SPECIALTY (Pre-Sale)

Note: Currently, no organizations are in the pre-sale process.

When a specialty license plate is authorized by Florida Statutes, the requesting organization must sell 1,000 vouchers within 24 months before the license plate is manufactured.

Pre-sale vouchers may be purchased at local county tax collector offices or license plate agencies. The clerk will process the transaction and provide the customer with a Pre-Sale Specialty License Plate Voucher receipt.

If the organization meets the 1,000 pre-sale requirement at the end of the 24-month period or any time before this date, the specialty license plate will be made and distributed to the tax collector offices and license plate agencies.

If the organization does not meet the pre-sale requirement of 1,000 at the end of the 24-month period, the specialty plate will be de-authorized, and the department will discontinue development and issuance of the pre-sale voucher.

Upon de-authorization, the purchaser of a pre-sale voucher may use the annual use fee he/she paid as credit towards any other specialty license plate or apply for a refund.
