## **Representative Bush Delivers Funding from the State to the City of Opa-Locka, for New City of Opa-Locka Police Station and City of Opa-Locka Park Revitalization Project**

**Miami, Fla.** – On Wednesday, June 23rd at 7:00PM, during the City of Opa-Locka Bi-Weekly Commission Meeting, **Representative James Bush III (D- Opa-Locka)** will present two ceremonial checks to the Mayor, Commissioners, and Parks and Rec. Director of the City of Opa-Locka.

“It is a privilege and honor now that the 2021 Legislative and Special Sessions are over and the Governor has officially signed the budget. I’m happy to report that two of my bills were included in the budget and will bring resources to our community. HB 3181 was approved for \$1.125 million toward the construction of a new police station for the City of Opa-Locka. Additionally, my bill HB 3173 will bring in \$100,000 to provide additional security measures, including fencing and security improvements for the City of Opa-Locka Parks and Recreation Department. I appreciate the opportunity to officially present both of these checks to the City of Opa-Locka during your Commission Meeting. Being able to address the needs of the great city of Opa-Locka is what I strive to accomplish,” said **Representative Bush**. “To God be the glory!”

**Representative James Bush III** will be available to speak and answer questions after the presentation event.
