 100 Section 1. Subsection (1), paragraph (a) of subsection
 101 (2), paragraphs (a) and (b) of subsection (6), paragraphs (a)
 102 and (d) of subsection (7), paragraphs (g), (n), and (p) of
 103 subsection (9), paragraphs (a) and (d) of subsection (10),
 104 subsection (13), paragraphs (b) and (e) of subsection (17),

105 paragraph (a) of subsection (18), and paragraph (a) of
 106 subsection (20) of section 1002.33, Florida Statutes, are
 107 amended to read:

108 1002.33 Charter schools.—

109 (1) AUTHORIZATION.—Charter schools shall be part of the
 110 state's program of public education. All charter schools in
 111 Florida are public schools. A charter school may be formed by
 112 creating a new school or converting an existing public school to
 113 charter status. A charter school may operate a virtual charter
 114 school pursuant to s. 1002.45(1)(d) to provide full-time online
 115 instruction to eligible students, ~~pursuant to s. 1002.455,~~ in
 116 kindergarten through grade 12. An existing A charter school that
 117 is seeking to become a virtual charter school must amend its
 118 charter or submit a new application pursuant to subsection (6)
 119 to become a virtual charter school. A virtual charter school is
 120 subject to the requirements of this section; however, a virtual
 121 charter school is exempt from subsections (18) and (19),
 122 subparagraphs (20)(a)2., 4., 5., and 7., paragraph (20)(c), and
 123 s. 1003.03. A public school may not use the term charter in its
 124 name unless it has been approved under this section.

125 (2) GUIDING PRINCIPLES; PURPOSE.—

126 (a) Charter schools in Florida shall be guided by the
 127 following principles:

128 1. Meet high standards of student achievement while
 129 providing parents flexibility to choose among diverse
 130 educational opportunities within the state's public school

131 system.

132 2. Promote enhanced academic success and financial
133 efficiency by aligning responsibility with accountability.

134 3. Provide parents with sufficient information on whether
135 their child is reading at grade level and whether the child
136 gains at least a year's worth of learning for every year spent
137 in the charter school. For a student who exhibits a substantial
138 deficiency in reading, as determined by the charter school, the
139 school shall notify the parent of the deficiency, the intensive
140 interventions and supports used, and the student's progress in
141 accordance with s. 1008.25(5).

142 (6) APPLICATION PROCESS AND REVIEW.—Charter school
143 applications are subject to the following requirements:

144 (a) A person or entity seeking ~~wishing~~ to open a charter
145 school shall prepare and submit an application on a model
146 application form prepared by the Department of Education which:

147 1. Demonstrates how the school will use the guiding
148 principles and meet the statutorily defined purpose of a charter
149 school.

150 2. Provides a detailed curriculum plan that illustrates
151 how students will be provided services to attain the Sunshine
152 State Standards.

153 3. Contains goals and objectives for improving student
154 learning and measuring that improvement. These goals and
155 objectives must indicate how much academic improvement students
156 are expected to show each year, how success will be evaluated,

157 and the specific results to be attained through instruction.

158 4. Describes the reading curriculum and differentiated
 159 strategies that will be used for students reading at grade level
 160 or higher and a separate curriculum and strategies for students
 161 who are reading below grade level. A sponsor shall deny an
 162 application ~~a charter~~ if the school does not propose a reading
 163 curriculum that is evidence-based and includes explicit,
 164 systematic, and multisensory reading instructional strategies;
 165 however, a sponsor may not require the charter school to
 166 implement the reading plan adopted by the school district
 167 pursuant to s. 1011.62(9) ~~consistent with effective teaching~~
 168 ~~strategies that are grounded in scientifically based reading~~
 169 ~~research.~~

170 5. Contains an annual financial plan for each year
 171 requested by the charter for operation of the school for up to 5
 172 years. This plan must contain anticipated fund balances based on
 173 revenue projections, a spending plan based on projected revenues
 174 and expenses, and a description of controls that will safeguard
 175 finances and projected enrollment trends.

176 6. Discloses the name of each applicant, governing board
 177 member, and all proposed education services providers; the name
 178 and sponsor of any charter school operated by each applicant,
 179 each governing board member, and each proposed education
 180 services provider that has closed and the reasons for the
 181 closure; and the academic and financial history of such charter
 182 schools, which the sponsor shall consider in deciding whether to

183 approve or deny the application.

184 ~~7.6.~~ Contains additional information a sponsor may
 185 require, which shall be attached as an addendum to the charter
 186 school application described in this paragraph.

187 ~~8.7.~~ For the establishment of a virtual charter school,
 188 documents that the applicant has contracted with a provider of
 189 virtual instruction services pursuant to s. 1002.45(1)(d).

190 (b) A sponsor shall receive and review all applications
 191 for a charter school using the ~~an~~ evaluation instrument
 192 developed by the Department of Education. A sponsor shall
 193 receive and consider charter school applications received on or
 194 before August 1 of each calendar year for charter schools to be
 195 opened at the beginning of the school district's next school
 196 year, or to be opened at a time agreed to by the applicant and
 197 the sponsor. A sponsor may not refuse to receive a charter
 198 school application submitted before August 1 and may receive an
 199 application submitted later than August 1 if it chooses. In
 200 order to facilitate greater collaboration in the application
 201 process, an applicant may submit a draft charter school
 202 application on or before May 1 with an application fee of \$500.
 203 If a draft application is timely submitted, the sponsor shall
 204 review and provide feedback as to material deficiencies in the
 205 application by July 1. The applicant shall then have until
 206 August 1 to resubmit a revised and final application. The
 207 sponsor may approve the draft application. Except as provided
 208 for a draft application, a sponsor may not charge an applicant

209 for a charter any fee for the processing or consideration of an
 210 application, and a sponsor may not base its consideration or
 211 approval of a final application upon the promise of future
 212 payment of any kind. Before approving or denying any final
 213 application, the sponsor shall allow the applicant, upon receipt
 214 of written notification, at least 7 calendar days to make
 215 technical or nonsubstantive corrections and clarifications,
 216 including, but not limited to, corrections of grammatical,
 217 typographical, and like errors or missing signatures, if such
 218 errors are identified by the sponsor as cause to deny the final
 219 application.

220 1. In order to facilitate an accurate budget projection
 221 process, a sponsor shall be held harmless for FTE students who
 222 are not included in the FTE projection due to approval of
 223 charter school applications after the FTE projection deadline.
 224 In a further effort to facilitate an accurate budget projection,
 225 within 15 calendar days after receipt of a charter school
 226 application, a sponsor shall report to the Department of
 227 Education the name of the applicant entity, the proposed charter
 228 school location, and its projected FTE.

229 2. In order to ensure fiscal responsibility, an
 230 application for a charter school shall include a full accounting
 231 of expected assets, a projection of expected sources and amounts
 232 of income, including income derived from projected student
 233 enrollments and from community support, and an expense
 234 projection that includes full accounting of the costs of

235 operation, including start-up costs.

236 3.a. A sponsor shall by a majority vote approve or deny an
 237 application no later than 60 calendar days after the application
 238 is received, unless the sponsor and the applicant mutually agree
 239 in writing to temporarily postpone the vote to a specific date,
 240 at which time the sponsor shall by a majority vote approve or
 241 deny the application. If the sponsor fails to act on the
 242 application, an applicant may appeal to the State Board of
 243 Education as provided in paragraph (c). If an application is
 244 denied, the sponsor shall, within 10 calendar days after such
 245 denial, articulate in writing the specific reasons, based upon
 246 good cause, supporting its denial of the ~~charter~~ application and
 247 shall provide the letter of denial and supporting documentation
 248 to the applicant and to the Department of Education.

249 b. An application submitted by a high-performing charter
 250 school identified pursuant to s. 1002.331 may be denied by the
 251 sponsor only if the sponsor demonstrates by clear and convincing
 252 evidence that:

253 (I) The application does not materially comply with the
 254 requirements in paragraph (a);

255 (II) The charter school proposed in the application does
 256 not materially comply with the requirements in paragraphs
 257 (9) (a) - (f);

258 (III) The proposed charter school's educational program
 259 does not substantially replicate that of the applicant or one of
 260 the applicant's high-performing charter schools;

261 (IV) The applicant has made a material misrepresentation
 262 or false statement or concealed an essential or material fact
 263 during the application process; or

264 (V) The proposed charter school's educational program and
 265 financial management practices do not materially comply with the
 266 requirements of this section.

267

268 Material noncompliance is a failure to follow requirements or a
 269 violation of prohibitions applicable to charter school
 270 applications, which failure is quantitatively or qualitatively
 271 significant either individually or when aggregated with other
 272 noncompliance. An applicant is considered to be replicating a
 273 high-performing charter school if the proposed school is
 274 substantially similar to at least one of the applicant's high-
 275 performing charter schools and the organization or individuals
 276 involved in the establishment and operation of the proposed
 277 school are significantly involved in the operation of replicated
 278 schools.

279 c. If the sponsor denies an application submitted by a
 280 high-performing charter school, the sponsor must, within 10
 281 calendar days after such denial, state in writing the specific
 282 reasons, based upon the criteria in sub-subparagraph b.,
 283 supporting its denial of the application and must provide the
 284 letter of denial and supporting documentation to the applicant
 285 and to the Department of Education. The applicant may appeal the
 286 sponsor's denial of the application directly to the State Board

287 of Education and, if an appeal is filed, must provide a copy of
 288 the appeal to the sponsor pursuant to paragraph (c) sub-
 289 subparagraph (c)3.b.

290 4. For budget projection purposes, the sponsor shall
 291 report to the Department of Education the approval or denial of
 292 an a-charter application within 10 calendar days after such
 293 approval or denial. In the event of approval, the report to the
 294 Department of Education shall include the final projected FTE
 295 for the approved charter school.

296 5. Upon approval of an a-charter application, the initial
 297 startup shall commence with the beginning of the public school
 298 calendar for the district in which the charter is granted. A
 299 charter school may defer the opening of the school's operations
 300 for up to 2 years to provide time for adequate facility
 301 planning. The charter school must provide written notice of such
 302 intent to the sponsor and the parents of enrolled students at
 303 least 30 calendar days before the first day of school unless the
 304 sponsor allows a waiver of this subparagraph for good cause.

305 (7) CHARTER.—The major issues involving the operation of a
 306 charter school shall be considered in advance and written into
 307 the charter. The charter shall be signed by the governing board
 308 of the charter school and the sponsor, following a public
 309 hearing to ensure community input.

310 (a) The charter shall address and criteria for approval of
 311 the charter shall be based on:

312 1. The school's mission, the students to be served, and

313 the ages and grades to be included.

314 2. The focus of the curriculum, the instructional methods
 315 to be used, any distinctive instructional techniques to be
 316 employed, and identification and acquisition of appropriate
 317 technologies needed to improve educational and administrative
 318 performance which include a means for promoting safe, ethical,
 319 and appropriate uses of technology which comply with legal and
 320 professional standards.

321 a. The charter shall ensure that reading is a primary
 322 focus of the curriculum and that resources are provided to
 323 identify and provide specialized instruction for students who
 324 are reading below grade level. The curriculum and instructional
 325 strategies for reading must be consistent with the Next
 326 Generation Sunshine State Standards and evidence-based ~~grounded~~
 327 ~~in scientifically based reading research~~.

328 b. In order to provide students with access to diverse
 329 instructional delivery models, to facilitate the integration of
 330 technology within traditional classroom instruction, and to
 331 provide students with the skills they need to compete in the
 332 21st century economy, the Legislature encourages instructional
 333 methods for blended learning courses consisting of both
 334 traditional classroom and online instructional techniques.
 335 Charter schools may implement blended learning courses which
 336 combine traditional classroom instruction and virtual
 337 instruction. Students in a blended learning course must be full-
 338 time students of the charter school pursuant to s.

339 1011.61(1)(a)1. ~~and receive the online instruction in a~~
 340 ~~classroom setting at the charter school.~~ Instructional personnel
 341 certified pursuant to s. 1012.55 who provide virtual instruction
 342 for blended learning courses may be employees of the charter
 343 school or may be under contract to provide instructional
 344 services to charter school students. At a minimum, such
 345 instructional personnel must hold an active state or school
 346 district adjunct certification under s. 1012.57 for the subject
 347 area of the blended learning course. The funding and performance
 348 accountability requirements for blended learning courses are the
 349 same as those for traditional courses.

350 3. The current incoming baseline standard of student
 351 academic achievement, the outcomes to be achieved, and the
 352 method of measurement that will be used. The criteria listed in
 353 this subparagraph shall include a detailed description of:

354 a. How the baseline student academic achievement levels
 355 and prior rates of academic progress will be established.

356 b. How these baseline rates will be compared to rates of
 357 academic progress achieved by these same students while
 358 attending the charter school.

359 c. To the extent possible, how these rates of progress
 360 will be evaluated and compared with rates of progress of other
 361 closely comparable student populations.

362

363 The district school board is required to provide academic
 364 student performance data to charter schools for each of their

365 students coming from the district school system, as well as
366 rates of academic progress of comparable student populations in
367 the district school system.

368 4. The methods used to identify the educational strengths
369 and needs of students and how well educational goals and
370 performance standards are met by students attending the charter
371 school. The methods shall provide a means for the charter school
372 to ensure accountability to its constituents by analyzing
373 student performance data and by evaluating the effectiveness and
374 efficiency of its major educational programs. Students in
375 charter schools shall, at a minimum, participate in the
376 statewide assessment program created under s. 1008.22.

377 5. In secondary charter schools, a method for determining
378 that a student has satisfied the requirements for graduation in
379 s. 1002.3105(5), s. 1003.4281, or s. 1003.4282.

380 6. A method for resolving conflicts between the governing
381 board of the charter school and the sponsor.

382 7. The admissions procedures and dismissal procedures,
383 including the school's code of student conduct. Admission or
384 dismissal must not be based on a student's academic performance.

385 8. The ways by which the school will achieve a
386 racial/ethnic balance reflective of the community it serves or
387 within the racial/ethnic range of other public schools in the
388 same school district.

389 9. The financial and administrative management of the
390 school, including a reasonable demonstration of the professional

391 experience or competence of those individuals or organizations
392 applying to operate the charter school or those hired or
393 retained to perform such professional services and the
394 description of clearly delineated responsibilities and the
395 policies and practices needed to effectively manage the charter
396 school. A description of internal audit procedures and
397 establishment of controls to ensure that financial resources are
398 properly managed must be included. Both public sector and
399 private sector professional experience shall be equally valid in
400 such a consideration.

401 10. The asset and liability projections required in the
402 application which are incorporated into the charter and shall be
403 compared with information provided in the annual report of the
404 charter school.

405 11. A description of procedures that identify various
406 risks and provide for a comprehensive approach to reduce the
407 impact of losses; plans to ensure the safety and security of
408 students and staff; plans to identify, minimize, and protect
409 others from violent or disruptive student behavior; and the
410 manner in which the school will be insured, including whether or
411 not the school will be required to have liability insurance,
412 and, if so, the terms and conditions thereof and the amounts of
413 coverage.

414 12. The term of the charter which shall provide for
415 cancellation of the charter if insufficient progress has been
416 made in attaining the student achievement objectives of the

417 charter and if it is not likely that such objectives can be
 418 achieved before expiration of the charter. The initial term of a
 419 charter shall be for 4 or 5 years. In order to facilitate access
 420 to long-term financial resources for charter school
 421 construction, charter schools that are operated by a
 422 municipality or other public entity as provided by law are
 423 eligible for up to a 15-year charter, subject to approval by the
 424 district school board. A charter lab school is eligible for a
 425 charter for a term of up to 15 years. In addition, to facilitate
 426 access to long-term financial resources for charter school
 427 construction, charter schools that are operated by a private,
 428 not-for-profit, s. 501(c)(3) status corporation are eligible for
 429 up to a 15-year charter, subject to approval by the district
 430 school board. Such long-term charters remain subject to annual
 431 review and may be terminated during the term of the charter, but
 432 only according to the provisions set forth in subsection (8).

433 13. The facilities to be used and their location. The
 434 sponsor may not require a charter school to have a certificate
 435 of occupancy or a temporary certificate of occupancy for such a
 436 facility earlier than 15 calendar days before the first day of
 437 school.

438 14. The qualifications to be required of the teachers and
 439 the potential strategies used to recruit, hire, train, and
 440 retain qualified staff to achieve best value.

441 15. The governance structure of the school, including the
 442 status of the charter school as a public or private employer as

443 required in paragraph (12) (i).

444 16. A timetable for implementing the charter which
 445 addresses the implementation of each element thereof and the
 446 date by which the charter shall be awarded in order to meet this
 447 timetable.

448 17. In the case of an existing public school that is being
 449 converted to charter status, alternative arrangements for
 450 current students who choose not to attend the charter school and
 451 for current teachers who choose not to teach in the charter
 452 school after conversion in accordance with the existing
 453 collective bargaining agreement or district school board rule in
 454 the absence of a collective bargaining agreement. However,
 455 alternative arrangements shall not be required for current
 456 teachers who choose not to teach in a charter lab school, except
 457 as authorized by the employment policies of the state university
 458 which grants the charter to the lab school.

459 18. Full disclosure of the identity of all relatives
 460 employed by the charter school who are related to the charter
 461 school owner, president, chairperson of the governing board of
 462 directors, superintendent, governing board member, principal,
 463 assistant principal, or any other person employed by the charter

 470 stepsister, half brother, or half sister.

471 19. Implementation of the activities authorized under s.
 472 1002.331 by the charter school when it satisfies the eligibility
 473 requirements for a high-performing charter school. A high-
 474 performing charter school shall notify its sponsor in writing by
 475 March 1 if it intends to increase enrollment or expand grade
 476 levels the following school year. The written notice shall
 477 specify the amount of the enrollment increase and the grade
 478 levels that will be added, as applicable.

479 (d)1. A charter may be terminated by a charter school's
 480 governing board through voluntary closure. The decision to cease
 481 operations must be determined at a public meeting. The governing
 482 board shall notify the parents and sponsor of the public meeting
 483 in writing before the public meeting. The governing board must
 484 notify the sponsor, parents of enrolled students, and the
 485 department in writing within 24 hours after the public meeting
 486 of its determination. The notice shall state the charter
 487 school's intent to continue operations or the reason for the
 488 closure and acknowledge that the governing board agrees to
 489 follow the procedures for dissolution and reversion of public
 490 funds pursuant to paragraphs (8) (e)-(g) and (9) (o) ~~Each charter~~
 491 ~~school's governing board must appoint a representative to~~
 492 ~~facilitate parental involvement, provide access to information,~~
 493 ~~assist parents and others with questions and concerns, and~~
 494 ~~resolve disputes. The representative must reside in the school~~

495 ~~district in which the charter school is located and may be a~~
 496 ~~governing board member, charter school employee, or individual~~
 497 ~~contracted to represent the governing board. If the governing~~
 498 ~~board oversees multiple charter schools in the same school~~
 499 ~~district, the governing board must appoint a separate individual~~
 500 ~~representative for each charter school in the district. The~~
 501 ~~representative's contact information must be provided annually~~
 502 ~~in writing to parents and posted prominently on the charter~~
 503 ~~school's website if a website is maintained by the school. The~~
 504 ~~sponsor may not require that governing board members reside in~~
 505 ~~the school district in which the charter school is located if~~
 506 ~~the charter school complies with this paragraph.~~

507 ~~2. Each charter school's governing board must hold at~~
 508 ~~least two public meetings per school year in the school~~
 509 ~~district. The meetings must be noticed, open, and accessible to~~
 510 ~~the public, and attendees must be provided an opportunity to~~
 511 ~~receive information and provide input regarding the charter~~
 512 ~~school's operations. The appointed representative and charter~~
 513 ~~school principal or director, or his or her equivalent, must be~~
 514 ~~physically present at each meeting.~~

515 (9) CHARTER SCHOOL REQUIREMENTS.—

516 (g)1. In order to provide financial information that is
 517 comparable to that reported for other public schools, charter
 518 schools are to maintain all financial records that constitute
 519 their accounting system:

520 a. In accordance with the accounts and codes prescribed in

521 the most recent issuance of the publication titled "Financial
 522 and Program Cost Accounting and Reporting for Florida Schools";
 523 or

524 b. At the discretion of the charter school's governing
 525 board, a charter school may elect to follow generally accepted
 526 accounting standards for not-for-profit organizations, but must
 527 reformat this information for reporting according to this
 528 paragraph.

529 2. Charter schools shall provide annual financial report
 530 and program cost report information in the state-required
 531 formats for inclusion in district reporting in compliance with
 532 s. 1011.60(1). Charter schools that are operated by a
 533 municipality or are a component unit of a parent nonprofit
 534 organization may use the accounting system of the municipality
 535 or the parent but must reformat this information for reporting
 536 according to this paragraph.

537 3. A charter school shall, upon approval of the charter
 538 contract, provide the sponsor with a concise, uniform, monthly
 539 financial statement summary sheet that contains a balance sheet
 540 and a statement of revenue, expenditures, and changes in fund
 541 balance. The balance sheet and the statement of revenue,
 542 expenditures, and changes in fund balance shall be in the
 543 governmental funds format prescribed by the Governmental
 544 Accounting Standards Board. A high-performing charter school
 545 pursuant to s. 1002.331 may provide a quarterly financial
 546 statement in the same format and requirements as the uniform

547 monthly financial statement summary sheet. The sponsor shall
 548 review each monthly or quarterly financial statement to identify
 549 the existence of any conditions identified in s. 1002.345(1)(a).

550 4. A charter school shall maintain and provide financial
 551 information as required in this paragraph. The financial
 552 statement required in subparagraph 3. must be in a form
 553 prescribed by the Department of Education.

554 (n)1. The director and a representative of the governing
 555 board of a charter school that has earned a grade of "D" or "F"
 556 pursuant to s. 1008.34 shall appear before the sponsor to
 557 present information concerning each contract component having
 558 noted deficiencies. The director and a representative of the
 559 governing board shall submit to the sponsor for approval a
 560 school improvement plan to raise student performance. Upon
 561 approval by the sponsor, the charter school shall begin
 562 implementation of the school improvement plan. The department
 563 shall offer technical assistance and training to the charter
 564 school and its governing board and establish guidelines for
 565 developing, submitting, and approving such plans.

566 2.a. If a charter school earns three consecutive grades of
 567 "D," two consecutive grades of "D" followed by a grade of "F,"
 568 or two nonconsecutive grades of "F" within a 3-year period, the
 569 charter school governing board shall choose one of the following
 570 corrective actions:

571 (I) Contract for educational services to be provided
 572 directly to students, instructional personnel, and school

573 administrators, as prescribed in state board rule;

574 (II) Contract with an outside entity that has a

575 demonstrated record of effectiveness to operate the school;

576 (III) Reorganize the school under a new director or

577 principal who is authorized to hire new staff; or

578 (IV) Voluntarily close the charter school.

579 b. The charter school must implement the corrective action

580 in the school year following receipt of a third consecutive

581 grade of "D," a grade of "F" following two consecutive grades of

582 "D," or a second nonconsecutive grade of "F" within a 3-year

583 period.

584 c. The sponsor may annually waive a corrective action if

585 it determines that the charter school is likely to improve a

586 letter grade if additional time is provided to implement the

587 intervention and support strategies prescribed by the school

588 improvement plan. Notwithstanding this sub-subparagraph, a

589 charter school that earns a second consecutive grade of "F" is

590 subject to subparagraph 4.

591 d. A charter school is no longer required to implement a

592 corrective action if it improves by at least one letter grade.

593 However, the charter school must continue to implement

594 strategies identified in the school improvement plan. The

595 sponsor must annually review implementation of the school

596 improvement plan to monitor the school's continued improvement

597 pursuant to subparagraph 5.

598 e. A charter school implementing a corrective action that

599 does not improve by at least one letter grade after 2 full
 600 school years of implementing the corrective action must select a
 601 different corrective action. Implementation of the new
 602 corrective action must begin in the school year following the
 603 implementation period of the existing corrective action, unless
 604 the sponsor determines that the charter school is likely to
 605 improve a letter grade if additional time is provided to
 606 implement the existing corrective action. Notwithstanding this
 607 sub-subparagraph, a charter school that earns a second
 608 consecutive grade of "F" while implementing a corrective action
 609 is subject to subparagraph 4.

610 3. A charter school with a grade of "D" or "F" that
 611 improves by at least one letter grade must continue to implement
 612 the strategies identified in the school improvement plan. The
 613 sponsor must annually review implementation of the school
 614 improvement plan to monitor the school's continued improvement
 615 pursuant to subparagraph 5.

616 4. A charter school's charter contract is automatically
 617 terminated if the school earns two consecutive grades of "F"
 618 after all school grade appeals are final ~~The sponsor shall~~
 619 ~~terminate a charter if the charter school earns two consecutive~~
 620 ~~grades of "F" unless:~~

621 a. The charter school is established to turn around the
 622 performance of a district public school pursuant to s.
 623 1008.33(4)(b)3. Such charter schools shall be governed by s.
 624 1008.33;

625 b. The charter school serves a student population the
 626 majority of which resides in a school zone served by a district
 627 public school that earned a grade of "F" in the year before the
 628 charter school opened and the charter school earns at least a
 629 grade of "D" in its third year of operation. The exception
 630 provided under this sub-subparagraph does not apply to a charter
 631 school in its fourth year of operation and thereafter; or

632 c. The state board grants the charter school a waiver of
 633 termination. The charter school must request the waiver within
 634 15 days after the department's official release of school
 635 grades. The state board may waive termination if the charter
 636 school demonstrates that the Learning Gains of its students on
 637 statewide assessments are comparable to or better than the
 638 Learning Gains of similarly situated students enrolled in nearby
 639 district public schools. The waiver is valid for 1 year and may
 640 only be granted once. Charter schools that have been in
 641 operation for more than 5 years are not eligible for a waiver
 642 under this sub-subparagraph.

643
 644 The sponsor shall notify the charter school's governing board,
 645 the charter school principal, and the department in writing when
 646 a charter contract is terminated under this subparagraph. The
 647 letter of termination must meet the requirements of paragraph
 648 (8) (c). A charter terminated under this subparagraph must follow
 649 the procedures for dissolution and reversion of public funds
 650 pursuant to paragraphs (8) (e)-(g) and (9) (o).

651 5. The director and a representative of the governing
 652 board of a graded charter school that has implemented a school
 653 improvement plan under this paragraph shall appear before the
 654 sponsor at least once a year to present information regarding
 655 the progress of intervention and support strategies implemented
 656 by the school pursuant to the school improvement plan and
 657 corrective actions, if applicable. The sponsor shall communicate
 658 at the meeting, and in writing to the director, the services
 659 provided to the school to help the school address its
 660 deficiencies.

661 6. Notwithstanding any provision of this paragraph except
 662 sub-subparagraphs 4.a.-c., the sponsor may terminate the charter
 663 at any time pursuant to subsection (8).

664 (p)1. Each charter school shall maintain a website that
 665 enables the public to obtain information regarding the school;
 666 the school's academic performance; the names of the governing
 667 board members; the programs at the school; any management
 668 companies, service providers, or education management
 669 corporations associated with the school; the school's annual
 670 budget and its annual independent fiscal audit; the school's
 671 grade pursuant to s. 1008.34; and, on a quarterly basis, the
 672 minutes of governing board meetings.

673 2. Each charter school's governing board must appoint a
 674 representative to facilitate parental involvement, provide
 675 access to information, assist parents and others with questions
 676 and concerns, and resolve disputes. The representative must

677 reside in the school district in which the charter school is
678 located and may be a governing board member, a charter school
679 employee, or an individual contracted to represent the governing
680 board. If the governing board oversees multiple charter schools
681 in the same school district, the governing board must appoint a
682 separate representative for each charter school in the district.
683 The representative's contact information must be provided
684 annually in writing to parents and posted prominently on the
685 charter school's website. The sponsor may not require governing
686 board members to reside in the school district in which the
687 charter school is located if the charter school complies with
688 this subparagraph.

689 3. Each charter school's governing board must hold at
690 least two public meetings per school year in the school district
691 where the charter school is located. The meetings must be
692 noticed, open, and accessible to the public, and attendees must
693 be provided an opportunity to receive information and provide
694 input regarding the charter school's operations. The appointed
695 representative and charter school principal or director, or his
696 or her designee, must be physically present at each meeting.
697 Members of the governing board may attend in person or by means
698 of communications media technology used in accordance with rules
699 adopted by the Administration Commission under s. 120.54(5).

700 (10) ELIGIBLE STUDENTS.—

701 (a) A charter school shall be open to any student covered
702 in an interdistrict agreement or residing in the school district

703 in which the charter school is located; however, in the case of
 704 a charter lab school, the charter lab school shall be open to
 705 any student eligible to attend the lab school as provided in s.
 706 1002.32 or who resides in the school district in which the
 707 charter lab school is located. Any eligible student shall be
 708 allowed interdistrict transfer to attend a charter school when
 709 based on good cause. Good cause shall include, but is not
 710 limited to, geographic proximity to a charter school in a
 711 neighboring school district. A charter school that has not
 712 reached capacity, as determined by the charter school's
 713 governing board, may be open for enrollment to any student in
 714 the state.

715 (d) A charter school may give enrollment preference to the
 716 following student populations:

717 1. Students who are siblings of a student enrolled in the
 718 charter school.

719 2. Students who are the children of a member of the
 720 governing board of the charter school.

721 3. Students who are the children of an employee of the
 722 charter school.

723 4. Students who are the children of:

724 a. An employee of the business partner of a charter
 725 school-in-the-workplace established under paragraph (15)(b) or a
 726 resident of the municipality in which such charter school is
 727 located; or

729 school-in-a-municipality pursuant to paragraph (15)(c).

730 5. Students who have successfully completed a voluntary
731 prekindergarten education program under ss. 1002.51-1002.79
732 provided by the charter school or the charter school's governing
733 board during the previous year.

734 6. Students who are the children of an active duty member
735 of any branch of the United States Armed Forces.

736 7. Students who attended or are assigned to failing
737 schools pursuant to s. 1002.38(2).

738 (13) CHARTER SCHOOL COOPERATIVES.—Charter schools may
739 enter into cooperative agreements to form charter school
740 cooperative organizations that may provide ~~the following~~
741 services to further educational, operational, and administrative
742 initiatives in which the participating charter schools share
743 common interests: charter school planning and development,
744 direct instructional services, and contracts with charter school
745 governing boards to provide personnel administrative services,
746 payroll services, human resource management, evaluation and
747 assessment services, teacher preparation, and professional
748 development.

749 (17) FUNDING.—Students enrolled in a charter school,
750 regardless of the sponsorship, shall be funded as if they are in
751 a basic program or a special program, the same as students
752 enrolled in other public schools in the school district. Funding
753 for a charter lab school shall be as provided in s. 1002.32.

754 (b) The basis for the agreement for funding students

755 enrolled in a charter school shall be the sum of the school
 756 district's operating funds from the Florida Education Finance
 757 Program as provided in s. 1011.62 and the General Appropriations
 758 Act, including gross state and local funds, discretionary
 759 lottery funds, and funds from the school district's current
 760 operating discretionary millage levy; divided by total funded
 761 weighted full-time equivalent students in the school district;
 762 multiplied by the weighted full-time equivalent students for the
 763 charter school. Charter schools whose students or programs meet
 764 the eligibility criteria in law are entitled to their
 765 proportionate share of categorical program funds included in the
 766 total funds available in the Florida Education Finance Program
 767 by the Legislature, including transportation, the research-based
 768 reading allocation, and the Florida digital classrooms
 769 allocation. Total funding for each charter school shall be
 770 recalculated during the year to reflect the revised calculations
 771 under the Florida Education Finance Program by the state and the
 772 actual weighted full-time equivalent students reported by the
 773 charter school during the full-time equivalent student survey
 774 periods designated by the Commissioner of Education. Any
 775 unrestricted surplus or unrestricted net assets identified in
 776 the charter school's annual audit may be used for K-12
 777 educational purposes for charter schools within the district
 778 operated by the not-for-profit or municipal entity operating the
 779 charter school with the surplus. Surplus operating funds shall
 780 be used in accordance with s. 1011.62, and surplus capital

781 outlay funds shall be used in accordance with s. 1013.62(2).

782 (e) District school boards shall make timely and efficient

783 payment and reimbursement to charter schools, including

784 processing paperwork required to access special state and

785 federal funding for which they may be eligible. Payments of

786 funds under paragraph (b) shall be made monthly or twice a

787 month, beginning with the start of the district school board's

788 fiscal year. Each payment shall be one-twelfth, or one twenty-

789 fourth, as applicable, of the total state and local funds

790 described in paragraph (b) and adjusted as set forth therein.

791 For the first 2 years of a charter school's operation, if a

792 minimum of 75 percent of the projected enrollment is entered

793 into the sponsor's student information system by the first day

794 of the current month, the district school board shall ~~may~~

795 distribute funds to the ~~a charter~~ school for the ~~up to 3~~ months

796 of July through October based on the projected full-time

797 equivalent student membership of the charter school as submitted

798 in the approved application. If less than 75 percent of the

799 projected enrollment is entered into the sponsor's student

800 information system by the first day of the current month, the

801 sponsor shall base payments on the actual number of student

802 enrollment entered into the sponsor's student information

803 system. Thereafter, the results of full-time equivalent student

804 membership surveys shall be used in adjusting the amount of

805 funds distributed monthly to the charter school for the

806 remainder of the fiscal year. The payments ~~payment~~ shall be

807 issued no later than 10 working days after the district school
 808 board receives a distribution of state or federal funds or the
 809 date the payment is due pursuant to this subsection. If a
 810 warrant for payment is not issued within 10 working days after
 811 receipt of funding by the district school board, the school
 812 district shall pay to the charter school, in addition to the
 813 amount of the scheduled disbursement, interest at a rate of 1
 814 percent per month calculated on a daily basis on the unpaid
 815 balance from the expiration of the 10 working days until such
 816 time as the warrant is issued. The district school board may not
 817 delay payment to a charter school of any portion of the funds
 818 provided in paragraph (b) based on the timing of receipt of
 819 local funds by the district school board.

820 (18) FACILITIES.—

821 (a) A startup charter school shall utilize facilities
 822 which comply with the Florida Building Code pursuant to chapter
 823 553 except for the State Requirements for Educational
 824 Facilities. Conversion charter schools shall utilize facilities
 825 that comply with the State Requirements for Educational
 826 Facilities provided that the school district and the charter
 827 school have entered into a mutual management plan for the
 828 reasonable maintenance of such facilities. The mutual management
 829 plan shall contain a provision by which the district school
 830 board agrees to maintain charter school facilities in the same
 831 manner as its other public schools within the district. Charter
 832 schools, with the exception of conversion charter schools, are

833 not required to comply, but may choose to comply, with the State
 834 Requirements for Educational Facilities of the Florida Building
 835 Code adopted pursuant to s. 1013.37. The local governing
 836 authority shall not adopt or impose any local building
 837 requirements or site-development restrictions, such as parking
 838 and site-size criteria, that are addressed by and more stringent
 839 than those found in the State Requirements for Educational
 840 Facilities of the Florida Building Code. ~~Beginning July 1, 2011,~~
 841 A local governing authority must treat charter schools equitably
 842 in comparison to similar requirements, restrictions, and site
 843 planning processes imposed upon public schools that are not
 844 charter schools. The agency having jurisdiction for inspection
 845 of a facility and issuance of a certificate of occupancy or use
 846 shall be the local municipality or, if in an unincorporated
 847 area, the county governing authority. If an official or employee
 848 of the local governing authority refuses to comply with this
 849 paragraph, the aggrieved school or entity has an immediate right
 850 to bring an action in circuit court to enforce its rights by
 851 injunction. An aggrieved party that receives injunctive relief
 852 may be awarded attorney fees and court costs.

853 (20) SERVICES.—

854 (a)1. A sponsor shall provide certain administrative and
 855 educational services to charter schools. These services shall
 856 include contract management services; full-time equivalent and
 857 data reporting services; exceptional student education
 858 administration services; services related to eligibility and

859 reporting duties required to ensure that school lunch services
 860 under the federal lunch program, consistent with the needs of
 861 the charter school, are provided by the school district at the
 862 request of the charter school, that any funds due to the charter
 863 school under the federal lunch program be paid to the charter
 864 school as soon as the charter school begins serving food under
 865 the federal lunch program, and that the charter school is paid
 866 at the same time and in the same manner under the federal lunch
 867 program as other public schools serviced by the sponsor or the
 868 school district; test administration services, including payment
 869 of the costs of state-required or district-required student
 870 assessments; processing of teacher certificate data services;
 871 and information services, including equal access to student
 872 information systems that are used by public schools in the
 873 district in which the charter school is located. Student
 874 performance data for each student in a charter school,
 875 including, but not limited to, FCAT scores, standardized test
 876 scores, previous public school student report cards, and student
 877 performance measures, shall be provided by the sponsor to a
 878 charter school in the same manner provided to other public
 879 schools in the district.

880 2. A total administrative fee for the provision of such
 881 services shall be calculated based upon up to 5 percent of the
 882 available funds defined in paragraph (17)(b) for all students,
 883 except that when 75 percent or more of the students enrolled in
 884 the charter school are exceptional students as defined in s.

885 1003.01(3), the 5 percent of those available funds shall be
 886 calculated based on unweighted full-time equivalent students.
 887 However, a sponsor may only withhold up to a 5-percent
 888 administrative fee for enrollment for up to and including 250
 889 students. For charter schools with a population of 251 or more
 890 students, the difference between the total administrative fee
 891 calculation and the amount of the administrative fee withheld
 892 may only be used for capital outlay purposes specified in s.
 893 1013.62(2).

894 3. For high-performing charter schools, as defined in s.
 895 1002.331 ~~ch. 2011-232~~, a sponsor may withhold a total
 896 administrative fee of up to 2 percent for enrollment up to and
 897 including 250 students per school.

898 4. In addition, a sponsor may withhold only up to a 5-
 899 percent administrative fee for enrollment for up to and
 900 including 500 students within a system of charter schools which
 901 meets all of the following:

- 902 a. Includes both conversion charter schools and
- 903 nonconversion charter schools;
- 904 b. Has all schools located in the same county;
- 905 c. Has a total enrollment exceeding the total enrollment
- 906 of at least one school district in the state;
- 907 d. Has the same governing board; and
- 908 e. Does not contract with a for-profit service provider
- 909 for management of school operations.

910 5. The difference between the total administrative fee

911 calculation and the amount of the administrative fee withheld
 912 pursuant to subparagraph 4. may be used for instructional and
 913 administrative purposes as well as for capital outlay purposes
 914 specified in s. 1013.62(2).

915 6. For a high-performing charter school system that also
 916 meets the requirements in subparagraph 4., a sponsor may
 917 withhold a 2-percent administrative fee for enrollments up to
 918 and including 500 students per system.

919 7. Sponsors shall not charge charter schools any
 920 additional fees or surcharges for administrative and educational
 921 services in addition to the maximum 5-percent administrative fee
 922 withheld pursuant to this paragraph.

923 8. The sponsor of a virtual charter school may withhold a
 924 fee of up to 5 percent. The funds shall be used to cover the
 925 cost of services provided under subparagraph 1. and
 926 implementation of the school district's digital classrooms plan
 927 pursuant to s. 1011.62.

928 9. A charter school whose initial application is submitted
 929 under s. 1002.331 and denied by the district school board is
 930 exempt from the administrative fee requirements of this
 931 paragraph.

932 Section 2. Paragraph (e) of subsection (2) and subsections
 933 (3), (4), and (5) of section 1002.331, Florida Statutes, are
 934 amended to read:

936 (2) A high-performing charter school is authorized to:

937 (e) Receive a modification of its charter to an additional
 938 a term of 15 years or a 15-year charter renewal. The charter may
 939 be modified or renewed for a shorter term at the option of the
 940 high-performing charter school. The sponsor has 30 days after
 941 the charter school receives its high-performing designation to
 942 provide a charter renewal to the charter school. The charter
 943 school and sponsor have 20 days to negotiate and provide notice
 944 of the charter contract for final approval by the sponsor. The
 945 proposed charter contract must be provided to the charter school
 946 at least 7 days before the date of the meeting at which the
 947 charter is scheduled for final approval by the sponsor. A
 948 dispute may be appealed to an administrative law judge appointed
 949 by the Division of Administrative Hearings pursuant to s.
 950 1002.33(6)(h). The charter must be consistent with s.
 951 1002.33(7)(a)19. and (10)(h) and (i), is subject to annual
 952 review by the sponsor, and may be terminated during its term
 953 pursuant to s. 1002.33(8).

954
 955 A high-performing charter school shall notify its sponsor in
 956 writing by March 1 if it intends to increase enrollment or
 957 expand grade levels the following school year. The written
 958 notice shall specify the amount of the enrollment increase and
 959 the grade levels that will be added, as applicable. If a charter
 960 school notifies the sponsor of its intent to expand, the sponsor
 961 shall modify the charter within 90 days to include the new
 962 enrollment maximum and may not make any other changes. The

963 sponsor may deny a request to increase the enrollment of a high-
964 performing charter school if the commissioner has declassified
965 the charter school as high-performing. If a high-performing
966 charter school requests to consolidate multiple charters, the

 1323 subparagraph (a)1. ~~or subparagraph (a)2.~~ The difference between
 1324 that fraction or sum of fractions and the maximum value as set
 1325 forth in subsection (4) for each full-time student is presumed
 1326 to be the balance of the student's time not spent in a special

1366 time virtual instruction. Credit completions may be a
1367 combination of full-credit courses or half-credit courses.

1373 ~~assessment. However, no adjustment shall be made for a student~~
1374 ~~who enrolls in a segmented remedial course delivered online.~~
