## **Representative Susan L. Valdés and Representative Dianne Hart to Host Upcoming Redistricting Town Hall Meeting**

**Tampa, Fla.** – On Wednesday, January 5, 2022, **Representative Susan L. Valdés (D-Tampa)**, in collaboration with **Representative Dianne Hart (D-Tampa)**, will be holding a town hall meeting to hear thoughts and concerns from the public about the proposed maps and redistricting process taking place during the upcoming Legislative Session. Both members sit on the State Legislative Redistricting Subcommittee.

**Representative Susan L. Valdés** issued the following statement:

“Redistricting is an extremely important process taking place this Legislative Session in Tallahassee. This town hall is an effort to gather feedback directly from constituents on this once-in-a-decade process that can shape state House, state Senate, and Florida’s congressional seats for the next 10 years. For more details see following link: <https://www.floridaredistricting.gov/>.”

**Representative Dianne Hart** issued the following statement:

“It is my hope that the community will come out to learn about the Redistricting process and provide valuable input on what changes they would like to see. Fair maps are possible with community input.”
