(Saturday) Gwen Miller Center
6410 N 32nd Street Tampa, FL 33610

Representative Dianne Hart issued the following statement:

“I am looking forward to this great event. There are people in the community that are still feeling the effects of this pandemic and could use a helping hand, and that’s what

we intend to do. The pandemic isn't over and there is a need for additional PPE for those who may not have any, or haven't had the opportunity to get a vaccine."
