MEMORANDUM

July 16, 2021

Mr. Frank Martz
City Manager, City of Altamonte Springs
225 Newburyport Avenue
Altamonte Springs, FL. 32701

Dear Frank:

My current contract with the City is scheduled to expire on October 31, 2021. It has been my pleasure to serve the City of Altamonte Springs under this contract as its lobbyist in Tallahassee and Washington. We have had many successes for the city in achieving the goals you have outlined for me. This year marks the end of the one year option portion of my current contract. The remaining one year option was to be exercised at our mutual agreement.

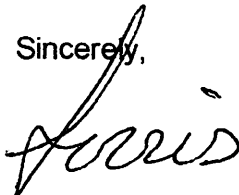

In the hope that we could continue this very beneficial arrangement, I would propose to a new one-year contract for general consulting services in the areas of transportation funding, municipal legislation, growth management issues, and such other municipal issues as directed by you, under the same terms and conditions that prevailed under the previous contract. This new contract would commence on November 1, 2021 and conclude on October 31, 2022.

As to the financial amount for the contract, I would suggest an increase of \$2,000 over this past year's contract to reflect the increasing costs of conducting business.

Because of the continuing increase in travel expenses, I would suggest that the travel budget amount be increased by \$300 over the previous contract for travel outside the Central Florida area and at your direction.

I appreciate the opportunity to serve the citizens of Altamonte Springs and hope that we may continue this partnership.

Sincerely,

Louis C. Rotundo

I just want to be sure we're on the same page as regards the numbers:

Current annual fee	\$ 67,946
Add	\$ 2,000
New annual fee	\$ 69,946

Current annual travel expenses	\$ 4,300
Add	\$ 300
New annual travel expenses	\$ 4,600

Does this agree with your understanding?
