Dear Chair Bileca:

I am writing to respectfully request that **HB 67 – Classified Advertisement Websites**, be placed on the agenda of the *Government Operations Subcommittee* at your earliest convenience. This proposed bill designates safe-haven facilities for classified advertisement websites. The term “safe-haven facility”, means a secure location opened to the public for the purpose of conducting a sales transaction involving an item or a service that was offered for sale on a classified advertisement website. The bill promotes the safety of individuals who may fall prey to criminals when they meet to exchange goods for cash. It is intended help deter crimes and provide greater safety throughout the state. The number of safe-haven facilities will be based upon the population size of each county.

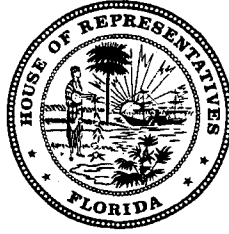

Thank you and please know that I am available to meet with you if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Watson".

Dear Chair Bileca,

Thank you for your leadership as Chair of the Government Operations Subcommittee. I would like to respectfully request that HB 527, Scrutinized Companies, be added to the Government Operations Subcommittee agenda. HB 527 requires the SBA to identify companies, where public moneys are invested, that boycott Israel, and create and maintain lists that name all such companies. It also prohibits local governmental entities from entering into contracts with companies on the scrutinized list.

If you have any questions, please feel free to contact me on my cell at (321) 292-1880.

Dear Chairman Bileca,

I respectfully request that *HB 1021 - Award of Attorney Fees in Public Records Enforcement Actions*, be placed on the agenda as soon as possible. The legislation is on the top of my bill priority list and I appreciate you considering this request.

House Bill 1021, was filed on the behalf of many local governments who are facing frivolous and punitive record requests. The simple change to Florida Statue allows our courts to take into consideration all facets of the request and allows for a thorough look at procedure and discretion when awarding of fees.

This bill is important to the State of Florida's commitment the wise use of public funds and the importance of protecting Florida's *Sunshine Laws*. Thank you for your consideration and please do not hesitate to call my office if you have any questions or concerns.

Very respectfully yours,

Re: HB 593 - Government Accountability

Dear Chair Bileca:

I am pleased to be the prime sponsor of HB 593, entitled "Government Accountability." This is a good government bill that is similar to a bill with the same title that I sponsored in the 2015 session, which was reported favorably by your subcommittee. It contains a number of provisions intended to prevent fraud, waste, and abuse, and promote greater transparency, oversight, and accountability in numerous state and local government agencies. I would greatly appreciate the opportunity to present this sound bill to your subcommittee.

Thank you in advance for your consideration.

Respectfully,
