national origin, sex, handicap, familial status, or religion.
 385 Faith-based organizations must be encouraged to participate. To
 386 the extent possible, these components shall ~~should~~ be
 387 coordinated and integrated with other mainstream health, social
 388 services, and employment programs for which homeless populations
 389 may be eligible, including Medicaid, State Children's Health
 390 Insurance Program, Temporary Assistance for Needy Families, Food

391 Assistance Program, and services funded through the Mental
 392 Health and Substance Abuse Block Grant, the Workforce Investment
 393 Act, and the welfare-to-work grant program.

394 Section 5. Section 420.6265, Florida Statutes, is created
 395 to read:

396 420.6265 Rapid ReHousing.-

397 (1) LEGISLATIVE FINDINGS AND INTENT.-

398 (a) The Legislature finds that Rapid ReHousing is a
 399 strategy of using temporary financial assistance and case
 400 management to quickly move an individual or family out of
 401 homelessness and into permanent housing.

402 (b) The Legislature also finds that, for most of the past
 403 two decades, public and private solutions to homelessness have
 404 focused on providing individuals and families who are
 405 experiencing homelessness with emergency shelter and
 406 transitional housing. While emergency shelter and transitional
 407 housing programs may provide critical access to services for
 408 individuals and families in crisis, such programs often fail to
 409 address the long-term needs of individuals and families in
 410 crisis.

411 (c) The Legislature further finds that most individuals
 412 and families become homeless as a result of a financial crisis
 413 that prevents individuals and families from paying rent or a
 414 domestic conflict that results in one family member being
 415 ejected or leaving without resources or a plan for housing.

416 (d) The Legislature further finds that Rapid ReHousing is

417 an alternative approach to the current system of emergency
 418 shelter or transitional housing which tends to reduce the length
 419 of time of homelessness and has proven to be cost effective.

420 (e) It is therefore the intent of the Legislature to
 421 encourage homeless continuums of care to adopt the Rapid
 422 ReHousing approach to preventing homelessness for individuals
 423 and families who do not require the intense level of supports
 424 provided in the permanent supportive housing model.

425 (2) RAPID REHOUSING METHODOLOGY.-

426 (a) The Rapid ReHousing approach to homelessness differs
 427 from traditional approaches to addressing homelessness by
 428 focusing on each individual's or family's barriers to returning
 429 to housing. By using this approach, communities can
 430 significantly reduce the amount of time that individuals and
 431 families are homeless and prevent further episodes of
 432 homelessness.

433 (b) In Rapid ReHousing, an individual or family is
 434 identified as being homeless, temporary assistance is provided
 435 to allow the individual or family to obtain permanent housing as
 436 quickly as possible, and, if needed, assistance is provided to
 437 allow the individual or family to retain housing.

438 (c) The objective of Rapid ReHousing is to provide
 439 assistance for as short a time as possible so that the
 440 individual or family receiving assistance does not develop a
 441 dependency on the assistance.

442 Section 6. Subsections (25) and (26) of section 420.9071,

443 Florida Statutes, are amended to read:

444 420.9071 Definitions.—As used in ss. 420.907-420.9079, the
 445 term:

446 (25) "Recaptured funds" means funds that are recouped by a
 447 county or eligible municipality in accordance with the recapture
 448 provisions of its local housing assistance plan pursuant to s.
 449 420.9075(5)(i) ~~s. 420.9075(5)(h)~~ from eligible persons or
 450 eligible sponsors, which funds were not used for assistance to
 451 an eligible household for an eligible activity, when there is a
 452 default on the terms of a grant award or loan award.

453 (26) "Rent subsidies" means ongoing monthly rental
 454 assistance. ~~The term does not include initial assistance to~~
 455 ~~tenants, such as grants or loans for security and utility~~
 456 ~~deposits.~~

457 Section 7. Subsection (7) of section 420.9072, Florida
 458 Statutes, is amended, subsections (8) and (9) are renumbered as
 459 subsections (9) and (10), respectively, and a new subsection (8)
 460 is added to that section, to read:

461 420.9072 State Housing Initiatives Partnership Program.—
 462 The State Housing Initiatives Partnership Program is created for
 463 the purpose of providing funds to counties and eligible
 464 municipalities as an incentive for the creation of local housing
 465 partnerships, to expand production of and preserve affordable
 466 housing, to further the housing element of the local government
 467 comprehensive plan specific to affordable housing, and to
 468 increase housing-related employment.

469 (7) A county or an eligible municipality must expend its
 470 portion of the local housing distribution only to implement a
 471 local housing assistance plan or as provided in this subsection.
 472 ~~A county or an eligible municipality may not expend its portion~~
 473 ~~of the local housing distribution to provide rent subsidies;~~
 474 ~~however, this does not prohibit the use of funds for security~~
 475 ~~and utility deposit assistance.~~

476 (8) A county or an eligible municipality may not expend
 477 its portion of the local housing distribution to provide ongoing
 478 rent subsidies, except for:

- 479 (a) Security and utility deposit assistance.
- 480 (b) Eviction prevention not to exceed 6 months' rent.
- 481 (c) A rent subsidy program for very-low-income families
 482 with at least one person with special needs as defined in s.
 483 420.0004 or one individual experiencing homelessness as defined
 484 in s. 420.621. The period of rental assistance may not exceed 12
 485 months for an eligible household.

486 Section 8. Paragraph (a) of subsection (2) and subsection
 487 (5) of section 420.9075, Florida Statutes, are amended,
 488 paragraph (f) is added to subsection (3), and paragraph (i) is
 489 added to subsection (10) of that section, to read:

490 420.9075 Local housing assistance plans; partnerships.—

491 (2)(a) Each county and each eligible municipality
 492 participating in the State Housing Initiatives Partnership
 493 Program shall encourage the involvement of appropriate public
 494 sector and private sector entities as partners in order to

495 | combine resources to reduce housing costs for the targeted
 496 | population. This partnership process should involve:
 497 | 1. Lending institutions.
 498 | 2. Housing builders and developers.

 500 | organizations.
 501 | 4. Providers of professional services relating to

 511 | 9. Managing entities, as defined in s. 394.9082(2).
 512 | (3)
 513 | (f) Each county and each eligible municipality is
 514 | encouraged to develop a strategy within its local housing
 515 | assistance plan which provides program funds for reducing
 516 | homelessness.
 517 | (5) The following criteria apply to awards made to
 518 | eligible sponsors or eligible persons for the purpose of
 519 | providing eligible housing:
 520 | (a) At least 65 percent of the funds made available in

521 each county and eligible municipality from the local housing
 522 distribution must be reserved for home ownership for eligible
 523 persons.

524 (b) Up to 25 percent of the funds made available in each

528 ~~(c)(b)~~ At least 75 percent of the funds made available in
 529 each county and eligible municipality from the local housing

543 ~~(f)(e)~~1. All units constructed, rehabilitated, or
 544 otherwise assisted with the funds provided from the local
 545 housing assistance trust fund must be occupied by very-low-
 546 income persons, low-income persons, and moderate-income persons

547 | except as otherwise provided in this section.

548 | 2. At least 30 percent of the funds deposited into the
 549 | local housing assistance trust fund must be reserved for awards
 550 | to very-low-income persons or eligible sponsors who will serve
 551 | very-low-income persons and at least an additional 30 percent of
 552 | the funds deposited into the local housing assistance trust fund
 553 | must be reserved for awards to low-income persons or eligible
 554 | sponsors who will serve low-income persons. This subparagraph
 555 | does not apply to a county or an eligible municipality that
 556 | includes, or has included within the previous 5 years, an area
 557 | of critical state concern designated or ratified by the
 558 | Legislature for which the Legislature has declared its intent to
 559 | provide affordable housing. The exemption created by this act
 560 | expires on July 1, 2013, and shall apply retroactively.

561 | (g)~~(f)~~ Loans shall be provided for periods not exceeding
 562 | 30 years, except for deferred payment loans or loans that extend
 563 | beyond 30 years which continue to serve eligible persons.

564 | (h)~~(g)~~ Loans or grants for eligible rental housing
 565 | constructed, rehabilitated, or otherwise assisted from the local
 566 | housing assistance trust fund must be subject to recapture
 567 | requirements as provided by the county or eligible municipality
 568 | in its local housing assistance plan unless reserved for
 569 | eligible persons for 15 years or the term of the assistance,
 570 | whichever period is longer. Eligible sponsors that offer rental
 571 | housing for sale before 15 years or that have remaining
 572 | mortgages funded under this program must give a first right of

573 refusal to eligible nonprofit organizations for purchase at the
 574 current market value for continued occupancy by eligible
 575 persons.

576 (i)~~(h)~~ Loans or grants for eligible owner-occupied housing
 577 constructed, rehabilitated, or otherwise assisted from proceeds
 578 provided from the local housing assistance trust fund shall be
 579 subject to recapture requirements as provided by the county or
 580 eligible municipality in its local housing assistance plan.

581 (j)~~(i)~~ The total amount of monthly mortgage payments or

588 (l)~~(k)~~ The benefit of assistance provided through the
 589 State Housing Initiatives Partnership Program must accrue to

 591 shall not be construed to prohibit use of the local housing
 592 distribution funds for a mixed income rental development.

593 (m)~~(l)~~ Funds from the local housing distribution not used
 594 to meet the criteria established in paragraph (a) or paragraph
 595 (c) ~~(b)~~ or not used for the administration of a local housing

599 providing rental housing, and providing home ownership training
 600 to prospective home buyers and owners of homes assisted through
 601 the local housing assistance plan.

602 1. Notwithstanding the provisions of paragraphs (a) and
 603 (c) ~~(b)~~, program income as defined in s. 420.9071(24) may also
 604 be used to fund activities described in this paragraph.

605 2. When preconstruction due-diligence activities conducted
 606 as part of a preservation strategy show that preservation of the

 608 an eligible unit, such costs shall be deemed a program expense
 609 rather than an administrative expense if such program expenses
 610 do not exceed 3 percent of the annual local housing
 611 distribution.

612 3. If both an award under the local housing assistance
 613 plan and federal low-income housing tax credits are used to

 615 prescribed in this subsection and the requirements of s. 42 of
 616 the Internal Revenue Code of 1986, as amended, the county or
 617 eligible municipality may resolve the conflict by giving
 618 precedence to the requirements of s. 42 of the Internal Revenue
 619 Code of 1986, as amended, in lieu of following the criteria
 620 prescribed in this subsection with the exception of paragraphs
 621 (a) and (f) ~~(e)~~ of this subsection.

622 4. Each county and each eligible municipality may award
 623 funds as a grant for construction, rehabilitation, or repair as
 624 part of disaster recovery or emergency repairs or to remedy

 626 | grants must be approved as part of the local housing assistance
 627 | plan.

628 | (10) Each county or eligible municipality shall submit to

 631 | immediately preceding submittal of the report. The report shall
 632 | be certified as accurate and complete by the local government's
 633 | chief elected official or his or her designee. Transmittal of
 634 | the annual report by a county's or eligible municipality's chief
 635 | elected official, or his or her designee, certifies that the
 636 | local housing incentive strategies, or, if applicable, the local
 637 | housing incentive plan, have been implemented or are in the
 638 | process of being implemented pursuant to the adopted schedule
 639 | for implementation. The report must include, but is not limited
 640 | to:

641 | (i) A description of efforts to reduce homelessness.

642 | Section 9. Section 420.9089, Florida Statutes, is created
 643 | to read:

644 | 420.9089 National Housing Trust Fund.—The Legislature
 645 | finds that more funding for housing to assist individuals and
 646 | families who are experiencing homelessness is needed and
 647 | encourages the state entity designated to administer funds made
 648 | available to the state from the National Housing Trust Fund to
 649 | propose an allocation plan that includes strategies to reduce
 650 | homelessness in this state. These strategies to address

651 homelessness shall be in addition to strategies under s.
 652 420.5087.

653 Section 10. Subsection (4) is added to section 421.04,
 654 Florida Statutes, to read:

 660 operation.

661 Section 11. Subsection (2) of section 421.05, Florida
 662 Statutes, is amended to read:

 668 authority for the purpose of conducting its business and
 669 exercising its powers and for all other purposes. Action may be
 670 taken by the authority upon a vote of a majority of the
 671 commissioners present, unless in any case the bylaws of the
 672 authority require a larger number. The mayor with the
 673 concurrence of the governing body shall designate ~~which of the~~

 684 ~~legal services as it may require,~~ An authority may call upon the
 685 chief law officer of the city or may employ its own counsel and
 686 legal staff for legal services. An authority may delegate to one
 687 or more of its agents or employees such powers or duties as it

689 Section 12. Subsection (1) of section 421.091, Florida

SUMMARY ANALYSIS

Florida's Temporary Cash Assistance (TCA) Program provides cash assistance to needy families with children that meet eligibility requirements. To be eligible for full-family TCA, applicants must participate in work activity requirements unless they are exempt. The Department of Children and Families (DCF) may sanction TCA recipients that fail to meet work requirements by withholding cash assistance payments.

CS/HB 1299 increases penalties for the first three instances of noncompliance with TCA work requirements to align the sanctions with those of the food assistance program and creates a fourth sanction. The bill:

- Increases the first sanction from 10 days to one month; this sanction remains full family.
- Increases the second sanction from one month or until compliance, whichever is later, to three months or until compliance, whichever is later; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first three months of the sanction period even if the participant takes longer to comply.
- Increases the third sanction from three months or until compliance, whichever is later, to six months or until compliance, whichever is later; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first six months of the sanction period even if the participant takes longer to comply.
- Creates a fourth sanction of twelve months or until compliance, whichever is later, and that the individual must reapply to the program; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first twelve months of the sanction period even if the participant takes longer to comply.

The bill requires DCF to refer sanctioned participants to appropriate free and low-cost community services, including food banks. The Department of Economic Opportunity, DCF, and CareerSource must work with participants to develop strategies to overcome barriers to compliance with the TCA work requirements. They must inform participants, and have the participant agree, in writing, to the expectations they must follow in order to continue receiving benefits.

The bill amends the Relative Caregiver program to prohibit payment of TCA to a noncustodial parent living with the relative that is caring for the noncustodial parent's child and receiving Relative Caregiver funding.

Florida provides TCA and other social welfare benefits by using Electronic Benefits Transfer (EBT) cards and there is no fee charged for replacement EBT cards. The bill requires EBT cardholders to pay a fee for the fifth and additional EBT cards requested within a 12-month period. The bill allows DCF to deduct the fee from the cardholder's benefits unless there is a hardship.

The bill requires hospitals to implement procedures to biometrically confirm Medicaid patient identities and compare them with driver's license photos and Medicaid eligibility.

The bill has a nonrecurring, negative fiscal impact to DCF of \$879,680 to implement changes to the TCA program and EBT card system. The bill has a recurring, positive fiscal impact of \$2,516,452 in savings from the reduction in TCA benefits while participants experience penalties for noncompliance.

The bill provides an effective date of July 1, 2016.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Temporary Assistance for Needy Families (TANF)

Under the federal welfare reform legislation of 1996, the Temporary Assistance for Needy Families (TANF) program replaced the welfare programs known as Aid to Families with Dependent Children, the Job Opportunities and Basic Skills Training program, and the Emergency Assistance program. The law ended federal entitlement to assistance and instead created TANF as a block grant that provides states, territories, and tribes federal funds each year. These funds cover benefits, administrative expenses, and services targeted to needy families. TANF became effective July 1, 1997, and was reauthorized in 2006 by the Deficit Reduction Act of 2005. States receive block grants to operate their individual programs and to accomplish the goals of the TANF program.

Florida's Temporary Cash Assistance Program

The Temporary Cash Assistance (TCA) Program provides cash assistance to families with children under the age of 18 or under age 19¹ if full time secondary school students, that meet the technical, income, and asset requirements. The purpose of the TCA Program is to help families become self-supporting while allowing children to remain in their own homes. In November 2015, 14,102 adults and 70,476 children received TCA.²

Full-Family vs. Child-Only TCA

Florida law specifies two categories of families who are eligible for TCA; those families that are work-eligible and entitled to receive TCA for the full-family, and those families who are entitled to receive child-only TCA. Within the full-family cases, the parent or parents are required to comply with work requirements to receive TCA for the parent(s) and child(ren). Additionally, there are two types of child-only TCA; the first category is where the child is living with a relative or situations the custodial parent is not eligible,³ the second type is the Relative Caregiver Program, where the child has been adjudicated dependent has been placed with relatives by the court; these relatives are eligible for a payment that is higher than the typical child-only TCA.

The majority of cash assistance benefits are provided to child-only cases, through the Relative Caregiver Program or to work-eligible cases where the adult is ineligible due to sanction for failure to meet TCA work requirements. In November 2015, 36,443 of the 49,652 families receiving TCA were child-only cases.⁴ In November 2015, there were 13,209 families receiving TCA through full-family cases containing an adult, 607 of which were two-parent families; these are the families who are subject to work requirements.⁵

¹ Parents, children and minor siblings who live together must apply together. Additionally, pregnant women may also receive TCA, either in the third trimester of pregnancy if unable to work, or in the 9th month of pregnancy.

³ Child-only families also include situations where a parent is receiving federal Supplemental Security Income (SSI) payments and situations where the parent is not a U.S. citizen and is ineligible due to their immigration status. Grandparents or other relatives receiving child-only payments are not subject to the TANF work requirement or the TANF time limit.

Administration

Various state agencies and entities work together through a series of contracts or memorandums of understanding to administer the TCA Program.

- The Department of Children and Families (DCF) is the recipient of the federal TANF block grant. DCF monitors eligibility and disperses benefits.
- CareerSource Florida, formerly Workforce Florida, Inc.,⁶ is the state's workforce policy and investment board. CareerSource Florida has planning and oversight responsibilities for all workforce-related programs.
- The Department of Economic Opportunity (DEO) is the designated agency for workforce programs, funding and personnel, and implements the policy created by CareerSource.⁷ DEO is responsible for financial and performance reports ensuring compliance with federal and state measures and provides training and technical assistance to Regional Workforce Boards.
- Regional Workforce Boards (RWBs) provide a coordinated and comprehensive delivery of local workforce services. The RWBs focus on strategic planning, policy development and oversight of the local workforce investment system within their respective areas and contract with one-stop career centers. The contracts with the RWBs are performance- and incentive- based.

Eligibility Determination

An applicant must meet all eligibility requirements to receive TCA benefits. The initial application for TANF is processed by DCF. The application may be submitted in person, online or through the mail.

DCF determines an applicant's eligibility. Additionally, to be eligible for full-family TCA, applicants must participate in work activities unless they qualify for an exemption. Exemptions from the work requirement are available for:

- An individual who receives benefits under the Supplemental Security Income program or the Social Security Disability Insurance program.
- An adult who is not defined as a work-eligible individual under federal law.
- A single parent of a child under 3 months of age, except that the parent may be required to attend parenting classes or other activities to better prepare for raising a child.
- An individual who is exempt from the time period pursuant to s. 414.105, F.S.

If no exemptions from work requirements apply, DCF refers the applicant to DEO.⁸ Upon referral, the participant must complete an in-take application and undergo assessment by RWB staff which includes:

- Identifying barriers to employment.
- Identifying the participant's skills that will translate into employment and training opportunities.
- Reviewing the participant's work history
- Identifying whether a participant needs alternative requirements due to domestic violence, substance abuse, medical problems, mental health issues, hidden disabilities, learning disabilities or other problems which prevent the participant from engaging in full-time employment or activities.

Once the assessment is complete, the staff member and participant create the Individual Responsibility Plan (IRP). The IRP includes:

⁶ On May 22, 2013, the WFI Board of Directors unanimously approved the brand charter, name, and logo establishing "CareerSource Florida" as the single, statewide unified brand for Florida's workforce system. This universal brand will apply directly to WFI, RWBs and One-Stop Career Centers, creating aligned brand names and logos system-wide (i.e. Workforce Florida Inc. is now CareerSource Florida and Gulf Coast Workforce Development Board is now CareerSource Gulf Coast).

⁷ S. 445.007(13), F.S.

⁸ This is an electronic referral through a system interface between DCF's computer system and DEO's computer system. Once the referral has been entered into the DEO system the information may be accessed by any of the RWBs or One-Stop Career Centers.

- The participant's employment goal;
- The participant's assigned activities;
- Services provided through program partners, community agencies and the workforce system;
- The weekly number of hours the participant is expected to complete; and
- Completion dates and deadlines for particular activities.

DCF does not disperse any benefits to the participant until DEO or the RWB confirms that the participant has registered and attended orientation.

Work Requirement

Individuals receiving TCA who are not otherwise exempt from work activity requirements must participate in work activities for the maximum number of hours allowable under federal law.⁹ The number of required work or activities hours is determined by calculating the value of the cash benefits and then dividing that number by the hourly minimum wage amount.

Federal law requires individuals to participate in work activities for at least:

- 20 hours per week, or attend at a secondary school or the equivalent or participate in education directly related to employment if under the age of 20 and married or single head-of-household.
- 20 hours per week for single parents with a child under the age of six.
- 30 hours per week for all other single parents.
- 35 hours per week, combined, for two-parent families not receiving subsidized child care.
- 55 hours per week, combined, for two-parent families receiving subsidized child care..

Pursuant to federal rule¹⁰ and state law,¹¹ the following activities may be used individually or in combination to satisfy the work requirements for a participant in the TCA program:

- Unsubsidized employment.
- Subsidized private sector employment.
- Subsidized public sector employment.
- On-the-job training.
- Community service programs.
- Work experience.
- Job search and job readiness assistance.
- Vocational educational training.
- Job skills training directly related to employment.
- Education directly related to employment.
- Attendance at school or course of study for graduate equivalency diploma.
- Providing child care services.¹²

RWB's currently have discretion to assign an applicant to a work activity, including job search, before receiving TCA. Some RWBs already require applicants to complete an initial job search as part of the application process.¹³ Currently, Florida's TANF Work Verification Plan¹⁴ requires participants to record

If the applicant conducts a job search by phone or internet, the activity must be recorded on a job search report form and include detailed, specific information to allow follow-up and verification by the RWB provider staff.¹⁵

Sanctions for Noncompliance

RWBs can sanction TANF recipients who fail to comply with the work requirements by withholding cash assistance for a specified time, which lengthens with repeated lack of compliance. The participant's noncompliance can result in sanctions, as follows:

- First noncompliance - cash assistance is terminated for the full-family for a minimum of 10 days or until the individual complies.
- Second noncompliance - cash assistance is terminated for the full-family for one month or until the individual complies, whichever is later.
- Third noncompliance - cash assistance is terminated for the full-family for three months or until the individual complies, whichever is later.

In Fiscal Year (FY) 2014-2015, the number of TCA families sanctioned for noncompliance with the work requirements breaks down as follows:

- 993 families were sanctioned for a first instance of noncompliance; of those families, only 193 families, or 19.4 percent, complied with work requirements to be reinstated in the program.¹⁶
- 466 families were sanctioned for a second instance of noncompliance; of those families, only 49 families, or 10.5 percent, complied with the work requirements to be reinstated in the program.¹⁷
- 489 families were sanctioned for a third instance of noncompliance; of those families, only 47 families, or 9.6 percent, complied with the work requirements to be reinstated in the program.¹⁸

For the second and subsequent instances of noncompliance, the TCA for the child or children in a family who are under age 16 may be continued (i.e. the case becomes a child-only case). Any such payments must be made through a protective payee and under no circumstances may temporary cash assistance or food assistance be paid to an individual who has not complied with program requirements. Data from 2014 indicates only six percent of those who regain eligibility after sanction do so via a child-only case.¹⁹

However, if a participant who was previously sanctioned fully complies with work activity requirements for at least six months, the participant must be reinstated as being in full compliance with program requirements for purpose of sanctions imposed under this section.²⁰ Once the participant has been reinstated, a subsequent instance of noncompliance would be treated as the first violation.

The Food Assistance Program, Supplemental Nutrition Assistance Program (SNAP), formerly called food stamps, also contains similar sanctions for failure to comply with its Employment and Training Program when receiving benefits. However, the SNAP sanctions are a longer duration. For the first instance of noncompliance, food assistance benefits are terminated for one month or until compliance, whichever is later; for the second instance, food assistance benefits are terminated for three months or until compliance, whichever is later; and for the third instance, food assistance benefits are terminated for six months or until compliance, whichever is longer.²¹

Relative Caregiver Program

The Relative Caregiver Program provides TCA to individuals who meet eligibility rules and have custody of a relative child under age 18 who has been court ordered dependent by a Florida court and placed in their home by a DCF Child Welfare/Community Based Care contracted provider.²² The intent of the Relative Caregiver Program is to provide relative caregivers who could not otherwise afford to take the child into their homes, a means to avoid exposing the child to the trauma of shelter or foster care.

The Relative Caregiver Program provides one type of child-only TCA. Payments are based on the child's age and any countable income.²³ DCF ceases to provide child-only Relative Caregiver Program benefits when the parent or step-parent resides in the home with the relative caregiver and the child. DCF ceases the benefits in this situation based on the requirement in s. 414.095(2)(a)5., F.S., that parents who live with their minor children to be included in the eligibility determination and households containing a parent are considered work-eligible households. Through rule 65C-28.008(2)(d), F.A.C., DCF terminates payments through the Relative Caregiver Program if the parent is in the home for 30 consecutive days.²⁴ However, at least one court has ruled that caregivers may continue to receive the Relative Caregiver Program benefits while the parent resides in the home, because the prohibition against the parent residing in the home is not in statute and DCF rules cannot be used to establish an eligibility guideline not included in the statute. Court orders in such cases result in DCF being required to make disallowed TANF expenditures.

Electronic Benefits Transfer (EBT) Card Program

Electronic Benefits Transfer (EBT) is an electronic system that allows a recipient to authorize transfer of their government benefits, including from the SNAP and TCA programs, to a retailer account to pay for products received.²⁵ The EBT card program is administered on the federal level by the Food and Nutrition Service (FNS) within the U.S. Department of Agriculture and at the state level by DCF. In Florida, benefits are deposited into a TCA or SNAP account each month; the benefits in the TCA or SNAP account are accessed using the Florida EBT Automated Community Connection to Economic Self Sufficiency (ACCESS) card.²⁶ Even though the EBT card is issued in the name of an applicant, any eligible member of the household is allowed to use the EBT card.²⁷ Additionally, recipients may designate an authorized representative as a secondary cardholder who can receive an EBT card and access the food assistance account. Authorized representatives are often someone responsible for caring for the recipient. The ACCESS Florida system allows recipients to designate one authorized representative per household.

Replacement of EBT Cards

When a recipient loses his or her EBT card, he or she must call the EBT vendor's customer service telephone number to request a replacement EBT card.²⁸ The vendor then deactivates the card, and

sends the household a new card.²⁹ Federal regulations allow recipients to request an unlimited number of replacement EBT cards.³⁰ While states cannot limit the number of replacement cards, frequent requests for replacement cards can be an indicator of EBT card fraud, such as trafficking, which occurs when an EBT card containing benefits is exchanged for cash. FNS and DCF consider multiple replacement cards a preliminary indicator of trafficking.

FNS aims to preserve food assistance access for vulnerable populations (e.g., mentally ill and homeless people) who are at risk of losing their cards but who are not committing fraud,³¹ while preventing others from trafficking and replacing their EBT cards. In the interest of preventing fraud, FNS regulations require states to monitor all client requests for EBT card replacements and send a notice, upon the fourth request in a 12-month period, alerting the household that their account is being monitored for potential suspicious activity.³² In Fiscal Year 2014-15, DCF sent 13,967 letters to households that had requested four or more cards.³³ The letter informs the recipient that the card does not need to be replaced each month and that it is important to keep track of the card.³⁴ The letter also informs the recipient that this number of replacement requests is not normal and that the household's EBT behavior is being monitored.³⁵ Additionally, in Fiscal Year 2014-15, less than one-third of the households who requested four cards (4,653 households) requested yet another replacement card after receiving the letter, and the DCF Office of Public Benefits Integrity referred these cases to the Department of Financial Services Division of Public Assistance Fraud (DPAF) for potential fraud investigation.³⁶

Federal regulations allow states to charge recipients for the cost to replace an excessive³⁷ number of cards. FNS allows states to charge for the cost of the EBT card after four replaced cards. Under DCF's EBT contract, the vendor reports that replacements costs \$3.50 per card.³⁸ A number of other states that charge for replacement cards. Those states charge between \$2.00 to \$5.00³⁹ per replacement card with some exceptions for good cause or financial hardship.

Medicaid Fraud

Medicaid fraud means an intentional deception or misrepresentation made by a health care provider or a Medicaid recipient with the knowledge that the deception could result in some unauthorized benefit to him or herself or some other person.⁴⁰ It includes any act that constitutes fraud under federal or state law related to Medicaid.⁴¹

The Attorney General's Medicaid Fraud Control Unit investigates and prosecutes fraud involving providers that intentionally defraud the state's Medicaid program through fraudulent billing practices.⁴² DPAF investigates Medicaid recipient fraud.⁴³

Effect of the Bill

Temporary Cash Assistance

Sanctions for Noncompliance

CS/HB 1299 increases the sanctions for TCA recipients who are subjected to the work requirements for the first three instances of noncompliance and creates a sanction for the fourth instance of noncompliance. The bill amends s. 414.065(1) and (2), F.S., to:

- Increase the first sanction from 10 days to one month; this sanction remains full-family.
- Increase the second sanction from one month or until compliance, whichever is later, to three months or until compliance, whichever is later; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first three months of the sanction period even if participant takes longer to comply.
- Increase the third sanction from three months or until compliance, whichever is later, to six months or until compliance, whichever is later; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first six months of the sanction period even if participant takes longer to comply.
- Create a fourth sanction of twelve months or until compliance, whichever is later, and that the individual must reapply to the program to resume receiving benefits; and provides that child-only TCA, for children in the family under 16 years old, is only available for the first twelve months of the sanction period even if participant takes longer to comply.

The bill aligns the sanctions for the first through third occurrences of noncompliance with TCA work requirements with the sanctions for noncompliance with the SNAP program's Employment and Training Program. When a participant is sanctioned, DCF must refer him or her to appropriate free and low-cost community services, including food banks. Additionally, the bill clarifies that participants may comply with the work activity requirements before the end of the minimum penalty period.

Work Plan

The bill requires that, prior to receipt of TCA, DEO, DCF, or CareerSource must inform the participant, in plain language, and have the participant indicate agree to, in writing:

- What is expected of the applicant to continue to receive benefits;
- Under what circumstances the applicant would be sanctioned; and
- Potential penalties for noncompliance with work requirements, including how long benefits would not be available to the applicant.

The bill also requires that, prior to receipt of TCA, DEO, DCF, or CareerSource must work with the participant to develop strategies on how to overcome barriers to compliance with the TCA work requirements that the recipient faces.

Relative Caregiver Program

The bill amends s. 39.5085, F.S., to clarify that a caregiver may not receive payment through the Relative Caregiver Program if the parent or step-parent resides in the home with his or her child. Section 414.095(2)(a)5., F.S., requires parents and step-parents who live with their minor children to be included for eligibility determination and TCA regulations that define households containing a parent as a "work eligible" household.

EBT Cards

The bill requires EBT cardholders to pay a fee for the fifth and all subsequent EBT replacement cards requested within a 12-month span. DCF currently sends a letter with the fourth replacement card informing the cardholder that his or her case is being monitored for potential trafficking activity. By charging the fee beginning with the fifth card, DCF may inform the cardholder in the letter that it sends with the fourth replacement card about replacement fees for subsequent new cards.

The bill allows DCF to deduct the fee from the cardholder's benefits and provides for a waiver of the fee upon a showing of good cause, such as that the card malfunctioned or the fee would cause extreme financial hardship.

Medicaid Fraud

In an effort to combat Medicaid fraud, the bill requires hospitals to implement procedures to biometrically confirm a Medicaid patient's identity and compare against his or her driver's license photo and Medicaid eligibility. The bill provides that that the Department of Legal Affairs, the Agency for Health Care Administration, and the Department of Highway Safety and Motor Vehicles may contract with hospitals or their software providers to provide access to the driver's license database for the purpose of verifying patients' identities and Medicaid eligibility

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

The bill increases the length of time during which TCA recipients are ineligible for benefits when not meeting the program's work requirements. The bill expands three existing penalty periods and creates a new fourth period. It is expected this legislation will decrease recurring state expenditures for temporary cash assistance in the amount of \$2,516,452.⁴⁴

The bill imposes a fee for the fifth, and subsequent, replacement EBT card within a 12-month period and provides such fee may be deducted from the participant's TCA benefits. Programming modifications to DCF's public benefits disbursement system are expected to cost \$879,680 to implement the card replacement provisions and to create a new fourth penalty for work requirement noncompliance.⁴⁵

⁴⁴ Department of Children and Families, Agency Bill Analysis for 2016 House Bill 1299 (February 8, 2016), On file with the Health Care Appropriations Subcommittee.

⁴⁵ Id.

The bill requires hospitals that accept Medicaid payments to implement new biometric measures to verify patients' identity using photographs contained within the Department of Highway Safety and Motor Vehicles' (DHSMV) driver license database. It is unknown to what extent the DHSMV's driver license database will require programmatic updates to interface with hospitals' biometric identification systems, but is likely significant.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The bill imposes a fee for the fifth, and subsequent, replacement EBT card within a 12-month period and provides such fee may be deducted from the participant's TCA benefits. The fee must be equal to the cost to replace the card. DCF may charge the costs of replacement cards against the program participant's benefits.

The bill requires hospitals that accept Medicaid payments to implement new biometric measures to verify patients' identity using photographs contained within the Department of Highway Safety and Motor Vehicles' driver license database. It is unknown to what extent hospitals have such ability, but the cost to implement this provision is likely significant.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable. This bill does not appear to affect county or municipal governments.

2. Other:

IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On January 26, 2016, the Children, Families and Seniors Subcommittee adopted two amendments addressing sanctions for noncompliance with TCA work requirements. The amendments:

- Clarify that participants may comply with the work activity requirements before the end of the minimum penalty periods for noncompliance with the TCA work requirements.
- Require DCF to refer participants who are sanctioned for noncompliance to appropriate free and low-cost community services, including food banks.

The bill was reported favorably as a committee substitute. The analysis is drafted to the committee substitute.

 90 | completion of the ~~6-month~~ 3-month penalty period, before
 91 | reinstatement of temporary cash assistance. Upon meeting this
 92 | requirement, temporary cash assistance shall be reinstated to
 93 | the date of compliance or the first day of the month following
 94 | the penalty period, whichever is later.

95 | b. Upon the third occurrence of noncompliance, temporary
 96 | cash assistance for the child or children in a family who are
 97 | under age 16 may be continued for the first 6 months of the
 98 | penalty period through a protective payee as specified in
 99 | subsection (2).

100 | 4. Fourth noncompliance:

101 | a. Temporary cash assistance shall be terminated for the
 102 | family for 12 months, or until the individual who failed to
 103 | comply does so, whichever is later. The individual shall be
 104 | required to comply with the required work activity upon

105 completion of the 12-month penalty period and reapply before
 106 reinstatement of temporary cash assistance. Upon meeting this
 107 requirement, temporary cash assistance shall be reinstated to
 108 the first day of the month following the penalty period.

109 b. Upon the fourth occurrence of noncompliance, temporary
 110 cash assistance for the child or children in a family who are
 111 under age 16 may be continued for the first 12 months of the
 112 penalty period through a protective payee as specified in
 113 subsection (2).

114 5. This paragraph does not prohibit a participant from
 115 complying with the work activity requirements during the penalty
 116 periods imposed in paragraph (a).

117 (b) If a participant receiving temporary cash assistance
 118 who is otherwise exempted from noncompliance penalties fails to
 119 comply with the alternative requirement plan required in
 120 accordance with this section, the penalties provided in
 121 paragraph (a) shall apply.

122 (c) When a participant is sanctioned for noncompliance
 123 with this section, the department shall refer the participant to
 124 appropriate free and low-cost community services, including food
 125 banks.

126
 127 If a participant fully complies with work activity requirements
 128 for at least 6 months, the participant shall be reinstated as
 129 being in full compliance with program requirements for purpose
 130 of sanctions imposed under this section.

131 (2) CONTINUATION OF TEMPORARY CASH ASSISTANCE FOR
 132 CHILDREN; PROTECTIVE PAYEES.—

133 (a) Upon the second or subsequent ~~third~~ occurrence of
 134 noncompliance, subject to the limitations in paragraph (1)(a),
 135 temporary cash assistance and food assistance for the child or
 136 children in a family who are under age 16 may be continued. Any
 137 such payments must be made through a protective payee or, in the
 138 case of food assistance, through an authorized representative.
 139 Under no circumstances shall temporary cash assistance or food
 140 assistance be paid to an individual who has failed to comply
 141 with program requirements.

142 Section 2. Subsections (3) through (7) of section 445.024,
 143 Florida Statutes, are renumbered as subsections (4) through (8),
 144 respectively, and a new subsection (3) is added to that section,
 145 to read:

146 445.024 Work requirements.—

147 (3) WORK PLAN AGREEMENT.—For each individual who is not
 148 otherwise exempt from work activity requirements, but before a
 149 participant may receive temporary cash assistance, the
 150 Department of Economic Opportunity, in cooperation with
 151 CareerSource Florida, Inc., and the Department of the Department
 152 of Children and Families, must:

153 (a) Inform the participant, in plain language, and require
 154 the participant to assent to, in writing:

155 1. What is expected of the participant to continue to
 156 receive temporary cash assistance benefits.

157 2. Under what circumstances the participant would be
 158 sanctioned for noncompliance.

159 3. Potential penalties for noncompliance with work
 160 requirements in s. 414.065, including how long benefits would
 161 not be available to the participant.

162 (b) Work with the participant to develop strategies to
 163 assist the participant in overcoming obstacles to compliance
 164 with the work activity requirements.

165 Section 3. Subsection (4) of section 402.82, Florida
 166 Statutes, is renumbered as subsection (5), and a new subsection
 167 (4) is added to that section, to read:

168 402.82 Electronic benefits transfer program.—

169 (4) The department shall impose a fee for the fifth and
 170 each subsequent request for a replacement electronic benefits
 171 transfer card that a participant requests within a 12-month
 172 period. The fee must be equal to the cost to replace the
 173 electronic benefits transfer card. The fee may be deducted from
 174 the participant's benefits. The department may waive the
 175 replacement fee upon a showing of good cause, such as the
 176 malfunction of the card or extreme financial hardship.

177 Section 4. Paragraph (a) of subsection (2) of section
 178 39.5085, Florida Statutes, is amended to read:

179 39.5085 Relative Caregiver Program.—

180 (2)(a) The Department of Children and Families shall
 181 establish, ~~and~~ operate, and implement the Relative Caregiver
 182 Program ~~pursuant to eligibility guidelines established in this~~

183 ~~section as further implemented~~ by rule of the department. The
 184 Relative Caregiver Program shall, within the limits of available
 185 funding, provide financial assistance to:

186 1. Relatives who are within the fifth degree by blood or
 187 marriage to the parent or stepparent of a child and who are
 188 caring full-time for that dependent child in the role of
 189 substitute parent as a result of a court's determination of
 190 child abuse, neglect, or abandonment and subsequent placement
 191 with the relative under this chapter.

192 2. Relatives who are within the fifth degree by blood or
 193 marriage to the parent or stepparent of a child and who are
 194 caring full-time for that dependent child, and a dependent half-
 195 brother or half-sister of that dependent child, in the role of
 196 substitute parent as a result of a court's determination of
 197 child abuse, neglect, or abandonment and subsequent placement
 198 with the relative under this chapter.

199 3. Nonrelatives who are willing to assume custody and care
 200 of a dependent child in the role of substitute parent as a
 201 result of a court's determination of child abuse, neglect, or
 202 abandonment and subsequent placement with the nonrelative
 203 caregiver under this chapter. The court must find that a
 204 proposed placement under this subparagraph is in the best
 205 interest of the child.

206 4. The relative or nonrelative caregiver may not receive a
 207 Relative Caregiver Program payment if the parent or stepparent
 208 of the child resides in the home. However, a relative or

209 nonrelative may receive the payment for a minor parent who is in
 210 his or her care and for the minor parent's child, if both the
 211 minor parent and the child have been adjudicated dependent and
 212 meet all other eligibility requirements. If the caregiver is
 213 currently receiving the payment, the payment must be terminated
 214 no later than the first day of the following month after the
 215 parent or stepparent moves into the home. Before the payment is
 216 terminated, the caregiver must be given 10 days' notice of
 217 adverse action.

218
 219 The placement may be court-ordered temporary legal custody to
 220 the relative or nonrelative under protective supervision of the
 221 department pursuant to s. 39.521(1)(b)3., or court-ordered
 222 placement in the home of a relative or nonrelative as a
 223 permanency option under s. 39.6221 or s. 39.6231 or under former
 224 s. 39.622 if the placement was made before July 1, 2006. The
 225 Relative Caregiver Program shall offer financial assistance to
 226 caregivers who would be unable to serve in that capacity without
 227 the caregiver payment because of financial burden, thus exposing
 228 the child to the trauma of placement in a shelter or in foster
 229 care.

230 Section 5. Section 16.59, Florida Statutes, is amended to
 231 read:

232 16.59 Medicaid fraud control.—

233 (1) The Medicaid Fraud Control Unit is created in the
 234 Department of Legal Affairs to investigate all violations of s.

235 409.920 and any criminal violations discovered during the course
 236 of those investigations. The Medicaid Fraud Control Unit may
 237 refer any criminal violation so uncovered to the appropriate
 238 prosecuting authority. The offices of the Medicaid Fraud Control
 239 Unit, the Agency for Health Care Administration Medicaid program
 240 integrity program, and the Divisions of Insurance Fraud and
 241 Public Assistance Fraud within the Department of Financial
 242 Services shall, to the extent possible, be collocated; however,
 243 positions dedicated to Medicaid managed care fraud within the
 244 Medicaid Fraud Control Unit shall be collocated with the
 245 Division of Insurance Fraud. The Agency for Health Care
 246 Administration, the Department of Legal Affairs, and the
 247 Divisions of Insurance Fraud and Public Assistance Fraud within
 248 the Department of Financial Services shall conduct joint
 249 training and other joint activities designed to increase
 250 communication and coordination in recovering overpayments.

251 (2) In order to combat Medicaid fraud, by January 1, 2017,
 252 all hospitals that accept Medicaid payments must implement
 253 measures to biometrically confirm a patient's identity.

254 (a) These measures must verify the patient's identity
 255 against the patient's image contained within the Department of
 256 Highway Safety and Motor Vehicles' driver license database, if
 257 available, and verify the patient's eligibility to receive
 258 Medicaid payments.

SUMMARY ANALYSIS

Chapter 893, F.S., sets forth the Florida Comprehensive Drug Abuse Prevention and Control Act and classifies controlled substances into five categories, known as schedules. These schedules regulate the manufacture, distribution, preparation and dispensing of the substances listed therein. The distinguishing factors between the different drug schedules are the "potential for abuse" of the substances listed therein and whether there is a currently accepted medical use for the substance.

The bill amends s. 893.03, F.S., to add 12 new substances and six general substance classes to the list of substances that are classified under Schedule I. The general classes are as follows:

- Synthetic Cannabinoids;
- Substituted Cathinones;
- Substituted Phenethylamines;
- N-benzyl Phenethylamines;
- Substituted Tryptamines; and
- Substituted Phencyclidines.

The bill makes technical corrections to the names of 113 substances, adds definitions, and makes conforming changes. The bill also revises various criminal penalties that apply to violations of ch. 893, F.S.

The Criminal Justice Impact Conference met on January 29, 2016, and determined that this bill would have a positive indeterminate impact on the Department of Corrections (i.e., an unquantifiable increase in prison beds). The number of future synthetic drug variations, and the resulting offenses connected to them, is unknown. The bill also creates new misdemeanor penalties, which may increase the need for jail beds.

The bill is effective July 1, 2016.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Regulating Controlled Substances

The Florida Comprehensive Drug Abuse Prevention and Control Act

Chapter 893, F.S., sets forth the Florida Comprehensive Drug Abuse Prevention and Control Act and classifies controlled substances into five categories, known as schedules. These schedules regulate the manufacture, distribution, preparation and dispensing of the substances listed therein. The distinguishing factors between the different drug schedules are the "potential for abuse"¹ of the substances listed therein and whether there is a currently accepted medical use for the substance.² The Controlled Substance Schedules are as follows:

- Schedule I substances have a high potential for abuse and have no currently accepted medical use in the United States. This schedule includes substances such as cannabis and heroin.³
- Schedule II substances have a high potential for abuse and have a currently accepted but severely restricted medical use in the United States. This schedule includes substances such as raw opium and codeine.⁴
- Schedule III substances have a potential for abuse less than the substances contained in Schedules I and II and have a currently accepted medical use in the United States. This schedule includes substances such as stimulants and anabolic steroids.⁵
- Schedule IV substances have a low potential for abuse relative to the substances in Schedule III and have a currently accepted medical use in the United States. This schedule includes substances such as benzodiazepines and barbiturates.⁶
- Schedule V substances have a low potential for abuse relative to the substances in Schedule IV and have a currently accepted medical use in the United States. This schedule includes substances such as mixtures that contain small quantities of opiates, narcotics, or stimulants.⁷

Chapter 893, F.S., contains a variety of provisions criminalizing behavior related to controlled substances. Most of these provisions are found in s. 893.13, F.S., which criminalizes the possession, sale, purchase, manufacture, and delivery of controlled substances. The penalty for violating these provisions depends largely on the schedule in which the substance is listed.⁸ Other factors, such as the quantity of controlled substances involved in a crime or the location where the violation occurs can also affect the penalties for violating the criminal provisions of ch. 893, F.S.

Each year since 2011, the Florida Legislature has added numerous synthetic cannabinoids, cathinones, and phenethylamines to Schedule I of Florida's controlled substances schedules.⁹ As a result, the criminal penalties relating to the possession, sale, manufacture, and delivery of controlled substances now apply to these synthetic substances. For example:

- It is a first degree misdemeanor¹⁰ to possess three grams or less of listed synthetic cannabinoids;¹¹ and

¹ Section 893.035(3)(a), F.S., defines "potential for abuse" to mean that a substance has properties as a central nervous system stimulant or depressant or a hallucinogen that create a substantial likelihood of its being: 1) used in amounts that create a hazard to the user's health or the safety of the community; 2) diverted from legal channels and distributed through illegal channels; or 3) taken on the user's own initiative rather than on the basis of professional medical advice.

¹⁰ A first degree misdemeanor is punishable by up to one year in jail and a \$1,000 fine. ss. 775.082 and 775.083, F.S.

- It is a third degree felony¹² to knowingly sell, manufacture, or deliver, or possess with intent to sell, manufacture, or deliver, listed synthetic cannabinoids.¹³

Since the 2015 Legislative Session, new formulas of synthetic substances have been developed that are made of chemicals not covered by current law.

The Florida Drug and Cosmetic Act

Chapter 499, F.S., the Florida Drug and Cosmetic Act (Act), protects consumers from fraud, misbranding, false advertising, and other violations in relation to drugs, devices and cosmetics.¹⁴ There are a wide variety of civil, administrative, and criminal penalties applied to violations of the Act. Criminal penalties are applied to violations such as forgery of prescription drug labels, trafficking in contraband prescription drugs, refusing to allow a lawful inspection, and false advertisement, among others.¹⁵ The criminal violations in the Act are primarily punishable as first,¹⁶ second,¹⁷ or third degree felonies.

The Florida Analogue Statute

In an effort to regulate new substances not included in the schedules, the Legislature created s. 893.0356, F.S., commonly referred to as the Analogue Statute, to prohibit drugs that are similar to drugs specifically prohibited in statute.¹⁸ The Analogue Statute requires a controlled substance analogue to be treated as a controlled substance in Schedule I for purposes of the drug schedules.¹⁹ This means that the criminal penalties for possessing, selling, manufacturing, etc., a controlled substance analogue are the same as those for possessing, selling, manufacturing, etc., a controlled substance listed in Schedule I. The Analogue Statute defines “controlled substance analog” to mean a substance which, due to its chemical structure and potential for abuse, meets the following criteria:

- Is substantially similar to that of a controlled substance listed in Schedule I or Schedule II of s. 893.03; and
- Has a stimulant, depressant, or hallucinogenic effect on the central nervous system or is represented or intended to have a stimulant, depressant, or hallucinogenic effect on the central nervous system substantially similar to or greater than that of a controlled substance listed in Schedule I or Schedule II of s. 893.03.²⁰

The Analogue Statute clarifies that a “controlled substance analog” does not include:

- A controlled substance;
- Any substance for which there is an approved new drug application;
- Any compound, mixture, or preparation which contains any controlled substance which is not for administration to a human being or animal, and which is packaged in such form or concentration, or with adulterants or denaturants, so that as packaged it does not present any significant potential for abuse; or
- Any substance to which an investigational exemption applies under s. 505 of the Food, Drug, and Cosmetic Act, 21 U.S.C. 355, but only to the extent that conduct with respect to the substance is pursuant to such exemption.²¹

¹¹ s. 893.13(6)(b), F.S.

¹⁷ A second degree felony is punishable by up to 15 years imprisonment and a \$10,000 fine. ss. 775.082, 775.083, and 775.084, F.S.

¹⁸ The Analogue Statute, created in 1987, is largely mirrored after the federal Controlled Substance Analogue Enforcement Act (AEA) under 21 USC § 802(32)(A).

The General Class Approach to Substance Regulation

Adding a specific chemical compound to a drug schedule is a common way to prohibit a substance. However, this approach usually requires the addition of new substances to the drug schedule every year to include substances containing new or slightly modified compounds. The general class approach bans synthetic substances based on the chemical grouping or class of the substances.²² This allows a law to prohibit a number of substances within the same class without listing the individual substances in statute.²³

Practical and constitutional concerns are raised by the general class approach. The complexity of the chemical compounds of designer drugs can make it difficult to impose a broad ban on such substances without unintentionally including compounds that have legitimate uses. Additionally, criminal laws may violate the constitutional requirement of due process if the laws do not clearly define the behavior that is prohibited or if they are so broad as to encompass lawful behavior.²⁴

Designer Substances

Synthetic Cannabinoids

Synthetic cannabinoids (also known as “K2” or “Spice”) are chemically engineered substances that have a similar structure to tetrahydrocannabinol (THC) and produce a high similar to marijuana when ingested.²⁵ The chemicals are often applied to a plant material to mimic marijuana.²⁶ Synthetic cannabinoids have been developed over the last 30 years for research purposes to investigate the cannabinoid system.²⁷ No legitimate non-research uses have been identified for synthetic cannabinoids and they have not been approved by the FDA for human consumption.²⁸

Despite being labeled “not for human consumption,” synthetic cannabinoids are used as recreational drugs and have been marketed as a legal alternative to illegal methods of getting “high.”²⁹ They can be purchased on the Internet, in smoke shops, and convenience stores.³⁰ The effects of ingesting synthetic cannabinoids can be very serious, and may include seizures, hallucinations, paranoia, anxiety, and tachycardia (racing heartbeat), among others.³¹

Substituted Phenethylamines

Phenethylamines are compounds with a chemical structure of a benzene ring substituted with a 2-aminoethyl chain.³² Phenethylamine itself is not a controlled substance, but many substituted variations³³ of phenethylamine are.³⁴ Substituted phenethylamines may have an effect on the user

similar to hallucinogens, stimulants, or both.³⁵ A common type of substituted phenethylamine, often referred to as 2C,³⁶ is created by a substitution that increases hallucinogenic effects of the compound.³⁷ 2C has a similar structure to 3,4-methylenedioxy-*N*-methylamphetamine (MDMA, “ecstasy”), and it is very popular as a designer drug.³⁸

Substituted Cathinones

Synthetic cathinones are related to the parent compound cathinone, one of the psychoactive properties in khat (*Catha edulis* Forsk).³⁹ Khat is a shrub grown in East Africa and southern Arabia, and people sometimes chew its leaves for their mild stimulant effects.⁴⁰ Substituted cathinones are synthetic analogs of cathinone within the phenethylamine compound class.⁴¹ Substituted cathinones are different from other phenethylamines described above by the addition of a beta-keto substitute to the core ring along with a substitution of either the alpha carbon atom or the nitrogen atom.⁴² Substituted cathinones are often called “bath salts,” Flakka, Cloud Nine, and White Lightning⁴³ and are claimed to have effects similar to those of cocaine, amphetamine, or MDMA (ecstasy).⁴⁴

N-benzyl Phenethylamines

N-benzyl phenethylamines are derivatives of the 2C phenethylamine compounds⁴⁵ that activate serotonin neuroreceptors in a similar way to other phenethylamines.⁴⁶ These compounds are referred to as “NBOMe compounds,” and while sufficient studies have not been conducted on the potency of these compounds, studies have indicated that they have a strong effect on serotonin neuroreceptors that are associated with hallucinogenic brain activity.⁴⁷

Substituted Tryptamines

Tryptamines occur naturally in plants and can be created synthetically.⁴⁸ Some tryptamine compounds have documented hallucinogenic effects and can be taken orally, or by injection, smoking, or snorting.⁴⁹

Substituted tryptamines are created by substituting the indole ring or the 2-aminoethyl chain or both with various substituents.⁵⁰ N,N-dimethyltryptamine (DMT) and 5-methoxyN,N-diisopropyltryptamine (5-MeO-DIPT) are substituted tryptamines that are commonly abused when 3,4-methylenedioxyamphetamine (MDMA) is unavailable.⁵¹

Substituted Phencyclidines

Phencyclidine (PCP) was developed in the 1950s for medical use as an anesthetic, but such use was discontinued due to serious side effects that caused delirium and confusion, among others.⁵² At some point after its discontinued medical use, PCP-type substances surfaced in the recreational drug market.⁵³ Recreational PCP derivatives include 4-methoxyphencyclidine, commonly referred to as methoxydine,⁵⁴ eticyclidine (PCE), rolicyclidine (PHP, PCPY), and tenocyclidine (TCP), among others.⁵⁵ The side effects of these substances can range from stupor to a deep coma.⁵⁶

The criminal penalties applied to violations of ch. 893, F.S., involving substances listed in Schedule I will apply to the specific substances listed above, as well as substances that fall within the six general classifications.

The bill makes technical corrections and additions to the names of 113 substances currently included in Schedule I, five substances currently included in Schedule III, and 17 "precursor" chemicals that may be used in the manufacture of a controlled substance, to conform to modern scientific conventions.

The bill adds the following definitions to ch. 893, F.S.:

- "Cannabinoid receptor agonist" means a chemical compound or substance that, according to scientific or medical research, study, testing, or analysis demonstrates the presence of binding activity at one or more of the CB1 or CB2 cell membrane receptors located within the human body.
- "Homologue" means a chemical compound in a series in which each compound differs by one or more repeating hydrocarbon functional group units at any single point within the compound.
- "Mixture" means any physical combination of two or more substances, including, but not limited to, a blend, an aggregation, a suspension, an emulsion, a solution, or a dosage unit, whether or not such combination can be separated into its components by physical means, whether mechanical or thermal.
- "Nitrogen-heterocyclic analog" means an analog of a controlled substance which has a single carbon atom in a cyclic structure of a compound replaced by a nitrogen atom.
- "Positional isomer" means any substance that possesses the same molecular formula and core structure and that has the same functional group or substituent as those found in the respective controlled substance, attached at any positions on the core structure, but in such manner that

no new chemical functionalities are created and no existing chemical functionalities are destroyed relative to the respective controlled substance. Rearrangements of alkyl moieties within or between functional groups or substituents, or divisions or combinations of alkyl moieties, which do not create new chemical functionalities or destroy existing chemical functionalities, are allowed and include resulting compounds that are positional isomers. As used in this definition, the term "core structure" means the parent molecule that is the common basis for the class that includes, but is not limited to, tryptamine, phenethylamine, or ergoline. Examples of rearrangements resulting in creation or destruction of chemical functionalities, and therefore resulting in compounds that are not positional isomers, include, but are not limited to, ethoxy to alpha-hydroxyethyl, hydroxy and methyl to methoxy, or the repositioning of a phenolic or alcoholic hydroxy group to create a hydroxyamine. Examples of rearrangements resulting in compounds that would be positional isomers, include, but are not limited to, tert-butyl to sec-butyl, methoxy and ethyl to isopropoxy, N,N-diethyl to N-methyl-N-propyl, or alpha-methylamino to N-methylamino.

- "Substantially similar," as the term applies to the chemical structure of a substance, means that the chemical structure of the substance compared to the structure of a controlled substance has a single difference in the structural formula that substitutes one atom or functional group for another, including, but not limited to, one halogen for another halogen, one hydrogen for a halogen or vice versa, an alkyl group added or deleted as a side chain to or from a molecule, or an alkyl group added or deleted from a side chain of a molecule.
- The definition of "drug paraphernalia" is revised to include:
 - Diluents and adulterants, such as quinine hydrochloride, caffeine, dimethyl sulfone, mannitol, mannite, dextrose, and lactose, used, intended for use, or designed for use in diluting controlled substances; or substances such as damiana leaf, marshmallow leaf, and mullein leaf, used, intended for use, or designed for use as carrier mediums of controlled substances.
 - Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing controlled substances, as described in s. 893.03, or substances described in s. 877.111(1).

The bill specifies that a controlled substance analog shall be treated as the highest scheduled controlled substance to which it is a controlled substance analog in s. 893.03, F.S., and adds the following factors to the list of relevant factors in determining that a substance is a controlled substance analog:

- Comparisons to the accepted methods of marketing, distribution, and sales of the substance and that which the substance is purported to be, including, but not limited to:
 - The difference in price at which the substance is sold and the price at which the substance it is purported to be or advertised as is normally sold;
 - The difference in how the substance is imported, manufactured, or distributed compared to how the substance it is purported to be or advertised as is normally imported, manufactured, or distributed;
 - The difference in the appearance of the substance in overall finished dosage form compared to the substance it is purported to be or advertised as normally appears in overall finished dosage form; and
 - The difference in how the substance is labeled for sale, packaged for sale, or the method of sale, including, but not limited to, the placement of the substance in an area commonly viewable to the public for purchase consideration compared to how the substance it is purported to be or advertised as is normally labeled for sale, packaged for sale, or sold to the public.

The bill creates the following criminal offenses:

- Possession of a substance in Schedule V⁵⁸ is a second degree misdemeanor.⁵⁹

⁵⁸ s. 893.03(5), F.S.

⁵⁹ A second degree misdemeanor is punishable by up to 60 days in jail and a \$500 fine. ss. 775.082, 775.083, and 775.084, F.S.

- Delivering any controlled substance to a person younger than 18 years of age, using or hiring a person younger than 18 years of age as an agent or employee in the sale or delivery of such a substance, or using such person to assist in avoiding detection or apprehension for a violation of ch. 893, F.S., when the controlled substance is not otherwise specified, is a third degree felony.⁶⁰

The bill revises criminal and civil penalties related to controlled substances, as follows:

- Removes the provision in s. 893.13(6)(b), F.S., criminalizing the possession of three grams or less of a variety of cannabinoids as a first degree misdemeanor.⁶¹ This change increases the penalty for possession of any cannabinoid other than cannabis, as defined in s. 893.02(3), F.S., regardless of the amount, from a first degree misdemeanor to a third degree felony.
- Makes possession of a substance in Schedule V⁶² a second degree misdemeanor.
- Permits property that is the site of two or more violations of ch. 499, F.S., within a six-month period, to be designated a public nuisance under s. 893.138, F.S.
- Requires that a violation involving a controlled substance not otherwise specified, be punished by sentencing the offender to pay a \$500 fine and to serve 100 hours of public service in addition to any other penalty prescribed by law, if:
 - A person to sells, manufactures, or delivers, a controlled substance in, on, or within 1,000 feet of the real property comprising an assisted living facility, as that term is used in ch. 429, F.S.; or
 - A person 18 years of age or older delivers any controlled substance to a person younger than 18 years of age, uses or hires a person younger than 18 years of age as an agent or employee in the sale or delivery of such a substance, or uses such person to assist in avoiding detection or apprehension for a violation of this chapter.
- Amends the Offense Severity Ranking Chart to include the offense of use or hire of a minor or delivering to a minor other controlled substances, under s. 893.13(4)(c), F.S., as a Level 2 offense.

The bill adds crimes involving misbranded drugs under s. 499.0051, F.S., to the crimes included in the definition of "racketeering activity" in the Florida RICO (Racketeer Influenced and Corrupt Organization) Act.⁶³

 77 893.02, Florida Statutes, are amended, new subsections (17) and
 78 (20) are added to that section, present subsections (17), (18),

79 (19), (20), (21), (22), and (23) of that section are
 80 redesignated as subsections (18), (19), (21), (22), (23), (24),
 81 and (25), respectively, and subsections (4) and (14) are
 82 republished, to read:

83 893.02 Definitions.—The following words and phrases as
 84 used in this chapter shall have the following meanings, unless
 85 the context otherwise requires:

86 (2) "Cannabinoid receptor agonist" means a chemical
 87 compound or substance that, according to scientific or medical
 88 research, study, testing, or analysis demonstrates the presence
 89 of binding activity at one or more of the CB1 or CB2 cell
 90 membrane receptors located within the human body ~~"Analog" or~~
 91 ~~"chemical analog" means a structural derivative of a parent~~
 92 ~~compound that is a controlled substance.~~

93 (4) "Controlled substance" means any substance named or
 94 described in Schedules I-V of s. 893.03. Laws controlling the
 95 manufacture, distribution, preparation, dispensing, or
 96 administration of such substances are drug abuse laws.

97 (11) "Homologue" means a chemical compound in a series in
 98 which each compound differs by one or more repeating hydrocarbon
 99 functional group units at any single point within the compound
 100 ~~alkyl functional groups on an alkyl side chain.~~

101 (14) "Listed chemical" means any precursor chemical or
 102 essential chemical named or described in s. 893.033.

103 (16) "Mixture" means any physical combination of two or
 104 more substances, including, but not limited to, a blend, an

105 aggregation, a suspension, an emulsion, a solution, or a dosage
 106 unit, whether or not such combination can be separated into its
 107 components by physical means, whether mechanical or thermal.

108 (17) "Nitrogen-heterocyclic analog" means an analog of a
 109 controlled substance which has a single carbon atom in a cyclic
 110 structure of a compound replaced by a nitrogen atom.

111 (20) "Positional isomer" means any substance that
 112 possesses the same molecular formula and core structure and that
 113 has the same functional group or substituent as those found in
 114 the respective controlled substance, attached at any positions
 115 on the core structure, but in such manner that no new chemical
 116 functionalities are created and no existing chemical
 117 functionalities are destroyed relative to the respective
 118 controlled substance. Rearrangements of alkyl moieties within or
 119 between functional groups or substituents, or divisions or
 120 combinations of alkyl moieties, which do not create new chemical
 121 functionalities or destroy existing chemical functionalities,
 122 are allowed and include resulting compounds that are positional
 123 isomers. As used in this definition, the term "core structure"
 124 means the parent molecule that is the common basis for the class
 125 that includes, but is not limited to, tryptamine,
 126 phenethylamine, or ergoline. Examples of rearrangements
 127 resulting in creation or destruction of chemical
 128 functionalities, and therefore resulting in compounds that are
 129 not positional isomers, include, but are not limited to, ethoxy
 130 to alpha-hydroxyethyl, hydroxy and methyl to methoxy, or the

131 repositioning of a phenolic or alcoholic hydroxy group to create
 132 a hydroxylamine. Examples of rearrangements resulting in
 133 compounds that would be positional isomers, include, but are not
 134 limited to, tert-butyl to sec-butyl, methoxy and ethyl to
 135 isopropoxy, N,N-diethyl to N-methyl-N-propyl, or alpha-
 136 methylamino to N-methylamino.

137 Section 2. Section 893.03, Florida Statutes, is amended to
 138 read:

139 893.03 Standards and schedules.—The substances enumerated
 140 in this section are controlled by this chapter. The controlled
 141 substances listed or to be listed in Schedules I, II, III, IV,
 142 and V are included by whatever official, common, usual,
 143 chemical, ~~or~~ trade name, or class designated. The provisions of
 144 this section shall not be construed to include within any of the
 145 schedules contained in this section any excluded drugs listed
 146 within the purview of 21 C.F.R. s. 1308.22, styled "Excluded

1719 893.0356 Control of new substances; findings of fact;
 1720 "controlled substance analog" defined.—

1721 (2)(a) As used in this section, "controlled substance
 1722 analog" means a substance which, due to its chemical structure
 1723 and potential for abuse, meets the following criteria:

1724 1. Is substantially similar to that of a controlled
 1725 substance listed in Schedule I or Schedule II of s. 893.03; and

1726 2. Has a stimulant, depressant, or hallucinogenic effect
 1727 on the central nervous system or is represented or intended to
 1728 have a stimulant, depressant, or hallucinogenic effect on the
 1729 central nervous system substantially similar to or greater than
 1730 that of a controlled substance listed in Schedule I or Schedule
 1731 II of s. 893.03.

1732 (3) As used in this section, the term "substantially
 1733 similar," as the term applies to the chemical structure of a
 1734 substance, means that the chemical structure of the substance
 1735 compared to the structure of a controlled substance has a single
 1736 difference in the structural formula that substitutes one atom
 1737 or functional group for another, including, but not limited to,
 1738 one halogen for another halogen, one hydrogen for a halogen or
 1739 vice versa, an alkyl group added or deleted as a side chain to
 1740 or from a molecule, or an alkyl group added or deleted from a
 1741 side chain of a molecule. ~~"potential for abuse" in this section~~
 1742 ~~means that a substance has properties as a central nervous~~

1743 ~~system stimulant or depressant or a hallucinogen that create a~~
 1744 ~~substantial likelihood of its being:~~

1745 ~~(a) Used in amounts that create a hazard to the user's~~
 1746 ~~health or the safety of the community;~~

1747 ~~(b) Diverted from legal channels and distributed through~~
 1748 ~~illegal channels; or~~

1749 ~~(c) Taken on the user's own initiative rather than on the~~
 1750 ~~basis of professional medical advice.~~

1751

1752 ~~Proof of potential for abuse can be based upon a showing that~~
 1753 ~~these activities are already taking place, or upon a showing~~
 1754 ~~that the nature and properties of the substance make it~~
 1755 ~~reasonable to assume that there is a substantial likelihood that~~
 1756 ~~such activities will take place, in other than isolated or~~
 1757 ~~occasional instances.~~

1758 (4) The following factors shall be relevant to a finding
 1759 that a substance is a controlled substance analog within the
 1760 purview of this section:

1761 (j) Comparisons to the accepted methods of marketing,
 1762 distribution, and sales of the substance and that which the
 1763 substance is purported to be, including, but not limited to:

1764 1. The difference in price at which the substance is sold
 1765 and the price at which the substance it is purported to be or
 1766 advertised as is normally sold;

1767 2. The difference in how the substance is imported,
 1768 manufactured, or distributed compared to how the substance it is

1769 purported to be or advertised as is normally imported,
 1770 manufactured, or distributed;

1771 3. The difference in the appearance of the substance in
 1772 overall finished dosage form compared to the substance it is
 1773 purported to be or advertised as normally appears in overall
 1774 finished dosage form; and

1775 4. The difference in how the substance is labeled for
 1776 sale, packaged for sale, or the method of sale, including, but
 1777 not limited to, the placement of the substance in an area
 1778 commonly viewable to the public for purchase consideration
 1779 compared to how the substance it is purported to be or
 1780 advertised as is normally labeled for sale, packaged for sale,
 1781 or sold to the public.

1782 (5) A controlled substance analog shall, for purposes of
 1783 drug abuse prevention and control, be treated as the highest
 1784 scheduled ~~a~~ controlled substance of which it is a controlled
 1785 substance analog to in ~~Schedule I~~ of s. 893.03.

1786 Section 5. Subsections (1), (4), and (6), and paragraph
 1787 (d) of subsection (8) of section 893.13, Florida Statutes, are
 1788 amended, and subsection (2), paragraphs (a) and (b) of
 1789 subsection (5), and paragraph (a) of subsection (7) of that
 1790 section are republished, to read:

 2890 | made by this act to section 893.03, Florida Statutes, in
 2891 | references thereto, paragraphs (a) and (g) of subsection (30) of
 2892 | section 39.01, Florida Statutes, are reenacted to read:

2893 | 39.01 Definitions.—When used in this chapter, unless the
 2894 | context otherwise requires:

2895 | (30) "Harm" to a child's health or welfare can occur when
 2896 | any person:

2897 | (a) Inflicts or allows to be inflicted upon the child
 2898 | physical, mental, or emotional injury. In determining whether

2899 | harm has occurred, the following factors must be considered in
 2900 | evaluating any physical, mental, or emotional injury to a child:
 2901 | the age of the child; any prior history of injuries to the
 2902 | child; the location of the injury on the body of the child; the
 2903 | multiplicity of the injury; and the type of trauma inflicted.

2904 | Such injury includes, but is not limited to:

- 2905 | 1. Willful acts that produce the following specific
 2906 | injuries:
- 2907 | a. Sprains, dislocations, or cartilage damage.
 - 2908 | b. Bone or skull fractures.
 - 2909 | c. Brain or spinal cord damage.
 - 2910 | d. Intracranial hemorrhage or injury to other internal
 2911 | organs.
 - 2912 | e. Asphyxiation, suffocation, or drowning.
 - 2913 | f. Injury resulting from the use of a deadly weapon.
 - 2914 | g. Burns or scalding.
 - 2915 | h. Cuts, lacerations, punctures, or bites.
 - 2916 | i. Permanent or temporary disfigurement.
 - 2917 | j. Permanent or temporary loss or impairment of a body
 2918 | part or function.

2919 |
 2920 | As used in this subparagraph, the term "willful" refers to the
 2921 | intent to perform an action, not to the intent to achieve a
 2922 | result or to cause an injury.

- 2923 | 2. Purposely giving a child poison, alcohol, drugs, or
 2924 | other substances that substantially affect the child's behavior,

2925 motor coordination, or judgment or that result in sickness or
 2926 internal injury. For the purposes of this subparagraph, the term
 2927 "drugs" means prescription drugs not prescribed for the child or
 2928 not administered as prescribed, and controlled substances as
 2929 outlined in Schedule I or Schedule II of s. 893.03.

2930 3. Leaving a child without adult supervision or
 2931 arrangement appropriate for the child's age or mental or
 2932 physical condition, so that the child is unable to care for the
 2933 child's own needs or another's basic needs or is unable to
 2934 exercise good judgment in responding to any kind of physical or
 2935 emotional crisis.

2936 4. Inappropriate or excessively harsh disciplinary action
 2937 that is likely to result in physical injury, mental injury as
 2938 defined in this section, or emotional injury. The significance
 2939 of any injury must be evaluated in light of the following
 2940 factors: the age of the child; any prior history of injuries to
 2941 the child; the location of the injury on the body of the child;
 2942 the multiplicity of the injury; and the type of trauma
 2943 inflicted. Corporal discipline may be considered excessive or
 2944 abusive when it results in any of the following or other similar
 2945 injuries:

- 2946 a. Sprains, dislocations, or cartilage damage.
- 2947 b. Bone or skull fractures.
- 2948 c. Brain or spinal cord damage.
- 2949 d. Intracranial hemorrhage or injury to other internal
 2950 organs.

2951 e. Asphyxiation, suffocation, or drowning.
 2952 f. Injury resulting from the use of a deadly weapon.
 2953 g. Burns or scalding.
 2954 h. Cuts, lacerations, punctures, or bites.
 2955 i. Permanent or temporary disfigurement.
 2956 j. Permanent or temporary loss or impairment of a body
 2957 part or function.
 2958 k. Significant bruises or welts.
 2959 (g) Exposes a child to a controlled substance or alcohol.
 2960 Exposure to a controlled substance or alcohol is established by:
 2961 1. A test, administered at birth, which indicated that the
 2962 child's blood, urine, or meconium contained any amount of
 2963 alcohol or a controlled substance or metabolites of such
 2964 substances, the presence of which was not the result of medical
 2965 treatment administered to the mother or the newborn infant; or
 2966 2. Evidence of extensive, abusive, and chronic use of a
 2967 controlled substance or alcohol by a parent when the child is
 2968 demonstrably adversely affected by such usage.
 2969
 2970 As used in this paragraph, the term "controlled substance" means
 2971 prescription drugs not prescribed for the parent or not
 2972 administered as prescribed and controlled substances as outlined
 2973 in Schedule I or Schedule II of s. 893.03.
 2974 Section 12. For the purpose of incorporating the amendment
 2975 made by this act to section 893.03, Florida Statutes, in a
 2976 reference thereto, subsection (5) of section 316.193, Florida

2977 Statutes, is reenacted to read:
 2978 316.193 Driving under the influence; penalties.—
 2979 (5) The court shall place all offenders convicted of
 2980 violating this section on monthly reporting probation and shall
 2981 require completion of a substance abuse course conducted by a
 2982 DUI program licensed by the department under s. 322.292, which
 2983 must include a psychosocial evaluation of the offender. If the
 2984 DUI program refers the offender to an authorized substance abuse
 2985 treatment provider for substance abuse treatment, in addition to
 2986 any sentence or fine imposed under this section, completion of
 2987 all such education, evaluation, and treatment is a condition of
 2988 reporting probation. The offender shall assume reasonable costs
 2989 for such education, evaluation, and treatment. The referral to
 2990 treatment resulting from a psychosocial evaluation shall not be
 2991 waived without a supporting independent psychosocial evaluation
 2992 conducted by an authorized substance abuse treatment provider
 2993 appointed by the court, which shall have access to the DUI
 2994 program's psychosocial evaluation before the independent
 2995 psychosocial evaluation is conducted. The court shall review the
 2996 results and recommendations of both evaluations before
 2997 determining the request for waiver. The offender shall bear the
 2998 full cost of this procedure. The term "substance abuse" means
 2999 the abuse of alcohol or any substance named or described in
 3000 Schedules I through V of s. 893.03. If an offender referred to
 3001 treatment under this subsection fails to report for or complete
 3002 such treatment or fails to complete the DUI program substance

3003 | abuse education course and evaluation, the DUI program shall
 3004 | notify the court and the department of the failure. Upon receipt
 3005 | of the notice, the department shall cancel the offender's
 3006 | driving privilege, notwithstanding the terms of the court order
 3007 | or any suspension or revocation of the driving privilege. The
 3008 | department may temporarily reinstate the driving privilege on a
 3009 | restricted basis upon verification from the DUI program that the
 3010 | offender is currently participating in treatment and the DUI
 3011 | education course and evaluation requirement has been completed.
 3012 | If the DUI program notifies the department of the second failure
 3013 | to complete treatment, the department shall reinstate the
 3014 | driving privilege only after notice of completion of treatment
 3015 | from the DUI program. The organization that conducts the
 3016 | substance abuse education and evaluation may not provide
 3017 | required substance abuse treatment unless a waiver has been
 3018 | granted to that organization by the department. A waiver may be
 3019 | granted only if the department determines, in accordance with
 3020 | its rules, that the service provider that conducts the substance
 3021 | abuse education and evaluation is the most appropriate service
 3022 | provider and is licensed under chapter 397 or is exempt from
 3023 | such licensure. A statistical referral report shall be submitted
 3024 | quarterly to the department by each organization authorized to
 3025 | provide services under this section.

3026 | Section 13. For the purpose of incorporating the amendment
 3027 | made by this act to section 893.03, Florida Statutes, in a
 3028 | reference thereto, paragraph (c) of subsection (2) of section

3029 322.2616, Florida Statutes, is reenacted to read:

3030 322.2616 Suspension of license; persons under 21 years of
 3031 age; right to review.—

3032 (2)

3033 (c) When a driver subject to this section has a blood-
 3034 alcohol or breath-alcohol level of 0.05 or higher, the
 3035 suspension shall remain in effect until such time as the driver
 3036 has completed a substance abuse course offered by a DUI program
 3037 licensed by the department. The driver shall assume the
 3038 reasonable costs for the substance abuse course. As part of the
 3039 substance abuse course, the program shall conduct a substance
 3040 abuse evaluation of the driver, and notify the parents or legal
 3041 guardians of drivers under the age of 19 years of the results of
 3042 the evaluation. The term "substance abuse" means the abuse of
 3043 alcohol or any substance named or described in Schedules I
 3044 through V of s. 893.03. If a driver fails to complete the
 3045 substance abuse education course and evaluation, the driver
 3046 license shall not be reinstated by the department.

3047 Section 14. For the purpose of incorporating the amendment
 3048 made by this act to section 893.03, Florida Statutes, in a
 3049 reference thereto, subsection (5) of section 327.35, Florida
 3050 Statutes, is reenacted to read:

3051 327.35 Boating under the influence; penalties; "designated
 3052 drivers."—

3053 (5) In addition to any sentence or fine, the court shall
 3054 place any offender convicted of violating this section on

3055 monthly reporting probation and shall require attendance at a
 3056 substance abuse course specified by the court; and the agency
 3057 conducting the course may refer the offender to an authorized
 3058 service provider for substance abuse evaluation and treatment,
 3059 in addition to any sentence or fine imposed under this section.
 3060 The offender shall assume reasonable costs for such education,
 3061 evaluation, and treatment, with completion of all such
 3062 education, evaluation, and treatment being a condition of
 3063 reporting probation. Treatment resulting from a psychosocial
 3064 evaluation may not be waived without a supporting psychosocial
 3065 evaluation conducted by an agency appointed by the court and
 3066 with access to the original evaluation. The offender shall bear
 3067 the cost of this procedure. The term "substance abuse" means the
 3068 abuse of alcohol or any substance named or described in
 3069 Schedules I-V of s. 893.03.

3070 Section 15. For the purpose of incorporating the amendment
 3071 made by this act to section 893.03, Florida Statutes, in a
 3072 reference thereto, paragraph (b) of subsection (11) of section
 3073 440.102, Florida Statutes, is reenacted to read:

3080 (b) An employee who is employed by a public employer in a

3081 special-risk position may be discharged or disciplined by a
 3082 public employer for the first positive confirmed test result if
 3083 the drug confirmed is an illicit drug under s. 893.03. A
 3084 special-risk employee who is participating in an employee
 3085 assistance program or drug rehabilitation program may not be
 3086 allowed to continue to work in any special-risk or mandatory-
 3087 testing position of the public employer, but may be assigned to
 3088 a position other than a mandatory-testing position or placed on
 3089 leave while the employee is participating in the program.
 3090 However, the employee shall be permitted to use any accumulated
 3091 annual leave credits before leave may be ordered without pay.

 3248 of-state prescription drug wholesale distributor, retail
 3249 pharmacy drug wholesale distributor, manufacturer, or repackager
 3250 does not have any controlled substance distributions for the
 3251 month, a report shall be sent indicating that no distributions
 3252 occurred in the period. The report shall be submitted monthly by
 3253 the 20th of the next month, in the electronic format used for
 3254 controlled substance reporting to the Automation of Reports and

3275 The department must share the reported data with the Department
 3276 of Law Enforcement and local law enforcement agencies upon
 3277 request and must monitor purchasing to identify purchasing
 3278 levels that are inconsistent with the purchasing entity's
 3279 clinical needs. The Department of Law Enforcement shall
 3280 investigate purchases at levels that are inconsistent with the
 3281 purchasing entity's clinical needs to determine whether
 3282 violations of chapter 893 have occurred.

3283 (15) DUE DILIGENCE OF PURCHASERS.—

3284 (a) Each prescription drug wholesale distributor, out-of-
 3285 state prescription drug wholesale distributor, and retail
 3286 pharmacy drug wholesale distributor must establish and maintain
 3287 policies and procedures to credential physicians licensed under
 3288 chapter 458, chapter 459, chapter 461, or chapter 466 and

3289 | pharmacies that purchase or otherwise receive from the wholesale
 3290 | distributor controlled substances listed in Schedule II or

 3301 | wholesale distributor.

3302 | 3. A determination that the receiving entity's Schedule II
 3303 | and Schedule III controlled substance purchasing history, if
 3304 | any, is consistent with and reasonable for that entity's
 3305 | clinical business needs.

3306 | Section 23. For the purpose of incorporating the amendment
 3307 | made by this act to section 893.03, Florida Statutes, in a
 3308 | reference thereto, paragraph (a) of subsection (3) of section
 3309 | 499.029, Florida Statutes, is reenacted to read:

3310 | 499.029 Cancer Drug Donation Program.—

3311 | (3) As used in this section:

3312 | (a) "Cancer drug" means a prescription drug that has been
 3313 | approved under s. 505 of the federal Food, Drug, and Cosmetic
 3314 | Act and is used to treat cancer or its side effects or is used

3315 to treat the side effects of a prescription drug used to treat

BILL #: HB 4027 Traffic Infraction Detectors

SUMMARY ANALYSIS

In 2010, the Legislature enacted the Mark Wandall Traffic Safety Act, authorizing the use of traffic infraction detectors, commonly known as red light cameras, and expressly preempting to the state the regulation and use of traffic infraction detectors.

The bill repeals and amends various provisions of law, removing authorization for the use of traffic infraction detectors, which are currently used to enforce specified provisions of traffic law by automatically photographing vehicles whose drivers run red lights.

The bill leaves intact the express preemption to the state the regulation of the use of traffic infraction detectors; thereby, prohibiting the implementation of red light camera programs by local ordinance.

The bill has a negative recurring impact even though it does not take effect until 2019. This is because revenues are considered nonrecurring until the effective date, given the prospective repeal of the law. Therefore, although there is no immediate loss of revenue, the accounting of those revenues as being temporary or time limited occurs immediately. The Revenue Estimating Conference met on October 16, 2015, and estimated that the bill has a recurring annual impact of \$54.8 million to general revenue, \$10.4 million to state trust funds, and \$63.3 million to local government revenues.

The bill has an effective date of July 1, 2019.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Red Light Cameras Generally

Traffic infraction detectors,¹ more commonly known as “red light cameras,”² are used to document traffic law violations by automatically photographing vehicles whose drivers have failed to yield at red lights. The cameras are connected to the traffic signal and to sensors that monitor traffic flow at the crosswalk or stop line. The system photographs vehicles that enter the intersection above a pre-set minimum speed after the signal has turned red; a second photograph typically shows the driver in the intersection. In some cases, video cameras are used. Red light cameras also record the license plate number, date and time of day, time elapsed since the beginning of the red signal, and the vehicle’s speed.

Red light cameras in Florida

In 2010, the Florida Legislature enacted CS/CS/HB 325,³ expressly preempting to the state the regulation of the use of cameras for enforcing the provisions of Ch. 316, F.S.,⁴ which is known as the Florida Uniform Traffic Control Law.⁵ The law also authorized the Department of Highway Safety and Motor Vehicles (DHSMV), counties, and municipalities to employ red light camera programs.⁶

Jurisdiction, Installation, and Awareness

Every traffic infraction detector must meet requirements established by the Department of Transportation (DOT), and must be tested at regular intervals according to procedures prescribed by DOT.⁷ If DHSMV, a county, or a municipality installs a red light camera at an intersection, the respective governmental entity must notify the public that a camera is in use at that intersection, including specific notification of enforcement of right-on-red violations.⁸ Such signage must meet specifications adopted by DOT pursuant to s. 316.0745, F.S.⁹

Municipalities may install or authorize the installation of traffic infraction detectors on streets and highways in accordance with the DOT standards, and on state roads within the incorporated area when permitted by DOT.¹⁰ Counties may install or authorize installation of traffic infraction detectors on streets and highways in unincorporated areas of the county in accordance with DOT standards, and on state roads in unincorporated areas of the county when permitted by DOT.¹¹ DHSMV may install or authorize installation of traffic infraction detectors on any state road under the original jurisdiction of DOT, when permitted by the DOT.¹²

¹ Section 316.003(87), F.S., defines “traffic infraction detector” as “[a] vehicle sensor installed to work in conjunction with a traffic control signal and a camera or cameras synchronized to automatically record two or more sequenced photographic or electronic images or streaming video of only the rear of a motor vehicle at the time the vehicle fails to stop behind the stop bar or clearly marked stop line when facing a traffic control signal steady red light. Any notification under s. 316.0083(1)(b) or traffic citation issued by the use of a traffic infraction detector must include a photograph or other recorded image showing both the license tag of the offending vehicle and the traffic control device being violated.”

² In this analysis, the terms “traffic infraction detector” and “red light camera” are used interchangeably.

Traffic Control Devices

Section 316.0745(1), F.S., requires DOT to adopt a uniform system of traffic control devices for use on the streets and highways of the state. Section 316.075(3)(a), F.S., provides that no traffic control signal device shall be used which does not exhibit a yellow or "caution" light between the green or "go" signal and the red or "stop" signal, but it does not specify the length of time that the yellow or red light must be exhibited.

Inspection of Traffic Control Signal Devices

DOT officials reported that it enters into traffic signal maintenance agreements with counties and municipalities, and these agreements are the mechanism for ensuring that jurisdictions comply with yellow light timing and other traffic signal standards.¹³ In addition, DOT staff conducts field tests and quality assurance reviews that encompass a number of issues, including yellow light interval timing.

Notifications and Citations

If a red light camera captures an image of a driver running a red light, the visual information is reviewed by a traffic infraction enforcement officer. A notification of violation must be issued to the registered owner of the vehicle within 30 days of the alleged violation.¹⁴ The notification must be sent by first-class mail, and must include a statement that informs the owner of the right to review the photographic or video evidence, upon which the violation is based, as well as the time and place or Internet location where the evidence may be reviewed.¹⁵ Violations may not be issued if the driver is making a right-hand turn in a "careful and prudent manner,"¹⁶ or if the driver comes to a complete stop before making a permissible right turn.¹⁷

A person who has been issued a notice of violation for a red light camera violation may elect to receive a hearing within 60 days following the date of the notice of violation. No payment or fee may be required in order to receive the hearing. Further, if a person elects to receive a hearing, the person waives his or her right to challenge delivery of the notice of violation.¹⁸ If the notice of violation is upheld, the local hearing officer must require the petitioner to pay the \$158 penalty and may also require the petitioner to pay county or municipal costs, not to exceed \$250.¹⁹

If the registered owner of the vehicle does not pay the violation within 60 days following the date of notification, the traffic infraction enforcement officer must issue a uniform traffic citation (UTC) to the owner.²⁰ The UTC must be mailed by certified mail.²¹ Like the notice of violation, the UTC must also include the photograph and statements described above regarding review of the photographic or video evidence.²² The report of an officer and images provided by a traffic infraction detector are admissible in court and provide a rebuttable presumption the vehicle was used to commit the violation.²³

A traffic infraction enforcement officer must provide by electronic transmission a replica of the citation data when issued under s. 316.0083, F.S., to the court having jurisdiction over the alleged offense or its traffic violations bureau within five days after the issuance date of a UTC to the violator.²⁴

Red light camera citations carry a \$158 penalty. When the \$158 penalty is the result of local government enforcement, \$75 is retained by the local government and \$83 is deposited with the Department of Revenue (DOR).²⁵ DOR subsequently distributes the penalty by depositing \$70 in the General Revenue Fund, \$10 in the Department of Health (DOH) Administrative Trust Fund, and \$3 in the Brain and Spinal Cord Injury Trust Fund.²⁶

When the \$158 penalty is the result of enforcement by DHSMV, \$45 is retained by the local government and \$113 is deposited with DOR.²⁷ DOR subsequently distributes the penalty by depositing \$100 in the General Revenue Fund, \$10 in the DOH Administrative Trust Fund, and \$3 in the Brain and Spinal Cord Injury Trust Fund.²⁸ DHSMV does not currently operate any red light cameras.

If a law enforcement officer cites a motorist for the same offense, the penalty is still \$158, but the revenue is distributed from the local clerk of court to DOR, where \$30 is distributed to the General Revenue Fund, \$65 is distributed to the Department of Health Administrative Trust Fund, and \$3 is distributed to the Brain and Spinal Cord Injury Trust Fund. The remaining \$60 is distributed in small percentages to a number of funds pursuant to s. 318.21, F.S.²⁹

Citations from traffic infraction detectors may not result in points assessed against the driver's driver license, and may not be used for the purpose of setting motor vehicle insurance rates.³⁰

Proceeds retained by local government

As stated above, each time a \$158 red light violation penalty is collected the local government retains \$75 and remits \$83 to the state. In a survey of local governments that operate a red light camera program, the Office of Policy Analysis & Governmental Accountability (OPPAGA)³¹ reported that, over a three- year period:

- 49 percent of total money collected went to red light camera vendors.
- 78 percent of respondents reported excess revenue after payments to vendors and other program expenses. Excess revenue was allocated to:
 - general fund (76%)
 - public safety/police (14%)
 - road repair/maintenance (5%)
- 16 percent of respondents had difficulty generating sufficient revenue to make vendor payments and have accrued outstanding balances

Local governments must procure for the services of a red light camera vendor. The contract term generally ranges from three to five years.³² Local governments typically pay between \$4,250 and \$4,750 per camera, per month.³³

DHSMV – 2015 Red Light Camera Program Analysis

Florida law requires each county or municipality operating a red light camera program to annually self-report data to DHSMV, which shall include the following information:

- Red light camera program results over the preceding fiscal year;
- The procedures for enforcement; and
- Other statistical data and information required by DHSMV.³⁴

³⁴ Section 316.0083(4), F.S. DHSMV uses an on-line questionnaire to facilitate data collection.

Based on this data covering the period between July 1, 2014 and June 30, 2015 (survey period), DHSMV submitted a summary report to the Governor and Legislature containing the following findings:

- 71 agencies responded that they had red light camera in operation during the survey period.³⁵
- During the survey period, the agencies issued a total of 963,039 Notices of Violation.
- Of the Notices of Violation issued, 630,369 paid the fine. (65.4%).
- 14,814 notices of violation were contested and dismissed (1.5%).
- Florida law states that “a notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right-hand turns are permissible.” Of the 71 agencies responding to the survey, 68 percent indicated that they issue Notices of Violation for a right-on-red violation, and 32 percent indicated that they did not issue Notices of Violation for a right-on-red violation. During the reporting period 253,744 (26.34%) Notices of Violation were issued for right hand turns.

Crash statistics

In its December 2015, Red Light Camera Report, DHSMV provided the following breakdown of the number of crashes at Red Light Camera (RLC) intersections before and after the cameras were installed:³⁶

	Before RLC Installed	After RLC Installed	Percentage Change
Total Crashes	3,453	3,959	14.65%
Angle Crashes	815	814	-0.12%
Rear-End Crashes	835	920	10.18%
Non-Incapacitating Injuries	459	506	2.22%
Incapacitating Injuries	174	225	29.31%
Fatalities	16	18	
Crashes Involving Non-Motorists	185	216	16.75%
Fatal Crashes Involving Motorists	4	7	

Litigation

In October 2014, the Florida Fourth District Court of Appeal dismissed a red light camera citation after finding that the local government had delegated an impermissible measure of discretion and control over their red light camera program to a private third-party vendor.³⁷ Under the terms of the contract, the vendor decided which infractions would be reviewed by the city, obtained the information needed to fill out a citation, completed the citation, issued the citation, and transmitted the citation information to the court.³⁸ In Florida, only traffic infraction enforcement officers and sworn law enforcement officers are authorized to issue a traffic citation.³⁹ The Florida Supreme Court declined to accept jurisdiction on the case.⁴⁰

The *Arem* decision may have an effect on the administration of red light camera programs throughout the state. Some jurisdictions have voted to suspend or terminate their red light camera programs since the decision was handed down.

³⁵ Two jurisdictions did not respond to DHSMV’s survey.

³⁶ It should be noted that other factors may have contributed to the number of crashes.

Section 316.003(87), F.S., defines "traffic infraction detector" as a vehicle sensor installed to work in conjunction with a traffic control signal and a camera or cameras synchronized to automatically record two or more sequenced photographic or electronic images or streaming video of only the rear of a motor vehicle at the time the vehicle fails to stop behind the stop bar or clearly marked stop line when facing a traffic control signal exhibiting a red light. Any notification under s. 318.0083(1)(b), F.S., or traffic citation issued by the use of a traffic infraction detector must include a photograph or other recorded image showing both the license tag of the offending vehicle and the traffic control signal device being violated.

Section 316.003(91), F.S., defines "local hearing officer" as the person, designated by a department, county, or municipality that elects to authorize traffic infraction enforcement officers to issue traffic citations under s. 316.0083(1)(a), F.S., who is authorized to conduct hearings related to the notice of violation pursuant to s. 316.0083, F.S. The charter county, noncharter county, or municipality may use its currently appointed code enforcement board or special magistrate to serve as the local hearing officer. The department may enter into an interlocal agreement to use the local hearing officer of a county or municipality.

- Authorizes DHSMV, a county, or a municipality to authorize a traffic infraction enforcement officer to issue traffic citations for specified provisions of traffic law relating to the obedience to traffic control signals and stopping a vehicle facing a steady red signal;
- Prohibits issuance of notices of violation for traffic citations for failing to stop while making rolling "right-on-red" turns in a "careful and prudent manner" and for failing to stop before crossing the stop line or other point at which a stop is required when making a "right-on-red" turn;
- Provides the process and requirements for issuance of notices of violation, sets forth specific information to be included in such notices; provided alternative options for an alleged violator, including providing a specified affidavit, requesting a hearing, or paying the penalty stated in the notice; providing penalty amounts and fine distributions; and prohibits certain individuals, manufacturers, or vendors from receiving commissions, fees, or remuneration relating to the use of traffic infraction detectors;
- Provides the process and requirements for issuance of traffic citations; sets forth specific information to be included in such notices; provides for defenses to be established by affidavit, states requirements for information to be included in such affidavits, provides penalties for submission of false affidavits; provides for dismissal of citations and issuance notices of violation and traffic citations to the person designated in an affidavit as having care, custody, or control of the motor vehicle at the time of the violation; and provides for supplemental enforcement;

⁴¹ Section 316.008(8)(a), F.S.

Traffic infraction detectors; placement and implementation. (Section 6)

Section 316.0776, F.S., provides for the placement and installation of traffic infraction detectors.

The bill repeals s. 316.0776, F.S., repealing provisions relating to the placement and installation of traffic infraction detectors.

Failure to comply with civil penalty or to appear; penalty. (Section 7)

Section 318.15(3), F.S., requires the clerk of court to notify DHSMV of persons who were mailed notices of violation pursuant to the Mark Wandall Traffic Safety Program who fail to enter into, or comply with the terms of, a penalty payment plan, or order with the clerk to the local hearing officer of failed to appear at a scheduled hearing within 10 days after such failure.

Upon receiving the notice, DHSMV, or its authorized agent is prohibited from issuing a license plate or revalidation sticker for any motor vehicle owned or coowned by that person until the assessed amount has been fully paid.

After the issuance of the license plate or revalidation sticker is withheld, the person may challenge the withholding of the license plate or revalidation sticker only on the basis that the outstanding fines and civil penalties have been paid.

The bill repeals s. 318.15(3), F.S., relating to withholding vehicle registration for failure to pay penalties associated with the Mark Wandall Traffic Safety Program.

Authorization to use traffic infraction detectors (Section 8)

Section 321.50, F.S., authorizes DHMSV to use traffic infraction detectors on state roads under the original jurisdiction of DOT, when permitted by DOT.

The bill repeals s. 321.50, F.S., repealing the authorization for DHSMV to install traffic infraction detectors on state roads.

Enforcement of Traffic Laws (Section 10)

In general, s. 316.640, F.S., vests the enforcement of the state's traffic laws to various entities. Section 316.640(1), F.S., provides that various state agencies may enforce the state's traffic laws under various circumstances.

Section 316.640(1)(b)3., F.S., provides that for the purpose of enforcing the Mark Wandall Traffic Safety Program, DHSMV may designate employees as traffic infraction enforcement officers, and provides minimum requirement for these officers. The statute also provides that the traffic infraction enforcement officers must be physically located in the state.

Section 316.640(5)(a), F.S., provides that any sheriff's department or municipal police department may employ traffic infraction enforcement officers. Included in this paragraph is the authorization for traffic infraction enforcement officers to issue traffic citations under the Mark Wandall Traffic Safety Program.

The bill repeals s. 316.640(1)(b)3., F.S., repealing DHSMV's authority to designate employees as traffic infraction enforcement officers.

If a hearing is requested, the traffic infraction enforcement officer shall provide a replica of the traffic notice of violation data to the clerk for the local hearing officer having jurisdiction over the alleged offense within 14 days.

The bill repeals s. 316.650(3)(c), F.S., regarding traffic citations issued under the Mark Wandall Traffic Safety Program.

Amount of Penalties (Section 14)

Sections 318.18(15) and (22), F.S., provide for the amount of penalties for violations relating to traffic infraction detectors and the distribution of such penalties.

Section 318.18(15)(a)2., F.S., provides for distribution of the penalty for a violation enforced by DHSMV's traffic infraction enforcement officers. Section 318.18(15)(a)3., F.S., provides the penalties for violations enforced by a county's or municipality's traffic infraction enforcement officer. Section 318.18(15)(c), F.S., authorizes the clerk of court or the clerk to the local hearing officer to dismiss the case if the notice of violation was issued in error.

Section 318.18(15)(d), F.S., provides that an individual may not receive a commission or per-ticket fee from any revenue collected from violations detected through the use of a traffic infraction detector. A manufacturer or vendor may not receive a fee or remuneration based upon the number of violations detected through the use of traffic infraction detectors.

Section 318.18(22), F.S. provides that in addition to the penalty prescribed in the Mark Wandall Traffic Safety Program which are upheld, the local hearing officer may also order the payment of county or municipal costs, not to exceed \$250.

The bill amends s. 318.18(15), F.S., removing "when issued by a law enforcement officer" to provisions relating to the penalties for failing to stop at a traffic signal. The bill also removes provisions for the distribution of penalties, commission or per ticket fees or payment on the number of violations. The bill also repeals s. 318.18(22), F.S., relating to the payment of county and municipal costs.

Authority of DHSMV to suspend or revoke driver license or identification card (Section 16)

Section 322.27(3), F.S., provides the point system for the evaluation of convictions for motor vehicle violations. Section 322.27(3)(d)6., F.S., provides that the points for the violation of a traffic control signal is 4 points. However, the sub-paragraph provides that no points are imposed for a violation for failing to stop at a traffic control signal when enforced by a traffic infraction enforcement officer. Additionally, a violation where a driver has failed to stop at a traffic signal and when enforced by a traffic infraction enforcement officer may not be used for purposes of setting motor vehicle insurance rates.

The bill repeals the provision of s. 322.27(3)(d)6., F.S., repealing provisions regarding points and insurance rates regarding convictions regarding traffic infraction detectors.

Effective Date (Section 17)

The bill has an effective date of July 1, 2019.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

On October 16, 2015, the Revenue Estimating Conference reviewed the bill. The consensus estimate is that there will be the following **negative** recurring fiscal impact to state government revenues:

Fiscal Year	General Revenue	Trust Funds	Total
2016-2017	\$54.8 million	\$10.4 million	\$65.2 million
2017-2018	\$55.5 million	\$10.6 million	\$66.1 million
2018-2019	\$56.1 million	\$10.7 million	\$66.8 million
2019-2020	\$56.8 million	\$10.8 million	\$67.6 million
2020-2021	\$57.5 million	\$11.0 million	\$68.5 million

2. Expenditures:

DOR will no longer incur the expenses associated with processing the payments from municipalities and counties and distributing the monies to the appropriate funds.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

On October 16, 2015, the Revenue Estimating Conference reviewed the bill. The consensus estimate is that there will be the following **negative** recurring fiscal impact to local government revenues:

Fiscal Year	Revenue
2016-2017	\$63.3 million
2017-2018	\$64.1 million
2018-2019	\$64.9 million
2019-2020	\$65.7 million
2020-2021	\$66.5 million

2. Expenditures:

Municipalities and counties will no longer incur the expenses associated with traffic infraction detectors. However, these entities may incur some expenses associated with removing existing traffic infraction detectors.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The possibility of a \$158 fine for the violation of a traffic infraction detector would be eliminated.

According to DHSMV, according to its 2015 survey, 71 jurisdictions responded that they operated traffic infraction detectors during the survey period. Each of these jurisdictions has a unique contract with a vendor to provide some, if not all, of the following services: installation, maintenance, monitoring, and citation issuance. The value of these contracts and the specific stakeholders are not clear at this time, but the impact will be significant.⁴²

D. FISCAL COMMENTS:

The bill has a negative recurring impact even though it does not take effect until 2019. This is because revenues are considered nonrecurring until the effective date, given the prospective repeal of the law. Therefore, although there is no immediate loss of revenue, the accounting of those revenues as being temporary or time limited occurs immediately. The Revenue Estimating Conference met on October 16, 2015, and estimated that the bill has a recurring annual impact of \$54.8 million to general revenue, \$10.4 million to state trust funds, and \$63.3 million to local government revenues.

According to DHSMV, passage of the bill would eliminate the need for the Annual Survey, Annual Red Light Camera Report, and the vendor approval process for the issuance of the Notices of Violation. This would also alleviate the workload related to handling red light camera disputes and for granting access and registration stops.⁴³

The bill will also eliminate the need for hearings to dispute the issuance of red light camera notices of violation.⁴⁴

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The county/municipality mandates provision of Art. VII, section 18, of the Florida Constitution may apply because this bill diminishes their authority to raise revenue by repealing the authorization for traffic infraction detectors; however, an exception may apply since specific authority for traffic infraction detectors did not exist on February 1, 1989. Additionally, the bill also repeals the authority for DHSMV to install traffic infraction detectors.

2. Other:

Municipalities or counties may have contracts that provide for the use of traffic infraction detectors beyond July 1, 2019. To the extent that these contracts do not contain provisions regarding the termination of the contract upon the repeal of the authorization for traffic infraction detectors, there may be an impairment of contracts argument.

B. RULE-MAKING AUTHORITY:

While not in its rules, DHSMV indicates that the bill will require it to implement some procedure changes.⁴⁵

SUMMARY ANALYSIS

The State Board of Administration (SBA) has responsibility for oversight of the Florida Retirement System (FRS) Pension Plan and FRS Investment Plan, which represents approximately \$153.8 billion, or 87.1 percent, of the \$176.5 billion in assets managed by the SBA. The SBA's ability to invest the FRS assets is governed by a "legal list" of the types of investments and the total percentage that may be invested in each type. Currently, the SBA may invest up to 35 percent of any of its funds in foreign corporate securities and obligations.

The Protecting Florida's Investment Act (PFIA) requires the SBA to identify and divest from assets in foreign companies doing business in Iran and Sudan. The PFIA requires the SBA to assemble and publish a list of "Scrutinized Companies" that have prohibited business operations in Sudan and Iran. Once placed on the list, the SBA and its investment managers are prohibited from acquiring those companies' securities and are required to divest those securities if the companies on the list do not cease the prohibited activities or take certain compensating actions involving petroleum or energy, oil or mineral extraction, power production, or military support activities.

The PFIA specifies that the SBA may no longer scrutinize companies with certain business operations in Iran, may no longer assemble the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and must cease engagement, investment prohibitions, and divestment with respect to those companies upon the occurrence of certain actions by Congress or the President.

The bill repeals a provision requiring the SBA to cease scrutinizing and divesting of companies with certain business operations in Iran upon the occurrence of Congress or the President affirmatively and unambiguously declaring, by means including, but not limited to, legislation, executive order, or written certification from the President to Congress, that such mandatory divestment interferes with the conduct of United States foreign policy.

The bill does not appear to have a fiscal impact on the state or local governments.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Background

State Board of Administration

The State Board of Administration (SBA or board) is established by Art. IV, s. 4(e) of the State Constitution and is composed of the Governor, the Chief Financial Officer, and the Attorney General. The SBA derives its powers to oversee state funds from Art. XII, s. 9 of the Constitution.

The SBA has responsibility for oversight of the Florida Retirement System (FRS) Pension Plan investments and the FRS Investment Plan,¹ which represent approximately \$153.8 billion, or 87.1 percent, of the \$176.5 billion in assets managed by the SBA, as of October 31, 2015.² The SBA also manages more than 30 other investment portfolios with combined assets of \$22.9 billion, including the Florida Hurricane Catastrophe Fund, the Florida Lottery Fund, the Florida Pre-Paid College Plan, and various debt-service accounts for state bond issues.³

Investments

Investment decisions for the pension plan are made by fiduciaries hired by the state. Under Florida law, an SBA fiduciary charged with an investment decision must act as a prudent expert would under similar circumstances, taking into account all relevant substantive factors. A nine-member Investment Advisory Council provides recommendations on investment policy, strategy, and procedures.⁴

The SBA's ability to invest the FRS assets is governed by s. 215.47, F.S., which provides a "legal list" of the types of investments and the total percentage that may be invested in each type. Some "legal list" guidelines specific to the pension plan provide:

- No more than 80 percent of assets should be invested in domestic common stocks.
- No more than 75 percent of assets should be invested in internally managed common stocks.
- No more than 3 percent of equity assets should be invested in the equity securities of any one corporation, except to the extent a higher percentage of the same issue is included in a nationally recognized market index, based on market values, or except upon a specific finding by the board that such higher percentage is in the best interest of the fund.
- No more than 25 percent of assets should be invested in notes issued by FHA-insured or VA-guaranteed first mortgages on real property, or foreign government general obligations.
- No more than 35 percent of assets should be invested in foreign corporate or commercial securities or obligations.
- No more than 20 percent of assets should be invested in alternative investments.

State Sponsors of Terrorism

Countries that are determined by the United States Secretary of State to have repeatedly provided support for acts of international terrorism are designated as "State Sponsors of Terrorism" and are subject to sanctions under the Export Administration Act, the Arms Export Control Act, and the Foreign Assistance Act.⁵ The four main categories of sanctions resulting from designations under these acts

¹ Members in the FRS may elect to participate in the pension plan, which is a defined benefit plan, or the investment plan, which is a defined contribution plan.

are: restrictions on U.S. foreign assistance, a ban on defense exports and sales, certain controls over exports of dual use items, and miscellaneous financial and other restrictions.⁶

The three countries currently designated by the U.S. Secretary of State as "State Sponsors of Terrorism" are Iran, Sudan, and Syria.⁷

Divestment of Securities

Divestment of securities is one method of applying economic pressures to companies, groups, or countries whose practices are not condoned by shareholders. Divestment may be used in conjunction with or in lieu of other sanctioning methods, such as economic embargoes and diplomatic and military activities. Alternatively, divestment may be used as a protective device if a particular investment carries a high level of risk to the performance of a fund.

Federal Divestment Laws

The Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010⁸ (CISADA) authorizes states to divest – within specified boundaries – from companies that invest in Iran. CISADA provides in pertinent part:

Authority to Divest—Notwithstanding any other provision of law, a State or local government may adopt and enforce measures that meet the requirements of subsection (d) to divest the assets of the State or local government from, or prohibit investment of the assets of the State or local government in, any person that the State or local government determines, using credible information available to the public, engages in investment activities in Iran described in subsection (c).

Section (c) of CISADA specifies that a person⁹ engages in investment activities in Iran if the person:

- Has an investment of \$20,000,000 or more in the energy sector of Iran, including in a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
- Is a financial institution that extends \$20,000,000 or more in credit to another person, for 45 days or more, if that person will use the credit for investment in the energy sector of Iran.

CISADA specifies that the authorization for a state or local government to divest ends 30 days after the President certifies to Congress that the government of Iran no longer satisfies the requirements for designation as a state sponsor of terrorism and has ceased the pursuit, acquisition, and development of certain weapons.¹⁰

Protecting Florida's Investment Act

In 2007, the Legislature unanimously passed the Protecting Florida's Investment Act (PFIA), which required the SBA to divest of companies with certain business operations in the countries of Sudan or Iran. The PFIA requires the SBA to assemble and publish a list of "Scrutinized Companies"¹¹ that have

¹⁰ *See* 22 U.S.C. s. 8551(a).

¹¹ Section 215.473(1)(t), F.S., defines "scrutinized company" as a company that meets any of the following criteria:

1. The company has business operations that involve contracts with or provision of supplies or services to the government of Sudan, companies in which the government of Sudan has any direct or indirect equity share, consortiums or projects commissioned by the government of Sudan, or companies involved in consortiums or projects commissioned by the government of Sudan, and:

a. More than 10 percent of the company's revenues or assets linked to Sudan involve oil-related activities or mineral-extraction activities; less than 75 percent of the company's revenues or assets linked to Sudan involve contracts with or provision of

prohibited business operations in Sudan or Iran. Once a company is placed on the list, the SBA and its investment managers are prohibited from acquiring that company's securities and are required to divest the company's securities if the company does not cease the prohibited activities or take certain compensating actions involving petroleum or energy, oil or mineral extraction, power production, or military support activities.

The PFIA specifies that the SBA may no longer scrutinize companies with certain business operations in Iran, may no longer assemble the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and must cease engagement, investment prohibitions, and divestment with respect to those companies upon the occurrence of any of the following:

- The Congress or President of the United States affirmatively and unambiguously states, by means including, but not limited to, legislation, executive order, or written certification from the President to Congress, that the government of Iran has ceased to acquire weapons of mass destruction and support international terrorism;
- The United States revokes all sanctions imposed against the government of Iran; or
- The Congress or President of the United States affirmatively and unambiguously declares, by means including, but not limited to, legislation, executive order, or written certification from the President to Congress, that mandatory divestment of companies with business operations in Iran interferes with the conduct of United States foreign policy.

Effect of Proposed Changes

The bill repeals the provision requiring the SBA to cease scrutinizing and divesting of companies with certain business operations in Iran upon the occurrence of Congress or the President affirmatively and unambiguously declaring, by means including, but not limited to, legislation, executive order, or written certification from the President to Congress, that such mandatory divestment interferes with the conduct of United States foreign policy.

SUMMARY ANALYSIS

The Florida Retirement System (FRS) is a multiple-employer, contributory plan that provides retirement income benefits to 622,089 active members, 363,034 retired members and beneficiaries, and 38,058 members of the Deferred Retirement Option Program. It is the primary retirement plan for employees of the state and county government agencies, district school boards, state colleges, and universities. The FRS also serves as the retirement plan for participating employees of the 189 cities and 273 independent hospitals and special districts that have elected to join the system.

Members of the FRS have two plan options available for participation: the pension plan, which is a defined benefit plan, and the investment plan, which is a defined contribution plan. In addition to the two primary plans, some eligible members have the choice of participating in optional retirement plans, which include the Senior Management Service Optional Annuity Program (SMSOAP), the State Community College System Optional Retirement Program (SCCSORP), and the State University System Optional Retirement Program (SUSORP).

Effective July 1, 2016, the bill authorizes renewed membership in the investment plan for retirees of the investment plan, the SMSOAP, the SUSORP, or the SCCSORP. Such renewed member will be a renewed member of the appropriate membership class in the investment plan, unless employed in a position eligible for participation in the SUSORP or the SCCSORP, in which case the retiree will become a renewed member of the applicable optional retirement program.

Effective July 1, 2016, the bill establishes new survivor benefits for members of the investment plan who are killed in the line of duty. It provides the same survivor benefits to the spouse and children of such member as those currently provided for pension plan members who are killed in the line of duty. The bill also provides the survivor benefits for any member of the investment plan who has been killed in the line of duty since 2002, when members were first allowed to participate in the investment plan. It also provides a process for calculating the retroactive benefit.

Effective July 1, 2017, the bill changes the default from the pension plan to the investment plan for members who do not affirmatively choose a plan. The bill also extends the plan election period to the last business day of the eighth month after the month of hire.

The bill provides that a proper and legitimate state purpose is served by the bill, which includes providing benefits that are managed, administered, and funded in an actuarially sound manner. It also provides allocations for the survivor benefits authorized by the act and provides for adjustments to employer contribution rates in order to fund the proposed changes.

For the 2016-17 fiscal year (FY), the bill appropriates a recurring sum of \$4.2 million from the General Revenue Fund and a recurring sum of \$900 thousand from trust funds to Administered Funds in order to fund the increased employer contribution rates to be paid by state agencies, state universities, state colleges, and school districts. For FY 2016-17, the bill has a projected \$3.6 million fiscal impact on counties and municipalities. See Fiscal Comments section for further discussion.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Background

Florida Retirement System

The Florida Retirement System (FRS) was established in 1970 when the Legislature consolidated the Teachers' Retirement System, the State and County Officers and Employees' Retirement System, and the Highway Patrol Pension Fund. In 1972, the Judicial Retirement System was consolidated into the FRS, and in 2007, the Institute of Food and Agricultural Sciences Supplemental Retirement Program was consolidated under the Regular Class of the FRS as a closed group.¹

The FRS is a multiple-employer, contributory plan² governed by the Florida Retirement System Act.³ As of June 30, 2014, the FRS provides retirement income benefits to 622,089 active members,⁴ 363,034 retired members and beneficiaries, and 38,058 members of the Deferred Retirement Option Program (DROP).⁵ It is the primary retirement plan for employees of state and county government agencies, district school boards, state colleges, and universities. The FRS also serves as the retirement plan for participating employees of the 189 cities and 273 independent hospitals and special districts that have elected to join the system.⁶

The membership of the FRS is divided into five membership classes:⁷

- Regular Class⁸ consists of 543,434 members (87.35 percent of the membership);
- Special Risk Class⁹ includes 68,593 members (11.02 percent);
- Special Risk Administrative Support Class¹⁰ has 84 members (.01 percent);
- Elected Officers' Class¹¹ has 2,187 members (0.35 percent); and
- Senior Management Service Class¹² has 7,791 members (1.25 percent).

Each class is funded separately based upon the costs attributable to the members of that class.

³ Chapter 121, F.S.

⁴ As of June 30, 2014, the FRS Pension Plan, which is a defined benefit plan, had 512,364 members, and the investment plan, which is a defined contribution plan, had 109,725 members. *Annual Report, supra* note 1, at 112.

⁸ The Regular Class is for all members who are not assigned to another class. Section 121.021(12), F.S.

⁹ The Special Risk Class is for members employed as law enforcement officers, firefighters, correctional officers, probation officers, paramedics, and emergency technicians, among others. Section 121.0515, F.S.

¹⁰ The Special Risk Administrative Support Class is for a special risk member who moved or was reassigned to a nonspecial risk law enforcement, firefighting, correctional, or emergency medical care administrative support position with the same agency, or who is subsequently employed in such a position under the FRS. Section 121.0515(8), F.S.

¹¹ The Elected Officers' Class is for elected state and county officers, and for those elected municipal or special district officers whose governing body has chosen Elected Officers' Class participation for its elected officers. Section 121.052, F.S.

¹² The Senior Management Service Class is for members who fill senior management level positions assigned by law to the Senior Management Service Class or authorized by law as eligible for Senior Management Service designation. Section 121.055, F.S.

Members of the FRS have two primary plan options available for participation:

- The pension plan, which is a defined benefit plan; and
- The investment plan, which is a defined contribution plan.

Certain members, as specified by law and position title, may, in lieu of FRS participation, participate in optional retirement plans.

FRS Investment Plan

In 2000, the Legislature created the Public Employee Optional Retirement Program (investment plan), a defined contribution plan offered to eligible employees as an alternative to the pension plan. The earliest that any member could participate in the investment plan was July 1, 2002.

The State Board of Administration (SBA) is primarily responsible for administering the investment plan.¹³ The SBA is comprised of the Governor as chair, the Chief Financial Officer, and the Attorney General.¹⁴

A member vests immediately in all employee contributions paid to the investment plan.¹⁵ With respect to the employer contributions, a member vests after completing one work year with an FRS employer.¹⁶ Vested benefits are payable upon termination or death as a lump-sum distribution, direct rollover distribution, or periodic distribution.¹⁷

Benefits under the investment plan accrue in individual member accounts funded by both employee and employer contributions and investment earnings. Benefits are provided through employee-directed investments offered by approved investment providers. The amount of money contributed to each member's account varies by class as follows:

Membership Class	Percentage of Gross Compensation
Regular Class	6.30%
Special Risk Class	14.00%
Special Risk Administrative Support Class	7.95%
Elected Officers' Class	
• Justices and Judges	13.23%
• County Elected Officers	11.34%
• Others	9.38%
Senior Management Service Class	7.67%

FRS Pension Plan

The pension plan is a defined benefit plan that is administered by the secretary of the Department of Management Services (DMS) through the Division of Retirement (division).¹⁸ Investment management is handled by the SBA.

Any member initially enrolled in the pension plan before July 1, 2011, vests in the pension plan after completing six years of service with an FRS employer.¹⁹ For members initially enrolled on or after July

¹⁶ If a member terminates employment before vesting in the investment plan, the nonvested money is transferred from the member's account to the State Board of Administration (SBA) for deposit and investment by the SBA in its suspense account for up to five years. If the member is not reemployed as an eligible employee within five years, any nonvested accumulations transferred from a member's account to the SBA's suspense account are forfeited. Section 121.4501(6)(b) – (d), F.S.

¹⁹ Section 121.021(45)(a), F.S.

1, 2011, the member vests in the pension plan after eight years of creditable service.²⁰ A member vests immediately in all employee contributions paid to the pension plan.

Benefits payable under the pension plan are calculated based on years of service x accrual rate x average final compensation.²¹ The accrual rate varies by class as follows:

Membership Class	Accrual Rate
Regular Class	1.60%, 1.63%, 1.65%, 1.68% ²²
Special Risk Class	3.00%
Special Risk Administrative Support Class	1.60%, 1.63%, 1.65%, 1.68% ²³
Elected Officers' Class	
• Justices and Judges	3.33%
• Others	3.00%
Senior Management Service Class	2.00%

For most members of the pension plan, normal retirement occurs at the earliest attainment of 30 years of service or age 62.²⁴ For members in the Special Risk and Special Risk Administrative Support Classes, normal retirement is the earliest of 25 years of service or age 55.²⁵ Members initially enrolled in the pension plan on or after July 1, 2011, must complete 33 years of service or attain age 65, and members in the Special Risk and Special Risk Administrative Support Classes must complete 30 years of service or attain age 60.²⁶

Default and Second Election

A new member has until the last business day of the fifth month following the member's month of hire to make a plan selection. If the member fails to make a selection, the member defaults to participation in the pension plan.²⁷

After the initial election or default election to participate in either the pension plan or investment plan, a member has one opportunity, at the member's discretion and prior to termination or retirement, to choose to move from the pension plan to the investment plan or from the investment plan to the pension plan.²⁸

Disability Benefits

Disability retirement benefits are provided for both in-line-of-duty disability and regular disability. Pension plan disability retirement benefits, which apply for investment plan members who qualify for disability,²⁹ compensate a member who is disabled in the line of duty up to 65 percent of the average monthly compensation as of the disability retirement date for Special Risk Class members. Other members may receive up to 42 percent of the member's average monthly compensation for disability retirement benefits. If a disability occurs other than in the line of duty, the monthly benefit may not be less than 25 percent of the average monthly compensation as of the disability retirement date. A member who qualifies for disability while enrolled in the investment plan may apply for benefits as if the employee were a member of the pension plan. If approved for retirement disability benefits, the member is transferred to the pension plan.³⁰

Death or Survivor Benefits

If the member is terminated by reason of death prior to becoming vested in the FRS, the member's beneficiary is only entitled to the member's accumulated contributions.³¹ Under the pension plan, if the member has vested at the time of his or her death, the member's joint annuitant³² is entitled to receive the optional form³³ of payment for the annuitant's lifetime.³⁴ If the designated beneficiary does not qualify as a joint annuitant, the member's beneficiary is only entitled to the return of the member's personal contributions, if any.³⁵ If the member dies in the line of duty, the surviving spouse of the member is entitled to receive a monthly benefit equal to one-half of the monthly salary being received by the member at the time of death for the rest of the surviving spouse's lifetime.³⁶ Members in the investment plan are not entitled to these death benefits; instead, the member's beneficiary is entitled to the balance of the member's investment plan account, provided the member has met the one-year vesting requirement.³⁷

DROP

All membership classes in the FRS Pension Plan may participate in DROP, which allows a member to retire without terminating employment; a member who enters DROP may extend employment for an additional five years.³⁸ While in DROP, the member's retirement benefits accumulate and earn interest compounded monthly.³⁹

Members in the FRS Investment Plan may not participate in DROP; investment plan members are considered retired from the FRS when the member takes a distribution from his or her account.⁴⁰

Employment after Retirement

Section 121.091, F.S., governs the payment of benefits under the FRS. It requires a member of the FRS to terminate employment to begin receiving benefits, or begin participation in DROP to defer and accrue those benefits until termination from DROP. Termination occurs when a member ceases all employment relationships with her or his FRS employer.⁴¹ Termination is void if any FRS-participating employer reemploys a member during a specified period of time.⁴²

Subsection 121.091(9), F.S., governs employment after retirement. It allows reemployment of FRS retirees by a non-FRS employer and authorizes those retirees to continue receiving retirement benefits.⁴³

An FRS retiree may be reemployed by an FRS employer provided certain requirements are met. A member who retired before July 1, 2010, may be reemployed by an FRS employer one calendar month

³¹ For purposes of disbursement of benefits, a member is considered retired as of the date of the death.

³² A joint annuitant is considered to be the member's spouse, natural or legally adopted child who is either under age 25 or is physically or mentally disabled and incapable of self-support (regardless of age), or any person who is financially dependent upon the member for one-half or more of his or her support and is the member's parent, grandparent, or person for whom the member is the legal guardian. Section 121.021(28), F.S.

³³ Under the pension plan, a member has a choice of payment options. If the member dies prior to retirement, the member's joint annuitant is entitled to select either to receive the member's contributions or a reduced monthly benefit payment for life.

³⁴ Section 121.091(7)(b)1., F.S.

³⁵ Section 121.091(7)(b)2., F.S.

³⁶ Section 121.091(7)(d)1., F.S. If the surviving spouse dies, or if the member is not married, the monthly payment that would have otherwise gone to the surviving spouse must be paid for the use and benefit of the member's child or children that are under 18 years of age and unmarried until the 18th birthday of the member's youngest child. after retiring or after the member's DROP termination date. If the retiree is reemployed during months two through 12 after retiring or terminating DROP, the retiree may not receive her or his pension benefit until month 13. However, a retiree who retired before July 1, 2010, may be reemployed as instructional personnel on an annual contractual basis after one calendar month without having her or his retirement benefits disrupted.⁴⁴

A member who retires on or after July 1, 2010, may not be reemployed by an FRS employer until month seven after retiring or after the member's DROP termination date. If the retiree is reemployed during months seven through 12 after retiring or terminating DROP, the retiree may not receive her or his pension benefit until month 13.⁴⁵ The reemployment exception for retirees reemployed as instructional personnel no longer applies to members who retire on or after July 1, 2010.

Renewed Membership

Retirees of the FRS Pension Plan or the FRS Investment Plan who were initially re-employed in covered employment by June 30, 2010, renewed their membership in the FRS (the member could choose to participate in either the pension plan or the investment plan) or other state-administered retirement system and earn service credit toward a subsequent retirement benefit. Renewed members are not eligible to participate in DROP or the Special Risk Class, and are not eligible for disability retirement. However, the surviving spouse and dependent child of a renewed member may qualify for survivor benefits.⁴⁶

Currently, retirees initially reemployed in a regularly established position on or after July 1, 2010, are not eligible for renewed membership and will not earn creditable service toward a subsequent retirement benefit.⁴⁷ This restriction from renewed membership includes retirees of the FRS Pension Plan and the FRS Investment Plan, as well as members of an optional retirement program.

Health Insurance Subsidy

Upon the conclusion of DROP, or upon service retirement or disability retirement, a retiree is eligible to receive the Health Insurance Subsidy (HIS), which assists retired members in paying for the costs of health insurance.⁴⁸ Eligible retirees receive \$5 per month for each year of creditable service used to calculate the retirement benefit. The HIS payment must be at least \$30, but not more than \$150 per month.⁴⁹

Optional Retirement Programs

Eligible employees may choose to participate in one of three retirement programs instead of participating in the FRS:

- Members of the Senior Management Service Class may elect to enroll in the Senior Management Service Optional Annuity Program;⁵⁰
- Members in specified positions in the State University System may elect to enroll in the State University System Optional Retirement Program;⁵¹ and
- Members of a Florida College System institution may elect to enroll in the State Community College System Optional Retirement Program.⁵²

⁴⁶ Section 121.122(1), F.S.

⁴⁷ Section 121.122(2), F.S.

⁴⁸ Sections 112.363(1) and (2), F.S.

⁴⁹ Section 112.363(3)(e), F.S.

⁵⁰ The Senior Management Service Optional Annuity Program (SMSOAP) was established in 1986 for members of the Senior Management Service Class. Employees in eligible positions may irrevocably elect to participate in the SMSOAP rather than the FRS. Section 121.055(6), F.S.

⁵¹ Eligible participants of the State University System Optional Retirement Program (SUSORP) are automatically enrolled in the SUSORP. However, the member must execute a contract with a SUSORP provider within the first 90 days of employment or the employee will default into the pension plan. If the employee decides to remain in the SUSORP, the decision is irrevocable and the member must remain in the SUSORP as long as the member remains in a SUSORP-eligible position. Section 121.35, F.S.

Contribution Rates

FRS employers are responsible for contributing a set percentage of the member's monthly compensation to the division to be distributed into the FRS Contributions Clearing Trust Fund. The employer contribution rate is a blended contribution rate set by statute, which is the same percentage regardless of whether the member participates in the pension plan or the investment plan.⁵³ The rate is determined annually based on an actuarial study by DMS that calculates the necessary level of funding to support all of the benefit obligations under both FRS retirement plans.

The following are the current employer contribution rates for each class.⁵⁴

Membership Class	Effective July 1, 2015
Regular Class	2.91%
Special Risk Class	11.35%
Special Risk Administrative Support Class	3.71%
Elected Officers' Class	
• Legislators, Governor, Lt. Governor, Cabinet Officers, State Attorneys, Public Defenders	6.48%
• Justices and Judges	11.39%
• County Officers	8.48%
Senior Management Service Class	4.32%

Regardless of employee class, all employees contribute 3 percent of their compensation towards retirement.⁵⁵

After employer and employee contributions are placed into the FRS Contributions Clearing Trust Fund, the allocations under the investment plan are transferred to third-party administrators to be placed in the employee's individual investment accounts, whereas contributions under the pension plan are transferred into the FRS Trust Fund.⁵⁶

Effect of the Bill

Renewed Membership

Effective July 1, 2016, the bill allows for renewed membership for certain former participants of the investment plan, the Senior Management Service Optional Annuity Program, the State University System Optional Retirement Program (SUSORP), or the State Community College System Optional Retirement Program (SCCSORP). Such renewed member will be a renewed member of the appropriate membership class in the investment plan, unless employed in a position eligible for participation in the SUSORP or the SCCSORP, in which case the retiree will become a renewed member of the SUSORP or the SCCSORP, as applicable. To be eligible for renewed membership, the member must have retired from one of the four specified plans and must be employed in a regularly established position with a covered employer on or after July 1, 2016.

Such renewed member may not qualify for disability retirement benefits and must satisfy the vesting requirements of the specific plan. The bill prohibits certain funds from being paid into the renewed member's account for any employment in a regularly established position with a covered employer from

⁵² If the member is eligible for participation in a State Community College System Optional Retirement Program, the member must elect to participate in the program within 90 days of employment. Unlike the other optional programs, an employee who elects to participate in this optional retirement program has one opportunity to transfer to the FRS. Section 1012.875, F.S.

⁵⁴ Section 121.71(4), F.S.

⁵⁵ Section 121.71(3), F.S.

July 1, 2010, through June 30, 2016. A renewed member who is not receiving the maximum health insurance subsidy is entitled to earn additional credit toward the subsidy.

Line-of-Duty Death Benefits

The bill establishes line-of-duty death benefits for the investment plan. It provides survivor benefits to the spouse and children of members in the investment plan who are killed in the line of duty. The survivor benefits are the same as those currently provided for pension plan members who are killed in the line of duty, which is a monthly payment equal to one-half of the member's salary at the time of death. To receive the benefit, the spouse and children must elect to transfer the balance of the member's investment plan account to the survivor benefit account of the FRS Trust Fund. The line-of-duty death benefits supersede any other distribution that may have been provided by the member's designation of beneficiary.

The bill also provides survivor benefits for any member of the investment plan who has been killed in the line of duty since 2002, when members were first allowed to participate in the investment plan. For a member killed in the line of duty on or after July 1, 2002, but before July 1, 2016, the initial monthly benefit payable on or after July 1, 2016, will be equal to one-half the member's salary at the time of death, except that it will be:

- Actuarially reduced by the amount of the investment plan payout, if a payout was issued; and
- After the actuarial reduction, increased by the applicable cost-of-living adjustment that would have been payable if the survivor benefit payment had begun the month following the member's death. On each July 1 after the initial payment, the benefit will be increased by the applicable cost-of-living adjustment.

For Fiscal Year 2016-2017, upon notification from DMS that sufficient funds are not available to pay the survivor benefits, the bill directs the SBA to transfer funds from the Administrative Trust Fund to the survivor benefits account to ensure the timely payment of the benefits.

Default

For members initially enrolled in the FRS on or after July 1, 2017, the bill extends the plan election period from the last business day of the fifth month after the month of hire to the last business day of the eighth month after the month of hire to choose between participation in the investment plan or pension plan. If the member does not make a selection, the member will default to the investment plan instead of the pension plan. The bill maintains the member's second election option.

Important State Interest

The bill provides a statement of important state interest. It provides that a proper and legitimate state purpose is served by the bill, which includes providing benefits that are managed, administered, and funded in an actuarially sound manner.

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

For the 2016-17 fiscal year (FY), the bill appropriates a recurring sum of \$4.2 million from the General Revenue Fund and a recurring sum of \$900 thousand from trust funds to Administered Funds in order to fund the increased employer contribution rates to be paid by state agencies, state universities, state colleges, and school districts. See Fiscal Comments for further discussion.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

The mandates provision of Art. VII, s. 18, of the State Constitution may apply because this bill requires cities and counties to spend money or take an action that requires the expenditure of money; however, an exception applies as the Legislature has determined that this bill satisfies an important state interest. In addition, similarly situated persons are all required to comply.

2. Other:

Actuarial Requirements

⁵⁷ The Milliman actuarial and consulting firm conducted an actuarial study to determine the cost of providing the line-of-duty death benefits created by the bill. The study was completed on January 19, 2016. A copy of the study is on file with the State Affairs Committee.

⁵⁸ The Milliman actuarial and consulting firm conducted an actuarial study to determine the cost associated with changing the default from the pension plan to the investment plan. The study was completed on March 6, 2015. A copy of the study is on file with the State Affairs Committee.

Article X, s. 14 of the State Constitution requires that benefit improvements under public pension plans in the State of Florida be concurrently funded on a sound actuarial basis, as set forth below:

SECTION 14. State retirement systems benefit changes.—A governmental unit responsible for any retirement or pension system supported in whole or in part by public funds shall not after January 1, 1977, provide any increase in the benefits to the members or beneficiaries of such system unless such unit has made or concurrently makes provision for the funding of the increase in benefits on a sound actuarial basis.

Article X, s. 14 of the State Constitution is implemented by statute under part VII of ch. 112, F.S., the "Florida Protection of Public Employee Retirement Benefits Act" (Act). The Act establishes minimum standards for the operation and funding of public employee retirement systems and plans in the State of Florida. It prohibits the use of any procedure, methodology, or assumptions the effect of which is to transfer to future taxpayers any portion of the costs which may reasonably have been expected to be paid by the current taxpayers.

Contractual Obligations

Article I, s. 10 of the State Constitution prohibits any bill of attainder, ex post facto law, or law impairing the obligation of contracts from being passed by the Florida Legislature.

The Florida Statutes provide that the rights of members of the FRS are of a contractual nature, entered into between the member and the state, and such rights are legally enforceable as valid contractual rights and may not be abridged in any way.⁵⁹ This "preservation of rights" provision⁶⁰ was established by the Florida Legislature with an effective date of July 1, 1974.

The Florida Supreme Court has held that the Florida Legislature may only alter the benefits structure of the FRS prospectively.⁶¹ The prospective application would only alter future benefits. Those benefits previously earned or accrued by the member under the previous benefit structure remain untouched, and the member continues to enjoy that level of benefit for the period of time up until the effective date of the proposed changes. Further, once the participating member reaches retirement status, the benefits under the terms of the FRS in effect at the time of the member's retirement vest.⁶²

The Florida Supreme Court further held that the "preservation of rights" provision was not intended to bind future legislatures from prospectively altering benefits which accrue for future state service.⁶³ More recently, the Florida Supreme Court reaffirmed the previous holding, finding that the Legislature can alter the terms of the FRS, so long as the changes to the FRS are prospective.⁶⁴

This bill does not change any benefits that a member earned prior to July 1, 2016.

B. RULE-MAKING AUTHORITY:

The bill authorizes the SBA and DMS to adopt any rules necessary to maintain the qualified status of the survivor benefit retirement program in the event that the Internal Revenue Service notifies them that the program will cause the FRS to be disqualified for tax purposes under the Internal Revenue Code.

⁵⁹ Section 121.011(3)(d), F.S.

⁶⁰ The "preservation of rights" provision vests all rights and benefits already earned under the present retirement plan so the legislature may now only alter the benefits prospectively. *Florida Sheriffs Association v.  220 employment as provided in s. 121.021(39)(a) or begun
 221 participation in the Deferred Retirement Option Program as
 222 provided in subsection (13), and a proper application has been
 223 filed in the manner prescribed by the department. The department
 224 may cancel an application for retirement benefits when the

 229 of such application when the required information or documents
 230 are not received.

232 (c) Any person whose retirement is effective on or after

302 established position with a covered employer from July 1, 2010,

303 through June 30, 2016.

304 (c) Employer and employee contributions, interest,

305 earnings, or any other funds may not be paid into a renewed

306 member's investment plan account for any employment in a

307 regularly established position with a covered employer on or

330 (i) A renewed member who earns creditable service under
 331 the investment plan and who is not receiving the maximum health
 332 insurance subsidy provided in s. 112.363 is entitled to earn
 333 additional credit toward the subsidy. Such credit may be earned
 334 only for employment in a regularly established position with a

 351 requirements and other provisions of this chapter. Once
 352 enrolled, a renewed member remains enrolled in the optional
 353 retirement program while employed in an eligible position for
 354 the optional retirement program. If employment in a different
 355 covered position results in the renewed member's enrollment in
 356 the investment plan, the renewed member is no longer eligible to
 357 participate in the optional retirement program unless employed
 358 in a mandatory position under s. 121.35.

359 (a) The renewed member is subject to the limitations on

 384 optional retirement program. Once enrolled, a renewed member
 385 remains enrolled in the optional retirement program while
 386 employed in an eligible position for the optional retirement
 387 program. If employment in a different covered position results
 388 in the renewed member's enrollment in the investment plan, the
 389 renewed member is no longer eligible to participate in the
 390 optional retirement program.

391 (a) The renewed member is subject to the limitations on
 392 reemployment after retirement provided in s. 121.091(9), as

 399 121.051(2)(c) and 1012.875.

400 (d) Employer and employee contributions, interest,
 401 earnings, or any other funds may not be paid into a renewed
 402 member's optional retirement program account for any employment
 403 in a regularly established position with a covered employer on
 404 or after July 1, 2010, through June 30, 2016, by the renewed
 405 member or the employer on behalf of the renewed member.

406 (e) Notwithstanding s. 121.4501(4)(g), the renewed member
 407 is not eligible to elect membership in the pension plan.

408 Section 5. Paragraphs (e) and (i) of subsection (2),
 409 paragraph (b) of subsection (3), subsection (4), paragraph (c)

 411 of section 121.4501, Florida Statutes, are amended to read:

412 121.4501 Florida Retirement System Investment Plan.—

413 (2) DEFINITIONS.—As used in this part, the term:

 431 1, 2016, and enrolled as a renewed member as provided in s.
 432 121.122.

433
 434 The term does not include any member participating in the
 435 Deferred Retirement Option Program established under s.

 437 a regularly established position on or after July 1, 2010, a

 441 the State University System Optional Retirement Program
 442 established under s. 121.35.

443 (i) "Member" or "employee" means an eligible employee who

448 (3) RETIREMENT SERVICE CREDIT; TRANSFER OF BENEFITS.—

449 (b) Notwithstanding paragraph (a), an eligible employee
 450 who elects to participate in, or who defaults into, the
 451 investment plan and establishes one or more individual member
 452 accounts may elect to transfer to the investment plan a sum
 453 representing the present value of the employee's accumulated
 454 benefit obligation under the pension plan, except as provided in
 455 paragraph (4) (b). Upon transfer, all service credit earned under
 456 the pension plan is nullified for purposes of entitlement to a
 457 future benefit under the pension plan. A member may not transfer
 458 the accumulated benefit obligation balance from the pension plan
 459 after the time period for enrolling in the investment plan has
 460 expired.

461 1. For purposes of this subsection, the present value of
 462 the member's accumulated benefit obligation is based upon the
 463 member's estimated creditable service and estimated average
 464 final compensation under the pension plan, subject to
 465 recomputation under subparagraph 2. For state employees, initial
 466 estimates shall be based upon creditable service and average
 467 final compensation as of midnight on June 30, 2002; for district

469 | creditable service and average final compensation as of midnight
 470 | on September 30, 2002; and for local government employees,
 471 | initial estimates shall be based upon creditable service and
 472 | average final compensation as of midnight on December 31, 2002.
 473 | The dates specified are the "estimate date" for these employees.
 474 | The actuarial present value of the employee's accumulated
 475 | benefit obligation shall be based on the following:

476 | a. The discount rate and other relevant actuarial
 477 | assumptions used to value the Florida Retirement System Trust
 478 | Fund at the time the amount to be transferred is determined,
 479 | consistent with the factors provided in sub-subparagraphs b. and
 480 | c.

481 | b. A benefit commencement age, based on the member's
 482 | estimated creditable service as of the estimate date.

483 | c. Except as provided under sub-subparagraph d., for a
 484 | member initially enrolled:

485 | (I) Before July 1, 2011, the benefit commencement age is
 486 | the younger of the following, but may not be younger than the
 487 | member's age as of the estimate date:

488 | (A) Age 62; or

489 | (B) The age the member would attain if the member
 490 | completed 30 years of service with an employer, assuming the
 491 | member worked continuously from the estimate date, and
 492 | disregarding any vesting requirement that would otherwise apply
 493 | under the pension plan.

494 | (II) On or after July 1, 2011, the benefit commencement

495 age is the younger of the following, but may not be younger than
 496 the member's age as of the estimate date:

497 (A) Age 65; or

498 (B) The age the member would attain if the member
 499 completed 33 years of service with an employer, assuming the
 500 member worked continuously from the estimate date, and
 501 disregarding any vesting requirement that would otherwise apply
 502 under the pension plan.

503 d. For members of the Special Risk Class and for members
 504 of the Special Risk Administrative Support Class entitled to
 505 retain the special risk normal retirement date:

506 (I) Initially enrolled before July 1, 2011, the benefit
 507 commencement age is the younger of the following, but may not be
 508 younger than the member's age as of the estimate date:

509 (A) Age 55; or

510 (B) The age the member would attain if the member
 511 completed 25 years of service with an employer, assuming the
 512 member worked continuously from the estimate date, and
 513 disregarding any vesting requirement that would otherwise apply
 514 under the pension plan.

515 (II) Initially enrolled on or after July 1, 2011, the
 516 benefit commencement age is the younger of the following, but
 517 may not be younger than the member's age as of the estimate
 518 date:

519 (A) Age 60; or

520 (B) The age the member would attain if the member

521 completed 30 years of service with an employer, assuming the
 522 member worked continuously from the estimate date, and
 523 disregarding any vesting requirement that would otherwise apply
 524 under the pension plan.

525 e. The calculation must disregard vesting requirements and
 526 early retirement reduction factors that would otherwise apply
 527 under the pension plan.

528 2. For each member who elects to transfer moneys from the
 529 pension plan to his or her account in the investment plan, the
 530 division shall recompute the amount transferred under
 531 subparagraph 1. within 60 days after the actual transfer of
 532 funds based upon the member's actual creditable service and
 533 actual final average compensation as of the initial date of
 534 participation in the investment plan. If the recomputed amount
 535 differs from the amount transferred by \$10 or more, the division
 536 shall:

537 a. Transfer, or cause to be transferred, from the Florida
 538 Retirement System Trust Fund to the member's account the excess,
 539 if any, of the recomputed amount over the previously transferred
 540 amount together with interest from the initial date of transfer
 541 to the date of transfer under this subparagraph, based upon the
 542 effective annual interest equal to the assumed return on the
 543 actuarial investment which was used in the most recent actuarial
 544 valuation of the system, compounded annually.

545 b. Transfer, or cause to be transferred, from the member's
 546 account to the Florida Retirement System Trust Fund the excess,

547 | if any, of the previously transferred amount over the recomputed
 548 | amount, together with interest from the initial date of transfer
 549 | to the date of transfer under this subparagraph, based upon 6
 550 | percent effective annual interest, compounded annually, pro rata
 551 | based on the member's allocation plan.

552 | 3. If contribution adjustments are made as a result of
 553 | employer errors or corrections, including plan corrections,
 554 | following recomputation of the amount transferred under
 555 | subparagraph 1., the member is entitled to the additional
 556 | contributions or is responsible for returning any excess
 557 | contributions resulting from the correction. However, a ~~any~~
 558 | return of such erroneous excess pretax contribution by the plan
 559 | must be made within the period allowed by the Internal Revenue
 560 | Service. The present value of the member's accumulated benefit
 561 | obligation may ~~shall~~ not be recalculated.

562 | 4. As directed by the member, the state board shall
 563 | transfer or cause to be transferred the appropriate amounts to
 564 | the designated accounts within 30 days after the effective date
 565 | of the member's participation in the investment plan unless the
 566 | major financial markets for securities available for a transfer
 567 | are seriously disrupted by an unforeseen event that causes the
 568 | suspension of trading on a ~~any~~ national securities exchange in
 569 | the country where the securities were issued. In that event, the
 570 | 30-day period may be extended by a resolution of the state
 571 | board. Transfers are not commissionable or subject to other fees
 572 | and may be in the form of securities or cash, as determined by

573 the state board. Such securities are valued as of the date of
 574 receipt in the member's account.

575 5. If the state board or the division receives
 576 notification from the United States Internal Revenue Service
 577 that this paragraph or any portion of this paragraph will cause
 578 the retirement system, or a portion thereof, to be disqualified
 579 for tax purposes under the Internal Revenue Code, the portion
 580 that will cause the disqualification does not apply. Upon such
 581 notice, the state board and the division shall notify the
 582 presiding officers of the Legislature.

583 (4) PARTICIPATION; ENROLLMENT.—

584 (a)1. Effective June 1, 2002, through February 28, 2003, a
 585 90-day election period was provided to each eligible employee
 586 participating in the Florida Retirement System, preceded by a
 587 90-day education period, permitting each eligible employee to
 588 elect membership in the investment plan. An employee who failed
 589 to elect the investment plan during the election period remained
 590 in the pension plan. An eligible employee who was employed in a
 591 regularly established position during the election period was
 592 granted the option to make one subsequent election, as provided
 593 in paragraph (f). With respect to an eligible employee who did
 594 not participate in the initial election period or who is
 595 initially employed in a regularly established position after the
 596 close of the initial election period but before July 1, 2017, ~~on~~
 597 June 1, 2002, by a state employer:

598 ~~a. Any such employee may elect to participate in the~~

599 ~~investment plan in lieu of retaining his or her membership in~~
 600 ~~the pension plan. The election must be made in writing or by~~
 601 ~~electronic means and must be filed with the third party~~
 602 ~~administrator by August 31, 2002, or, in the case of an active~~
 603 ~~employee who is on a leave of absence on April 1, 2002, by the~~
 604 ~~last business day of the 5th month following the month the leave~~
 605 ~~of absence concludes. This election is irrevocable, except as~~
 606 ~~provided in paragraph (g). Upon making such election, the~~
 607 ~~employee shall be enrolled as a member of the investment plan,~~
 608 ~~the employee's membership in the Florida Retirement System is~~
 609 ~~governed by the provisions of this part, and the employee's~~
 610 ~~membership in the pension plan terminates. The employee's~~
 611 ~~enrollment in the investment plan is effective the first day of~~
 612 ~~the month for which a full month's employer contribution is made~~
 613 ~~to the investment plan.~~

614 ~~b. Any such employee who fails to elect to participate in~~
 615 ~~the investment plan within the prescribed time period is deemed~~
 616 ~~to have elected to retain membership in the pension plan, and~~
 617 ~~the employee's option to elect to participate in the investment~~
 618 ~~plan is forfeited.~~

619 ~~2. With respect to employees who become eligible to~~
 620 ~~participate in the investment plan by reason of employment in a~~
 621 ~~regularly established position with a state employer commencing~~
 622 ~~after April 1, 2002:~~

623 ~~a. Any such employee shall, by default, be enrolled in the~~
 624 ~~pension plan at the commencement of employment, and may, by the~~

625 last business day of the 5th month following the employee's
 626 month of hire, elect to participate in the investment plan. The
 627 employee's election must be made in writing or by electronic
 628 means and must be filed with the third-party administrator. The
 629 election to participate in the investment plan is irrevocable,
 630 except as provided in paragraph (f) ~~(g)~~.

631 a.b. If the employee files such election within the
 632 prescribed time period, enrollment in the investment plan is
 633 effective on the first day of employment. The retirement
 634 contributions paid through the month of the employee plan change
 635 shall be transferred to the investment program, and, effective
 636 the first day of the next month, the employer and employee must
 637 pay the applicable contributions based on the employee
 638 membership class in the program.

639 b.e. An employee who fails to elect to participate in the
 640 investment plan within the prescribed time period is deemed to
 641 have elected to retain membership in the pension plan, and the
 642 employee's option to elect to participate in the investment plan

 787 ~~after October 1, 2002:~~

788 ~~a. Any such employee shall, by default, be enrolled in the~~
 789 ~~pension plan at the commencement of employment, and may, by the~~
 790 ~~last business day of the 5th month following the employee's~~

 797 ~~prescribed time period, enrollment in the investment plan is~~
 798 ~~effective on the first day of employment. The employer~~
 799 ~~retirement contributions paid through the month of the employee~~

811 ~~(c)(d)~~ Contributions available for self-direction by a
 812 member who has not selected one or more specific investment
 813 products shall be allocated as prescribed by the state board.
 814 The third-party administrator shall notify the member at least
 815 quarterly that the member should take an affirmative action to
 816 make an asset allocation among the investment products.

821 ~~(e)1.(f)~~ A member of the investment plan who takes a
 822 distribution of any contributions from his or her investment
 823 plan account is considered a retiree. A retiree who is initially
 824 reemployed in a regularly established position on or after July
 825 1, 2010, but before July 1, 2016, is not eligible for to be
 826 enrolled in renewed membership, except as provided in s.
 827 121.122.

828 2. A retiree who is reemployed on or after July 1, 2016,
 829 shall be enrolled as a renewed member as provided in s. 121.122.

830 ~~(f)(g)~~ After the period during which an eligible employee
 831 had the choice to elect the pension plan or the investment plan,
 832 or the month following the receipt of the eligible employee's

833 plan election, if sooner, the employee shall have one
 834 opportunity, at the employee's discretion, to choose to move
 835 from the pension plan to the investment plan or from the
 836 investment plan to the pension plan. Eligible employees may
 837 elect to move between plans only if they are earning service
 838 credit in an employer-employee relationship consistent with s.
 839 121.021(17)(b), excluding leaves of absence without pay.
 840 Effective July 1, 2005, such elections are effective on the
 841 first day of the month following the receipt of the election by
 842 the third-party administrator and are not subject to the
 843 requirements regarding an employer-employee relationship or
 844 receipt of contributions for the eligible employee in the
 845 effective month, except when the election is received by the
 846 third-party administrator. This paragraph is contingent upon
 847 approval by the Internal Revenue Service.

848 1. If the employee chooses to move to the investment plan,
 849 the provisions of subsection (3) govern the transfer.

850 2. If the employee chooses to move to the pension plan,
 851 the employee must transfer from his or her investment plan
 852 account, and from other employee moneys as necessary, a sum
 853 representing the present value of that employee's accumulated
 854 benefit obligation immediately following the time of such
 855 movement, determined assuming that attained service equals the
 856 sum of service in the pension plan and service in the investment
 857 plan. Benefit commencement occurs on the first date the employee
 858 is eligible for unreduced benefits, using the discount rate and

859 | other relevant actuarial assumptions that were used to value the
 860 | pension plan liabilities in the most recent actuarial valuation.
 861 | For any employee who, at the time of the second election,
 862 | already maintains an accrued benefit amount in the pension plan,
 863 | the then-present value of the accrued benefit is deemed part of
 864 | the required transfer amount. The division must ensure that the
 865 | transfer sum is prepared using a formula and methodology
 866 | certified by an enrolled actuary. A refund of any employee
 867 | contributions or additional member payments made which exceed
 868 | the employee contributions that would have accrued had the
 869 | member remained in the pension plan and not transferred to the
 870 | investment plan is not permitted.

871 | 3. Notwithstanding subparagraph 2., an employee who
 872 | chooses to move to the pension plan and who became eligible to
 873 | participate in the investment plan by reason of employment in a
 874 | regularly established position with a state employer after June
 875 | 1, 2002; a district school board employer after September 1,
 876 | 2002; or a local employer after December 1, 2002, must transfer
 877 | from his or her investment plan account, and from other employee
 878 | moneys as necessary, a sum representing the employee's actuarial
 879 | accrued liability. A refund of any employee contributions or
 880 | additional member ~~participant~~ payments made which exceed the
 881 | employee contributions that would have accrued had the member
 882 | remained in the pension plan and not transferred to the
 883 | investment plan is not permitted.

884 | 4. An employee's ability to transfer from the pension plan

885 to the investment plan pursuant to paragraphs (a) and (b) ~~(a)~~
 886 ~~(d)~~, and the ability of a current employee to have an option to
 887 later transfer back into the pension plan under subparagraph 2.,
 888 shall be deemed a significant system amendment. Pursuant to s.
 889 121.031(4), any resulting unfunded liability arising from actual
 890 original transfers from the pension plan to the investment plan
 891 must be amortized within 30 plan years as a separate unfunded
 892 actuarial base independent of the reserve stabilization
 893 mechanism defined in s. 121.031(3)(f). For the first 25 years, a
 894 direct amortization payment may not be calculated for this base.
 895 During this 25-year period, the separate base shall be used to
 896 offset the impact of employees exercising their second program
 897 election under this paragraph. The actuarial funded status of
 898 the pension plan will not be affected by such second program
 899 elections in any significant manner, after due recognition of
 900 the separate unfunded actuarial base. Following the initial 25-
 901 year period, any remaining balance of the original separate base
 902 shall be amortized over the remaining 5 years of the required
 903 30-year amortization period.

904 5. If the employee chooses to transfer from the investment
 905 plan to the pension plan and retains an excess account balance
 906 in the investment plan after satisfying the buy-in requirements
 907 under this paragraph, the excess may not be distributed until
 908 the member retires from the pension plan. The excess account
 909 balance may be rolled over to the pension plan and used to
 910 purchase service credit or upgrade creditable service in the

911 pension plan.

912 (5) CONTRIBUTIONS.—

913 (c) The state board, acting as plan fiduciary, must ensure
 914 that all plan assets are held in a trust, pursuant to s. 401 of
 915 the Internal Revenue Code. The fiduciary must ensure that such
 916 contributions are allocated as follows:

917 1. The employer and employee contribution portion
 918 earmarked for member accounts shall be used to purchase
 919 interests in the appropriate investment vehicles as specified by
 920 the member, or in accordance with paragraph (4)(c) ~~(4)(d)~~.

921 2. The employer contribution portion earmarked for
 922 administrative and educational expenses shall be transferred to
 923 the State Board of Administration Administrative Florida
 924 ~~Retirement System Investment Plan~~ Trust Fund.

925 3. The employer contribution portion earmarked for
 926 disability benefits and line-of-duty death benefits shall be
 927 transferred to the Florida Retirement System Trust Fund.

928 (10) EDUCATION COMPONENT.—

929 (a) The state board, in coordination with the department,
 930 shall provide for an education component for eligible employees
 931 ~~system members~~ in a manner consistent with ~~the provisions of~~
 932 this subsection ~~section~~. ~~The education component must be~~
 933 ~~available to eligible employees at least 90 days prior to the~~
 934 ~~beginning date of the election period for the employees of the~~
 935 ~~respective types of employers.~~

936 ~~(h) Pursuant to subsection (8), all Florida Retirement~~

937 ~~System employers have an obligation to regularly communicate the~~
 938 ~~existence of the two Florida Retirement System plans and the~~
 939 ~~plan choice in the natural course of administering their~~
 940 ~~personnel functions, using the educational materials supplied by~~
 941 ~~the state board and the Department of Management Services.~~

942 Section 6. Subsection (2) of section 121.571, Florida
 943 Statutes, is amended to read:

944 121.571 Contributions.—Contributions to the Florida
 945 Retirement System Investment Plan shall be made as follows:

946 (2) CONTRIBUTION RATES GENERALLY.—Contributions to fund
 947 the retirement, and disability, and line-of-duty death benefits
 948 provided under this part must be based on the uniform
 949 contribution rates established by s. 121.71 and on the
 950 membership class or subclass of the member. Such contributions
 951 must be allocated as provided in ss. 121.72, and 121.73, and
 952 121.735.

953 Section 7. Subsection (3) of section 121.591, Florida
 954 Statutes, is amended, subsection (4) of that section is
 955 renumbered as subsection (5), and a new subsection (4) is added
 956 to that section, to read:

957 121.591 Payment of benefits.—Benefits may not be paid
 958 under the Florida Retirement System Investment Plan unless the
 959 member has terminated employment as provided in s.
 960 121.021(39)(a) or is deceased and a proper application has been
 961 filed as prescribed by the state board or the department.
 962 Benefits, including employee contributions, are not payable

963 | under the investment plan for employee hardships, unforeseeable
 964 | emergencies, loans, medical expenses, educational expenses,
 965 | purchase of a principal residence, payments necessary to prevent
 966 | eviction or foreclosure on an employee's principal residence, or
 967 | any other reason except a requested distribution for retirement,
 968 | a mandatory de minimis distribution authorized by the
 969 | administrator, or a required minimum distribution provided
 970 | pursuant to the Internal Revenue Code. The state board or
 971 | department, as appropriate, may cancel an application for
 972 | retirement benefits if the member or beneficiary fails to timely
 973 | provide the information and documents required by this chapter
 974 | and the rules of the state board and department. In accordance
 975 | with their respective responsibilities, the state board and the
 976 | department shall adopt rules establishing procedures for
 977 | application for retirement benefits and for the cancellation of
 978 | such application if the required information or documents are
 979 | not received. The state board and the department, as
 980 | appropriate, are authorized to cash out a de minimis account of
 981 | a member who has been terminated from Florida Retirement System
 982 | covered employment for a minimum of 6 calendar months. A de
 983 | minimis account is an account containing employer and employee
 984 | contributions and accumulated earnings of not more than \$5,000
 985 | made under the provisions of this chapter. Such cash-out must be
 986 | a complete lump-sum liquidation of the account balance, subject
 987 | to the provisions of the Internal Revenue Code, or a lump-sum
 988 | direct rollover distribution paid directly to the custodian of

989 an eligible retirement plan, as defined by the Internal Revenue
 990 Code, on behalf of the member. Any nonvested accumulations and
 991 associated service credit, including amounts transferred to the
 992 suspense account of the Florida Retirement System Investment
 993 Plan Trust Fund authorized under s. 121.4501(6), shall be
 994 forfeited upon payment of any vested benefit to a member or
 995 beneficiary, except for de minimis distributions or minimum
 996 required distributions as provided under this section. If any
 997 financial instrument issued for the payment of retirement
 998 benefits under this section is not presented for payment within
 999 180 days after the last day of the month in which it was
 1000 originally issued, the third-party administrator or other duly
 1001 authorized agent of the state board shall cancel the instrument
 1002 and credit the amount of the instrument to the suspense account
 1003 of the Florida Retirement System Investment Plan Trust Fund
 1004 authorized under s. 121.4501(6). Any amounts transferred to the
 1005 suspense account are payable upon a proper application, not to
 1006 include earnings thereon, as provided in this section, within 10
 1007 years after the last day of the month in which the instrument
 1008 was originally issued, after which time such amounts and any
 1009 earnings attributable to employer contributions shall be
 1010 forfeited. Any forfeited amounts are assets of the trust fund
 1011 and are not subject to chapter 717.

1012 (3) DEATH BENEFITS.—Under the Florida Retirement System
 1013 Investment Plan:

1014 (a) Survivor benefits are payable in accordance with the

1015 following terms and conditions, except as provided in subsection
 1016 (4):

1017 1. To the extent vested, benefits are payable only to a
 1018 member's beneficiary or beneficiaries as designated by the
 1019 member as provided in s. 121.4501(20).

1020 2. Benefits shall be paid by the third-party administrator
 1021 or designated approved providers in accordance with the law, the
 1022 contracts, and any applicable state board rule or policy.

1023 3. To receive benefits, the member must be deceased.

1024 (b) Except as provided in subsection (4), in the event of
 1025 a member's death, all vested accumulations as described in s.
 1026 121.4501(6), less withholding taxes remitted to the Internal
 1027 Revenue Service, shall be distributed, as provided in paragraph
 1028 (c) or as described in s. 121.4501(20), as if the member retired
 1029 on the date of death. No other death benefits are available for
 1030 survivors of members, except for benefits, or coverage for
 1031 benefits, as are otherwise provided by law or separately
 1032 provided by the employer, at the employer's discretion.

1033 (c) Except as provided in subsection (4), upon receipt by
 1034 the third-party administrator of a properly executed application
 1035 for distribution of benefits, the total accumulated benefit is
 1036 payable by the third-party administrator to the member's
 1037 surviving beneficiary or beneficiaries, as:

1038 1. A lump-sum distribution payable to the beneficiary or
 1039 beneficiaries, or to the deceased member's estate;

1040 2. An eligible rollover distribution, if permitted, on

1041 | behalf of the surviving spouse of a deceased member, whereby all
 1042 | accrued benefits, plus interest and investment earnings, are
 1043 | paid from the deceased member's account directly to the
 1044 | custodian of an eligible retirement plan, as described in s.
 1045 | 402(c)(8)(B) of the Internal Revenue Code, on behalf of the
 1046 | surviving spouse; or

1047 | 3. A partial lump-sum payment whereby a portion of the
 1048 | accrued benefit is paid to the deceased member's surviving
 1049 | spouse or other designated beneficiaries, less withholding taxes
 1050 | remitted to the Internal Revenue Service, and the remaining
 1051 | amount is transferred directly to the custodian of an eligible
 1052 | retirement plan, if permitted, as described in s. 402(c)(8)(B)
 1053 | of the Internal Revenue Code, on behalf of the surviving spouse.
 1054 | The proportions must be specified by the member or the surviving
 1055 | beneficiary.

1056 |
 1057 | This paragraph does not abrogate other applicable provisions of
 1058 | state or federal law providing for payment of death benefits.

1059 | (4) LINE-OF-DUTY DEATH BENEFITS FOR INVESTMENT PLAN
 1060 | MEMBERS.—Benefits are provided under this subsection to the
 1061 | spouse and child or children of members in the investment plan
 1062 | when such members are killed in the line of duty and are payable
 1063 | in lieu of the benefits that would otherwise be payable under
 1064 | subsection (1) or subsection (3). Benefits provided by this
 1065 | subsection supersede any other distribution that may have been
 1066 | provided by the member's designation of beneficiary. Such

1067 benefits must be funded from employer contributions made under

 1076 to the division for deposit in the survivor benefit account of
 1077 the Florida Retirement System Trust Fund.

1078 2. Moneys in the survivor benefit account must be
 1079 accounted for separately. Earnings must be credited on an annual
 1080 basis for amounts held in the survivor benefit account of the
 1081 Florida Retirement System Trust Fund based on actual earnings of
 1082 the trust fund.

1083 3. If the member has retained retirement credit earned

365 objectives. Each lead agency for which grants are made under
366 this section shall provide the State Office on Homelessness a
367 thorough evaluation of the effectiveness of the program in
368 achieving its stated purpose. In evaluating the performance of
369 the lead agencies, the State Office on Homelessness shall base
370 its criteria upon the program objectives, goals, and priorities
371 that were set forth by the lead agencies in their proposals for
372 funding. Such criteria may include, but not be limited to, the
373 number of persons or households that are no longer homeless, the

- 450 Section 8. Section 420.6265, Florida Statutes, is created
451 to read:
- 452 420.6265 Rapid ReHousing.-
453 (1) LEGISLATIVE FINDINGS AND INTENT.-

Amendment No. 1

454 (a) The Legislature finds that Rapid ReHousing is a
455 strategy of using temporary financial assistance and case
456 management to quickly move an individual or family out of
457 homelessness and into permanent housing.

458 (b) The Legislature also finds that public and private
459 solutions to homelessness in the past have focused on providing
460 individuals and families who are experiencing homelessness with
461 emergency shelter, transitional housing, or a combination of
462 both. While emergency shelter and transitional housing programs
463 may provide critical access to services for individuals and
464 families in crisis, the programs often fail to address their
465 long-term needs.

466 (c) The Legislature further finds that most households
467 become homeless as a result of a financial crisis that prevents
468 individuals and families from paying rent or a domestic conflict
469 that results in one family member being ejected or leaving
470 without resources or a plan for housing.

471 (d) The Legislature further finds that Rapid ReHousing is
472 an alternative approach to the current system of emergency
473 shelter or transitional housing which tends to reduce the length
474 of time a person is homeless and has proven to be cost
475 effective.

476 (e) It is therefore the intent of the Legislature to
477 encourage homeless continuums of care to adopt the Rapid
478 ReHousing approach to preventing homelessness for individuals

Amendment No. 1

479 and families who do not require the intense level of supports
480 provided in the permanent supportive housing model.

481 (2) RAPID REHOUSING METHODOLOGY.—

482 (a) The Rapid ReHousing response to homelessness differs
483 from traditional approaches to addressing homelessness by
484 focusing on each individual's or family's barriers to housing.
485 By using this response, communities can significantly reduce the
486 amount of time that individuals and families are homeless and
487 prevent further episodes of homelessness.

488 (b) In Rapid ReHousing, an individual or family is
489 identified as being homeless, temporary assistance is provided
490 to allow the individual or family to obtain permanent housing as
491 quickly as possible, and, if needed, assistance is provided to
492 allow the individual or family to retain housing.

493 (c) The objective of Rapid ReHousing is to provide
494 assistance for as short a term as possible so that the
495 individual or family receiving assistance does not develop a
496 dependency on the assistance.

497 Section 9. Subsections (16), (25), and (26) of section
498 420.9071, Florida Statutes, are amended to read:

499 420.9071 Definitions.—As used in ss. 420.907-420.9079, the

544 achieve consistency with program requirements shall be reviewed
545 within 45 ~~30~~ days after submission. The deadlines for submitting

572 paragraph (i) is added to subsection (10) of that section, to
573 read:

574 420.9075 Local housing assistance plans; partnerships.—

598 develop a strategy within its local housing assistance plan that
599 provides program funds for reducing homelessness.

600 (4) Each local housing assistance plan is governed by the
601 following criteria and administrative procedures:

602 (e) The staff or entity that has administrative authority
603 for implementing a local housing assistance plan assisting
604 rental developments shall annually monitor and determine tenant
605 eligibility or, to the extent another governmental entity or
606 corporation program provides periodic ~~the same~~ monitoring and
607 determination, a municipality, county, or local housing
608 financing authority may rely on such monitoring and

Amendment No. 1

609 determination of tenant eligibility. However, any loan or grant
610 in the original amount of \$10,000 ~~\$3,000~~ or less is ~~shall~~ not be
611 subject to these annual monitoring and determination of tenant
612 eligibility requirements.

613 (5) The following criteria apply to awards made to
614 eligible sponsors or eligible persons for the purpose of

Amendment No. 1

635 an eligible unit, such costs shall be deemed a program expense
636 rather than an administrative expense if such program expenses
637 do not exceed 3 percent of the annual local housing
638 distribution.

639 3. If both an award under the local housing assistance
640 plan and federal low-income housing tax credits are used to
641 assist a project and there is a conflict between the criteria
642 prescribed in this subsection and the requirements of s. 42 of
643 the Internal Revenue Code of 1986, as amended, the county or
644 eligible municipality may resolve the conflict by giving

648 (a) and (f) ~~(e) of this subsection.~~

658 immediately preceding submittal of the report. The report shall
659 be certified as accurate and complete by the local government's
660 chief elected official or his or her designee. Transmittal of

Amendment No. 1

661 the annual report by a county's or eligible municipality's chief
662 elected official, or his or her designee, certifies that the
663 local housing incentive strategies, or, if applicable, the local
664 housing incentive plan, have been implemented or are in the
665 process of being implemented pursuant to the adopted schedule
666 for implementation. The report must include, but is not limited

675 share of the local housing distribution by certified mail to the
676 affected county or eligible municipality.

677 1. The notice must specify a date of termination of the
