3 Representative Plakon offered the following:

4

5 **Amendment (with title amendment)**

6 Remove everything after the enacting clause and insert:

7 Section 2. Present subsections (3) through (12) of section
 8 455.213, Florida Statutes, are redesignated as subsections (4)
 9 through (13), respectively, subsection (2) of that section is
 10 amended, and a new subsection (3) is added to that section, to
 11 read:

12 455.213 General licensing provisions.—

13 (2) Before the issuance of any license, the department may
 14 charge an initial license fee as determined by rule of the
 15 applicable board or, if no such board exists, by rule of the
 16 department. Upon receipt of the appropriate license fee, except

Amendment No. 1

17 as provided in subsection (4) ~~(3)~~, the department shall issue a
18 license to any person certified by the appropriate board, or its
19 designee, or the department when there is no board, as having
20 met the applicable requirements imposed by law or rule. However,
21 an applicant who is not otherwise qualified for licensure is not
22 entitled to licensure solely based on a passing score on a
23 required examination. Upon a determination by the department
24 that it erroneously issued a license, or upon the revocation of
25 a license by the applicable board, or by the department when
26 there is no board, the licensee must surrender his or her
27 license to the department.

28 (3) (a) Notwithstanding any other provision of law, the
29 board shall use the process in this subsection for review of an
30 applicant's criminal record to determine his or her eligibility
31 for licensure as a:

- 32 1. Barber under chapter 476;
33 2. Cosmetologist or cosmetology specialist under chapter
34 477; or
35 3. Any of the following construction professions under
36 chapter 489:
37 a. Air-conditioning contractor;
38 b. Electrical contractor;
39 c. Mechanical contractor;
40 d. Plumbing contractor;
41 e. Pollutant storage systems contractor;

Amendment No. 1

- 42 f. Roofing contractor;
43 g. Septic tank contractor;
44 h. Sheet metal contractor;
45 i. Solar contractor;
46 j. Swimming pool and spa contractor;
47 k. Underground utility and excavation contractor; and
48 l. Other specialty contractors.

49 (b) A conviction, or any other adjudication, for a crime
50 more than 5 years before the date of the application may not be
51 grounds for denial of a license specified in paragraph (a). For
52 purposes of this paragraph, the term "conviction" means a
53 determination of guilt that is the result of a plea or trial,
54 regardless of whether adjudication is withheld.

55 (c)1. A person may apply for a license before his or her
56 lawful release from confinement or supervision. The department
57 may not charge an applicant an additional fee for being confined
58 or under supervision. The board may not deny an application for
59 a license solely on the basis of the applicant's current
60 confinement or supervision.

61 2. After a license application is approved, the board may
62 stay the issuance of a license until the applicant is lawfully
63 released from confinement or supervision and the applicant
64 notifies the board of such release. The board must verify the
65 applicant's release with the Department of Corrections before it
66 issues a license.

Amendment No. 1

67 3. If an applicant is unable to appear in person due to
68 his or her confinement or supervision, the board must permit the
69 applicant to appear by teleconference or video conference, as
70 appropriate, at any meeting of the board or other hearing by the
71 agency concerning his or her application.

72 4. If an applicant is confined or under supervision, the
73 Department of Corrections and the board shall cooperate and
74 coordinate to facilitate the appearance of the applicant at a
75 board meeting or agency hearing in person, by teleconference, or
76 by video conference, as appropriate.

77 (d) Each board shall compile a list of crimes that, if
78 committed and regardless of adjudication, do not relate to the
79 practice of the profession or the ability to practice the
80 profession and do not constitute grounds for denial of a
81 license. This list shall be made available on the department's
82 website and be updated annually. Beginning October 1, 2018, each
83 board shall compile a list of crimes that although reported by
84 an applicant for licensure, were not used as a basis for denial.
85 The list must identify the crime reported and the date of
86 conviction, finding of guilt, plea, or adjudication entered or
87 the date of sentencing for each such license application.

88 (e) Each board shall compile a list of crimes that have
89 been used as a basis for denial of a license in the past 2
90 years, which shall be made available on the department's
91 website. Starting October 1, 2018, and updated quarterly

Amendment No. 1

92 thereafter, the applicable board shall compile a list indicating
93 each crime used as a basis for denial. For each crime listed,
94 the board must identify the date of conviction, finding of
95 guilt, plea, or adjudication entered, or date of sentencing.
96 Such denials shall be available to the public upon request.

97 Section 3. Present subsections (2) through (8) of section
98 464.203, Florida Statutes, are redesignated as subsections (3)
99 through (9), respectively, and a new subsection (2) is added to
100 that section, to read:

101 464.203 Certified nursing assistants; certification
102 requirement.-

103 (2)(a)1. Except as provided in s. 435.07(4) and s.
104 456.0635, a conviction, or any other adjudication, for a crime
105 more than 7 years before the date of the application may not be
106 grounds for denial of a certificate to practice as a certified
107 nursing assistant.

108 2. Except as provided in s. 435.07(4) and s. 456.0635, a
109 conviction, or any other adjudication, for a crime more than 7
110 years before the date of the application may not be grounds for
111 failure of a required background screening.

112 3. For purposes of this paragraph, the term "conviction"
113 means a determination of guilt that is the result of a plea or
114 trial, regardless of whether adjudication is withheld.

115 (b)1. A person may apply for a certificate to practice as
116 a certified nursing assistant before his or her lawful release

Amendment No. 1

117 from confinement or supervision. The department may not charge
118 an applicant an additional fee for being confined or under
119 supervision. The board may not deny an application for a
120 certificate solely on the basis of the person's current
121 confinement or supervision.

122 2. After a certification application is approved, the
123 board may stay the issuance of a certificate until the applicant
124 notifies the board of his or her lawful release from confinement
125 or supervision. The board must verify the applicant's release
126 with the Department of Corrections before it issues a
127 certificate.

128 3. If an applicant is unable to appear in person due to
129 his or her confinement or supervision, the board must permit the
130 applicant to appear by teleconference or video conference, as
131 appropriate, at any meeting of the board or other hearing by the
132 agency concerning his or her application.

133 4. If an applicant is confined or under supervision, the
134 Department of Corrections and the board shall cooperate and
135 coordinate to facilitate the appearance of the applicant at a
136 board meeting or agency hearing in person, by teleconference, or
137 by video conference, as appropriate.

138 (c) The board shall compile a list of crimes that, if
139 committed and regardless of adjudication, do not relate to the
140 practice of the profession or the ability to practice the
141 profession and do not constitute grounds for denial of a

Amendment No. 1

142 license. This list shall be made available on the department's
143 website and be updated annually. Beginning October 1, 2018, the
144 board shall compile a list of crimes that although reported by
145 an applicant for licensure were not used as a basis for denial.
146 The list must identify the crime reported and the date of
147 conviction, finding of guilt, plea, or adjudication entered or
148 the date of sentencing for each such license application.

149 (d) The board shall compile a list of crimes that have been
150 used as a basis for denial of a license in the past 2 years,
151 which shall be made available on the department's website.
152 Starting October 1, 2018, and updated quarterly thereafter, the
153 board shall compile a list indicating each crime used as a basis
54 for denial. For each crime listed the board must identify the
155 date of conviction, finding of guilt, plea, or adjudication
156 entered, or date of sentencing. Such denials shall be available
157 to the public upon request.

158 Section 4. Subsection (4) of section 400.211, Florida
159 Statutes, is amended to read:

160 400.211 Persons employed as nursing assistants;
161 certification requirement.-

162 (4) When employed by a nursing home facility for a 12-
163 month period or longer, a nursing assistant, to maintain
164 certification, shall submit to a performance review every 12
165 months and must receive regular inservice education based on the

Amendment No. 1

166 outcome of such reviews. The inservice training must meet all of
167 the following requirements:

168 (a) Be sufficient to ensure the continuing competence of
169 nursing assistants and must meet the standard specified in s.
170 464.203(8). ~~s. 464.203(7);~~

171 (b) Include, at a minimum:

172 1. Techniques for assisting with eating and proper
173 feeding;

174 2. Principles of adequate nutrition and hydration;

175 3. Techniques for assisting and responding to the
176 cognitively impaired resident or the resident with difficult
177 behaviors;

178 4. Techniques for caring for the resident at the end-of-
179 life; and

180 5. Recognizing changes that place a resident at risk for
181 pressure ulcers and falls. ~~and~~

182 (c) Address areas of weakness as determined in nursing
183 assistant performance reviews and may address the special needs
184 of residents as determined by the nursing home facility staff.
