**STATEMENT: Florida House Representative Ashley V. Gantt
Responds to Lactation Spaces in Courthouses Bill Signed into
Law**

MIAMI – Representative Ashley V. Gantt (D-Miami) released this statement following **Governor DeSantis** signing [SB 144](#)-Lactation Spaces in Courthouses into law yesterday:

“I cannot wait to travel around the state to celebrate the opening of lactation spaces because our Lactation Spaces bill was just signed by the Governor. It has been an honor to advocate for women and families all across the state of Florida. Thank you, Senator Berman, FAWL, and our staff for making this a reality.”
