### SUMMARY ANALYSIS

Florida Statute section 11.242 requires the Division of Law Revision and Information of the Florida Legislature to conduct a systematic and continuing study of the state's statutes and laws. The purpose of this study is to recommend to the Legislature changes that would:

- Remove inconsistencies, redundancies, and unnecessary repetition.
- Improve clarity.
- Facilitate correct and proper interpretation.

Such changes include:

- Corrections to grammatical and typographical errors.
- Removal of expired or obsolete statutes and laws.
- Transfer, consolidation, and renumbering of sections, subsections, chapter, and titles.

These recommendations are submitted to the Legislature as technical, non-substantive reviser's bills.

PCB RCEC 15-02 is a general reviser's bill that deletes statutory provisions that have been repealed by a non-current (past-year) session of the Legislature where that repeal or expiration date has now occurred, rendering the provision of no effect. Such provisions may be omitted from publication in the 2015 Florida Statutes only through a reviser's bill duly enacted by the Legislature

Pursuant to House Rule 12.3(e), a reviser's bill cannot be amended except to delete a bill section.

The bill has no fiscal impact.

This bill becomes effective on the 60<sup>th</sup> day after adjournment sine die.
