**Rep. Davis on New Elections Law**

**TALLAHASSEE, Fla.** – Following the Governor signing [SB 524](#) today, **Representative Tracie Davis (D-Jacksonville)** issued the following statement:

“DeSantis’ so-called election reform legislation is a continued attack by the Republican Party to generate public distrust in the integrity of our elections. The bill is unnecessary and a waste of taxpayer funds. To criminalize and penalize people for conducting voter registration and returning voted ballots simply has no merit. The funds necessary to implement this politically-motivated bill would better serve the people of Florida if they were used to support our County Supervisors of Elections in educating voters while conducting fair, accurate, and accessible elections.”
