STATE COURT SYSTEM

In Section 07 On Page 373

In Section 07, on Page 373, DELETE the following:

From the funds in Specific Appropriation 3145 through 3212, the Office of the State Courts Administrator shall prepare a proposal for a budget neutral performance pay model that objectively and uniformly measures judicial performance. The proposal must include objective and measurable criteria and may include the following to determine a performance based judicial salary: court accessibility and fairness, clearance rates, time to disposition, age of active pending cases, trial date certainty, reliability and integrity of case files, legal financial obligations, effective use of jurors, court employee satisfaction, and cost per case. Budget neutrality must be achieved within existing salary and benefit appropriations and must include salary incentives and salary disincentives. The proposal shall be submitted to the President of the Senate, the Speaker of the House of Representatives, and the Governor by December 1, 2017.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.

LEGISLATIVE BRANCH
Legislative Support Services

In Section 06 On Page 326

In Section 06, on Page 326, INSERT the following:

From the funds in Specific Appropriations 2683 and 2684, the Office of Program Policy Analysis and Government Accountability shall prepare a proposal for a budget neutral performance pay model that objectively and uniformly measures legislative performance. The proposal must include objective and measurable criteria and may include the following to determine a performance-based legislative salary: constitutionality of legislation as determined by court findings to the contrary; accessibility to constituents as measured by hosting of town halls and attendance at civic events open to the public; effectiveness at law making measured by passage of sponsored bills if in the majority; attendance at legislative meetings with a minimum threshold of 80% attendance in committee and floor sessions; legislative employee satisfaction; and public cost per legislative measure adopted. Budget neutrality must be achieved within existing Legislative Support Services appropriations and must include salary incentives and salary

disincentives. The proposal shall be submitted to the President of the Senate, the Speaker of the House of Representatives, and the Governor by December 1, 2017.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
