**State Representative Skidmore Appointed as the Ranking Democratic Member to the Congressional Redistricting Subcommittee**

**Tallahassee, FL** - Florida House **Speaker Chris Sprowls (R-Palm Harbor)** has appointed State **Representative Kelly Skidmore (D-Boca Raton)** to the Congressional Redistricting Subcommittee as the ranking Democratic member on the committee.

“The redistricting process will impact Floridians for at least the next 10 years and I take that responsibility very seriously,” said **Representative Skidmore**. “I echo Speaker Sprowls’ commitment to ensuring that Floridians enjoy a fair and legal redistricting process and encourage every resident to stay informed, attend meetings throughout the state, and participate whenever possible.”

The Congressional Redistricting Subcommittee was convened for the 2022 legislative session with the purpose of redrawing the boundaries of Florida’s 27 congressional districts to reflect the population changes reported by the 2020 Census. Population growth requires for a 28th district to be drawn.
