22 under this paragraph is not subject to Public Service Commission
23 jurisdiction. The separate legal entity may not provide utility
24 services within the service area of an existing utility system
25 unless it has received the consent of the utility.

26 2. For purposes of this paragraph, the term:

43 or receiver owning, operating, managing, or controlling a
44 system, or proposing construction of a system, who is providing,
45 or proposes to provide, water or wastewater service to the
46 public for compensation.

47 3. A separate legal entity that seeks to acquire any
48 utility shall notify the host government in writing by certified
49 mail about the contemplated acquisition not less than 30 days
50 before any proposed transfer of ownership, use, or possession of
51 any utility assets by such separate legal entity. The potential
52 acquisition notice shall be provided to the legislative head of

54 administrative officer and shall provide the name and address of
55 a contact person for the separate legal entity and information
56 identified in s. 367.071(4)(a) concerning the contemplated

59 host government may adopt a resolution to become a member of the
60 separate legal entity, adopt a resolution to approve the utility
61 acquisition, or adopt a resolution to prohibit the utility
62 acquisition by the separate legal entity if the host government
63 determines that the proposed acquisition is not in the public

67 b. If a host government adopts a membership resolution,
68 the separate legal entity shall accept the host government as a
69 member on the same basis as its existing members before any
70 transfer of ownership, use, or possession of the utility or the
71 utility facilities. If a host government adopts a resolution to
72 approve the utility acquisition, the separate legal entity may
73 complete the acquisition. If a host government adopts a
74 prohibition resolution, the separate legal entity may not
75 acquire the utility within that host government's territory
76 without the specific consent of the host government by future
77 resolution. If a host government does not adopt a prohibition
78 resolution or an approval resolution, the separate legal entity
79 may proceed to acquire the utility after the 30-day notice
80 period without further notice.

81 5. After the acquisition or construction of any utility

97 provided by law as authorized in s. 4, Art. VIII of the State
98 Constitution for any transfer of power as a result of an
99 acquisition of a utility by a separate legal entity from a
100 municipality, county, or special district.

102 construction, expansion, and improvement of such facilities
103 relating to a governmental function or purpose through the
104 issuance of its bonds, notes, or other obligations under this

122 utility system, nor may the entity acquire title to any water or
